President's Corner

Don Fitzsimmons

Hello to All

Things are in full swing here at Boca Ciega. Thanksgiving is over and we are gearing up for the Christmas season. Most folks are back and a number of them are returning northward to be with families for Christmas. The new year will bring some changes.

Linc has sold his unit to Dale and Roseann Lenss, friends of the Nemeceks. Charlie Neely property has been sold to Tony and Betty D'Agonisto, friends and employees of the Smiths Hardware. Unit 34 has finally been settled and the new owner is Gertrude Pupatelli. The Lyday property has been purchased by John Kenny. So, welcome to all of the new owners to our Boca Ciega family and our hope is that you will join us in all of our activities in the park.

Other changes taking place is the new Board of Directors. Only one person submitted a letter of intend to fill the three vacant positions which occur on the board. Therefore, when the board re-organizes on January 2 the following five persons will compose the Board of Directors: Dan Spitzley, Don Heaphy, Dennis Eby, Tom Hopkins and Don Boccinfuso. Congratulations gentlemen and Godspeed for the task ahead.

And now, I end my service to Boca Ciega and service on the Board of Directors. I think I have served on the board for fifteen years; a term under Paul Johnson, a term under Roger Mrozinsky, a term under Barney Robinson and the past six year as president. It has been an honor to serve the park for my terms on the board. They have been years of much happiness and dedication serving you.

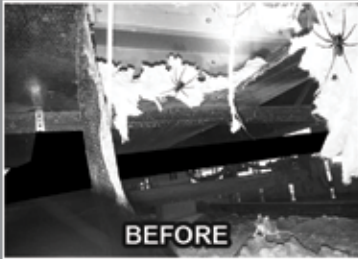

Elda and I did serve as chairmen of the Social Club for six years I believe when we first came to the park.

So, I end this note with humble heartfelt thanks for allowing me to spend these years in service to you and the park. We will be here each year as long as our health will allow and look forward to participating in all the activities.

Take care, be kind to one another and always put the other person first in all situations.
God Bless You All.

Social Committee Tidbits

Ingrid Eby

It really looks like Christmas even though we are in Florida and the temperature says 80 degrees. The park is lit up with many out-side decorations and on Christmas Eve the luminaries will be set out, that adds a beautiful glow through out the park.

Our December Pot Luck dinner was a nice cozy group. Even though the numbers were down because a lot of people were home for Christmas --there was lots of food. We have such good cooks at Boca Ciega. The Club House looks very festive and the decorating crew did a fantastic job. Everyone is looking forward to Christmas Dinner and celebrating with the Boca Ciega Family.

...continued on page 10

There was a short Social Club Meeting following the dinner to high light up coming events. Most of the activities have begun except for Euchre, Water Aerobics, Shuffle board, Cribbage and Swedish Embroidery and they will begin in January.

There will be a New Year's Eve dance and there is no cost for this event. Bill Youngman had the music professionally done this year and we are anxious to hear how it sounds. Bill does such a good job and we appreciate the amount of time he spends getting this all arranged for our dances.

January 8th will be a Meet and Greet at the Club House to welcome everyone back and meet the new people to the park. Snacks will be provided and we hope everyone will attend and get to know your neighbors.

January 21 is our annual Rummage Sale and Bake Sale. Please have your donations in one of the sheds or in the drive way by the dumpsters. Bake Sale donations need to be up at the Club House on Friday the 20th by 3:00 p.m. Remember the donations are for the sale, so don't think you can pick something up and take it home. The proceeds from this sale go to keeping the costs down for all our social activities during the year.

Don Boccinfuso submitted his resignation as chairman of the Social Committee. We thank him for all his work over the years. Santo Amenta will take over until elections happen in March. Thanks Don for all the great parties.

Dan Spitzley also submitted his resignation from doing the Pan Cake Breakfasts and buying of all the supplies for the Club House. Dan was thanked for all his years of service and the outstanding job he has done organizing every inch of the Club House. Thanks Dan for all your efforts.

