BOARD BUSINESS and UP DATES

From the Desk of – John Pickering, President

Welcome to our February Media update. Hopefully you all enjoyed a wonderful holiday season full of love, peace, family and a huge appreciation for all the blessings that we enjoy as we tip-toe through this phase of life known as retirement.

As we all know, retirement here in Florida , aka the Sunshine State, offers a plethora of opportunities to relax and enjoy in the warmer winter climate than we endured up north for decades as we raised our respective families and planned for these “Golden Years”. Ah yes, it's finally our time to do nothing for a change!

Really?? Most of us find ourselves with full calendars highlighting tee times, exercise classes, lunch dates, medical appointments, entertainment venues, community events and opportunities to volunteer and give something back to society at large. It's often typical too feel busier now than when we were employed fulltime with tons of family responsibilities. Sound familiar?

Yes, even in retirement, we can feel overwhelmed from time to time with so much on our plates. It's easy to fall into the mental trap of taking our surroundings for granted, assuming that someone else is looking after our beautiful residential community while we're out & about every day. If we have a concern or constructive criticism, all we have to do is grab the phone and contact one of our Board volunteers for an immediate resolution to whatever seems

...continued on page 6

to be frustrating us at the time. Better yet, attend a Board meeting and share your specific observations personally or piggy back on an issue that seems to be a crisis for a neighbor or table mate. Some will leave feeling that their needs were not understood or taken seriously. Some will leave feeling refreshed just having the opportunity to vent publicly about an issue that only they feel passionate about. Hey, that's what Board meetings are about, right? We elected these Board members to serve our Community, and serve us they will.

Let's get real. Every Board VOUNTEER means well and takes their responsibilities very seriously. Members don't always agree on each issue but that suggests we have a healthy Board made up of strong, intelligent individuals. Members quickly realize that it's impossible to keep every resident within our diverse Community 100% happy. It's common for folks to leave a meeting early, with elevated blood pressure, but those tee times and shuffle board starts are inflexible and must be respected. No worries, the Board will magically resolve all those testy issues before our next monthly meeting. Damn, life is good isn't it?

Think about your expectations of Briar Creek and your desire to live within one of the premier over 55 Communities in west central Florida. Are you part of the 80% who just want to reside here and contribute little to our coexistence, or are you a member of the 20% who realize that it takes-a-village of participants and their unselfish energy to maintain the quality of life we so enjoy here in Phase I.

Where do you stand my friends? Which side of the fence do you fall? Are you part of the problem or part of the solution? Either way we're all in this together.

Let's all repeat: "Too blessed to be stressed."

Inspections/Director

Jeff Clark

2019 Inspections Are Here!

Our annual inspections will take place February 1st-10th of this year. Please keep the following in mind:

- While 60 days should be enough time to complete the work requested, I know it doesn't work for everyone. If you're unable to complete any work within the allowed time, please let me know. I understand that we're not all year-round residents, that you may want to put off roof cleaning until the leaves stop falling. Maybe your handyman is unable to get to the work for a few months, or you want to hold up on the power washing until "pollen season" is over. Whatever the reason, just drop me a line or give me a call; I'm sure we can work out a reasonable work schedule/solution.
- If you feel any work requested by us is unwarranted or unreasonable, again: just let me know. I'll be glad to discuss the inspection results with you. If we can't agree on a solution, then we do have an Appeals Process in place to hear your concerns. It's a committee consisting of five Briar Creek residents that do not serve on the board, along with the

President of the board and me. Neither the President nor I have any voting power, but we do enforce the decision of the committee. More information on this process can be found on the Briar Creek Phase One website. If you don't have a computer, just call me and I'll make sure you get a printed copy.

- Remember the old saying, “you catch more flies with honey than vinegar?” You'll find that one goes a long way with me. I'm more than happy to discuss any concerns you have in a CALM AND REASONABLE manner. Our by-laws require that we do these annual inspections; they keep our community one of the nicest on the Suncoast. But nowhere in those by-laws does it state that I have to put up with abuse as I do this job. Be respectful of my duties, and I'll be respectful of your concerns.

Lawn Maintenance/Trees/Landscaping

John Pickering

Winter here in Florida, or what we're told is winter, is nearly over. Needless to say our friends & family up north aren't quite so lucky, but that's one of the reasons we're here in Briar Creek.

The monthly mowing schedule not been published by our friends at Alexander's yet but I will get that into your hands as soon as it's available.

