From the Board of Directors

Penny Gilray President

The Annual Meeting was held on February 16 and the organizational meeting followed. I am pleased to report the following Board appointments – Penny Gilray, President; Roland Doucette, Vice President; Domenic Berenato, Director; Sheila Voss, Director and Richard Williams, Director. In addition, Barb Price was appointed Treasurer and Joe Montione was appointed Secretary. The Building and Grounds portfolio will be Co-Chaired by Roland Doucette and Rich Williams. Thanks to all who stood for these positions and we look forward to a good year.

Lots going on in March!! We aim to get the major projects completed in the first and third quarters. So, as you read this we should be in the midst of the pool re-decking. As of this writing it is scheduled to start on February 22 and should complete by March 5. Status reports will be posted if the dates change.

As of this writing, the replacement of clubhouse windows on the north side and the library should be finished. This will complete the refurbishment of the windows in the clubhouse and is part of the 2016 budget upgrade program.

The Board of Directors held an “emergency management” workshop on February 29 to ensure we are prepared for any emergency event, including hurricanes. Kathy Shanks led the session and the goal is to have good documentation for anyone to be able to lead the activity if an event occurs. We are in need of volunteers that would be willing to help if we have to prepare for a hurricane or to deal with an event. Please contact me if you are able to help.

As homeowners are preparing to go north, I want to remind you to leave your home “hurricane ready”. That means EVERYTHING is taken out of your carport and stowed indoors as well as anything else that is around your home. Any item can become a projectile in strong winds causing damage to your home or others.

On March 9 we will be having someone from Pinellas County in to talk to us about emergency and hurricane preparedness. This will be part of the Social Hour and I urge all to attend.

Just a reminder – bird feeders draw rats and other critters. It would be best if you do not put out feeders for our feathered friends.

The next Board of Directors meeting will be held on Tuesday March 15th at 7pm in the clubhouse. Please mark your calendar and plan to attend.

Wishing you a Happy Easter!!

From the Social Club

Bud Fox, Chairperson

This is my first attempt at writing the article from the Social Committee, so please “cut me some slack”. I want to thank Paulette and Pat for leading the Social Committee for the past several years. They did a great job and I’m sure I speak for everyone that Blue Jay gained from their leadership. Since Sally and Jean are carry overs from last year and Ida has filled in many times. I’m the only “rookie”!

January’s Western dance was as always a huge success. Although I’m writing this before the pizza party and Valentine’s dance, I’m sure they will also be well remembered. St. Patrick’s Day and the Easter breakfast are on schedule for this month. Make sure you sign up for both. We have many repeat rental couples who bring their own added talents and efforts to our various activities. Blue Jay is such a wonderful place to live (and rent).

St. Patricks Day

by Sally Ericson, Co-Chairperson

It’s that time of year again when “everyone is Irish”.....Well, you really don’t have to be, but just for fun, we all adopt the tradition from the “Ole Sod”. And if you don’t see Leprechauns, cute little sprites or fairies or find that Pot’O Gold, I guarantee you will still have a fantastic evening enjoying the event. Ron and the Classics are playing the music. Mark your calendars for Saturday, March 12th.. 7:00 p.m..... Price of per person \$7.00.....Call Jackie Triplet for more info. 771-7957

Red Hat Mamas

Paulette Derr, Queen Mother

Thirty four of our Red Hat Mamas from Blue Jay went to the Early Bird Dinner Theater in Clearwater on Thursday, January 28, 2016 to see “Too Many Cooks”, another very funny situation comedy. By the middle of the play, it was hard to remember who was who, who was doing what or who was after who- or whom. The vocalist kept us all entertained with her variety of songs until lunch time and then we all enjoyed a delicious hot meal and a very good dessert.

We opted not to do our 50/50 on this occasion so we would not interfere with the servers and other people walking around during intermission.

On the way home, nine of us decided to stop at our favorite “after Red Hat luncheon” place for a snack and a bit of chit chat. Unfortunately, this time we had no entertainment. Four of us had gone to DD after doing some thrift store shopping one day and a gentleman entertained us by coming over to our table and singing an operatic tune. His voice was deep and powerful and we decided he must have been in show business at one time...should've gotten his name. Another time about fifteen of us went to DD in the evening and we were entertained by “Spider Man”. Well, it was really a young man in a Spider Man jacket, hood and all, that came over to our table to ask if we were having a party. You just never know who you might meet!

Don't forget, ladies of Blue Jay, if you haven't already done so, you are invited to join our Red Hat group. We collect \$3.00 per year and that is used for gift certificates, goodies after the Christmas lunch, etc. and we try to find a different “cause” to contribute to during the Christmas holidays.

Happy St. Patrick's Day and good luck to all.

Founded in 1916.

