From the Board of Directors

Roland Doucette, President

With the summer heat upon us, it is important that as we go to the pool to get a little relief from the heat we comply with the rules that allow us to keep our pool open. These rules are in your Blue Book, and you should take a few minutes to review them before your guests arrive. Of the rules that are there, the one that will cost us all the most money in the long run is the wearing of tanning lotions and oils, which are prohibited from being used inside the pool. These substances will destroy our pool filters and require a very costly replacement. We ask that you please remind your guests.

The Blue Jay Board was recently notified by a Homeowners Association legal blog that a longstanding Florida law on gambling was suddenly being strictly enforced by local authorities. The blog suggested that many fundraisers commonly used by associations to raise money were in fact not legal in Florida and come with significant legal liabilities to principals on Boards and Social Clubs. After consulting and meeting with our attorneys the Board was informed that while most of the games we play at Blue Jay are fine, the law specifically defines “games of chance” as illegal, and lists 50/50 raffles as a game of chance. As a result, one of the Social Club’s main sources of revenue is no longer available to them. The Social Club has considered a number of alternatives, and will discuss their plans in the Social Club section of this Monthly Media.

Each of you that stay in Blue Jay during hurricane season should have an emergency plan that includes: 1. where you will stay if there is an evacuation; 2. supplies for 2-5 days; 3. medications; 4. important papers to take; 5. medical and pet accommodations. A reminder, the clubhouse cannot be used as an emergency shelter. Keep this in mind as hurricane season approaches.

We have been asked by our trash collectors to ask residents to place larger items out for disposal on Fridays rather than Tuesdays. We are being told that the truck is emptier when they get to Blue Jay on Fridays. Please remember also that there are guidelines in the Blue Book that reference putting trash on the sidewalk. Trash in cans can be put out after 6 PM the night before, but trash in bags or bound by string or rope cannot be in the sidewalk before the morning of pickup. There have been recent occurrences of trash on a sidewalk days before pick up. Please help us keep Blue Jay looking beautiful.

The pool will be closed starting August 5th (weather permitting) to replace the coping and refinish and refill the pavers. It will be closed for approximately 2 weeks. While we agree the timing could be better, there is really nothing we can do. There are few companies that do this type of work, and they do not allow us to decide when they will be here.

Issues are developing relative to homeowners starting projects on their home without Architectural Committee approval. The purpose of approval is to ensure that changes conform

...continued on page 6

to our policies. It is the responsibility of the homeowner to obtain approval. Without approval you could be required to remove all changes and restore the property to its pre-work state. Do not let contractors begin work on your homes before getting approval. Not doing so could prove costly.

Finally, Blue Jay policies, and Pinellas County ordinances, prohibit parking on our sidewalks. We have received complaints from residents who use walkers. They cannot walk on sidewalks because automobiles are there. All motor vehicles, including golf carts, should be parked on the street.

With that I will remind you that we continue to have an operations meeting every Monday morning at 8:30am. I attend via telephone. Residents are welcome to attend. I can be reached at 401-659-0073 or via e-mail (preferred) at phyteach88@gmail.com if you need to get in touch with me.

Stay safe and enjoy the summer!!

From The Social Club

Sally Ericson, Co-Chair

Normally June is a month our board and planning committee slows down, and takes a breather.

That is quite true, however, this year is an exception. We were advised, that due to a Florida statute, we are required to make drastic changes in the Blue Jay Social Club's regular long standing practices of funding the club for various events.

Because of a Florida Law regarding Raffles, we have discontinued any future selling of 50/50 chances. We will continue to look into and develop new types of activities to maintain funds for the 2020 Budget. If you are interested in the Florida law and updates you can go to Florida Condo & HOA Law Blog on the Internet.

On Wednesday Bud Fox did a donation box for coffee and donuts and we are still doing the Miles of Pennies.At the last Social Club meeting we discussed various ideas on how to handle a rummage sale next year. Pat will be working on dates for the Individual sale and a combination sale for/with the Social Club..... Bud presented some ideas for the rummage sale. A discussion with some of our residents followed. We hope we can do this with everyone's help.....It is possible to do a sale when everyone is here during the season.

This year we had a \$2.00 per person charge, (another change) for traditional pot-luck dinner on Memorial Day (observed). After the feast, music filled the night for fun and dancing by Music in the Park!

Coming later - Tony is preparing another delicious lunch for all on June 21st and we are looking forward to it.