With springtime just around the corner, I hope you take time to notice the new floral plantings around the flagpole and pool area. Our landscape partners at Alexander's are committed to creating and maintaining the beauty of our common areas; one of the many examples of this wonderful Community we call home. When asked, our UPS, FedEx and cable service providers all quickly verify that Briar Creek is a very special place when compared to the multiple residential communities here in the bay area. Alexander's also serves many other communities locally, and they are proud to say that we're one of their top tier locations. Bravo Briar Creek!

Let's carry the beautification commitment to our respective front doors. Please do what you can to enhance your home, lot and planters with vibrant vegetation. Always remember that any major plantings or changes to your landscape will need written architectural approvals from Jeff Clark, but rest assured he makes it easy as he's totally in love with the beauty of our Community.

With lawn service about to become more frequent, now would be a good time to refresh the berms around any plastic skirting and precious lawn plantings. Remember that Alexander's is not responsible for damages – as outlined in the property layout recommendations which are posted on the wall between the restrooms in the clubhouse. You will also find a copy of our 2019 contract with Alexander's if you're interested in the specifics of their commitment to BC Phase I.

Thanks to all for your efforts in keeping our Community so beautiful!

Pool Director

Everett Wardell

The Pool Survey was sent out by Progressive Management in their year-end mailings with the notice of 2019 monthly fees. A notice was printed in the Monthly Media that the survey was being sent; extra surveys were available outside the directors' office.

The results of the survey:

1. 127 surveys were returned by residents.
2. 15 returns wanted the rules to remain as they are now
3. 50 returns wanted some restrictions for children but were in agreement with the way the survey was written
4. 62 returns liked the way the survey was written but wanted no restrictions for children

The majority of the directors voted 4 to 2 for the rules to remain the way they are today. The board chose to use the surveys and the recommendations of a four member pool committee, rather than taking into consideration the wishes of the 112 surveys which wanted some change in the rules.

The board is not legally bound to respect any survey. I believe that they have lost the respect of many of our residents who took the time to respond in good faith, hoping their voice would be heard (and considered).

This board has some very hard working and dedicated individuals who I have enjoyed working with. You have chosen a path which I can't follow.

Past Director, Everett Wardell

(Editor's note. Sincere thanks to you, Everett for your commitment; many regrets for your decision to resign.)

Letter to the Board of Directors

Linda Miller

I am a property owner, landlord and property manager in this park for almost two decades. I respect and support our Board of Directors, but I feel that going from 31 allowable rentals to zero is much too extreme. Let me share with you some of the facts that I have witnessed during this time:

Did you know that many of our renters volunteer their time and are an active part of our community? They support our social functions and some are members of our Social Club. They help to decorate our clubhouse; work next to us at our Bazaars and much more. To refer to them as "Strangers" and someone you don't want to live next door is unbelievable and insulting. You now have made these good people feel very Unwelcome! **THESE RENTERS**

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! MATTER; they distribute Monthly Medias and keep our streets and drains clear. They love Briar Creek as much as owners do.

When you leave our clubhouse after an evening of dancing, dinner and entertainment please look over your shoulder; notice the people who are cleaning up. That’s correct; many of them are now being called “Strangers.”

I respectfully request that our Board review this matter; consider other avenues such as the possibility of allowing only property owners/residents to own rental property. This would eliminate absentee landlords as well as corporate investors and would restore our rights as property owners.

Please allow us to return to the peace and harmony that we all have experienced since the construction of our beautiful park.

BC MART

Dave Doran/Ray Jablonski

BC Mart is now open for 2019 with regular hours on Wednesday and Saturday 10 – noon! We will have a grand opening on Saturday, February 9th starting at 10:00 a.am. with free hot dogs and beverage being available shortly after the doors open.

Look for some shelves to be stocked; furniture in the shed; another year of fun!

Always check the Briar Creek website; there is a link for the BC Mart that often shares some of the goods available as well as special discounts.

Remember do not leave stuff outside the store; it becomes a liability. Please call one of us and we can arrange for pick-up.

Appreciation Night

The Phase 1 Appreciation Night is scheduled for Saturday, February 23, 2019, and we need your talents. Can you sing? Able to tell a joke (or more)? Dance like a gazelle? Hey, we need you! The theme this year is redneck, down-home, small-town, or just plain country humor. Single acts are welcomed, or you can get a group together to help bring some laughter to Phase 1 residents. There is no charge for this event; it's just great fun.

