President's Corner

Don Boccinuso

As you read this you are probably back in Florida or planning you trip back, safe travels. The previous month myself and Jim Norton flew to Florida after the storm, to assess the damage and clean up what we could.

We documented every unit and emailed to as many unit owners as we could, had all board members do the same.

We worked hard to get the park back in shape and if you see Jim he should be thanked because without him I could not have got the job done.

At this time, I am having trouble with Deerwood getting them to clean our ditch of there debris and fix our fence, they were sent a letter also to their lawyer. We will wait and see.

I do expect a busy season for our board as there are many outstanding issues ahead and once again safe travels.

Editor's Column

Roz & Brian Bogoslawski

If anyone has travelled this year and would like to share their experience with the Park Residents, please send a detailed note and a few pictures.

We are always looking for pictures from the different park activities and events. They can be sent to me as a TIFF. or JPG. file, also include the event or function along with the names of the people in the picture.

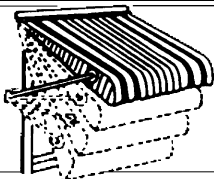

Please forward all newsletter material to: **editor.bocaciega@gmail.com**

All reports and any articles of interest for the newsletter must be emailed or mailed and received by the 14th of the month.

Thank You.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Social Committee Tidbits

Ingrid Eby

As most of you know by now---Boca Ciega dodged a huge bullet. If Hurricane Irma had not gone inland, so as not to pick up water from the gulf and make a slight right turn our park might have been leveled. Due to the fact it did not pick up that warm water from the gulf it became a category 1 storm instead of a category 4. We have all seen on television the terrible destruction Hurricane Irma and Hurricane Marie did to St. Thomas, St. Martin and Puerto Rico. The devastation they have endured is just heart wrenching. We can't forget the ravages the hurricane caused in Southern Florida. The Keys were no longer the little quaint villages that we saw on our trip down there. Unfortunately, lives were lost there also.

In our park, there were about twenty residents that moved up to the club house when the storm came. Those brave souls were very fortunate that the storm wasn't a category 4. No one really knows if the club house is hurricane safe. On so many levels there could have been a real disaster. Not only did they remain in the park but they made sure everything was secure. Pool chairs were sunk and deck lounges were taken to the club house and used for sleeping. We appreciate all who helped securing our park and thank them very much.

Fortunately, after the storm the damage was minimal.. One unit had a part of their roof peeled back and a few units had carports damaged. A couple of lanais had some screen blown out and a few down spouts need to be replaced along with some awnings that blew down. All in all, we were blessed. There was a lot of debris all over the grounds and a huge thank you goes out to Don Boccinfuso and Jim Norton for flying down after the storm to assess the damage and clear away all the rubble in the park.

Many of us up North thought there wouldn't be a park to return to as we followed the news and saw the path Hurricane Irma was taking. Everyone was calling each other to find out the latest news. A huge sign of relief was expelled as we gradually received news that everyone was ok. The damage that occurred is easily fixed and no one was harmed. We don't know if the Legend that we are on Indian burial grounds is true and that's what keeps us safe, but it can't hurt. We were blessed and that's what is important. This was a definite scare, but we all survived.

News and Notes

I am sad to report Bill Lawrence was diagnosed with cancer. The good news--it is not in any major organs and his lymph nodes are clear. However, prayers are needed for strength to endure the treatments and prayers for a complete recovery. Lots of prayers going out Bill.

Rummage and Bake Sale

Committee

Just a friendly reminder, Our Annual Rummage & Bake Sale will be held January 20, 2018. A committee meeting will be held in November, date TBA, everyone is invited to come and share their ideas.
Thank You

Hurricane Irma

Ginny Tracy

As you might have heard by now, the people that remained in the park, decided to go to the club house for shelter during the hurricane. A few people left to go elsewhere and some to their families home.

In order to have beds to sleep on, Bill Lawrence, Keith Brogan and Ron Arsenault decide to get the chaise lounges and chairs from the pool area and put them in the Clubhouse. We all had our own air mattresses, Bill blew them all up.

Bill and Keith put all the Clubhouse awnings down.

We all brought food, snacks, beverages, etc. Bill took care of all the food.