BLUE JAY EASTER PARADE

Coordinator Mike and Pat McKenna

Suddenly I awaken. Was that the Wind Chimes? It's 3:20 AM. My instant thought was our Easter Parade starts this morning at 10:30 AM. And this is our third day of gusty winds and light showers. Hey what could possibly go wrong?----- How many will show up?

It's now 8:30 AM, and the Club House is now open for our Easter breakfast. This year we had a "Hoppy" surprise. We were all greeted at the door by a real live fluffy Easter Bunny. Now that was egg-citing! Thank you Ms. Max. and Mr. Dan for your bunny hugs and photos.

It's now 9:55 AM. The Easter contests are over and most of us have finished eating. Our sincere thanks to our Easter Party Hosts, Kathy and Glen Lake (and all their helpers) for another challenging Easter Breakfast after overcoming some serious unpredictable kitchen problems. They handled it like pros. And kudos to our hard working Social Club leaders.

It's now 10:20 AM. It's time for our magical Easter Parade to come alive! Unfortunately, with this years unpredictable weather and a late Easter Date, the Parade turn out was less then expected. We only had two decorated carts plus the one cart with our Easter Bunny and her Easter candy. This year I tried to get us a Zamboni Ice Machine and a Fire Truck for the Parade, but it didn't work out. However I did get us two classy convertibles for the ladies with their decorated Easter Bonnets to ride in. And of coarse our special thanks to the Wood's family and

...continued on page 10

Chuck Fasco for driving their spiffy convertibles.

It's now 10:30 AM. You can now feel excitement in the air for the Parade. So it's Bon-voyage. It comes alive. Off we go. The Easter Angel Cart leads the way playing beautiful Easter music that fills the air for everyone to hear and enjoy. Here comes the Parade! Up and down all the streets, over the humps we go ! Some people line up along the streets excited to see our Parade. We wave, we honk, and we wish everyone a Happy Easter !

Hey, this wasn't our largest Parade, but we went ahead anyway because everyone loves a Parade. After all it is a very special time of year. Easter is a Blessed Holiday and it has been a week full of both mythical fun and Holy Celebrations.

Finally, a big thank you to all who joined in this year. Congratulations to all the contest winners. Next year let's have a Parade a "mile long." (My exaggeration.) After 'parading' this around for the past seven years,----- I think I'm finally getting the hang of it !

I hope this Easter brought you lots of joy, some fun and happiness to your life. It did mine. With Love and best wishes to everyone.

Parade Marshall, Mike and Pat McKenna

RED HATS

Bonnie Preston, Coordinator

The monthly luncheon, get-together was held on April 18th. Our group of 26 Red Hat ladies enjoyed lunch at Daddy's Restaurant. Thanks to our hosts, Sharon Hurd and Vivian Williams. Everything was great, good food, great service, and lots of fun. That's what our Red Hatters are all about. Come and join us! We meet the 3rd Thursday of the month.

Both Sharon & Vivian are new residents, but they have hosted our luncheons two times in the past five months! I truly appreciate all their help. If there are new residents who stay summers, please join us for a luncheon. For more information, call me at 483-9955.

Library News

Nancy Jo Beardsley

If you're looking for something to do on a hot summer afternoon, there are many movies, classics such as Gone With The Wind, Christmas Vacation, Ben-Hur, Grumpy Old Men, Cleopatra and Titanic. Music tapes are also stocked. They are VHF and DVD editions.

The library is stocked with many books by known authors for your reading enjoyment. There are paper backs, hard cover as well as large print editions.

The books are arranged alphabetically by the author’s last name. If you have a favorite author you’re looking for, they can easily be found.

The library also stocks many puzzles which can be borrowed.

There are also current magazines which have been donated. These can be taken for your enjoyment.

There is a box on a top shelf marked Eyeglasses. If you have glasses you no longer use or need, put them in the box and they will go to the Lions for their use.

When returning books, tapes etc. Place them in the box marked “Return”. Don’t put them back on the shelves. The librarians will re-shelve them.

The librarians are busy keeping the library clean, and the elimination of books with questionable content. Books that are worn or duplications are being donated to the Goodwill organization.

Last but not least, If you have unwanted books in your home library, please do not bring them into the library and drop them off. Check with Nancy Beardsley, #122, to see if they can be integrated into the books already there. There is only so much shelf space and as been said above, some books are being removed to free up space for additional ones.

AN EMERGENCY IS STILL AN EMERGENCY. EVEN DURING THIS EMERGENCY.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycareemergencycare.org)**

Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors.
