VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

President's Corner

Don Boccanfuso

Sad to say we lost another long-term resident Roger Morzinsky, he was a past president involved in many aspects of running the park, our hearts go out to Joyce.

At the time of this writing there is a pre-application meeting scheduled with the county engineer. Our engineer, Dennis & PH will be attending. Next month we will have a better understanding of where we are in the process of the swale

Since I left the park other than trying to stay warm I have been in touch with PH twice a week and everything is running smooth. All sales are being finalized by Don Fitzsimmons. Also, this month the palms will be completely de-booted and trimmed.

That's it for now.

Editor's Column

Roz & Brian Bogoslawski

We are always looking for pictures from the different park activities and events. They can be sent to me as a TIFF. or JPG. file, also include the event or function along with the names of the people in the picture.

Please forward all newsletter material to: editor.bocaciega@gmail.com

All reports and any articles of interest for the newsletter must be emailed or mailed and received by the 14th of the month.

Thank You.

2017 Social Calendar Social Committee Tidbits

Ingrid Eby

As of this newsletter, there aren't many tidbits to report. The park is very quiet. There have been a few visitors and that is nice. Yes, it is very hot during the day, but the nights have been very pleasant. I am sure June will be another story.

We are desperately hoping for some rain. This is the driest I have ever seen it in Florida. The weather folks say we are eight inches below for this time of year. Of course, we could be

...continued on page 10

flooded in June. Crazy weather everywhere.

The palms trees are scheduled to be trimmed in June and they are looking quite neglected. This will be a big cutting as they will take the boots off the trees. When everyone returns, they should look beautiful.

May 29th there will be a Memorial Day Party in the Club House. We are planning on using the new barbeque for the first time. With so few residents here, it doesn't take much to put on a party.

That about sums it up.

NEWS AND NOTES

Our sympathies go out to Roger Mrozinsky's family at his passing. Roger had been a long-time resident of Boca Cigar and a past President. His wife Joyce in living at 800 Stony Brook Drive Apt 502, Manitowac WI. 54220 if anyone would like to send her a card.

Our condolences also go out to Betty and Rich CERN at the passing of their son in law Steve. Steve was Noreen's husband and many of us know her from her nightly bike rides in the park.

Don Rasp has returned to Indiana for treatments. We ask for prayers for healing for him.

We are keeping John Tirschman in our prayers, as he is very ill.

Flo Turner was diagnosed with breast cancer and we pray for a complete recovery for her.

On a cheerio note, Elda Fitzsimmons is home from rehab and has returned to Ohio. We wish her well and look forward to seeing her back in the fall.

I don't let old age bother me. There are three signs of old age. Loss of memory...I forget the other two.

Resident of the Month

JUNE 2017

Married for 40 years, Jim and Mary Gilmore are our featured residents for the month of June.

As our oldest resident in the Park at age 96, Jim is a WW2 Army veteran. He still has an amazing sense of humor and a sharp mind. He can often be seen riding his trike around the Park most days. Jim, a forever scotch drinker has recently also acquired a taste for espresso coffee with a touch of Sambuca to sweeten it.

Mary, a former math teacher, is involved with golf and shuffleboard as well as running the Walk, Walk, Walk, program and helps with many functions in the Park.

Jim and Mary have a cabin in Maine that they travel to every summer July to September when it is too hot in Florida. Previously they had a Canadian connection by owning a summer place in the province of Prince Edward Island.

Jim, with his wit and sense of humor, and Mary's kind heart and friendly personality are the ideal welcoming hosts for new residents locating and purchasing property in our Park.

Thanks for all you do!!

To My Boca Ciega Family

I want to thank my Boca Ciega Family for all their support, kindness and help during this difficult time for me. Thank you for all the beautiful cards and help that you all gave me. It was so helpful during this trying time.

Dick always wanted to make Florida his home residence and you all made him feel welcome. He loved living in the park and being in the warm sunny weather.

He loved all of nature, from the geckos, he called "the little guys," to the ibis, Muscovy ducks, mallard ducks, storks and egrets. He would sit in the back and listen to the black bird's "squawk " and he named the birds 'Squawky'. The day before he passed, he was trying to take a nap, and the birds were squawking so much that he couldn't sleep. He came to me and said that I had to come outside to see the birds. There were about 3-4 birds right by the bedroom window 'squawking ' away. They were loud. He also liked to feed the fish behind Jon Bender's house, our stale bread. If we didn't have any, he would ask me if we could spare some fresh bread so he could go feed them.

He loved the warmth of the sun and he would sit daily in the back yard soaking up the rays and no doubt, fall asleep for a little nap. He had quite the tan after the first season being down here and kept it ever since.

He would love to go to the beautiful parks here in Pinellas County. We would walk the boardwalks or the trails and look for some birds or alligators in the lakes. His most favorite place was the beach. We would walk for a while on the shoreline and he would help me find unusual shells to add to my collection. He would also sit on the beach and feed the seagulls some of the snacks that we would bring with us.

Dick was a simple man, didn't need much to make him happy. He was kind and thoughtful. He would surprise me at bingo or when I was playing cards, with a rose that he would buy at the Shell gas station when he was there.

I will miss him a lot as he was my best friend, and it won't be the same without him, but know that he has reunited with the rest of his family.

I'm having a memorial service for Dick at the church we were married in on June 17, 2017.

Garbage and Recycle Reminder

Dennis Eby

Recently there have been guests in the park who have unknowingly have put garbage in the recycle bin and huge items in the garbage bins. Residents are asked to inform their guest about the procedures for disposal of trash. I know the bins are clearly marked, however, many people just see a bin then dump whatever they have. All of us know that anything over three feet has to be cut up and disposed of properly. When residents have guests and they are not present, it only stands to reason that they be told about procedures. They can't be expected to follow the rules if they have not been informed. We all have to realize the importance of disposing of trash responsibly.

PAULA AND DARRYL PACQUETTE UNIT #92 ON STATE STREET

Paula and Darryl Pacquette are from Petawawa, Ontario. They have two children and two grandchildren. Paula retired from the health department and Darryl retired from the nuclear generating station in Pickering, Ontario.

Paula and Darryl have rented in our park for one and a half seasons. They bought their home from Joyce Yohn this season and have been working on their home to make it their own by painting, changing doors and hanging pictures. Both Paula and Darryl enjoy playing golf and playing shuffleboard. Paula supports our Bingo evening. She has worked our yard sale for the last two years at the bakery table and the jewelry table. Paula and Darryl have enjoyed going to our dances. Outside of the park, they enjoy bike riding through Walsingham Park and walking our beautiful beaches. Paula and Darryl both love living in Boca Ciega and we are glad that another couple of renters, who had already been active in our park, have made the big decision to buy their own home in our park.

Welcome

Did you know June is also...

Adopt a Cat Month. Your local shelter has tons of cute, cuddly newborn kittens mellow older cats, and everything in between. Shelter staffers are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

National Dairy Month. Start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products such as milk contain essential nutrients that can help you manage your weight and reduce your risk for high blood pressure, osteoporosis, and other health problems.

National Zoo and Aquarium Month. June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

PTSD Awareness Month. The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

National Automotive Service Professionals Week, June 11-17. A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

Men's Health Week, June 12-18. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

National Nursing Assistant Week, June 15-22. Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

Global Day of Parents, June 1. The Global Day of Parents was proclaimed by the UN General Assembly in 2012 to honor parents throughout the world in appreciation of their selfless commitment to children.

Flag Day, June 14. Fly Old Glory with pride!

Father's Day, June 18. A day to honor fathers everywhere.
