BOARD BUSINESS and UPDATES

From the Desk of – Jeff Clark, President

I recently drove down one of our streets, when I noticed that some of the homes had no visible house numbers. Then I drove down it again, counting the actual “numberless” homes. Of the 18 homes on the street, fully HALF had no numbers at all. Of the remaining homes, 4 had numbers that were hidden, too small to be clearly read from the street, or were difficult to read because they didn't contrast with their background. I know that YOU know where you live, but if I can't read your house number, then how can an emergency responder, like an EMT or sheriff's deputy? For your own personal safety, please make sure your home has numbers that are large enough and legible enough to be read clearly by everyone.

As our homes age, they begin to need repairs and maintenance that you may not have considered in the past. One of these is the brick planter in front of your home. I see many that are coming apart as the mortar begins to deteriorate, or have settled so much that they're barely visible. Please take a look at your planter and assess its condition; does it need repair or replacing? If you're not sure, contact me and we'll look at it together to determine how it will fare during next year's inspection.

Martin Shapiro, Director

You can email me at Martin@MyBriarCreek.com.

Director, Everett Wardell

Please welcome Phase II residents to our pool while the pool/clubhouse at Phase II undergoes repairs and renovations. The project is expected to take about forty-five days. The pool at Phase II will be closed on and off during that time. Phase I pool will be available for all Briar Creek residents of both phases during that time frame. As of now there are no specific dates.

Director, John Pickering

July mowing schedule includes our weekly summer visits on the 6th, 13th, 20th and 27th. Please remember to protect your plastic skirting with a brick barrier, and stage flags of some sort around specific areas you do not wish to have mowed or weed whipped.

As mentioned at the June BOD meeting, Safety Harbor has sent us a list of trees that need to be trimmed so that the umbrella does not impact the refuse & fire vehicles. 15' or more is the minimum height mandated from the road surface.

The 46 trees identified are posted on Betty's interweb publication and in the Clubhouse on the bulletin board across from the shuffleboard info. We know that some of the work has been accomplished already, but I must encourage each resident to take this seriously since the City has a right to fine each of us if we don't comply within a reasonable time.

June 20th I head back to NH for a few months of wild turkeys, moose, porcupines and a few hungry bears who hang out on our residential acreage. Of course energetic 13 & 9 year old grandsons are a huge draw as well. I plan to return the third week of September if all goes well.

I have not asked anyone to stand-in for me regarding the lawns, trees and landscape responsibilities. I have posted my personal cell phone number on the Director's bulletin board near the office door. I will answer my phone whenever possible but I remind you that I will be 1,365 miles from Cedar Elm Drive; I ask that you call only with reasonable requests that you think I can impact from that distance.

Conversely I suggest that you share your observations, opinions and yes complaints via e-mail so I can review and forward to the Principals at Alexander's and/or our irrigation firm so they can fully understand your feelings by reading your words directly. Please remember a friendly compliment goes a long way with our service providers if you can find it in your heart while understanding the huge tasks that they wrestle with weekly to keep our Community as beautiful as it is.

Please stop by my driveway at 91 Cedar Elm if you have a chance and check around the galvanized trough where we've successfully birthed over 60 beautiful Monarch Butterflies this winter. The process here in Florida is essentially year round and we're hopeful that new Monarchs will be emerging all summer long. It's truly a wonderful experience to enjoy.

That's it for today friends. Enjoy your summer wherever you choose to hangout, and I look forward to seeing you all back here before the snow begins to fly up north.

Bye for now!

Weekly lawn mowing is scheduled for JULY – 6, 13, 20, 27

Ben Ragonese, past Bingo Chairman, celebrated his 94th birthday at May 29th Bingo! We wish Ben many more healthy years.

SOCIAL CLUB MEMBERSHIP *Pauline Hoad*

Thanks to all who purchased 2018/19 Social Club memberships. Unless there are extenuating circumstances there will be no more sales of 2018/19 Social Club memberships. New residents may still purchase memberships by contacting Pauline Hoad (November to March) or Jean Richter (April to October).

Your Social Club membership comes with lots of perks! One of them was the annual picnic in April (free for members). Without a 2018/19 membership the residents would be expected to donate \$5.00 to cover the costs of food and beverages.