If you have something to share, we will appreciate seeing what you can do. Our first audition was held on January 26; however, you will have other opportunities to "strut your stuff" to get on the entertainment roster. Please contact Betty Chatigny, 727-216-3871, for more information.

Social Event Tickets

Gene Arend

Also on that same web page is a list of all future events planned for the coming social year. **This is not intended to replace or be an alternative to purchasing tickets at the weekly coffee social but an option for those who are unable to attend or residents who are out of town.** We hope this works for you.

The Briar Creek community mourns the death of long-time resident, Fanny Gurreri of 32 Stag Run Court. Please hold her family in your thoughts and prayers.

We acknowledge the passing of two former residents of Briar Creek:

Gerhard Perschel (Stag Run) passed away November 13, 2018.

Mary Sabitus (Live Oak) passed away in New York, January 2, 2019.

No further information is available.

MEMBERSHIP

Pauline Hoad, Membership Chairperson

At the December Social Club business meeting an amendment was passed that stated the memberships to the Social Club would be \$1.00 per person and would be available from February 1 to March 31, after which the contribution would be \$5.00 per person.

It is now time to purchase your 2019/20 Social Club membership. Your Social Club membership comes with lots of perks! One of them is the picnic in April (free for members).

If you wish to run for an office in the Social Club you must also have a current membership. If you participate in **any** activity at the clubhouse, from cards ...to line dancingto shuffleboard...to table tennis ...to bingo ...to crafts ...to our weekly coffee meeting ...to other special events, do the right thing and buy a membership to support your Social Club.

The cost for a year is \$1.00 **February** 1 to March 31 ..that's right folks, you read that right... **ONE DOLLAR** for a whole year. Join the line up to purchase on Wednesday morning before the price rise.

St. Patrick's Day Celebration

Mary Kay Brown

The annual St Patrick's Day celebration will be held on Saturday, March 17th, 2019. The parade will begin at 4:00 p.m. on conditions that the Fire Department in Safety Harbor is not on a call.

Dress up your car, motorcycle, bicycle, golf cart in green to join our parade! We need Kazoo players, and our line dancers. Parade entrants are asked to assemble at the BC Mart at 3:30 p.m. Bring water to prevent dehydration.

Social Hour will be from the end of the parade to 6:00 p.m.; snacks, green beer and wine will be provided.

The meal includes corn beef, cabbage (real cabbage), potatoes and carrots will be served 6 – 6:30. We need some of the infamous Briar Creek bakers to provide deserts.

Please bring your own plates and utensils. BYOB if you want anything other than green beer and wine.

Musical entertainment is scheduled 7 – 10, following dinner, provided by DJ Terry Loyce from Shannon Productions. Terry performs at Thirsty Marlin.

Tickets (\$15) are required and may be purchased from Alice Hall during Wednesday morning coffee; our newly introduced “Will Call” may be up and running by then.

Come and join the fun!

Bye, Bye (Snow) Birdies

Mary Kay Brown

Join us on Saturday, March 30, for our “Goodbye SnowBirds” Dance...we always hate to see them fly off.

Johnny Charro will provide dance music; tickets are \$7 per person. BYOB; bring your own snacks.

This event is still in the planning stages, so more information will be provided in the March issue of this publication.

Mark your calendars! Save the date! Let's do our best to provide a proper sendoff...and see you in the fall!

BUNCO Clubhouse 2

Is the 4th Thursday of every month. Dessert is at 6:30; Bunco begins at 7:00. Prize money is distributed from the \$3 to play.

Please sign up or call and leave a message for Marge at 533-6603 or Pat Kleen at 712-9180. Once we have 16 people signed up prior to each play date, walk-in players are welcome.

However, Bunco will be cancelled if we do not have 16 people signed up prior to play dates.

Bunco is a simple, fun game to learn and play. We gladly welcome new players. Try it! You'll like it! Everyone is welcome. Come one, come all.

Shuffleboard Update, “B” Team Captain

Martin Shapiro

There are lots of opportunities to play shuffleboard at Briar Creek, for both new and seasoned players. The courts in Phase I are always available for residents (except when in use for tournaments) – help yourself to cue sticks and discs from the shuffleboard shed. The light pole on the west end has a switch for the court lights, for evening play. There is a booklet hanging on the shuffleboard section of the clubhouse bulletin boards which teaches the rules of the game and basic strategies.

