## President's Corner

*Don Boccinuso*

Well every month since I left Florida I start my presidents report with bad news. We lost another resident John Tirschman, he was extremely active in the park from helping with functions to serving on the board. He will be sadly missed and our hearts go out to his family.

As you read this the palm trees should be looking good as they were to be trimmed and de-budded in June. There are no issues in the park at this time.

I was laid up for about three weeks with back issues, but I recovered in time to welcome Deb & Whitey Hughes and Tom & Karen Hopkins to Canada. They were visiting Niagara Falls. Marty & Bonnie Wild hosted a barbeque at there house, with many Niagara residents attending, a good time was had by all.

In closing enjoy your summer and stay safe.

## Editor's Column

*Roz & Brian Bogoslawski*

We are always looking for pictures from the different park activities and events. They can be sent to me as a TIFF. or JPG. file, also include the event or function along with the names of the people in the picture.

Please forward all newsletter material to: [editor.bocaciega@gmail.com](mailto:editor.bocaciega@gmail.com)

All reports and any articles of interest for the newsletter must be emailed or mailed and received by the 14th of the month.

Thank You.

## Social Committee Tidbits

Ingrid Eby

As we move into June, all the chatter on the news is about hurricane season. Everyone needs to stock up on water, batteries and even generators. The weathermen are predicting how many severe storms there could be and even giving the names for them. Everyone should know where the shelter is that they need to go to in case of emergency. It all sounds rather scary but it's better to be informed. Be safe rather than sorry.

The rainy season has begun and this is a good thing. Everywhere you went the grass was turning brown and there were watering restrictions. I'm sure all the fire fighters who were putting out all the brush fires are very relieved and happy for the rain.

For Memorial Day, we had a dinner and christened the new grille. We were few in numbers but mighty in appetite. Everyone commented on how good the burgers tasted--so the grille did its job. We are all looking forward too many more times we can put the grill to use. There were about twenty people who enjoyed the meal and everyone pitched in to make it a great day.

### NEWS AND NOTES

Once again, the flags at Boca Ciega are at half mast. This time it is for our dear friend John Tirschman. John has been an integral part of Boca Ciega for many years. He was involved with the pinochle, poker, and hand and pony tail card games. For many years he not only played bingo but was a caller. He served on the board of directors and helped during the summer months to keep the park going. We extend our sympathies to his daughter's Penny and Debbie along with the extended family. Penny's address is: Penny Stewart P.O. Box 9397 S. Lake Tahoe, Ca 96158 if anyone wishes to send their condolences.

As far as I know Elda Fitzsimmons is the only one who has been in the hospital. She was

## **To Our Boca Ciega Friends and Family**

---

**T**his is John Tirschman's daughter, Penny. As Ingrid may have already let you know, my father passed away on May 30th at Woodside Hospice Center. While many commented on how he seemed to not be himself most of the spring, his health quickly deteriorated over the last six weeks of his life. We are glad that his suffering did not last too long. He was buried in Indiana on June 8th.

My sister and I would like to thank everyone for their support while we and our daughters took turns caring for him over his last six weeks and for the loving support they showed dad after the passing of our mom seven years ago. I know that everyone will support Kathleen as well in the coming months as she also grieves my dad's passing.

Boca Ciega is a wonderful family and dad loved living in the Park!! I know he left his mark on many things at the park and he loved calling Bingo and participating in the many other Park activities.

We are anticipating having some type of memorial for Dad at Boca Ciega in January or February 2018 once my husband and I return to the house.

Penny

## Resident of the Month July 2017

Long time seasonal resident, Barney Robinson, is our resident of the month. He has been and still is an active resident. Barney was President of the Board of Directors and has also served as Secretary and Treasurer/Secretary for the Board. He has worked the monthly Pancake Breakfast. His job was to make the pancake mix and he has shared his pancake mix knowledge with Rob Bocchinfuso. In more recent years, he helped by collecting money at the door. Barney enjoys participating in many park activities. He goes to our coffee klatches, pot lucks, dinner theatre, ice cream social, and early bird dinners. Years ago, Barney was the gentleman who drove and accompanied some of the widowed ladies in our park to our social activities.

Barney likes to play SCAT and cribbage up at our hall. He is an avid reader and is often seen outside in his carport reading. In early evening, he likes to ride his bike around the park.

Going back through the years, Barney has always given of himself. Barney was drafted after high school into World War II and was assigned to the US Army of Occupation in Italy. He was called back to active duty in the Korean War and assigned to a Battalion of Rangers. He was wounded and received the Purple Heart. After the war, he went back to school, graduated from New Hampshire State University, and began his teaching career. He was a high school math teacher in New Hampshire and later in New York. During his years in Nyack, NY, he was the Captain of the Highland Hose Company; he was a pumper and drove the pumper truck. In 2016, he celebrated his 50th anniversary with the volunteer fire department.

Barney was one of six children; many of us know his sister, Phyllis Bradford. Barney has 12 nieces and nephews and 15 great nieces and nephews. He has tried to be a part of their lives from their childhood to their adulthood. During the summer, Barney returns to his cottage on Maidstone Lake in Maidstone Vermont. We wish you well Barney. Jobs well done.

## A simple answer

A seeker of spiritual truth decided to visit a very wise sage who lived on top of a mountain. The seeker climbed for weeks to make the painful ascent. When he finally reached the wise man's home, he asked, "What should I do to make my life happier?"

The sage responded, "To begin with, the next time you come to visit me, start on the other side of the mountain and take the train to the top."

## The wrong answer

Two applicants, Smith and Jones, applied for work at an organization that had only one open position. The hiring manager sat the two of them side by side to take an aptitude test. When time was up, she found that both applicants missed only one question—the same one. After studying the results, the administrator announced that although both candidates had given the same wrong answer, candidate Smith had won the job.

"Wait a minute," Jones complained. "How can one wrong answer be better than another?"

"Well," the manager said, "on the one question you both missed, Mr. Smith wrote, 'I don't know this answer.' You wrote, 'Neither do I.'"

## The best listener

A speaker arrived for his presentation at a high school graduation and immediately became uneasy. The crowd was full of families talking with each other. Their small children ran around the gymnasium, shouting happily. It was not a crowd looking forward to a speech; people just wanted to see their kids graduate.

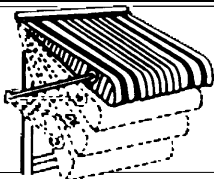

The crowd paid little attention to the speech. He tried all the attention-getting tricks he knew—changing the volume and pitch of his voice, walking about the stage, telling his funniest stories—but nothing worked.

Then he saw one man looking directly at him, smiling and nodding his head. The speaker remembered the value of focusing on a sympathetic listener. By concentrating on giving that one person the very best speech he could, he made it through the presentation.

Afterward, the principal of the school asked, "Would you like to meet any of the audience?" The speaker, wanted to thank the man on whom he'd relied to finish his speech. "Yes, I'd like to meet that gentleman over there."

"Certainly," said the principal. "But you know, of course, that he's completely deaf."