News and Notes

This summer Ron Arsenault had a heart attach and is now doing well. He is walking in the park everyday and we wish him a complete recovery.

Sam Ciresi had back surgery recently and we pray for his recovery. Sam and Lucy will not be down this season and we miss them and wish them well.

Don Heaphy is recovering from his recent fall. His foot is healed and he is doing physical therapy for his shoulder. Keep up the therapy Don so you can be back on the golf course.

Brian Bogoslawski returned to Canada for a procedure. We wish him well and pray that he will be back with us soon.

In order to have a new phone directory published we need every one's correct numbers. If you have a cell number that you use instead of a land line please inform the office. It is very helpful if you bring all information and changes up to date as soon as possible.

As always stay safe and be healthy.

Out Of Park Activities

January 26th is the date for our annual Dinner/Theater outing. This is such a fun night and we've never been disappointed with the play and never dissatisfied with the dinner. This year's play is Bermuda Avenue Triangle. An outrageous comedy about a Jewish widow and an Irish widow who have an adventure in Las Vegas. Tickets go on sale January 7th at Unit 114. Final day for tickets is January 19th when I have to call in the numbers for the theater.

March 5,6, and 7th are the dates for our up coming trip to Charleston North Carolina. The cost of the trip is \$229.00 per person and include the bus trip, two nights in the hotel, two breakfasts and a guided tour in Charleston. We need forty people to make this trip happen and we need to have everything firmed up by January 25th.

Thanksgiving Dinner - Nov. 23/16

Maud Davis

Well, it is that time of year again when everyone is ready for a Turkey Dinner. We had 85 guests this year. The Turkeys, Hams and appetizers were supplied by the Social Club. We also had 1 Turkey donated by Tom Brun and cooked by Kathy Spitzley.

The other Turkeys and Hams were cooked by Judy Amenta, Ingrid Eby, Debbie McQueston, Mary Fink and Bill Davis. The desert table was looked after by Lucy Boccinfuso and Debbie Norton. The Turkeys and Hams were carved by Jim Norton and Gary McQueston. Thanks to all of you for your hard work again this year. Many hands make less work. And of course, everyone pitches in to help cleanup, which is great.

I don't know what we would do without all our residents pulling together and working as a team. I can't thank you all enough.

Of course, the meal was excellent and such a wide variety of delicious food. As usual our Desert table was awesome.

I would just like to Thank everyone for there hard work and making my job so easy.

Potluck - December 12, 2016

Maud Davis

We had our last Potluck Dinner for 2016 tonight. With so many of our residents that have headed home for the holidays we had a smaller gathering, but none the less a great variety of hot dishes and salads and of course the desert table as always had many different choices.

A big Thank You to our hosts Don and Lucy Bocchinfuso, Ralph and Pat Cornelius, Jack and Valerie McDonald and Betty Hensley.

A short Social Club meeting was held after dinner with two of our members resigning from there positions, Don Bocchinfuso is stepping down as Chairman of the Social Club after 8 years of service. We will miss Don as he did such a great job organizing and running so many events in the park. A great job Don, we will miss you.

Also, resigning from running the Pancake Breakfast and ordering all the supplies for the clubhouse and always having the kitchen so well organized, Dan Spitzley, this was a big undertaking. And again, Dan you did an outstanding job and will be missed.

The Potluck sign up sheet is posted for 2017 and would love to see some of our new residents signing up. If anyone is interested and needs help just let me know and we would be glad to help.

Thanks again to our Hosts.

The next potluck will be January 8th, 2017. Hope to see you all then.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Pew-pew-pew! Gaming racks up high scores—and sales

Americans love their games, especially the electronic variety. The Entertainment Software Association surveyed more than 4,000 U.S. households on their gaming habits. If you've ever spent 12 hours slaughtering virtual zombies, these findings might be of interest:

Sixty-three percent of U.S. households in the survey have at least one frequent gamer. Forty-seven percent of gamers are between 18 and 49 years old. The average male gamer? He's 35 years old; the average female gamer is 44. The typical frequent game purchaser is 38; 60 percent of them are men.