Caring Ever Since.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Teed off

Golf courses typically have two sets of tees, one for women and one farther back for men. One day at the first tee a man was stepping up to his ball when a voice came over the clubhouse loudspeaker: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The golfer looked up, surprised, then addressed his ball again. The voice on the loudspeaker repeated, “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

Irritated now, the golfer backed away, took a deep breath, and once again approached his ball. For a third time, the loudspeaker blared: “Will the gentleman on hole No. 1 please not hit from the ladies’ tee?”

The man flung his golf club down. “Will the announcer please shut up and let me hit my second shot?”

An exciting finish

Two bass players performing Beethoven’s Ninth Symphony realized that for some time at the end of the piece, the bassists play nothing. They decided to sneak out of the auditorium for a quick drink at the bar in the lobby.

After a few quick shots, one of them checked his watch. “Uh-oh, we have to get back in two minutes.”

“Don’t worry.” His friend ordered another round. “I tied down the last page of the conductor’s score, so they’ll keep playing the same part over and over. No one will notice.”

After a few more drinks, they staggered backstage and made their way back to their chairs as the conductor struggled to untie his music score with one hand while conducting the orchestra.

One usher at the rear of the auditorium whispered, “What’s going on?”

The other usher answered, “Well, it’s pretty exciting. It’s the bottom of the Ninth, the score is tied, and the bassists are loaded!”

I guess I laugh to keep from crying. And I guess if you ever get me crying, I might not stop. This is the way I look at tragedy or else I’ll cry.
—Bob Newhart

March Is...

American Red Cross Month. The American Red Cross was founded by Clara Barton in 1881. Today its supporters, volunteers, and employees provide compassionate care in five vital areas: People affected by disasters in America; support for members of the military and their families; blood collection, processing, and distribution; health and safety education and training; and international relief and development.

Music In Our Schools Month. An annual celebration sponsored by the National Association for Music Education, Music In Our Schools Month engages music educators, students, and communities from around the country in promoting the benefits of high-quality music education programs in schools.

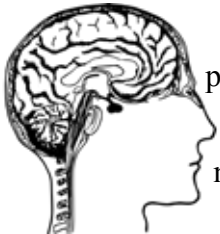

Social Work Month. The goal of Social Work Month is to educate the public about how social workers bring about positive social change and improve the lives of individuals and families. It's sponsored by the National Association of Social Workers, which works to enhance the professional growth and development of its 132,000 members, to create and maintain professional standards, and to advance sound social policies.

Women's History Month. Women's History Month has its origins as a national celebration in 1981 when Congress authorized the president to proclaim the week beginning March 7, 1982, as "Women's History Week." Since 1995, Presidents Clinton, Bush, and Obama have issued a series of annual proclamations designating March as "Women's History Month."

Weekly

National Cheerleading Week, March 1-7. National Cheerleading Week recognizes cheerleading athletes around the world. Its goal is to build a more positive image of cheerleading by engaging in group activities, community service, and fundraising projects.

NO MORE Week, March 6-12. NO MORE is a movement to raise public awareness around ending domestic violence and sexual assault. NO MORE Week is a national effort to engage individuals and organizations to say "No more" to abuse, and to make domestic violence and sexual assault awareness and prevention a priority year-round.

Brain Awareness Week, March 14-20. A global campaign to increase public awareness of the progress and benefits of brain research, Brain Awareness Week unites the efforts of partner organizations worldwide in a celebration of the brain for people of all ages. Activities include open days at neuroscience labs, exhibitions about the brain, and more.

Time behind the wheel

Driving is embedded in our national psyche. If you feel as though you live in your car driving between home and work, consider these statistics from the AAA Foundation for Traffic Safety and the Urban Institute:

- Americans drive an average of 29.2 miles a day, for a total of 10,658 miles a year.
- Women tend to take more drives, but men spend more time on the road, driving 25 percent more miles than women.
- Drivers 30-49 years old drive an average of 13,140 miles a year. Teens and senior citizens over 65 drive less than other age groups.
- We drive more in the summer—30.6 miles a day, as opposed to the winter months, when we're on the road for just 25.7 miles daily.
- Education seems to be correlated to how much people drive: Those with no more than a high school education drive an average of 19.9 miles a day (32 minutes), while drivers with a college degree are in their cars for 37.2 miles (58 minutes).

Library use on the decline?

Are libraries in danger of disappearing? A Pew Research Institute report found that most Americans strongly support their local public libraries, with 65 percent saying that the closing of a local library would have a major impact on their community. They like library services that contribute to education, along with those that help veterans, immigrants, and other special constituencies, and value access to computers and other technologies.

Still, library use appears to be trending downward: Forty-six percent of Americans age 16 and older have visited a library or bookmobile at least once during the past year, down from 53 percent in 2012. Twenty-two percent have used their library's website in the past year, down from 25 percent in 2012, and 27 percent have gone to the library to use computers and Internet resources, down again from 31 percent in 2012.