Don Boccinfuso, Jim Norton and Marty Wild came down and cleaned up debris that was strewn around the park, cut down some damaged trees that blew over, so the lawnmowers could cut the grass and also took all the chairs back to the pool.

We were very thankful for their help and you should be too. So, when you see these guys, you should Thank Them.

Cruisers.....IMPORTANT

Well your cruise director from the park is not infallible. Or I might have had a senior moment. The final payment as was stated in the last newsletter, is NOT due December 1st. 2017. It is DUE November 24th, 2017. Please take note of that date and make your payments. Keep watching the newsletter and bulletin boards for further updates. After the stress of Hurricane Irma, a nice cruise is just what the doctor ordered.

Bon Voyage

Talons Out – HONOR FLIGHT

Bob Bulmer

I received word that I had been chosen to take part in the subject flight as a Korean Era Navy veteran. While I served in the Navy as an “East Coast” sailor based out of Newport, RI and, our ship was used mainly to “Show the Flag” cruises throughout Europe and western Asia during the “Cold War”, I was still considered a Korean Veteran.

Our Honor Flight was scheduled for Saturday, September 30th. The Honor Flight was to fly out of Kalamazoo, MI, spending the day in Washington, D.C. touring various military memorials.

Friday evening prior to the flight there was a “Meet & Greet” for attending veterans & their guardians. (All veterans were required to have an accompanying guardian, both in Kalamazoo & Washington. Since my Kalamazoo guardian (Mr. Steve Cornish.) was not traveling to Washington, I would have to meet a new guardian on arrival in Washington.) The Friday evening event included meeting other veterans, their guardians and an explanation of the next day’s itinerary, plus an evening’s meal.

Saturday started at 04:45 AM, greeting my guardian in the motel lobby. We drove to the Kalamazoo airport to be greeted by several hundred well wishers who were there to thank us for our service. As we waited for boarding we were served a continental breakfast, along with a “Snack bag” from the Red Cross.

OK, boarding time. Wheels up at 06:45, for the 98-minute flight to D.C. On landing, those who did not have “traveling” guardians met their D.C. guardian who would accompany them until departure time at the end of the day.

Now on to our moving home. Four busses, led by police escorts, lights and sirens activated, both motorcycle and vehicles. During movement between sites we had onboard narration of facts, and trivia regarding our next stop.

First, the major memorials for WWII, Korean & Viet Nam eras. Everyone had an opportunity to visit one, or all, of the memorials. From there it was off to the Franklin Delano Roosevelt memorial. Once again, we were on our own for a walking tour, and, a box lunch, bus ride.

After packing up all our trash we’re off to Arlington Cemetery. However, first, there’s a five-minute break at the entry of Arlington, to allow two female veterans in our group to visit the Female Veteran’s Memorial. Then, back on the buses, and off to the Tomb of The

Unknown Soldier to watch the changing of the guard. Another WOW moment.

Back on the buses and off to the Air Force Memorial and its panoramic view of Washington from just atop the Pentagon and Capital Building. This stop included the late afternoon box lunch, followed by a drive by tour of major political buildings for both Senators and house of Representatives.

Now our day is almost over. (At least we thought so.) We're back to Reagan International Airport heading back to Kalamazoo, MI. It's time to say goodbye to my Washington Guardian, Michele Beasley. What a great day we had, laughs, giggles and deep thoughts on the state of our nation.

Once boarded, seated and up to cruising altitude another surprise. MAIL CALL!!! Every veteran received a priority mail envelope, personally addressed to them. Each envelope was full of personal handwritten greetings and thanks for our service. Written, and some drawn, by a few friends and local Kalamazoo school children. My envelope contained fifteen greetings. Tears were abounding throughout the aircraft.

Once at Kalamazoo everyone rejoined their Michigan guardian, we were once again greeted by hundreds, perhaps a thousand, well-wishers there to greet us. They could have been home watching TV or, at the local VFW having an orange drink. However, they were there to greet, and thank us for our service.

And, while the memories linger on, the day ended near 11PM. Over eighteen hours, remember we started at 04:45AM. Then back to my motel. There was no way I could have driven home after all those memories and miles of walking.
