President's Corner

Don Fitzsimmons

Hello to All,

Great News!!!!!! SWFTMD has okayed our latest revised again application for the ditch and we now have made the application to county for permitting. We have been told, that will be a quick process and hopefully have the project underway by or before May 1, 2015. What a long drawn out process this has been and our expectations are that we can get this completed this summer.

Other activities are coming to a standstill as the park continues to become emptier as we all leave for our northern homes. We wish safe journeys for all.

One of our infamous Muscovy ducks was found dead on the banks of the lake the other day. Seems his neck had been broken and torn open. Conjecture has many scenarios for this. But the rest of the waterfowl have been mysteriously absent the lake the past few days. Such is the wondrous working of nature.

The partially funded budget presented to you for consideration has passed and you can expect your coupon books or a letter noting the change in your automatic withdrawals before May 1. Thank you for your replies on that mail out. Your participation in the workings of the association is appreciated. The other two items passed also.

Until next month safe travels, and remember that it takes more muscles to frown than it does to smile. So smile a lot and be happy.

Editor's Corner

Roz and Brian Bogoslawski

In advance, on behave of the Boca Family, we Thank Terry and her Crew for the summer delivery and mailout the the newsletter.

Everyone have safe travels and a healthy summer, we hope to be back in mid October if all goes well.

We are always looking for pictures from the different park activities and events. They can be sent to me as a TIFF. or JPG. file, also include the event or function along with the names of the people in the picture.

Social Committee Tidbits

Ingrid Eby

The month of April we celebrated Easter but did not have a Social Club Meeting. We had a wonderful Easter dinner at the club house with about eight five in attendance. It was great seeing Dottie Lokanc and Elda Fitzsimmons. They were able to join us for dinner and everyone was happy to see them again. We missed Lyle Andrews who is still in Re-hab and wish him a speedy recovery. The dinner was spear headed by Kathy and Dan Spitzley along with many helpers. The turkey, ham and potatoes were provided by the club and the rest of the dinner was made by many who brought dishes to the club house. We have wonderful cooks in the park and we always have a great variety of dishes to choose from. After dinner the cleanup crew worked there magic and once again the place was spot less. The decorations in the club house were very festive and everyone felt Spring was in the air.

Now the park is quickly looking very empty. Every day more and more of the residents and renters are heading North. Many of the events have ended and there aren't many people at the pool any longer. As one resident said "the only thing missing is the tumble weed rolling down the streets." It is bitter sweet when everyone leaves. There have been so many fun times and now it all comes to a halt until next Fall. However, there is always something to look forward to.

News and Notes:

As I mentioned before Lyle Andrews is in Re-hab at Palm Harbor which is located on Starkey Road. We know that everyone is praying for Lyle and wish him the best. He is anxious to be up and on his feet once again.

Mike Orleck was in the hospital and is now back in Canada. We wish Mike the best as he will not be back in the park. You will be missed Mike.

We pray that everyone has a safe and healthy summer wether you are in Florida or back North. Keep us informed of any news or events. Our Boca Ciega Family cares for each other.

Social Committee Chairperson's Report

Don Boccinfuso

Our functions this past season were by far the most attended since I have been in the park and the people who ran them did a fantastic job.

Our outside activities just keep getting better and the tickets our starting to get scarce. Our low price and high quality entertainment are the envy of other parks.

Our committee will remain the same for another year. We are looking forward to a bigger and better year.

I would like to remind everyone about our function sheet up sheet in the clubhouse, even if you just want to be a helper.

In closing, have a safe and healthy summer and see you in the fall.

To All Boca Ciega Friends and Neighbors

Dotti Lokanc

I want to thank everyone who has stopped by to say hello to me and stay for a visit. This has meant a lot to me, everyone is welcome to stop by any time. (#106). I have a brand new men's & ladies 4 wheel walker, if interested, call me at 727-399-0902.

Northbound

Roz Bogo

Our trip started at 5 am Friday April 10/15. Heading home, Brian was getting tired and we needed a place to lay our heads, so according to our mail out list, Pat and Ken N. home was close by in Acworth, GA. So guess what we did, we showed at their doorstep and ended staying 3 days there. They showed us some of the highlights around their community.