All residents of Phase I and Phase II, including new players, are welcome to join in our Saturday Doubles tournaments, each Saturday through March 9th, 10:30am to 1:00pm. You can play one or more Saturdays – just show up by 10:30 to get in the draw for partners. Bring \$2.00 each time for that day’s prize pool. Partners are by random draw for each of the three games played in one tournament, so you will have a chance to play with a variety of skill levels. Also watch for announcements at Wednesday morning coffee hour of other unscheduled tournaments.

Our Big 10 League (competing against other mobile home parks in Pinellas County) continues through the end of March, and repeats each year starting in November. We have a “B” Team that plays each Monday, and an “A” Team that plays each Wednesday. League days typically run from 11:15am to 3:45pm, with half the games played on our home courts and half on away courts. The League is open to residents of Phase I, and new players are welcome to join the “B” Team anytime during the season. Players are expected to play each week, if possible, and to practice some other days to improve their game. Our practice is also open to any players from Phase I or Phase II, so don’t hesitate to join in if you see some players on the courts.

If you are new to the game, I would be happy to teach you how to play and the basic strategies. Call or email to set up a time: 727-467-0555, Martin.Pokerx@gmail.com.

Saturday Doubles Shuffleboard Tournament

Gene Arend

The first of the 8 weekly Saturday shuffleboard tournament was a great success with 19 players joining the fun. We can play as many as 24 players so come join the fun. The first week finishers were 1st Place Everett Wardell, 2nd Place Gene Arend and 3rd Place Debbie Gaetan. The next event will have two divisions with 1st thru 3rd in the League division and 1st thru 3rd in the Non-League Division. Although the random draw will combine teams from both divisions there will be three winners in each division based on accumulative wins and scores from each match. Only exception in the team combinations is two League players will not be matched against two Non-League. Not that one is better than the other, I just like the idea.

But wait there’s more we will be having those famous rooting tooting “Boston Baked Beans” with just 239 beans to a bowl, can’t add one more bean or that will make them 2 Farty. You can’t afford to miss this Big Day so you all come and spend some time with us.

Remember our Motto “Everything Comes with a Money Back Guarantee.” I don’t know why we want to give you back your money; we think we’ll like it just fine. And “No Offer is Refused” we may refuse to sell it for that but by golly we sure will accept your offer.

As a bird who often takes a swim and love to see all the beautiful people using the pool; just a reminder since again this year there have been discussions regarding pool use and so on and so on,,,Residents remember this: it is your responsibility to tell your guest/family/visitors the rules of the pool. It is that simple.

When there have been issues with people there at the wrong times or whatever, it is always because those people involved had not been told or never read the rules that are posted on the board. We have a responsibility to keep the area safe and clean.

BAZAAR 2019

I know it’s a year away but you have to publish these articles two months in advance. We have to publish it twice in hopes you’ll remember or at least read it once. This is the life blood of the Social Club and all the fun we do.

Bazaar 2019, Helen Coar is looking for someone to take over the lead for Jewelry. Don’t have to start in earnest until October; Helen will mentor her replacement. So if you are interested contact Gene Arend.

Dave is also stepping back as the chairperson. After several years in that lead position he needs time off to have some fun. Step up; Dave may even have Flamigo attire for you!

Also remember Debbie Landon, who will chair the Raffle baskets, still Wa-Wa-Wa-Works. In October she will need some helpers to recruit all those gift certificates and goodies.

Why tell you all now? Because by the time you read this your mind will soon be planning on heading North again; I wanted get to you early. You’ll see this again in a few months so save time and call me now.

Publix BOGO offers are not limited to buy one, get one of same item. It is possible to “build your own BOGO.” As long as both items are featured as current BOGO, you can mix/match; pay for the higher priced item, the second one is free.

(Editor's note) – I often pick-up BOGO offers and put one item in the food bank collection box.

Did you Ever Wonder About...

submitted by Gene Arend

HISTORY OF BRIAR CREEK by Howard Beeley Part 1 of 4

My name is Howard Beeley. It is September 16, 1998. Dorothy and I are sitting in our condo up in North Andover, Massachusetts. We are attempting to make this tape of the events that took place when the residents took over the park from the developer.

I want to start by saying we moved into the park in 1978, March the 21st. In 1980 there were five people on the Board of Directors. Warren Hughes the developer had three on and he appointed two others: Al Dettmer and Scotty Buchanan. They were on the Board when Warren told them in about a year we would take over the park, and we had better get a committee together to set up the park whatever way we wanted it to run.

