From the Board of Directors

Roland Doucette President

Suzanne and I are once again preparing to return to our Blue Jay friends. Barring any unforeseen last minute issues we should be flying in on Sunday, October 18th. I always reread the previous year's corresponding Monthly Media post in preparation for writing this article, and what is so striking this October is the degree to which our lives have changed over the course of just one year. Who could have believed just 12 months ago how much all of our lives would be changed. Last October we were looking forward to once again going out to dinner with the gang on Thursdays. I doubt there will be much of that this year. We were looking forward to our morning walks on various sections of the Pinellas Trail. I doubt we will be leaving Blue Jay to walk this year. We were looking forward to again seeing our Canadian friends, yet many of them will be delayed until January or may not be able to come back at all this year. And most of all, I doubt many of us owned a face mask just 12 short months ago.

I am pleased, however, that Blue Jay has not lost any residents to the virus. It is comforting to know that we have done our best to keep our residents safe. There are a lot of associations that cannot make that claim. I am thankful that you folks have done such a great job of protecting yourselves so that we get to see one another again in a few weeks. I am also grateful to Board Members, as they played a large part in the day-to-day issues that unexpectedly showed up. Hopefully this will all resolve itself soon and we can once again be free to interact as we always have in the past.

I am writing this a little late this month as I wanted to wait until the Board held its second budget workshop yesterday so that I could give you an update on the 2021 budget. As you know last year we were hit with a 44% increase by our trash collection service. That increase resulted in an \$11 increase in our monthly fee. I wish I could say I had better news this year, but another big ticket vendor, our insurance broker, has told us that our insurance costs will rise by 20% for 2021. Despite our attempts to mitigate this increase in other areas, in the end we must pay our bills, as unlike our federal government we cannot pass an underfunded budget. As a result the maintenance fee will be rising by \$5 for 2021 to a total of \$177 per month. As always the Board takes any rise in the maintenance fee very seriously, as we recognize the potential effect on residents. We will continue to do our best to keep this fee as low as we can.

Within the next month Board members will begin straggling in from up north, and by November 1st we should have a full Board again in residence. The Board does have a few projects planned this fall if money is available. There are some road repairs that need to be done. We hope to replace the existing lighting in the clubhouse with new LED's. Finally, we have purchased a new 4200 PSI power washer and new nozzles for our sidewalk cleaner and hope to get the mold off our sidewalks. We will be asking residents to help out with this project, as the cost of having it done by a contractor exceeds \$5000, and we certainly do not have that kind of money lying around anywhere.

Will see you all soon Roland.

From The Social Club

Nothing planned this month.

The “Blue Book” Project

By Penny Gilray

Every unit in Blue Jay has a “Blue Book”. It is the set of documents that governs and administers our Association. Although there have been a number of modifications to the documents over the last several years it has not been Restated and Reissued since 2001.

For 2020, the Board approved a project to update the documents and appointed a Committee made up of Penny Gilray, Domenic Berenato and Bill Iverson. The objectives were to -

1. Bring the documents up to current Statutes
2. Remove all references to the developer
3. Make modifications that were needed to run the Association in the best interests of the community

The Committee has been working with our attorney to make the necessary changes. Input was received from homeowners at the initial workshops and changes reviewed in August and September following the budget workshops.

In October the Board will review the Committee recommendations and decide if the proposal will be adopted and brought before the membership for a vote. Any changes to the Declaration, By-Laws and Articles of Incorporation must be voted on and approved by the membership.

Once the Board gives the OK, the complete package will be mailed to every unit owner. It is our intent to hold small workshops and perhaps zoom meetings to explain the changes and answer questions that homeowners may have before voting on the new documents. As well, we will continue to put articles in the newsletter to keep you informed.

Given the current restrictions on large gatherings a vote on these changes will not be done until the Annual Meeting in February.

We look forward to working with the membership to finalize the updates to our documents. If you have questions or would like to discuss this project, feel free to contact any of the Committee members.

Library News

Librarians,

Nancy Jo and Ron Beardsley

If you're looking for something to do on a hot afternoon, there are many movie classics such as *Gone With The Wind*, *Christmas Vacation*, *Ben-Hur*, *Grumpy Old Men*, *Cleopatra*, and *Titanic*. Music tapes are also stocked. They are VHF and DVD editions.

The library is stocked with many books by known authors for your reading enjoyment. There are paper backs, hard cover, as well as large print editions.

The books are arranged alphabetically by the author's name. If you have a favorite author you're looking for, they can easily be found.

The library also stocks many puzzles which can be borrowed.

There are also current magazines which have been donated. These can be taken for your enjoyment.

There is a box on a top shelf marked "Eyeglasses". If you have glasses you no longer use or need, put them in the box and they will go to the Lions club for their use.

If you have not visited the library lately, you will see the visitation guidelines that are now in place due to the Covid-19 Pandemic. There are disposable gloves available for you, as you browse through the books. Please read and follow.

Book Return: Boxes for each day of the week are at the library entrance for book return. It's important that returned books be put in the boxes. A book returned on a Monday will go into the box labeled "Monday". They are left there for 72 hours to insure that any "virus" is no longer active. We ask that you do not put books back on the shelves. The librarians will do this.

Book Re-shelving: Book covers are cleaned with an antibacterial sanitizer before re-shelved. This is to keep books clean as you browse through them.

Personal Books: The library is not accepting personal books at the time. We ask that you do not "drop off" your unwanted personal books.

By following these guidelines, we all can enjoy the library and feel confident that we're doing our best to stay safe and healthy.

The Librarians and the Board of Directors thank you for your cooperation during this critical period of time.

TOYS FOR TOTS

Dan & Max Karpf, Coordinators

Toys for Tots has been sponsored for many years by the Blue Jay residents with their generous contribution of money and toys. This organization is sponsored by the Marine Corps Reserve and provides toys for the less fortunate children of Pinellas County. The goal of Toys for Tots is that “Every Child deserves a Little Christmas,” and we are asking you to help us send the needy children of our community a message of hope this Christmas, through the gift of a new toy.

Though they accept toys for ages 0 to 12, they always have additional toy needs for both girls and boys ages 10 to 12 and for children 0 to 1.

September kicked off this national campaign. During the next few weeks, we will be asking for your donations. Monetary donations (cash/checks) can be dropped off to us personally (Lot #172). Starting October 1st, unwrapped toy donations can be left in the clubhouse in the Toys for Tots collection bins. Please do not leave them there earlier than 10/1.

More details to follow regarding the presentation of toys and money to the Marine representative.

Let’s make this year the BEST year ever. As always, thank you for your past support.

From Norva

Norva is still not excepting things for the homeless shelter, due to the virus.

Ralph was laid to rest at the Florida National Cemetery in Bushnell, FL on September 4, 2020 at 1:30pm. The outdoor service was limited to a small group of people and masks were required due to the COVID-19 restrictions. Ralph was a proud, WWII veteran.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