There were a lot of beautiful flowers and tree blossoms to see. We were introduced to the finest Georgia Hospitality.

The next leg of our trip was a fun filled visit to Nashville. We toured the downtown area (Broadway Street), Ryman Theatre, Country Music Hall of Fame and a Fabulous Show at the Grand Ole Opry, we even fitted a NHL Hockey Game in while we were there.

We both hope everyone have a safe and enjoyable summer and returns in the fall to Boca Ciega for another winter of fun.

Sometimes it is, in fact, lupus

Contrary to what one cranky television doctor (House, M.D.) would like you to believe, lupus is a very real disease that hundreds of thousands of people deal with every day.

Lupus is an autoimmune disease in which the patient's immune system attacks healthy parts of his or her own body, resulting in inflammation, swelling, and pain, among other symptoms.

What can make lupus dangerous is when it attacks vital organs such as the heart, lungs, or liver. It is more likely to affect women than men, as well as people of non-European descent. However, if caught early, those affected by lupus have a good chance of living normal and healthy lives.

Symptoms of lupus include the following, and if it seems like many apply to yourself, you may want to visit your doctor:

- **Fatigue.** Most people who have from lupus suffer fatigue whenever the disease is about to flare up. This is a near-universal symptom regardless of how strong or mild the case is.
- **Joint and muscle pain.** Arthritis is another common side effect of lupus. Almost three-fourths of all patients report joint and muscle pain to be the first sign that they have lupus. Look for arthritis in the wrists, small joints of the hands, elbows, knees, and ankles.
- **Skin irritation.** Many lupus patients wind up with skin rashes, especially on the face. Sores, flaky red spots, and scaly rashes are also possible, and can be located on the face, neck, back, hands, and arms.
- **Chest pain.** The disease can cause inflammation of the heart and the lungs, which can result in very strong chest pains that can put people at an increased risk of a heart attack or a stroke.

Celebrities who have had lupus include singers Michael Jackson, Lady Gaga, and Toni Braxton, as well as My Favorite Martian actor Ray Walston.

If we are strong, our character will speak for itself. If we are weak, words will be of no help.

—John F. Kennedy

14,492 manufactured home residents have won over \$124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or [mail your paid receipt](#) to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

Did You Know That May is Also...

ALS Awareness Month. Amyotrophic lateral sclerosis (ALS), commonly known as Lou Gehrig's Disease, is a neurodegenerative disease that affects nerve cells in the brain and the spinal cord. The ALS Association uses this month to focus the public spotlight on the disease as well as on global ALS research and public policy efforts.

Get Caught Reading Month. A nationwide campaign to remind people of all ages how much fun reading can be. The Get Caught Reading organization encourages readers young and old to enjoy books and magazines and to share that pleasure with everyone—especially children.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling—and encourage more folks to give it a try.

Skin Cancer Awareness Month. Skin cancer is the most common form of cancer in the United States, with 3.5 million cases diagnosed annually in more than 2 million people. Fortunately, it's also one of the most preventable. Some simple precautions—stay in the shade, use sunscreen, check your skin regularly—can help keep you healthy and safe.

Be Kind to Animals Week, May 3-9. Celebrated every year since 1915, the American Humane Association's Be Kind to Animals Week commemorates the role animals play in our lives, promotes ways to continue to treat them humanely, and encourages everyone, especially children, to do the same.

National Hospital Week, May 10-16. National Hospital Week celebrates hospitals and the men and women who, day in and day out, support the health of their communities through compassionate care, constant innovation, and unwavering, unmatched dedication.

American Craft Beer Week, May 11-17. Toast the country's craft beer renaissance, which now boasts more than 2,700 breweries whose beer has gained international respect, bridging Old World traditions with New World flavors.

International Coaching Week, May 18-24. Professional coaches offer many benefits: fresh perspectives on personal challenges, enhanced decision-making skills, greater interpersonal effectiveness, and increased confidence. International Coaching Week is a global celebration of the coaching profession.
