## From the Board of Directors

*Roland Doucette, President*

Hello All,

As I write this Blue Jay has managed to dodge yet another hurricane, with Dorian skirting the coast rather than coming across the state as was initially forecast. Blue Jay got some rain, but we had no damage as the winds stayed away. After seeing pictures of the destruction in the Bahamas there is no way to imagine what would have happened if the storm had come through our area. We are very fortunate.

Special thanks need to go out from all of us to Rich Williams and his team of volunteers who put away all of our pool equipment, monitored things until we were sure the storm was not going to hit, and then put everything back in place. We always say that we live in the greatest community in all of Florida, but it is at these moments that we truly come to appreciate the efforts of our fellow homeowners. Thanks very much folks. We really do appreciate all you do for Blue Jay.

The pool reopened the Friday before Labor Day after some rather extensive work. We knew that the coping was going to be replaced and the pavers cleaned and resurfaced. We had also recently found that the ladder going into the pool had come loose from its fittings and would need to be repaired. What we were not aware of was that 4 of the 12 scupper drains on the pool were leaking internally. As part of the project we repaired all 12 of the drains, and resurfaced the scuppers. We did not see any reason to repair just 4 and then need additional work later. These were original to the pool so hopefully we will be OK for another 35 years.

Both budget hearings have been completed, and a final budget is being prepared for a vote of approval at our November meeting. All normal park activities continue as planned, although at a much slower summer pace as our Board members continue to cycle in and out to visit friends and families. The biggest upcoming issue is palm tree trimming, planned for mid-October.

Within the next month Board members will begin straggling in from up north, and by November 1st we should have a full Board again in residence. Blue Jay will once again be fully open for business, and we will all have the opportunity to resume our normal winter interactions with our Blue Jay family. It seems like we all just got home. These years are passing much too quickly.

Sue and I will see you all soon. We plan to be back on October 14th.

Roland

## From The Social Club

Sally Ericson, Co-Chair

---

It's "trick or treat" time again...And what "tricks" this year!!!! In the last few weeks of August and the beginning of September "Mother Nature" foisted her few "tricks" she always has up her sleeve. Her "trick", hurricane Dorian, kept us cautious as we put our social activities on hold while we hunkered down in anticipation of the worse.....But, thank the powers-that-be, we dodged the bullet again!

Many "treats" are what your Social Club has in store for you ! Read on.....

First, a look back,..... last month -.....

Pat Serletic wishes to thank everyone for bravely coming to our Labor Day Party, which was on Monday September 2nd! (Ha! Dorian!) Pizza and salad. Music by Carlo! All things considered, we had a great turn-out. The ladies made all those "Devine desserts". What more can you ask for? ..... Then, the morning of September 14th, Tony Ruvolo and company demonstrated once more, a wonderful way to start out the day!! He presented a Belgian Waffles breakfast with sausage, and/or whatever to go with it. So delicious! It was well attended!

Coming in October .....

Another Ruvolo innovation - October 5th is the Octoberfest . German cuisine of bratwust etc. etc. is offered. Dinner to be served at 5:30. Music by Carlo will round out the rest of the evening. Details (cost) to be announced at later date.....Next is our annual Halloween Dance. Hosts are Randy and Christy Spencer. Music by Saddle Tramp. Prizes for most creative costumes will be awarded. More info will be given at Coffee Hour.....

Looking ahead.....

Coming up fast will be the Individual Residents Rummage Sale. Mark your calendars, November 1st and 2nd. Everyone needs to contact Chairman John Broderick, phone 784-3169, unit 38, to arrange for their table. This function is mostly for the benefit of residents who wish to sell their own items. However, the popular homemade bake goods for the Bake sale benefits your Social Club which helps fund social events for the coming year. Joan Sturino is Chairing that department once again. Please contact Joan at 785-7598, unit 96.

In closing,..... while we are so thankful for being spared the destruction of the path of Dorian, we are mindful of all the poor people of the Bahamas and those on the eastern coast of our country. Keep them in our thoughts and prayers.

## Red Hats

Bonnie Preston, Coordinator

---

There were 13 Red Hat Mamas at our monthly luncheon on August 15th. Our hosts were Florence Breckner and Joan Addington and we had a lovely time! Lunch was at Hellas Restaurant in Tarpon Springs and afterwards, some of us enjoyed shopping at the sponge docks.

Our 50/50 raffle was won by Nancy Bean. We had lotto tickets provided and the winners were: Ronnie Beetle, Roxie Swartz, and Marcy McGrath. The manager of Hellas provided a generous \$25.00 gift certificate which was won by Roz Powell. Last but not least, our ever-so-lucky, Gen Jones, won a beautiful centerpiece!

A big Thank You to our hosts, Joan & Florrie, for a great time.

Just a reminder to our new residents to come out and try our Red Hats Group. We meet on the third Thursday of each month for lunch and friendship. It's a great way to meet your new neighbors. If you have any questions, please feel free to contact me, Bonnie Preston, at 483-9955.

## The "Harvest Moon Ball" is coming to Blue Jay

---

The "Harvest Moon Ball" started in 1932 and became official in 1935 and continued each year until 1984. Every year dancing couples would go to Madison Square Gardens in New York to compete for the crown for best dancers in a specific group. It was usually held in September and was sponsored by the Daily News Welfare Association.

