BOARD BUSINESS and UPDATES

NOTICE FROM THE BOARD OF DIRECTORS

Please take notice that the Briar Creek 1 Board of Directors will hold a workshop on Wednesday, December 16th at 10:00am at the Clubhouse. Attendance is voluntary if you feel comfortable doing so. All Centre for Disease Control and Pinellas County protocols and guidelines must be followed by everyone.

Director, Lawn Maintenance/Trees/Landscaping

Roy O'Neill

Hoping this note finds everyone healthy, happy and preparing for the Christmas season. Ho, Ho, Ho. We are doing the same this year with our family here in Ontario, Canada.

We are not returning to Florida this winter as our borders are closed to non-essential travel and we do not know at this time when they will open again. As long as COVID numbers keep on spiking in Canada and the United States, I'm sure the borders will remain closed, maybe even until the Spring. I am told that going to Florida to escape the freezing cold and snow is non-essential but as far as I'm concerned, it's essential (Brrrrr) LOL. Since we are unable to be at our home in Briar Creek this winter, I am not going to accept a

...continued on page 6

second term on the Board of Directors with the responsibility for Lawn Maintenance, Trees and Landscaping. I don't think it's fair to the residents of BCI to have a director stuck in Canada for the winter because of COVID-19 and the border being closed. I believe that if you have an issue during the winter months with lawn maintenance or landscaping, there should be a director in the park that you can talk to in person. The same director should also be there on site to keep an eye on the park to ensure that it is being kept looking great. This will probably be my last message to you in the Bugle to provide you with the lawn care schedule.

It was a pleasure working for everyone in BCI and the Board of Directors. Take care, be safe over the winter and we will see you next winter, God willing.

Your lawn mowing schedule for December 2020 will be as follows, weather permitting:

- Tuesday, December 8
- Tuesday, December 22

BE IN THE KNOW

Betty Chatigny

If you haven't signed up for the Briar Creek Email list, perhaps it's time you joined the Briar Creek email group. All you need to do is email your name, email address, street address and phone number to bettychatigny@hotmail.com.

When your name is added to the list, you will receive a confirmation email. And when news breaks, you will be aware of happenings by an email notification. If the water is going to be turned off for repairs, if bad weather's heading our way, if there are upcoming important meetings at the clubhouse, or an emergency situation arises, you will be notified via email.

I realize your privacy is important, so be assured your email information will not be shared with anyone else. If you have signed up for this notification system, and feel you are not receiving the appropriate emails, first check in your "spam" or "trash" email folders for previous messages. This can happen if your computer does not "recognize" an incoming email address and there is a simple fix for this situation.

Board Members sometimes request emails be sent that pertain to their area of responsibility. If you receive one of these emails and you want to reply or send a comment to that person, please don't respond to me. You should reply to the person whose name appears as the originator of the email.

If you have any questions about how the system works or any other concerns, please give me a call at 727-216-3871. We look forward to adding your name to our ever-growing list of those residents who are "in the know."

It's a great time to come and poke around. There's lots of nice stuff for holiday gifts including some great furniture! Keep watching for a December garage sale similar to the one we had in October and November, however this one will be on December 21st for last minute offerings and goodies. Remember that all the dollars generated go into the Social Club. Come support it with family and friends. Who knows, we may even have some "freebies"!

FANNY AND FREDDY FLAMINGO

We need to advise you of the addition of the STOP sign at the corner of Willow Creek Drive and Briar Creek Boulevard as you head West. Be aware of it because we will be watching! It is there to slow traffic down as you enter a busy area and as you exit Briar Creek. Your safety is number one!

We also have a lot planned for you in 2021 including good tips, advice and information. All your feedback on what we have shared with you in the past, as well as what we will share with you in the future, is greatly appreciated. Most of all, have a very Merry Christmas.

A big THANK YOU goes out to everyone in Phase I and Phase II. This has been a tough year and we are trying hard to work together as a community, do more activities together and communicate better. When someone asks you where you live, you answer “Briar Creek”. You don’t say “Briar Creek Phase I” or Briar Creek Phase II”, right? We are not guests in each other’s community either, we are one community that has wonderful people who can work together and support each other to improve the whole community. It adds richness for all of us in many ways!

DIAL DIRECTORY

Helen Coar

If you are just returning to Briar Creek and have not received the 2020-2021 Directory give me a call at 727-726-3923.

