Residents need to follow the restrictions, and if water is running down the street, it indicates that the ground can no longer absorb it and the water should be turned off. It is better to water several times than try to get it done all at once and waste water.

Director, Architectural Control/Annual Inspections

Jeff Clark, Inspections Chairman

Inspection Process Update

Inspections will begin this fall. Remember the cut-off date for selecting the month you want your home inspected is September 1st. If I haven't heard from you by then, I will assign an inspection date for you.

Another aspect of our new inspection process is photography. If your home fails to pass inspection, I'll be taking photos of the area(s) in question. If you're not sure what needs to be done to the outside of your home, I'll be glad to share the photos so that you'll have a point of reference for the work to be completed.

We still open the store on Wednesday and Saturday; still list items on Craig's list; still have regular customers stop in every week who always get surprised to see new faces of new residents and old friends. Now we have a refrigerator stocked with cold water and pop for sale by the bottle or can. As always, the inventory is constantly changing. Any items left on "hold" or "lay away" will be released to general inventory after 60 days.

SOCIAL CLUB

Dave Doran & Kathy Wawrzyniak

Summer in BC is hot and quiet; but those of us here year round appreciate an opportunity to get together and socialize in the clubhouse.

Our regular Wednesday morning coffee hour has fewer people getting together during the summer months; it is still an ideal time to visit and chat with those of us who attend. There are fewer committee reports; if you want to share a good joke let me know!

It won't be long until Fall returns bringing new social club activities and entertainment as well as travel club jaunts and adventures.

Look for BINGO to return in September.

Bowlers

Gene Arend

Our Phase I bowling league bowls on Friday at Noon at the Maple Leaf Countryside lanes on the service road North of route 580. We will start mid-October although some of our snowbirds arrive early November. We have at least one or two openings this season and there is always room to add a whole team of four. We bowl more for the fun and social aspects of the game so don't think your average is a concern. There is always someone available to teach you either the right way or wrong way to bowl because none of us are Pros or maybe we have a few Pros in disguise..

POKER

Gene Arend

Every Thursday from 5:30 to 9 PM a small group of men play 7 card stud in the room behind the library. You could lose a nickel or a dime so bring some.

Usually we tend to just carry our little bags of coins and take turns winning, ending up just circulating the nickels and dimes between players each week. Yes it is just men, we have not yet made the transition, and we tend to socialize more than gamble and usually in humor best suited for men. No offense ladies we are just a bunch of old farts ranging from 55 to 95 taking a night out.

From the Nest of Freddy and Fanny Flamingo

Dave Doran

Fanny reminds everyone that when you have an event in the clubhouse, it is your responsibility to make sure the doors are locked, fans turned off, lights out. Thank you.

Freddy Flamingo says: If you are a new resident and have received a letter from the Welcoming Committee, remember to call and schedule a visit from Donna and Dave. Our welcome wagon is loaded with welcoming gifts and great new resident information. We can answer most, if not all, of your questions to help you feel like “a native.” We want you to experience the warm neighborliness shared within Briar Creek. It is always a fun time; Dave Duran and Donna Hartin are both listed in the Monthly Media on the inside back page.

What's Going On in the Creek?

Potato Mash and BASH Saturday, August 17th 1 – 4 p.m. Phase 1 clubhouse.

Join us for a Mashed potato bar and Dessert. There will be games and prizes. Please bring one raw potato for the games. Buy your ticket at coffee hour, \$7. BYOB

BE PREPARED

If you or someone you know needs special assistance to evacuate during Hurricane Warning, the county has a Special Needs Program. Register NOW by visiting www.pinellascounty.org/alertpinellas. Do not wait until a storm approaches to register. If you don't have access to the internet ask a neighbor to help you register.

It is a good idea to routinely pick up a few non-perishable supplies each time you shop during Hurricane season. Once warnings are issued, grocery shelves may quickly empty. If you opt to go to a shelter you may want to bring some food and water for yourself. Have enough pet food on hand, too. Not all shelter allow pets. Most stores have hurricane preparedness information near the entrance/exit – grab one.

Please look out for your neighbors if they need help during a storm.

Hurricane Preparation

Gene Arend

Hurricane season has begun. There is no need to prepare for a hurricane until it threatens our area.

WRONG! FALSE YOU WILL BE A STATISTIC

On the [mybriarcreek](http://mybriarcreek.com) web site under the Disaster Mgt. tab is a link to Pinellas Emergency Management. There is a Hurricane Booklet with printing instructions which includes information friendly to Briar Creek. Find out where local Pet Hotels and Hotels in our area, some of which for a nominal fee will hold a reservation also area evacuation centers.

Important phone numbers and a Grab-N-Go packet, Evacuation routes, preparations for Pet Safety, Storm Survival Kit, Home Site Precautions and Radio Hurricanes stations.

The web page also has information on Hurricane Essential Kits, Flood Map, and information on what to do for Hurricanes, Lightning, Storm Surge, and the Aftermath. Also a Hurricane Tracking chart. **Don't wait, be ready.**

Your Copy Kit should contain a copy of every bill you pay, such as Electric, Cable, Telephone, Passport and other essential information; place that in the Grab-N-Go Kit. They all contain account numbers and information you will need in the event a Hurricane visit Briar Creek. *Please don't become part of our Memoriam Web Page, plan now.*

Neighbors Helping Neighbors -

Debbie Landon

I want to express my thankfulness and absolute appreciation to my neighbors who move my trash cans, yard waste cans, and recycle bin back to their space under my carport each week. I don't want to name names because I realize there is more than one who helps out. You have no idea how good this feels after working a long day to come home and see that touch of neighborly kindness. THANK YOU!