Dancing couples would train for several hours every day just to get their routine perfect. There were different divisions to compete in some would compete in all and others would just compete in one field of dances. The fox trot and waltz are danced in a counter-clock direction around the dance floor, and the cha-cha, rumba, swing and jitterbug are done in a small area.

The Blue Jay Harvest Moon Ball will be held on Saturday November 16th, from 7 until 10 pm music will be provided by the "Flashbacks." Cost is \$10.00 per person, with snacks provided and as always byob.

So, come join the fun and show us your best dance moves. Oh, and if you need to brush up on some of your dance steps or perhaps learn some new steps, there is dancing on Friday nights at the clubhouse at 6:30 pm.

Your hosts for this event are Pat Serletic and Peg McConnell

## TOYS FOR TOTS

*Duane & Mavis Buckholz*

---

**T**oys for Tots has been sponsored for many years by the Blue Jay residents with their generous contribution of money and toys. This organization is sponsored by the Marine Corps Reserve and provides toys for the less fortunate children of Pinellas County. October 1, kicks off this national campaign.

During the next few weeks we will be asking for your donations. On December 7th, there will be dinner and entertainment in the clubhouse when we will present the toys and money to the Marine representatives.

Let's make this year the BEST year ever. Thank you for your past support.

## Blue Jay's Got Talent Show

*Mike and Pat McKenna Coordinators*

---

**G**oodbye September! Hello October! Here comes Autumn!-----The first day of Fall? Sept. 23rd.. The first Blue Jay's Pre-Talent Show Meeting? Nov. 8th.----- The days of 2019 continue to dwindling down and we are looking for Talent Show Acts and volunteers.

We know we have many talented and gifted people here in Blue Jay. Right now we have 6- HOT Show Acts that want to be in it. Our goal is to have at least 15 Blue Jay resident Show Acts. Also we happily have two volunteers for our critical Production Crew. We will want to have at least 4 more. We love our volunteers. We need help with Lights, Sound & volume, Microphones, Staging set ups, Time schedules, and of coarse a cool D.J. for Music! Are you interested? See me.

Our 2020 Talent Show theme is "Life Memories". At our age we should have mil-lions of them. A few ideas of what-- Do we do? Is any one thinking about some of those twerky and epic oldies? Like-----Mama Mia, Babe I Got You Babe, These Boots are Made for Walking, Michael Jackson-Thriller, Take Me Out to the Ball Game, Does Your Chewing Gum Lose Its Flavor, There's A Tear In My Beer, etc.? Or one of those 'sing along' songs we sing in the car? Perhaps some laughing Comedy, or playing an Instrument. How about some Duo's, Trio's, Quartet's with some crazy fun Acts, or a Group doing a wild Stage Play, the memorable Crazy Small People Dance, or Blue Jay's Line Dancing? If any of these are helpful , run with it. Or perhaps you have your own "Life Memory" idea? Remember we only have room for 9 more Acts. You have to let me know if you want to be included. First come first serve. The Big Talent Show premiere is February 29th. 2020, that's when our Club House Stage becomes a rioting playhouse!

If you are interested in Show lights and Glamour this Talent Show is just for you. This is NOT a serious Show. It is for lots of FUN and LAUGHTER! NO professionals. Just Us. So

## Ancient human skulls hint at early European arrival

---

Two skulls unearthed in Greece suggest that *Homo sapiens* arrived in Europe from Africa much earlier than previously thought. The Sci-News website reports that the partial skulls were discovered decades ago, in 1978, but a recent re-examination allowed scientists to virtually reconstruct them.

One skull, 170,000 years old, belonged to a Neanderthal, but the other is 210,000 years old and appears to be an early modern human. This means that *Homo sapiens* spread out to Europe some 150,000 years earlier than believed. Scientists speculate that Neanderthals originally displaced *Homo sapiens*, but over time they died out as more early modern humans made their way to southern Europe.

## Giant squid sighted off New Orleans coast

---

For the first time, a giant squid has been sighted and captured on video in U.S. waters, the *Popular Mechanics* website reports. A research vessel grabbed video of the squid, *Architeuthis dux*, 100 miles from the New Orleans coast. It's only the second footage of a giant squid in the wild; the first was captured on video in 2012 off Japan's Ogasawara archipelago.

The video was taken with a camera called Medusa, designed to resemble bioluminescent prey in the deep sea and attract predators like the giant squid to obtain a close-up look that can be recorded and studied.

## Three myths about creativity

---

People have lots of misconceptions about the nature and practice of being creative. Here are some common myths to ignore (from the Livemint website):

- **Creativity is serendipitous.** Don't wait for the proverbial light bulb to go off inside your head. Enhance your imagination by talking to people, immersing yourself in information, and focusing on the problem you want to solve instead of hoping you'll get an idea out of the blue.

- **Creativity is lonely.** We imagine the painter alone in a studio, or a poet shivering in a chilly garret. You won't get ideas, though, unless you get out into the world and explore. The more perspectives you can get from other people, the more fuel your imagination has.

- **Creativity requires a team.** Organizations rely on R&D teams for creative ideas. Although seeking input from others is useful—even essential—many great ideas come from people who weren't actively seeking solutions at the time. Teamwork is great, but don't ignore ideas from offbeat sources. They may be the most innovative.

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.