PLEASE NOTE

1. All Social Club **activities** now taking place in the Clubhouse are subject to the rules and guidelines as posted on the cork board inside the Clubhouse. PLEASE be sure to read them. If you choose to participate in any of the activities which are listed in this month’s Bugle Calendar, be aware that these are the MINIMUM guidelines for participation.
2. All Social Club **activities** now taking place in the Clubhouse are still restricted to Phase I residents only.
3. **Looking for new activity leaders** - We now have several people retiring after many years of leading activities at the Clubhouse for our residents. If you would like to co-

ordinate an activity, whether it's a pre-existing or new activity, and have fun while doing so, please contact the retiring leader or an officer of the Social Club. These people and their phone numbers are listed on the front and/or back inside cover of the Bugle. We are currently seeking leaders for BINGO, EUCHRE, CRAFTS and BRIDGE so that when the time is right, these activities can be restarted and included in our weekly schedule/calendar. Don't be shy, step up to volunteer so that our many activities can resume as soon as protocols and/or the virus situation permits.

MEN'S POKER TABLE

Gene Arend

Takes place every Thursday from 5:30 to 7 pm. Please note that while Covid-19 continues to hang around, the maximum number of players is limited to eight (8).

BINGO

Pat Dion

For many, many years now, Jean Richter efficiently organized Bingo games for large crowds of residents from Phase I as well as some from Phase II.

It's a very popular activity in our community. Those who attended had a lot of fun every week. Jean, and husband Jerry who always helped out, were there to ensure everything ran smoothly. Jean has now retired from this position and is looking for a volunteer, or a group of volunteers, to take over leading this activity. She will train you to ensure a smooth transition so the activity can resume as soon as safe protocols/guidelines are established and the Covid situation permits.

On behalf of the whole Briar Creek family, I thank you Jean and Jerry for providing an opportunity for us all to have weekly fun and take part in some pretty yummy treats during break time. You will certainly be missed.

EUCHRE

Phil Houpt

Euchre will be suspended until further notice due to the Covid-19 virus. Anyone interested in running Euchre in the future please contact me at 727-754-2881.

CHRISTMAS FLORIDA STYLE

Thank you goes out to Connie Holmes for this one!

Palm trees wave, are you listenin'?
In the pool, water's glistenin',
A beautiful sight, we're happy tonight
Livin' in a FLORIDA Wonderland.

Gone away is the blizzard,
Here to stay is the lizard,
A warm sunny day, we like it that way,
Livin' in a FLORIDA Wonderland.

On the beach we will have a picnic,
Turtles, sand and seagulls and sun.
Christmas dinner is an old tradition,
It's Grouper and Stone Crabs by the ton.

Later on, we'll perspire,
As temperatures rise, even higher,
A warm sunny day, we like it that way,
Livin' in a FLORIDA Wonderland!

TRAVEL CLUB

Gene Arend

Judy Young, our Travel Co[ordinator for so many years and for so many memorable trips, has unfortunately passed away. A new team has been formed to carry on her many years of dedication to our Briar Creek travelers. Although current travel is facing some new challenges, a team from Briar Creek has stepped forward to try and fill the void left by Judy.

Rather than one person bearing the burden of planning all travel, we have formed a team. The team consists of Carol Keller-Michaelis, Donna Hartin, Jo Ann Barr, Gene Arend and Toni Beaton. We have met on a few occasions and held a meeting with some of our Briar Creek members. We have collected many ideas for future travel and have even planned a few events, Our Travel Club, sponsored by Briar Creek Social Club 1 Community 1, Inc., is open to all residents of Briar Creek and their family and friends. If you wish to have your name added to our e-mail notifications, please send your name/s to www.upcsportshub.com. You will then periodically receive information on travel plans.

On December 9th and again on January 23rd , we have planned a day at the beach from 11am to –4pm at the Fred Howard Park. Then optional dinner at Frenchie’s at the end of the day. While a sign up is not required, we do encourage it since we will carpool to the beach. When you arrive at the beach, look for the “Fun in the Sun” banner shown on the Poster on our web page.

On February 28th , we have planned the Early Bird Dinner Theatre at 49th Street and Ulmerton Road. Dinner is at 4pm and the show to follow is “Over the River and Thru the Woods”.

We are also looking to do a day trip to EPCOT Center one day during the week of April 11th, a morning at Sunken Gardens with lunch afterwards in late April or early May. We are also planning a cruise in the 1st quarter of 2022 details of which will follow later. There are other ideas and plans you can read about by visiting www.upcsportshub.com and click on “Travel Club”. As you can see, we have planned outdoor events or events at a facility that is providing excellent social distancing and other measures for our first few events. For more information see our webpage and contact us so we can add you to our emailing list. If you don’t have access to email, we’ll figure something out. Email is just the quickest and simplest way for us to communicate and send information.