2019 BAZAAR – It'll be Here Before We Know It!

Hello Neighbors – We are now collecting any jewelry, purses, scarves, hats, jewelry boxes and accessories, as well as empty small boxes or bags for our yearly bazaar. Please contact Pat Fontaine, Helen Coar, Terry Henry, Mary Houpt or Lee Palmer to contribute any items. Many thanks in advance for all of your help in making the annual Bazaar an ongoing success.

More...

Our Annual Bazaar is only three short months away! I am excited to do the Raffle Tables this year. I do need help in the following areas:

1. Help picking up raffle items from businesses; a few of us will be making the calls to request donations. I will need help picking up some local donations.
2. People to work, watch, man the tables and sell raffle tickets
3. Donations: a) items for baskets; b) gift certificates from places you use and enjoy; c) baskets for goodies; d) money for me to purchase items for raffle baskets (naturally, I will show proof of purchase).

I will sure appreciate any assistance anyone can provide. Call and leave message: 727-726-2576; or my rock box at 30 New Fawn Court; or seamermaid@gmail.com

Thank you! Debbie Landon

HELPFUL NEIGHBORS

A general shout out to all those thoughtful neighbors who are kind enough to retrieve trash and recycle receptacles for others. Random acts of kindness speak volumes.

Summer in Safety Harbor

The city of Safety Harbor's Recreation, Events, Arts & Leisure, REAL Fun department offers an extensive schedule of activities through their "Living Young" program including lunches, local tours and day trips.

Look in the May-Aug 2019 issue of REAL magazine for details. You may also log onto www.SafetyHarborRecreation.com for schedules and registration information; or call 727-724-1545.

Mattie Williams Neighbor Family Center

The staff at Mattie Williams is asking for help from Safety Harbor residents. The center is gearing up to give over 400 kids from kindergarten to 12th grade backpacks filled with school supplies

They would also like to be able to offer free, gently used clothes that boys and girls ages 5 through 18 would be excited to wear to school. They also would love to provide new underwear and socks to kids going back to school.

Drop off your donations of clothing at the Center on Monday, Tuesday, Wednesday 8:30 to 5:00; Thursday 8:30 to 7 pm; Friday 8:30 to noon. The Center is located at 1003 Dr Martin Luther King Jr. Drive in Safety Harbor.

Wisdom from Garrison Keillor

Those familiar with Garrison Keillor may appreciate reading his entire essay entitled; *The Pleasure of Running into Stan on Sunday* on his website www.garrisonkeillor.com.

Ninety-nine year old Stan was Garrison Keillor's high school gym teacher. You can't even imagine their current conversation which includes Garrison's inability to do chin ups and rope climbing.

The closing paragraph of the above essay struck a chord with me and I wanted to share:

To change the world, you must start out by loving it. It's fine to march but don't forget to dance. The Lord is gracious. Come unto his gates with thanksgiving. In other words, get over yourself. It isn't about you. Grab the rope and pull yourself up. Try. Try again.

Briar Creek Bugle Phase II – August 2019

(Pete Loranger-Editor Phone 421-2321)

(E-Mail: Pete316@Knology.net)

Board of Directors:

Tom Feeley – Vice President

Here is the update on our kitchen project. The design has been approved to include many of the recommendations that were made to the board by the entertainment committee. The kitchen wall cabinets and floor cabinets are currently being custom fabrication at this time. The board has worked hard to obtain proposals/estimates and have succeeded to keep the cost of the cabinets & countertop under budget. We thank the social club for the support and generous donation made to the clubhouse kitchen renovation.

The plan concerning the remodeling project to start is mid-August. The first phase of the project will be the removal of the existing cabinets & countertop. Plumbing to the sinks will be shut off. The propane fuel line to the stove has to be relocated. The stove fuel supply line will now run along the left exterior of the hood to the stove. The dropped ceiling tiles will be removed so that we can apply a coat of paint to the supports. A fresh coat of paint will be applied to the walls. We would like to get the stove & refrigerator removed during the renovation if possible.

Phase two would be the installation of the cabinets, countertop and sinks. Phase two of the project should not take any longer than two weeks to complete.

FYI, Pinellas County has published their annual hurricane preparedness guide. Please obtain a copy of the guide as there is very good information and direction in case of a storm emergency. Of the most noted information is that all manufactured & mobile homes are "Zone A level" and when announced, you must evacuate. So do not delay, please make plans as soon as the authorities make the announcement.

There are still some homes containing rain gutters that need to be cleaned. Please see to it that the rain gutters & down spouts are cleaned so that water will run out and away from your dwelling.

Our fire hydrants have been painted red as requested by the fire marshal. The fire marshal stated that all privately own fire hydrants are required to be red. Special thanks to Bill, Sandy, Bob, Mike, PJ & Ruth for helping out the hydrant painting project.

Jean Schmidt – Alterations/Renovations

With the summer season upon us, there will be probable delays in having any alteration requests approved. Please do not plan an alteration that needs "immediate" approval! Alteration requests require four Board Members to approve and sign.....most of the summer there will only be 3 of us here at any time and my "partner", Clark Woodard, is gone until the fall. We

have received a suggestion to display alteration request approvals in resident's windows during work being done. The Board decided it would be better if we posted a list on the Board of Directors Bulletin board. For those interested, I have posted it since middle of April. I update it as projects get completed and new requests come in. Thanks for your cooperation!

Please, **NO CANDY**, this is not good for the children. Also, PLEASE, NO out of date goods.

BCII PHONE TREE

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 150 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

1. Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
2. If they are not in that file, please send me you e-mail again so I can check it. Send it to BCIIphonetree@gmail.com.

When a message is sent out on the phone tree and you respond back, that comes to me, the phone tree. If you want to respond to the person who requested the e-mail to be sent you need to contact them.
