President's Corner

Don Fitzsimmons

Hello to All,

Nothing new to report in the park. Things are sailing right along and everyone is happy.

Had a tree limb from Deerwood fall behind unit 6 narrowly missing the unit. Working on that as rest of tree is badly damaged and needs to be taken down.

We are in limbo now on getting permitting on ditch so we have an attorney exploring our options and trying extra pressure to get permits so we can get the project going.

I understand that park went to Perkins restaurant for fourth of July picnic. Hope that it was successful and enjoyed.

I received work of Mike Orleck passing. He was ill when he had to leave the park and had fought the good fight. We send our condolences to Michelle and her family on his passing.

Nothing else for now, so live each day fully, love deeply and laugh with everyone.

Social Committee Tidbits

Ingrid Eby

After speaking with a couple of residents in the park, they tell me it is pretty lonely down there. Just about anyone who leaves for any time during the summer is gone. The weather has been hot, as we can tell by our Duke Energy bill. However, there have been no significant rain storms. As a result of no rain, the lake is drying up. Bill Lawrence said that had happened once before that he can remember. I wonder where the ducks will go now. I am sure the grass is yelling "help me help me, because it is so thirsty. On a brighter note, I was told the Palm Trees have all been cut and look very nice. Every piece of debris was picked up and the residents are very happy. We are all pleased when our park is in tip top shape.

The fourth of July celebration in the park was handled a little differently. Instead of organizing a part at the club house the year rounder's decided to go out to a restaurant. That way no one had to take charge, plan, set up and clean up. Just make reservations and show up. There were 21 who enjoyed a meal at Perkins Restaurant.

Not much is happening in the park so there isn't much report at this time.

News and Notes

On a sad note I am notifying every one that Mike Orleck Unit 12 passed away July 6th. Mike had been in a retirement facility, but was moved to a hospital where is spent his last days. He was diagnosed with lung cancer. His daughter Michelle Newell's address is 308 Bennett Drive King City Ontario Canada L7BIG7. Our sincere sympathy goes out to the family. Mike had been a resident in the park for many years and enjoyed playing cards and shuffle board.

Debbie Grant Hughes was diagnosed with cancer and will be having surgery shortly. We pray for her complete recovery.

Tom Logan is almost finished with his chemo and has had no ill effects. We will continue to keep him in prayer.

I was also informed that Shirley Robinson Unit 74 had a heat attack and needed three stints put in. Happy to report that she is doing well and will be back next season.

Heidi Groff Unit 67 had eye surgery and we pray for her continued recovery.

Roz Bogoslawski is continuing to do well and that is and that is a definite answer to prayer. It has been a long haul for Roz.

Dennis Eby Unit 114 has an ulcer on his cornea. Thankfully, he is making improvement. We had to cancel our vacation but that is minor to what could have happened if we hadn't been near to specialists.

On June 21 Pat Nemecek had knee surgery, she is at home doing your exercises and going for physio therapy.

On July 14 Bonny Nemecek had a hip replacement, there were a few complications. She will be laid up for 6-8 weeks during which time she is unable to put any weight on it. Bonny will have her physio at home until she become mobile.

That's all for now folks

As always be healthy and stay safe

7 Layer Jello Mold Recipe

Ginny Tracy

Ingredients

4 (3 oz. pkgs) jello. Red, Yellow, Green, and Orange
2 cups milk
1 cup sugar
2 tsp. vanilla
2 envelopes Knox gelatin
2 cups sour cream (1 pint)

Directions

Dissolve green jello in 1 cup of boiling water.

Add 1/2 cup of cold water.

Pour into a greased 9 x 13 glass dish and put in refrigerator to set.

Put milk in pan, bring to a boil, add sugar, mix together until sugar is dissolved.

Dissolve Knox gelatin in 1/2 cup of cold water

Add to milk and sugar mixture.

Add sour cream and vanilla to this mixture;

Beat with beater until just blended.

When sour cream, milk, and etc. is fairly cool, put about 1 1/2 cups on set green jello.

Continue in this manner until the last layer of jello is added.

Note * It takes each layer about 1/2 to 3/4 of an hour to harden.

