From the Board of Directors

Roland Doucette President

It is getting eerily quiet around Blue Jay as our snow birders return to their roosts up north. Our permanent residents are settling in for another warm summer. I hope everyone staying or returning in the fall remains healthy and happy. I look forward to seeing everyone when I get back.

Whether staying or returning in the fall, be ready to slow down a little, as the new experimental speed bumps should be installed soon on the west road of the park. The Board of Directors took this action reluctantly, as no one really wanted to see speed bumps in our park. That being said, however, the safety of our residents has to come first, and despite years of trying to slow folks down without speed bumps nothing seemed to work.

We have also installed 40 tons of rock at the north end of Pelican Lake. Not only does it look great, it should protect the base of the wall from erosion and eventual costly repairs.

The common ground palms and oaks will be trimmed beginning in early May. If you want to be included, be sure to get in touch with Rich Williams so that you can get on the list.

As a reminder, if you plan to rent out your unit you must complete an application and submit it to the Association Resident Occupancy Committee along with a lease agreement. New renters will need to have a background check. All rentals must be approved by the Association. Each year a new lease agreement is required. This is necessary as part of the Fair Housing Act and our designation as a 55+ community and is detailed in our documents. If you have questions or need paperwork, contact Sheila Voss for assistance.

For our pet owners, a reminder that pets must be on a leash at all times – this is a county ordinance – and can only be walked in the pet section. Your cooperation is appreciated.

If you are heading away for more than 1 week, please have someone look after your home and be sure to remove all objects that could be tossed around in a storm.

Vice President Sheila Voss is looking after things while I am up north. I will continue to participate in the Monday operations meetings via telephone and be involved in any projects that arise. I can be reached at 401-659-0073 or via e-mail at phyteach88@gmail.com should you have a question or need to talk to me.

Stay safe and have a great summer!

From The Social Club

Pat Serletic, Chair/Co-Chairperson

The Social Club was busy during March and it is continuing into the month of April!

In the month of March, we held the St. Pat's Dance and it was a success. We would like to thank Jackie Triplett and her committee for the wonderful job they did. The music was provided by Bittersweet.

John Broderick hosted the golf tournament on March 23rd. Thank you to all of the participants and their wives for preparing the lunch. It was an enjoyable day for all.

On April 1st, we held the Blue Jay Annual Picnic and had a great turnout! Thank you Mike McKenna and Dominic Berenato for cooking the yummy hamburgers and hot dogs for everyone. Residents brought appetizers, salads, and desserts. Everyone enjoyed the games and had lots of fun! We thank Rich & Cindy Williams for the music.

The Spring Fling Dance was held on April 8th to introduce and welcome the new residents of Blue Jay. Isabel Lane introduced the new residents that were able to attend the dance. The hosts were Rich & Cindy Williams and Bill & Debbie Britt. Music was provided by Rich & Cindy Williams.

On April 13th, Tony Ruvolo & Betty Ball had another delicious ice cream social with various toppings for your ice cream. This was a fun evening for our residents to get together.

Easter Breakfast was held on April 15th and was hosted by Kathy & Glen Lake with Mike McKenna leading the Easter Parade of decorated golf carts, bikes, and convertibles! We will report more on Easter next month.

A special thank you to all of the hosts and committees for the wonderful job they do. We could not do our job without the participation of our residents.

Finally, we know some of our residents will be leaving for the summer and we wish them safe travels and look forward to them returning in the fall.

Red Hat Mamas

Bonnie Preston, Queen Mother

I accepted the position of being the new Queen Mother of Red Hat Mamas. This will be a challenging position to follow in the footsteps of Paulette. However, I believe if I have the help, suggestions, and support from all of our members, we will continue having good times at our monthly get togethers.

On March 16th, thirty-one Red Hat Mamas went to Rumba's restaurant for our monthly luncheon get-together. Fran Low was our host for the occasion. We sat in an area all to ourselves! The server was very good and everyone seemed to enjoy their meal. Instead of our regular red and purple attire, we all wore green in celebration of St. Patrick's Day. Before having our meal, Pat Serletic asked if all would please stand and raise their glasses in tribute to Paulette Derr, our good friend who passed away on March 10th.

We held our usual 50/50 with the help of Fran Ternsten and Shirley Ellsworth and the lucky winners were Pat Hawthorne and ? (sorry, senior moment!)

