From the Board of Directors

Penny Gilray, President

The next Board of Directors meeting will be held on Tuesday March 22nd at 7pm in the clubhouse. The updated Rules and Regulations will be finalized and voted on. A copy of the changes is posted in the clubhouse on the bulletin board.

At this writing we are preparing to complete the front entrance project. This is a major project for 2017 and when complete will provide an updated look and pleasing entrance to our community. The lighting will all be LED so it is less costly to run and requires less replacement bulbs and will make it easier for you to see the entrance way after dark.

We are fortunate that the 3 Board of Director positions were filled by the incumbents. Thank you to Sheila Voss, Rich Williams and Roland Doucette for “re-upping” for another term.

As homeowners are preparing to go north, I want to remind you to leave your home “hurricane ready”. That means EVERYTHING is taken out of your carport and stowed indoors as well as anything else that is around your home. Any item can become a projectile in strong winds causing damage to your home or others.

Also, as you prepare to go north, please notify the Association by completing a change of address and letting us know who is looking after your home while you are gone. This ensures Association mail is received in a timely manner.

A reminder, please do not park on sidewalks. This includes letting your vehicle overhand the sidewalk while in your driveway.

Mark your calendar and plan to attend the March board meeting.

From the Social Club

Paulette Derr, Chairperson

The Social Club is looking forward to some new events for this year that will include the Elvis Show on March 5th and a 50's dance in November.

A thank you goes out to Domenic and Louise Berenato and the committee who helped put on the Western Dance, it was a great success. A special thank you to Rich and Cindy Williams for providing the music and filling in for Ray Curtis who was ill.

On Wednesday January 25th, Gary Gilchrist spoke to everyone on Honor Flights for Veterans to Washington D.C. and informed us how you can apply for these flights. Ralph Sparks was able to go on one of the flights and told us about his experience.

Arlene Kaslander from Dial Directories spoke to us on February 8th about the telephone directories and encouraged us to give them feedback on advertisers.

Ron and Nancy Beardsley are hosting the Valentine Dance and it is always fun to enjoy the root beer floats.

The Social Club is looking forward to having everyone join in on the various activities this year.

Blue Jay's Got Talent Show

By Mike McKenna

On February 25th. there was a magical Talent Show night at Blue Jay. We had over 100 attending our popular "Blue Jay's Got Talent" Show. The Show supports "Feast" Charity that feeds the poor. To get into the Show, we asked for a donation of at least one can/box of food items and we collected over 150 various foods that night.

Thanks to my boss Ms. Phyllis Zaluga for pressing ahead, she was determined to have our 2017 Talent Show. She is tenacious as a dog with a bone. Never giving up. She is so sweet and quiet. I just love her. But behind the scenes she can also crack the ole whip. I loving calling her "Ms. Angela Lansbury" the actress and that's a complement. Do you see the resemblance?

This year we had 13 acts that were performed. All "Blue Jay" volunteers to entertain us and I think they all earned a "10" for their acts. Kudos to all. The costumes were outstanding. All the acts were wonderful and original. All evening we were pleasantly surprised and enjoyed each and every one of them. Much laughter and joy all night long.

So how do you explain how so many Blue Jay people were able to pull off such a big event with such great entertainment? We at Blue Jay are blessed with many talented gifted friends and neighbors that came forward to offer there time and support.

I hope you went home smiling more then when you come. I know I did. It was an evening you will forget the rest of your life? Or just maybe "not forget"?

Stay Happy, Stay Healthy, Mike McKenna

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

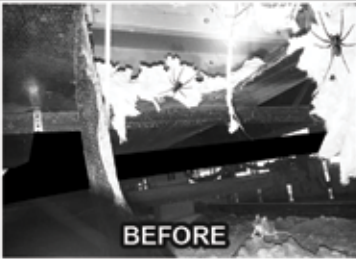

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Fresh or frozen? The choice is yours

Mom may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

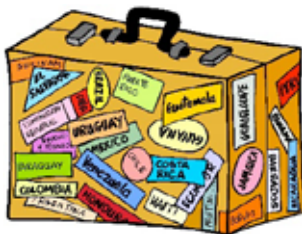

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

Watch for these sources of illness while traveling

Traveling has enough hassles—check-in lines, lost luggage, bad airline food—without adding germs to the mix. Be safe by watching out for these common sources of germs and bacteria that can make you sick when you travel (from the CNN website):

- Washroom stall locks. In one test, airport stall locks were found to have an average of 70 colony-forming units (CFUs) per square inch. Use soap and water or a good hand sanitizer after touching them.
- Seatbelt buckles. Clean your hands after buckling up. Airplane belt buckles can have up to 230 CFUs per square inch.
- Lavatory flush buttons. These can get pretty nasty, containing 265 CFUs per square inch (although overhead vents and tray tables have more).
- Drinking fountains. Thirsty? Maybe buy a bottle of water instead. The buttons on airport drinking fountains have been found to hold 1,240 CFUs per square inch.
