From the Board of Directors

Penny Gilray President

Greetings to All

It is hard to believe that summer is almost over and the snowbirds are starting to come back. I hope everyone has had a good summer.

The weather has given us some challenges interfering with regular lawn maintenance schedules weeding and pest control. You may also be noticing a good crop of dollar weed. This is due to overwatering. Homeowners can monitor the rain accumulation and turn sprinklers to one day per week. This will help to control dollar weed. Our lawn service is doing their best to get the work done in between the rain drops.

In April, we approved an update to the Rules and Regulations. These documents were hand delivered or mailed to each homeowner. The main change had to do with the appearance of units and carports. Please review the material and be sure your home is in compliance. We will be doing a drive thru in September. Your assistance to keep our community looking neat and tidy is appreciated.

The first workshop for the 2016 budget was held on August 18. The next workshop will be held on September 1, 2015 at 2pm in the clubhouse. All homeowners are invited to attend.

Hats off to all the volunteers that have worked so tirelessly this summer to keep our community looking great. We appreciate all of you...THANKS!!

From the Social Club

Paulette Derr, Chairperson

In last month's article, I forgot to mention and to thank Tony Ruvolo and his crew for the luncheon they provided on Saturday, June 20, 2015. As usual, it was a delicious lunch with a choice of soup, a choice of three different sandwiches served with cole slaw, your choice of juice or iced tea and some dessert. Many thanks to all of you!!

July 4th we had a "pot luck" picnic and about 25 people attended. There was a variety of dishes and desserts, as usual and everyone seemed to have enough to eat. The park looked very nice, too, with all the flags placed in front of the homes and clubhouse and along the front entrance. Thanks to all who take the time to put them out and take them down.

July 18th there was a Music in the Park pizza party held in the clubhouse with Rich & Cindy Williams, Kathy Schafer and the Social Club committee acting as hosts. It started out as a party for all the workers in the park, but everyone was invited to join in the fun. We had a real good

turnout for this event and it was a great party. The pizza was ordered from Jets' and the music was supplied by Rich. He not only played some really good music, but sang along with some country songs. Thanks to Rich and Cindy and all who helped set up, make coffee, to those who brought desserts and to all who cleaned up after the party.

Tony Ruvolo and crew put on an Ice Cream Social again on Friday, July 31. As always, everyone got enough ice cream and had their choice of many toppings. This is always a nice event and everyone needs a little ice cream now and then! Thanks, Tony and crew.

Red Hat Mamas

Paulette Derr, Queen Mother

Nineteen Red Hat Mamas went down to Johnny's on Thursday, July 15 for the monthly luncheon with your Queen Mother acting as hostess. We braved the rainy weather (some of us were soaked) to enjoy a good Italian meal and to enjoy each other's company. Pat Hawthorne was the lucky winner of the 50/50 raffle and Annette Neglia won a \$5.00 gift certificate. Five lottery tickets were raffled off and the winners were Florrie Breckner, Mary Jo Offut, Bonnie Preston, Jean Schroeder and Marianne Riff. I'm not sure if anyone even won as much as \$1.00, but we'll keep trying. The rain did not keep some of us from going shopping after lunch. A couple of the gals went on to other shops, but our car headed for our favorite spot for coffee and ice cream. In September we are going to have Beverly Myles' daughter come to the clubhouse for an Avon party. I'm not sure yet about lunch, but that will be decided later. You can probably pick up a couple nice Christmas presents at the party.

ITALIAN DINNER

Saturday night September 26th, Tony and his crew will be serving and Italian dinner with entertainment to follow the dinner. We are working on the menu and the cost of the dinner as of this printing. This will be the last of the sponsored events that Tony and his crew will be doing for this year. The sign up sheet and all the details will be posted on the bulletin board so watch for it. We hope to see you all there for a night of good food and entertainment.

TOYS FOR TOTS

Duane & Mavis Buckholz, Co-Chairs

Toys for Tots collecting and distributing new unwrapped toys for needy children began in 1947 when the United Marine Corp Reserve in Los Angeles collected and distributed 5,000 toys to needy children. Since that time the USMCR units across the nation have collected toys for needy children in their local communities. Blue Jay residents have been generous participants of the Toys for Tots program in Pinellas County for many years. We hope to continue and increase our giving this holiday season.

Our Toys for Tots campaign will begin in November. Please start thinking about your contribution as we enter the holiday season. I will be telling you more about the details at our Wednesday morning coffees. See you soon.

A LITTLE BIT OF BLUE JAY HISTORY

In January 2004 Blue Jay was 25 years old. We had a huge celebration to honor the event. Every resident of Blue Jay was invited at no cost. The Board of Directors, the Social Club along with vendors who did work here in Blue Jay paid for the event. Nick Riff and Ruth Keller took on the task of seeking out these vendors to help pay for the party. To accommodate all the residents we had to use the clubhouse and the back deck. Chairs and tables had to be rented so we had enough seating for everyone. The weather had be beautiful all week, but on Friday night a cold blast of air came down from the north, making it to cold to use the back deck. Not to worry, the men got together and put up sheets of plastic attached to the wooden pillars only to have the north wind play havoc with the plastic sheets. Finally they were able to secure the sheets of plastic, but it was going to be to cold for anyone to sit there. Not to worry,

we rented two large propane heaters to keep it warm. Of course, with any party you need food, and somehow I was put in charge of this, but I was not alone. There was a committee of ladies in the park that made hundreds of rolled sandwiches, there were trays of meat, cheese, fruit, and you name it, it was on the buffet table. We had entertainment from a dance studio that put on a show for us, and yes Lois Morgan was one of the dancers. The Blue Jay musicians played for us later in the evening so we could dance or just listen to the music. There were introductions of past and present Board of Directors, past and present Social Committee, the developer, Bobby Jacobsen, the management company,(and yes again Kathy Schafer was the park manager) , and original homeowners. I was honored and privileged to be at the podium to mc the historic event.

At the time of this event there were 48 original homeowners, today eleven years later we are now down to 15. Nick Riff is the only homeowner that still resides in Blue Jay that was on the first Board of Directors and also Nick was chairperson of the transition committee. In order for us to take over the park from the developer there needed to be 212 homes sold. In March of 1983 we took over the park and held our First Blue Jay Board of Directors meeting.

We are now 36 years old, so Happy Birthday Blue Jay

City life? Not for all young adults

The TV sitcom *Friends* depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

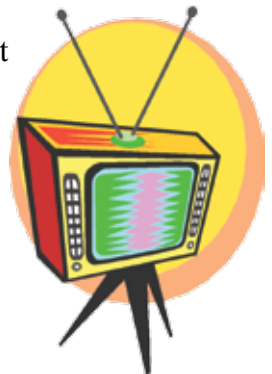

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

Online videos bigger than TV these days

Video has taken over the Internet, especially among the younger generation. A survey of 13- to 24-year-olds by Defy Media found this evidence of the influence of YouTube and other video providers on youthful fans:

- Millennials watch an average of 11.3 hours of free online video a week, and 10.8 hours of subscription video—but only 8.3 hours of scheduled broadcast TV.
- Videos are more popular than online TV content. Seventy-six percent of young people in the survey said they find YouTube more entertaining than TV programs (more popular with 55 percent of participants).
- They're tolerant of advertising on the Internet. Fewer than half—41 percent—said online videos have too many advertisements, but 63 percent feel TV does.