- enjoy a glass of wine
- call a friend to chat
- watch interstellar events after dark
- have coffee with a neighbor while each sitting in your own driveway
- jigsaw puzzles, word puzzles, etc
- visit <https://driveandlisten.herokuapp.com>. At this site you can drive through various cities of the world. It's absolutely amazing!!! Briar Creek Bugle Phase II – December 2020

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: Pete316@Knology.net)

Board of Directors:

Ron Prevost – President

I would like to thank all of our residents who came out on numerous days to get the edging done on the sides of our roadways.

It made our end result a much better appearing project. In all it took over 125 man/woman hours to accomplish this feat.

A thank you also to all of our residents who worked to clean your own road fronts. Your co-operation during the road sealing process is much appreciated.

A big thank you to Vice President Tom Feeley for working so faithfully to print and deliver all the notices to keep you informed where the sealing crew would be. It involves everyone and can be problematic at times but is necessary to maintain our community to the standards we strive for.

The annual meeting notices have been delivered as well as your proxies and ballots. I urge each and every home to get your proxies in so we have a quorum to open the meeting.

Covid 19 is running rampant in Florida.

Your board is carefully monitoring the Pinellas County Covid 19 restrictions and following them to keep our residents healthy. The pool, exercise room, and library remain open for residents only with guidelines for your use. Please enjoy them but mask up and social distance when required.

Welcome back to the snowbirds returning home. I wish all of you a happy holiday season.

Jean Schmidt - Condo Secretary/Alterations/Director

All Phase II owners/residents.....please remember you **must be approved** for outside alterations **before** engaging a contractor or purchasing products. Please submit your request forms **well before** work is intended to avoid aggravation. It can take up to a week to receive approval. Requests are visited to clarify job intended. Then I have to find 4 Board Members home to sign approval. Next is an approval letter that you sign agreeing not to deviate from original request. Upon **completion** of this cycle, work should begin.

I hope to see a slate with multiple choices for election to the Board. New and experienced candidates are needed to continue Briar Creek II's successful, clean, well maintained, & pleasant atmosphere.

I have met many new neighbors, learned about my community, and filled some of my free time with volunteer chores for our community. I enjoy working with the team of Board Members, even if I disagree with some decisions made. A quorum of members make the decisions, not any one individual.

The “Briar Creek II Document Review Committee” will continue working on updating and making proposals for amendments to our restrictions as well as outdated bylaws. Our next meeting will be announced shortly. We have a great informed and energetic group!

Joan Davis – Director – Treasurer

Annual meeting will be Dec. 7th @ 7:00 PM. The coronavirus has changed so many ways of doing things today. I urge everyone to Please Vote EARLY and follow the directions. Your Proxy and Ballot must be in separate envelopes. You can mail them to Progressive Management or deposit them in our Condo Office. They will be carried to Progressive weekly. Your Proxy gives us the quorum needed to proceed with our meeting as well as proceeding in 2021. Please feel free to call me with any questions you might have.

Clark Woodard – Director

I would like to thank everyone that helped with different projects during my tenure as a board member over the past 4 years. You know who you are, there are too many of you to mention every name. It makes the job so much easier to have the support of many hands. I am not running for re-election and look forward to getting involved with other activities. In the future, I will be glad to help and support the new board members.

REMINDERS

Overnight Parking in the street is NOT allowed.

Daytime Parking – please **Park on ONE SIDE of the street** in your area. This will keep our streets open for Emergency Vehicles.

President Elect – Social Club

Michael Schmidt

As President elect, soon to be President, I hope all is doing well. With this difficult time I am not sure if 2021 will get us any closer to normality.

Saturday the 19th of December is our regular social club board meeting to get our slate of officers for the year 2021. Anyone interested in holding a position on the social club board see our president Lois. I am hoping to have all my committees assigned by the first of the year.

There was no request for the spending of monies so far this month.

Bocce Games

Ron and Russ have returned from the north and are ready to help "get the ball rolling" once again on the old Bocce court.

For now, we would like to pick up where we left off, having our regular game day on Fridays - starting 11/12 at 10am.

No experience is necessary to play. Instructions provided at no additional cost. You are also welcome to just come and watch if you want to observe the game in play. Cheerleaders are always welcomed too!

Also, remember that if you have a group that wants to play, you can come any time you like...you are not restricted to the Friday morning time.

If you happen to be new to Briar Creek, our court is just north of the shuffleboard courts and parking lot of the Phase II Clubhouse.

Since this is an outdoor game, masks are optional but social distancing will be observed.

Ciao for now,

Ron 815.483.8080

Now the clubhouse is open again, the BC2 Library....

Now the clubhouse is open again, the library is open every day.

However, it will still be very important that when you return books or puzzles, you must leave them on the designated table outside the library in the card room, so they can be disinfected. Do not put items back on the library shelves. That includes books and puzzles that you pull out from a shelf to check, and then decide not to take. These items must also be placed outside the library on the designated table in the card room.