Time for making mold can be shortened by making jello and setting it aside to cool so that it is ready to put on top of white layers as soon as white layer is hard. Also it is best to place the white mixture in hot water to keep it from setting while waiting for layers to harden. The white layers and jello take about the same time to set in refrigerator.

*** This recipe sounds complicated, but it is really fairly simple.

Lost in translation

Henry was visiting a distant country where he didn't know the language. He managed fairly well with the help of a guide, but on Sunday he wanted to go to church, and his guide had the day off. So he found a small church in the village where he was staying and followed a friendly-looking man inside.

The man greeted him and smiled, so Henry took a seat next to him and decided to copy his every action. When his new friend rose with the congregation to sing a hymn, Henry did the same, finding the hymn by looking at the man's hymnal. When the collection plate came around, Henry put in the same amount of money as the man next to him.

Toward the end of the service, the minister made some kind of announcement. The man next to Henry stood up, so Henry did too. The congregation gasped in shock.

After the service, the minister approached Henry. So Henry's surprise, the minister spoke English. "You don't know a word of our language, do you?" the minister asked kindly.

"Uh, no." Henry was nervous. "Is it that obvious?"

"Well, when I was announcing the birth of a new child and asked the father to stand up..."

The real problem

A little girl was running a high fever with a bad cough and an aching feeling throughout her body, so her father took her to see the doctor. After waiting for an hour, the doctor finally took them into her office for an examination.

"Now, Christina," she said after checking her heartbeat and looking down her throat, "What's bothering you the most?"

"My brother Sam," she replied honestly. "He breaks all my toys!"

High stakes

A man walked into a bar and ordered a beer. As he drank, he noticed slabs of beef hanging from the ceiling on hooks. "What's this about?" he asked the bartender.

The bartender smiled. "Well, if you can jump up and pull one of them, we cook it up and give you free beer all night. If you miss, though, you have to put \$100 into the charity jar we keep back here for orphans. What do you say?"

The man looked up, then shook his head. "Sorry. The steaks are just too high."

New moon discovered around distant dwarf

The solar system is a little bit larger these days. The Hubble Space Telescope has found a new moon orbiting the dwarf planet Makemake in a region of space beyond the planet Neptune known as the Kuiper Belt, where many other small planet like objects have been found. Makemake is slightly smaller than Pluto, another dwarf planet, and is covered by a layer of frozen methane.

According to the Sci-News website, the moon, nicknamed MK2, is approximately 100 miles around and orbits close to 13,000 miles above Makemake. Astronomers discovered it after examining observations from the Hubble made in 2015. Astronomers believe that it is the product of a collision between Makemake and another celestial object or was captured by Makemake billions of years ago.

Act of compassion

In these days of political polarization, this story about acceptance seems appropriate: When former Vice President Hubert Humphrey died, hundreds of political figures from around the world came to his funeral. One was former President Richard Nixon, who resigned from office in the wake of the Watergate scandal. Everyone wondered how the disgraced ex-president would be received.

When then-President Jimmy Carter arrived, he noticed Nixon standing alone. Instead of heading for his seat, Carter walked toward Nixon, held out his hand, and then gave Nixon a hug, saying, “Welcome home, Mr. President, welcome home!”

Despite belonging to a different political party, Carter decided to show compassion toward someone whom many ignored. It was an extraordinary gesture of acceptance.

A life in books

Pulitzer Prize-winning writer Geraldine Brooks’ love of books from a young age was supported by a woman she never met. According to *The Power of Good*, by Mark McCrindle (Hybrid Publishers), Brooks’ grandfather mentioned to a friend named Althea Glasby that his granddaughter loved to read, and so every year for Christmas young Geraldine got a book signed, “To Geraldine, with love from Althea Glasby.”

“I have no idea what this woman spent so much time and thought on a child she didn’t know,” Brooks said as a grownup. “Whatever the reason, I wish I could thank her in person. I wish I could tell her how those books shored up a love for the written word that grew over time into a career and a calling. I would like to give her one of the books I’ve written, nice, hardback first edition. The signature wouldn’t be as fine and fluid as hers, but in my own pedestrian scrawl I would say thank you, for the gifts that helped to lead me to a life in books.”

