## President's Corner

Don Fitzsimmons

Hello to All,

**W**hat a beautiful day here in Ohio. A bright blue sky with cumulus clouds soaring lazily through the air on a light breeze. A typical Fall day here.

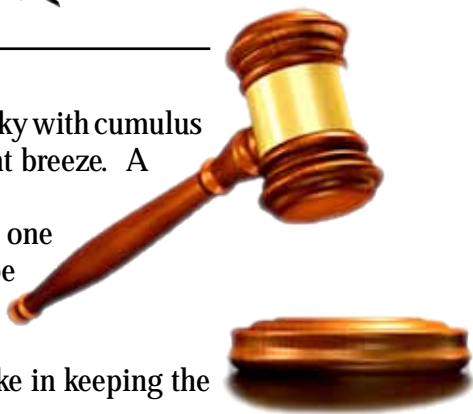

Boca Ciega is doing well. I have been told at least one family has returned already and I am sure some will be following shortly.

The park has never looked better they say with good reports of the care and concern the new lawn persons take in keeping the park well-manicured.

We haven't heard from contractor on the south ditch yet. We keep pushing for that project to get started. Will make another phone call to Scott to see what can be done to get him to initiate the project.

Otherwise what I hear from full time residents is for you all to get down here. We feel lost in rattling around the park with it mostly empty. So take it from there and realize how much we are all missed and commence the planning it takes to return to "paradise" Boca Ciega.

Live each day as though it might be our last and you will be living a life of fulfillment. 'Til next month.

## Editor's Corner

Roz and Brian Bogoslawski

**W**ell, it's getting to be time to return south. Roz & I are leaving our Northern Home on Oct. 13 and travelling to the east coast of Canada for 14 days prior to heading south. We are looking forward to our return south and seeing all our Boca friends and wish all the northern travellers a safe trip back to the south.

Note: any articles for the November issue needs to be received by October 11.

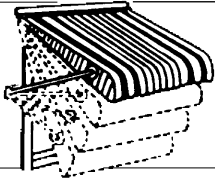

We are always looking for pictures from the different park activities and events. They can be sent to me as a TIFE or JPG. file, also include the event or function along with the names of the people in the picture.

Please forward all newsletter material to: [editor.bocaciega@gmail.com](mailto:editor.bocaciega@gmail.com)

All reports and any articles of interest for the newsletter must be emailed or mailed and received by the 14th of every month. Thank You.

## To All Our Boca Ciega Friends and Neighbors

*Doris Mettler*

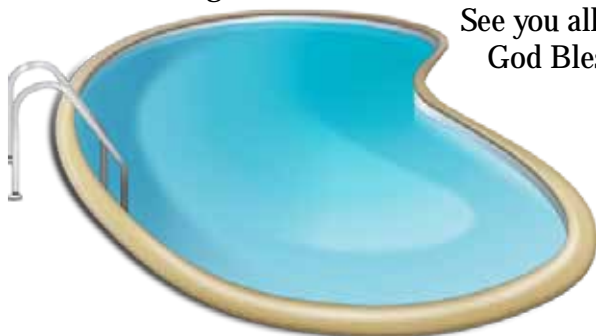

**S**UMMER AT BOCA CIEGA ---HOT HOT HOT

We have had many visitors to entertain this summer. Every Saturday about 20 of us go out for Breakfast and out for dinner on different Holidays.

We went out for Easter Dinner and will eat out again for Labor Day. We are keeping busy here in the summer. Our pool has had a good workout by all of us most every day. We play cards often, Bingo and Bunco. We go on some day trips like Hard Rock Casino. Most of us ride our bikes, do a lot of walking and Church activities. Our Park looks great. We have had a wonderful summer.

See you all soon.

God Bless Boca Ciega Summer People

## Social Committee Tidbits

Ingrid Eby

**W**ow! Can you believe those hazy, lazy, crazy days of summer are over? IT'S SEPTEMBER ALREADY!!!!!!

Where has the time gone? We can tell its fall because the leaves are turning colors and we have had to turn the heat on already. I can't remember a time when we have had the heat on in September. They are predicting a bad winter in Michigan again this year and we are anxious to get the heck out of dodge. One lady said it is supposed to start snowing in September and never quit until spring. We may all be getting a lot of visitors again if the weather is that bad.

Now, in Largo, the weather is a totally different story. It is steamy and rainy from what I see on the weather channel. Everything should be really lush and green when all of us Snow Birds fly South. I have heard the Park is doing just fine and there have been no more incidents of thief or people coming in the Park that should not be there. This is a good thing.

The year round park residents went to Largo Family Restaurant for their Labor Day party. The usual crews wanted a break from planning and buying all the food so they just went out and had a very nice time. It is always good to change things up a bit. Having a nice meal out instead of all the work and fuss is a good diversion.

### News and Notes:

It is very good news that I don't have any deaths or illnesses to report this month. This was a very welcome change from the last few months. Hopefully, everyone will stay healthy and we will all be back in the South soon to enjoy our activities and some nice weather.

As you plan your trips South, drive careful and we look forward to seeing everyone soon.

## 2015 Rummage Sale

Carol Persons

### **S**OMETHING OLD – SOMETHING NEW

Just wanted to give everyone a heads up that our Annual Rummage and Bake Sale will be held on Saturday, January 17, 2015, so please mark your calendars. It'll be here before you know it. (That's the something old). The something new is that we are going to add a Boutique to our sale this year which will be headed up by Susan Logan. So if you would like to donate something and have hesitated in the past because you thought it was worth more than the \$.50-\$1.00 that we normally get for our clothing, please remember the sale. Look for more details on the sale in next month's Newsletter.

## Road warriors: Reach your destination intact

---

**S**taying safe on the road, whether you drive on the job or just to and from work, takes a combination of caution and preparation. You can avoid accidents and injury by following this simple advice:

- **Keep your vehicle in good repair.** Pay attention to the basics: Clean your windows and mirrors and check them for cracks; make sure your wipers and brakes work; check the air pressure in your tires, and so forth. Take your car in for a tuneup on schedule.
- **Limit distractions while driving.** Does anyone really need to be told that talking or texting on your phone is dangerous behind the wheel? Even a conversation with a passenger can steal your attention. Make an effort to keep your eyes and mind on the road at all times while you're in motion.
- **Watch the weather. Monitor weather forecasts.** No matter how urgently you need to get somewhere, driving through heavy rain or snow can be needlessly hazardous. Drive at a safe speed for weather conditions, and don't hesitate to pull over if the road isn't safe.
- **Get enough rest.** You need to be alert when driving, and getting into a car while drowsy or fatigued won't help your concentration. Schedule sufficient sleep and rest for yourself. If you start nodding off or you can't keep your eyes on the road, stop as soon as possible and find a safe place to get some rest.
- **Drive defensively.** Keep an eye on other cars, and don't try to be king of the road. Maintain a safe distance from other vehicles, watch for trouble spots, steer clear of erratic drivers and speeders