They asked me if I would be chairman of the committee. Well I didn't know anything about it but I would take a crack at it. So I picked out five people. At first we had seven, but two dropped out. The first one I asked was Glen Keel, then Leon Warner, then Betty Guillame and the other two who dropped out made five, and myself made six. Then I got Harold Law to step in. So we proceeded to have a meeting. I asked them if any of them knew anything about what we were going to do to take over the park. They all said the same thing.

None of them knew anything about it, but whatever we do we want to make sure that the residents are going to run it, and so that's what we did. I went to Warren and asked Warren if he could help us get started. He said only if we gave him a long contract and then we did not need a board of directors. He would run everything himself. I didn't want that and neither did the others. We wanted to run it ourselves. Then I said I'll go down to City Hall and see if someone down there can help us, because none of us really knew what we were doing.

But before I could get down there, that afternoon I was over the Clubhouse and there were some men over there playing pool, John Aiho, Ken Evans, Joe Costello, Mike McKay and I think Warren Schmalix was the other one. John Aiho said to me, “Can I speak to you for a minute.” I said “yes.” We went over by the stage and he said, “Do you know what you are going to be doing?” I said “John, I have no idea what we're going to be doing. He said “well

maybe I can help you. I know someone over at Clearwater who runs a condominium and he calls over to Tampa every time he has a problem. They seem to help him out and they have the answers for him. He said I'll talk with him and see if I can get him to give me the information so I can give it to you and maybe they can help you. So John did. A couple of days later, he called me up and he had it for me.

I proceeded to call Mr. McDowell, I think that was his name was. (I'm trying to remember all of this from seventeen years ago.) We made an appointment to go over to see him. We told him what we wanted. We were going to take over the park. The residents were going to own everything in it, the streets, the lights, the pool, the sewer, water, everything, and we want to run it ourselves. He said there is no such thing as a mobile home park in Florida where you can do that. We said well that's what we want to do. It's our property and we want to do it. He said it sounds to me that you want to run it like a condominium. He said if you can do this we'll start a condominium mobile home park. He said boy it will be the first one in Florida if you pull it off.

To be continued in March issue.

Board of Directors

Tom Feeley – Vice President

We all purchased homes here in Briar Creek because it is a quiet, clean and safe community. When you drive into Briar Creek, you immediately are embraced with the lay out of the homes to include the various majestic trees and landscape. If you have visited other developments you can immediately see that our community is very different from others in that our layout of streets and homes are not set-up in rows. Briar Creek separates from others not only because of the way our homes are situated but also because each home owner owns their land and the tree's on the land. During this time of the year the leaves on our trees are falling, not only in our yards but also into our streets. Your association does not have a contract with the landscaping company for the removal of leaves from your property or our streets. Please rake the leaves and put them into open containers for the weekly yard waste collection that is conducted on Wednesdays (no collections during the week of Christmas or New Year's). Our annual home inspections are actively being conducted. If you have received a deficiently letter, please see that the deficiently is corrected in a timely manner.

Community Consumer Help: Before you have work done in your house, ask your neighbors or friends who they use. We have some people living in our community that have experience in electrical, plumbing and general repairs. Seek out these people and you could save yourself a lot of grief and money.

Trees and mangrove trimming: Recently the mangrove bushes were cut and the trees trimmed around the clubhouse. Please take a look, the view is beautiful.

Clark Woodard - Director

Shuffleboard and bocce courts: The shuffleboard courts have almost all been power washed and the sidewalks and picnic area around the courts have also been done. The bocce court is beginning to look neglected again. I will keep the area as clean as possible, however since no one is using the court, I am open to suggestions for any other possible uses. More parking, a horse shoe pit, or picnic space are just a few of the suggestions?

Exercise equipment: I have recently adjusted some of the equipment in the exercise room at the request of the users. Is there is anything else that needs adjusting or fixing?

Garage: I have been re-organizing the garage. There are several power tools which will be sold at the bazaar. Old paint cans will be disposed of at the next recycling day.

Mail Box Numbers: If your mail box numbers are fraying or peeling off, and you have been reminded to fix them during your home inspection.

If you have suggestions, need help with the equipment or mail box numbers please call or see me.