A costly game

Bill and Fred were playing golf one day. When they came to a hole with a large water hazard, Bill teed up and watched his ball drop into the water. He checked his golf bag and found he didn’t have any extra balls, so he asked Fred to give him one.

That ball, too, went into the water, so Fred gave him another—which also sank. After the third golf ball disappeared into the drink, Fred said, irritated, “You know, those golf balls cost \$10 a piece!”

“Hey,” Bill said, “you shouldn’t play the game if you can’t afford it.”

Did you know that August is also...

Back to School Month. As summer draws to a close, back-to-school season is in full effect. Remember to safely share the roads with school buses, pedestrians, and bicyclists, and provide children with the necessary knowledge to stay safe at school. Whether children walk, ride their bicycle, or take the bus to school, they—and the motorists around them—should remember to take proper safety precautions .

National Black Business Month. During August, individuals, institutions, and businesses are encouraged to visit at least one black-owned business per day. The increased sales resulting from that traffic could result in more than 40,000 additional jobs during the month and as many as 450,000 new jobs if the habit is continued over the course of a year.

National Immunization Awareness Month. National Immunization Awareness Month (NIAM) provides an opportunity to highlight the value of immunization across a person's lifespan. Activities focus on encouraging all people to protect their health by being vaccinated against infectious diseases.

Clown Week, Aug. 1-7. Celebrations take on a variety of forms, such as putting on shows in malls, child care centers, hospitals, and nursing homes, and clown appearances in parades, grand openings, and other places.

National Fraud Awareness Week, Aug. 7-13. Businesses and government agencies around the world lose an estimated 5 percent of their annual revenues to fraud. National Fraud Awareness Week seeks to educate everyone on the dangers of fraud and how to protect themselves from criminal activities.

Motorcycle Week, Aug. 14-20. For the motorcycle rider and lover, a week dedicated to the vehicle that millions of Americans enjoy. Ride, celebrate, and make new friends on the road.

National Aviation Week, Aug. 14-20. A celebration of flight, observed during the week of Orville Wright's birth, Aug. 18. Along with his brother Wilbur, Orville Wright built and flew the world's first successful airplane in Kitty Hawk, N.C., in 1903.

International Beer Day, Aug. 5. Enjoy your favorite beer, or try a new one—responsibly, of course.

World Elephant Day, Aug. 12. Asian and African elephants are loved, revered, and respected around the world, yet we teeter on the brink of seeing the last of these magnificent creatures.

National Dog Day, Aug. 31. Celebrate your dog—and dogs everywhere.

Get started on your writing project today

If you've dreamed of writing a novel, a short story, or even a poem, but you don't know how to get started, don't worry. Most creative writers have trouble with the first page from time to time. Try these tips for charging up your imagination:

- **Try some exercises.** Instead of launching right in on your thousand-page trilogy, try writing a few short scenes to get the hang of the process. Don't be a perfectionist—just get your story down as quickly as you can until you're used to writing.
- **Keep a notebook.** Whether you use paper or a smartphone, keep a running list of observations about the people and things you encounter every day. Use it to spark your imagination when you feel low on ideas.
- **Find the right time.** Determine when you feel most creative. For many people, it's the first few hours of the morning, but some do just as well writing late at night.
- **Cut yourself some slack.** Your first attempt probably won't be perfect. Remember that you're just trying to get your ideas out on paper (or the screen). You'll have plenty of time to rewrite and revise later.
- **Have fun.** If writing is drudgery, it may not be for you. Whatever you're working on, relax and try to enjoy what you're doing. Your emotions will show through in the finished product.

Shake up your habits to spark innovation

Innovation doesn't happen all by itself—you and your team have to work persistently to develop creative new ideas. Here are some strategies to kick your innovative impulses into high gear:

- **Change your routine.** Reschedule your day so you're doing things in a different order.
- **Vary your surroundings.** Rearrange your office for a different view, or switch offices with someone else if that's practical. Hold meetings off-site.
- **Share data differently.** Look for different ways to distribute information. For instance, write a report in rhyme, or deliver a presentation as a skit.
- **Switch jobs.** Spend a day doing someone else's job—inside your department or outside it.