We also ask that there be no more than 2 people in the library at a time to ensure appropriate social distancing and face masks are required.

Thank you for your cooperation.

Your librarians Billie, Ruth and Bill

Neighbor to Neighbor

Linda at lme@iquest.net and Ellen at ellenreports@yahoo.com

Last month, Ellen wrote the story of Beverly Alho who has lived in Briar Creek since 1977. To me it is fascinating to listen to our neighbors' stories and learn about their experiences here.

This month, I talked with Joan Davis in Phase 2. Joan and her husband moved to Briar Creek in 1983, 37 years ago. When they first arrived in Briar Creek they commented to each other that with the trees, the crooked roads, the hills, and wildlife, it was as close to being in upstate New York you could get here in Florida. They liked that BC was not a rubber stamped community. Joan had left her busy and responsible professional position as an Assistant Administrator for 240 residents and 320 employees to retire here. She told her husband if she was bored in 6 months she would go back to work. Needless to say, she did not.

One of the best features about Briar Creek is that residents are safe here. She can recall less than 5 incidents that involved law enforcement. One was her golf cart stolen and then later she was able to retrieve it with the help of a neighbor in Phase 1., Another incident was a pot being thrown into a window of a vacant house. Another best characteristic of neighbors in Briar Creek is neighbors' concern for their neighbors. When her husband was hospitalized often, cards from their Briar Creek neighbors filled the wall in his room. The support she felt for her and her husband was priceless. She feels that living in Florida gives people an extra 10 years of living.

Joan was on the Board of Directors from 1987-1988 and now since 2007, as the Treasurer. She is committed to having reserve funds so that we are not assessed every year which is typical

continued on page 30

of other condominiums. She is adamant about having a budget and sticking to it, pleased that this is a board with working members, and that there are neighbors that are willing to help without a board position.

Joan is grateful for Progressive Management. The Progressive Management staff has always been helpful and responsive. Briar Creek is fortunate to be a partner with them.

The biggest change Joan has seen in Briar Creek is that it is no longer a predominate retirement community and that neighbors are not as community oriented as in the past. Her request is that more neighbors pitch in and do what needs to be done. Sounds like an invitation to anyone who has a slight interest in making a contribution to do so.

Thank you Joan for sharing your observations and thoughts about living in Briar Creek with us.

Make it a great day in the neighborhood!

After knocking off some rust from last year and the folks who have been traveling around the country in various places Phase 2 Bowling is up & running. We do have a few openings still available. The Team Standing Sheets will be in both clubhouses by Friday evenings. Seems like fun is being had by all. Thank you for all your support and positive attitudes in these trying days. Humane Society & The Haven

Barbara Bergling

Briar Creek residents are the most generous people I have ever met. Thank you all for your donations to the humane society and to the Haven. During this time few people are traveling, but you are still going to the dentist. If you don't use the toothbrush, floss or toothpaste, consider donating them to the Haven. The Humane Society can always use old bath towels, blankets and decorative pillows that you no longer want. As always, you can drop any contributions off inside my screen room. 93 Briarwood Pl.

Thanks again

PHONE TREE

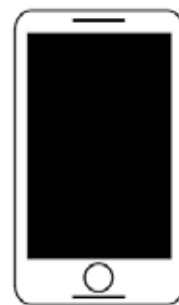

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 160 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

1. Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
2. If they are not in that file, please send me you e-mail again so I can check it. Send it to BC2phonetree@gmail.com.

Fish Crows, American Crows, and Camphor Trees

As I write this, I can hear the crows making a racket outside in the trees. At this time of year, the camphor trees produce those small dark-blue to black berries, and the crows love them. We have two kinds of crows down here. Most people are familiar with the American crow because it's widespread. The fish crow is mostly southeastern, and likes to live near wetlands. The two look pretty much the same, but you can tell them apart by their calls. American crows make the familiar CAW! CAW! sounds. Fish crows have a kind of hiccup: WAH-AH! WAH-AH! Both of them like camphor berries, and they also break off twigs, making quite a mess. Of course, this doesn't last for long.

Camphor trees are not native to Florida—they were introduced in 1875 for the production of camphor, but turned out not to be profitable. They do quite well here, though, and can sometimes be a troublesome invasive. Still, their limbs have a graceful shape, and the wind in their leaves makes an interesting hissing sound.

Carry a Light for Safety at Night

Be sure to get out and enjoy the lights people have put up to celebrate the season! And be sure to carry a flashlight with you, have reflective clothing, or “wear white at night,” as we used to say. You can also find many types of flashing safety lights that can be worn as an armband, and they are relatively inexpensive. Don’t count on drivers to see you, even in their headlights! You might be surprised at how little you stand out. Plus, those drivers are also looking at the Christmas lights.