Ron Prevost - Director

HOME INSPECTIONS are underway in our community. Thank you again to the volunteer inspectors for a job promptly and well done. Thank you to the residents who are complying with the issues involving your homes. Your cooperation in dealing with these issues is much appreciated and makes Briar Creek II a community we can all be proud to live in.

Social Club

Carol Smitley – President

WOW! A start of a new year and a new social club board. We have recruited a fairly new resident to serve on the board. I want to thank all those that have agreed to serve on the 2019 board. Lois Heisdorf, President-Elect; Sharon Straub, Vice President; Gloria Boettger, Recording Secretary; Bonnie Briggs, Corresponding Secretary; and Pete Loranger, Treasurer. As for me, I think this is my third or fourth time to serve as your president. And with all of you pitching in I know that this is going to be a great year for Briar Creek and our bazaar, with Pete Loranger as chairmen.

Travel Club

Karen Johnson & Roz Lucas

Hi everyone. As I am writing this we are all packing and getting very excited about our Symphony of the Seas cruise on the 19th. It's going to be a fabulous time! All our excursions for this coming season are now closed. If you have signed up for one of them and have not paid, or if you have been thinking of going on something, you have to call Cullen at Advantage cruises for availability and payment. (727) 576 4010.

There is still limited availability for our Cuba cruise for October of 2019. You need to call Advantage cruises for payment and availability for that also.

We have 39 people signed up for Ed Fletchers dinner theater and 40 seats. If you still haven't paid you may lose out and this is one of the favorite things we do every spring so don't wait.

Our next big adventure we are planning is a transatlantic cruise. We will have all the final details in the next month's media. So until then, have a great month and we hope to see you all on the bus! Roz and Karen

We had a very generous baby shower with Kate Kelly from The Kimberly Home. From Kate we learned their needed role in offering assistance to women in unplanned or troubled pregnancy. Their home is a resource center and much more dedicated to life. Thank you ladies with your sharing of your time, gifts, baked cookies and cake which made the gathering even sweeter.

February 5th our guest speaker will be from Veteran Service -What benefits are available to veterans and their families (including widows and widowers)and how to apply for these benefits. Please sign up and bring anything red to eat in honor of Valentine's Day.

We will have ice cream and candy for sale at break time too so come on down for a fun night.

Open Sewing in Phase II - For Phase I & II

Darlene Beyer

This is your chance to get all of your unfinished projects done as well as learn about a few classes that will be taught for FREE. It doesn't matter what project you bring, so give yourself this time to work on it or complete it. Whether it is a craft, needlework, knitting, crochet, sewing, or quilting, come on down to Clubhouse II. Doors will be open at 9:15am and you can work until 12:00 noon every Monday.

There is 1 class scheduled on January 28th. "A Return of the Swedish Weaving Class". For those of you who are interested, you can either come and observe or bring the following and join the class; 1 ½ to 2 yards of monks cloth (60"wide). 1 skein of 4 ply, knitting worsted yard (color of your choice or variegated). Before class, sew around all 4 (four) edges of the monks cloth with a zig-zag stitch to keep from raveling. Then pre-wash in warm to hot water to pre-shrink and then dry in dryer. Bring scissors and I will have the Bobkin needles for weaving for \$1.00 each. I will also have the pattern to give you that you will be working on. Hope to see you there.

Our sit & Stitch times, for knitting and crocheting, remain the same, 1:00pm – 3:00pm every Monday.

Any questions, call Darlene @ 727-403-9957

Lawn Mowing Service

Bill Russo

On grass cutting day, residents are raking, blowing or piling leaves on the street. These leaves will not be vacuumed up by the lawn company's truck. The leaves must go into trash barrels and put out on Wednesday for pick up. Leaves placed in plastic bags will not be picked up on Wednesday.

Food Pantry

Joan Davis

On the third Saturday of each month, we collect what you have donated and deliver it to the Food Pantry that week.

We also collect and deliver for Mattie's Kids. Items for Mattie's kids must be individual portions. This is so that the children can pop a top and eat the item. Some examples could be the following: Pudding, Jello, Individual peanut butter, pouches of tuna, canned Vienna sausages, cheese-cracker packets, and individual fruit cups.

Please, **NO CANDY**, this is not good for the children. Also, PLEASE, NO out of date goods.

We collect and deliver year round to both places.

Thank you for your donations.

BCII PHONE TREE

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 150 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

1. Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
2. If they are not in that file, please send me you e-mail again so I can check it. Send it to BCIIphonetree@gmail.com.