They're spending a lot, too. Gamers spent \$23.5 billion on gaming in 2015, \$16.5 billion on gaming content alone.

Brain drain: Control your appetite after a long day at the office

Ever notice that you can feel starving after a long day at work even though you've spent it mainly at your desk? Scientists, as reported by The New York Times, say it happens because your brain, feeling tired, starts to want more fuel to keep going—even though you haven't exactly been digging ditches for eight or nine hours. The problem is that you're consuming calories your body doesn't actually need because your brain is telling you to.

One way around this dilemma is exercise. In an experiment at the University of Alabama at Birmingham, 38 college students met to discuss what their favorite pizza was. After the discussion, they were allowed to eat as much pizza as they wanted. On another day, they were brought back and given a series of tests from college entrance and graduate-level exams. Afterward, half the students worked out on treadmills while the rest sat quietly. The entire group was again served all the pizza they wanted, but the treadmill group ate less—about 25 fewer calories than at their previous session. On the other hand, the rest of the group actually ate 100 calories more.

The study suggests that a light workout after a mentally strenuous day may curb one's appetite—good to know before you sit down to eat.

Eat lots of these foods to prevent prostate cancer

Prostate cancer is one of the most common forms of cancer in men—more than 180,000 cases are diagnosed each year. Diet can be a factor, doctors say, especially one of foods high in saturated fats found in meat and dairy products. Men may be able to reduce their risk of developing prostate cancer by eating more of these healthy foods:

- Broccoli. Benefits: Low in carbohydrates and rich in antioxidants and phytochemicals that may prevent cell changes contributing to cancer.
- Salmon. Benefits: Lots of omega-3 fatty acids that can inhibit prostate cancer.
- Brazil nuts. Benefits: Selenium; six to eight nuts contain 700 percent of a daily serving.
- Tomatoes. Benefits: Lycopene. Men who eat 10 portions of tomatoes a week may reduce their risk of prostate cancer by 18 percent.
- Walnuts. Benefits: Walnuts and walnut oil have been shown to reduce levels of the hormone IGF-1, which has been linked to prostate cancer.
- Coffee. Benefits: Antioxidants, as well as stimulating the body to metabolize sugars more efficiently. Green tea shares similar qualities.

The five-second rule may not be so safe after all

We've all heard of the five-second rule: If a piece of food drops on the floor, it's safe to eat if you grab it in five seconds or less. That may not be true, though, according to an article on the Medical News Today website.

Researchers at Rutgers University decided to test the rule. They used four types of surfaces: stainless steel, ceramic tile, wood, and carpet. They also choose four kinds of food: watermelon, bread, bread with butter, and gummy candy. Finally, they tested four different contact times: less than a second, five seconds, 30 seconds, and 300 seconds.

They cultivated bacteria similar to salmonella and spread it on the different surfaces, allowed it to dry, then dropped each food on each surface for each designated time period. The results: The bacteria was able to contaminate the food almost instantly in every case, although with different degrees of contamination. Watermelon soaked up the most bacteria because of its moisture; the gummy treats were affected the least due to their hard surface. Nonetheless, the scientists are confident that their findings disprove the five-second rule. So you're probably safer throwing out any food on the floor.

Plutonian moon's red spot explained

Jupiter is famous for its great red spot, but it's not the only red patch in the solar system. Charon, a moon of Pluto, also sports a reddish blotch near its north polar region, and scientists now know what causes it, according to the Sci-News website.

The spot, nicknamed Mordor Macula, covers an area the size of New Mexico, and is made of methane that comes from Pluto. Once the methane escapes Pluto's atmosphere, it falls to the surface of Charon's north pole and then freezes (winter temperatures in Charon's polar region can drop as low as negative 430 Fahrenheit). UV light from the sun turns the methane into heavier hydrocarbons that eventually become reddish organic materials known as tholins.

Data came from the New Horizons space probe. One of the project's scientists characterized the discovery as the realization that Pluto is a cosmic graffiti artist, spray-painting its nearest neighbor red.