We are happy to see new residents join our group and the return of more original members to join us again!

IN HONOR OF ALL VETERANS AND FIRST RESPONDERS

Provided by Peg McConnell

Did you know that at funerals that the 21 gun salute stands for the sum of the numbers in the year 1776?

Have you ever noticed the honor guard pays meticulous attention to correctly folding the United States of America Flag 13 times? You probably thought it was to symbolize the original 13 colonies, but we learn something new every day.

The 1st fold of the flag is a symbol of life.

The 2nd fold is a symbol of the belief in eternal life.

The 3rd fold is made in honor and remembrance of the veterans departing the ranks who gave a portion of their lives for the defense of the country to attain peace throughout the world.

The 4th fold represents the weaker nature, for as American citizens trusting in God, it is to Him we turn in time of peace as well as in time of war for His divine guidance.

The 5th fold is a tribute to the country, for in the words of Stephen Decatur, "Our Country,

in dealing with other countries, may she always be right, but it is still our country, right or wrong".

The 6th fold is for where people's hearts lie. It is with their heart that they pledge allegiance to the flag of the United States of America, and the Republic for which it stands, one Nation Under God, Indivisible, with Liberty and Justice for all.

The 7th fold is a tribute to its Armed Forces, for it is through the Armed Forces that they protect their country and their flag against all her enemies, whether they be found within or without the boundaries of their republic.

The 8th fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day.

The 9th fold is a tribute to womanhood and mothers, for it has been through their faith, their love, loyalty and devotion that the character of the men and women who have made this country great has been molded.

The 10th fold is a tribute to the Fathers, for he too has given his sons and daughters for the defense of their country since they were first born.

The 11th fold represents the lower portion of the seal of King David and King Solomon and glorifies the Hebrews eyes, the god of Abraham , Isaac and Jacob.

The 12th fold in the eyes of a Christian citizen, represents an emblem of eternity and glorifies in their eyes, God the Father, the Son and Holy Spirit.

The 13th fold when the Flag is completely folded, the stars are uppermost reminding us of our Nation's motto, "In God We Trust." After the Flag is completely folded and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the Soldiers who served under General George Washington and the Sailors and Marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed forces of the United States of America, preserving for us the rights, privileges, and freedoms we enjoy today.

The next time you see a Flag ceremony honoring someone that has served our country, whether in the Armed Forces or in civilian services, such as the Police Force or First Responders, keep in mind all the important reasons behind each and every movement. They have paid the ultimate sacrifice for all of us by honoring our Flag and our Country .

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

ALS Awareness Month. Sponsored by the ALS Association to focus the public spotlight on ALS—amyotrophic lateral sclerosis, commonly known as Lou Gehrig’s Disease. ALS is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord. It usually strikes people ages 40 to 70 and afflicts about 20,000 Americans.

Clean Air Month. Supported by the American Lung Association, Clean Air Month educates people about the importance of clean air in their lives. It’s also a time to celebrate the Clean Air Act of 1970 and its impact on the way people think about the environment and on the overall health of everyone.

Mental Health Awareness Month. One in five Americans lives with a mental disorder, with depression topping the list of health-related productivity costs in the workplace, responsible for more than \$51 billion in absenteeism. Strive to make mental health at work a top priority for employers.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast. Established in 1956, National Bike Month is a chance to showcase the many benefits of bicycling—and encourage more folks to give biking a try.

Weekly

Children’s Book Week, May 1-7. Established in 1919, Children’s Book Week is an annual celebration of books for young people. Every year, commemorative events are held nationwide at schools, libraries, bookstores, homes—wherever young readers and books connect.

Drinking Water Week, May 7-13. For more than 35 years the American Water Works Association and its members have celebrated Drinking Water Week—an opportunity for water professionals and the communities they serve to join together in recognizing the vital role that water plays in our daily lives.

National Women’s Health Week, May 14-20. National Women’s Health Week is an observance led by the U.S. Department of Health and Human Services Office on Women’s Health. The goal: to empower women to make their health a priority.

Hurricane Preparedness Week, May 21-27. Tropical cyclones are among nature’s most powerful and destructive phenomena. If you live in an area prone to tropical cyclones, you have to be ready. The National Hurricane Center and the Central Pacific Hurricane Center issue watches, warnings, forecasts, and analyses of hazardous tropical weather.
