From the Board of Directors

Roland Doucette President

Greetings All!

Hope everyone is enjoying the summer. While it may seem like things are quiet as the summer months are quickly moving by, there is a lot going on in the background. This is the time of year that Board members are receiving bids for upcoming projects. Even though the projects will not even begin until the new budget goes into effect on January 1st, 2019, all of the information needs to be included in the 2019 budget that will be discussed at the upcoming budget workshops.

By the time you read this article, the first workshop for the 2019 budget will already have been held, on August 20th. If you missed it and want to comment, make sure to attend the second workshop which will be held on Tuesday September 11, 2018 at 2 pm in the clubhouse. All homeowners are invited to attend.

The ongoing pool saga continues to frustrate everyone, with yet another shutdown having occurred. Hopefully this latest issue will be settled by the time you read this. In case you are unaware of what is going on with the pool, here is what happened. Just when we thought everything was fine, an inspection by Pinellas County determined that the steps leading into the pool did not meet current code. Apparently, despite specifically mentioning the changing code in our contract, and after several reminders from Rich to double check, and the company assuring us that all current codes had been satisfied, the work had not been done properly.

We originally thought that only one step had to be altered, but when the company appealed the original ruling a further inspection showed that all of the steps needed to be removed and new steps had to be reconstructed from scratch. Hopefully that process has now been completed, as the deadline set by the County was August 31st. And more importantly, the pool saga has hopefully been put to rest once and for all.

With Labor Day approaching the flags will be put out over that weekend but they will be picked up by Monday morning so the grass can be cut, unless we hear from our landscaper that they will not work that day. The turf just grows too fast at this time of year to skip a week. The flags will remain in the flower beds around the clubhouse and entrance on the holiday.

Finally, there will not be an operations meeting on Monday September 3rd due to the Labor Day holiday.

From The Social Club

Sally Ericson, Co-Chair

Although it is only September, everyone needs to start thinking about electing new officers for the Social Club. Listed herewith are the names of your nominating committee. It is intended to make it easier for everyone who might be interested in giving their talents in running the Social Club in 2019. You can contact: Chair lady Ronnie Beetle, Unit #54, phone 210-7435; or, Roxie Swartz, Unit # 59, phone number 972-890-4172; and Louise Berento, Unit #18; phone 781-6387. If you make a note, it will be easier to get in touch with them to submit your name (s). Some board background facts.2018 was another year in which Chair lady, Pat Serletic, served on the SC board, totaling her fifth year! Carol Violette took over as Treasurer when Jean Schroeder left and is doing a great job. Our Secretary, Ida Morris, faithfully records minutes of meetings, and has done this numerous years. (Not only this past year but she often assumed the job, off and on throughout the past.)..... And then there is me! I've undertaken a few various "hats" myself in serving Blue Jay's social community since 1997! Perhaps, now is the time for "new blood". Fresh, newer ideas, could be forthcoming and always welcome. Keep in mind, current officers are more than willing and happy to help in any way to install a new regime.

All usual activities continue through-out the summer, but, as I reported last month, the Social Club board agreed to postpone launching extra special events. We took into consideration, many "snow birds" were gone and in addition, some year-round residents also left for other parts. A few went back to original places of origin to see friends and relatives. Some just went travelling, What-ever.....

August special "doings" were; first of all Tony Ruvolo's spectacular meat-loaf and all the trimmings, dinner. Later in the month Jackie Triplette hosted a Mexican Fiesta theme dance. Such fun! Ron and the Classics band provided the music. And even though the music was a good mix of all types, several people got with the ethnic aura of the night and did the famous "Mexican Hat Dance"!

September 3rd, starts out with the Labor Day pot-luck dinner and, added to the gastric feast is music for dancing by our own Music in the Park with Rich and Cindy Williams. Then, on September 28th, another surprise! Tony and Linda Ruvolo are hosting a "Septemberfest" dinner dance!

As summer is coming to a close, we look forward to having all our friends with us again. ..Please give some thought to what we wrote about the elections here in Blue Jay. As ever we wish you a safe trip..... Keep well..... See you soon!

DID YOU KNOW

Peg McConnell # 217

We once had an "in" and "out" gate and a "guardhouse." The "in" gate required the driver to roll down their window to push the button on the pedestal to open the gate. The "out" gate would open automatically as there was a trip wire buried in the road going out of the park. The gates looked like railroad crossing gates and were up during the hours from 7 am to 6 pm, when they were put down manually. This required volunteers, but that was not a problem. Each volunteer would sign up for a week at a time. Sometimes when the gates were up there was a mannequin that was dressed to look like a guard sitting the "guard house." Other times when the gates were up there would be a sign in the window, "guard is out on the premises."

Over the years we started to complain (so what else is new) that when the gates were down and it was raining the driver would get wet because they had to roll down their window in order the push the button on the pedestal to open the "in" gate.

We had a resident in #6 Joe Ratchup, who came up with the idea we needed a button like a garage door opener to push so it would open the "in" gate. He went to Sears and they programmed one that would open the gate. The cost was \$8.00 each and any resident who wanted one paid the \$8.00.

When the state decided it was going to make Curlew Road wider we had to take down the "gates and little "guard house." Progress it is called. We do not own the wall, the state of Florida owns it and they are required to maintain it, that is why when anything is put on the wall we need to get permission from the state to do it. We did however have a choice in color of the bricks, which there was a committee of residents that picked a couple colors and we residents decided from the different colors which one we wanted.

Just a little bit more history of Blue Jay

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