If you wish to run for an office in the Social Club or if you wish to vote for anyone running for an office in the Social Club you must also have a current membership. If you participate in any activity at the clubhouse, from cards to line dancing to shuffleboard to table tennis to Bingo to our weekly coffee meeting to other special events, do the right thing and buy a membership to support your Social Club. The cost for a year is \$1.00.

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

GutterBrush/Leaf Guard

There is a product available that could make cleaning out your gutters much easier by cutting down on the frequency of that task. Thought you may want to know more.

Okay, yes, it looks like an oversized toilet bowl brush BUT it fits snugly in your gutters to keep them clear of debris. So far, two homes on Cedar Elm Drive have installed them. The brush guards come in three feet sections making them easy to install. More information and a free sample (18 inches) for the price of shipping are available on-line. Similar products may be available from local retailers as well.

FREDDIE THE FLAMINGO

Dave Doran

Flying through a hurricane is not fun. To help you be prepared, pick up a copy of 2018 Pinellas County Preparedness Guide; for your convenience you will find them in the Book Nook at the Club House or BC Mart. All Briar Creek residents are encouraged to grab a copy or two if you have family or friends living outside of Briar Creek but within the county.

The publication is packed full of useful common sense information including nearby shelters. Some shelters accommodate pets, others do not. There is a list of what you need to bring with you to a shelter. Remember if a Hurricane Warning is issued, all mobile home park residents MUST evacuate.

Finally, remember that if you have any questions or concerns regarding community issues or rules, suggestions or whatever – ask someone on the board; they are here and available to help us understand why things are the way they are and how they help each of us maintain the look, safety and security we all enjoy in Briar Creek.

HURRICANE SEASON IS BACK!

It is one of the few drawbacks of living in perpetual paradise! Hurricane season is June 1st through November 30th every year.

Just a reminder that each time you hit the aisles in the grocery store, think about picking up a couple extra non-perishable items for hurricane or tropical storm power outages. Canned or pouches of tuna, chicken, salmon or peanut butter are great choices. Crackers will keep in the sealed packages to substitute for bread. Baby wipes are good to have on hand as well as waterless hand sanitizer in case our water supply is compromised. Remember bottled water, too! It is also prudent to keep the gas tank in your car topped-off. Have cash on hand, make sure your prescription medicines are up to date, too.

If we get in the habit of collecting a few essentials each time we shop, we won't need to rush to the stores (with those who put off preparations) if we fall under a watch or warning. Having said that, meteorologists are boasting that this season their technology is able to narrow the cone of error; which means the predictions of a path of a storm will be more predictable. However, Mother Nature has a mind of her own and the slightest change in upper or lower winds can shift the path suddenly.

Better to be over prepared and safe than to be caught off guard. Buddy up with friends or neighbors to develop an evacuation plan and exchange contact information if we need to leave. Be safe; not sorry!

To assist you in preparing for the season pick up a copy of the Pinellas County 2018 All HAZARDS Preparedness Guide now available in the Book Nook. Feel free to take more than one if you want to share with non-resident friends and family.

Book Nook Thoughts

Vivian Rodriguez

Hello all you beautiful people!

Our library will be incorporating the audiobooks that have been filed away in the DVD section. Come in and look them over. Audiobooks are a wonderful alternative for those of us that have difficulty seeing print. They're entertaining and can be played while doing mundane tasks. I've enjoyed them on long trips. If you have audiobooks at home you think others might enjoy, please consider donating them to the library.

I leave you with the words of one of my favorite authors regarding another of my favorites.

"I haven't any right to criticize books, and I don't do it except when I hate them. I often want to criticize Jane Austen, but her books madden me so that I can't conceal my frenzy from the reader; and therefore I have to stop every time I begin. Every time I read *Pride and Prejudice* I want to dig her up and beat her over the skull with her own shin-bone."

Roofing Project

Tom Feeley – Vice President

Hopefully without any further rain delays, the roofing project concerning the clubhouse & garage should/could be completed by this time. The board would like to thank everyone for their patience during the roofing project. Currently, the flat roof on the garage is completed with only the finish metal to be installed on the mansards. With regards to the clubhouse roof, the main flat roof is completed to include the raising of all of the hvac units as required by code. The two lower flat roofs to include the front entrance and rear poolside roof was found to be leaking and needed to be replaced. These two lower roofing areas were not in the original bid on the roof replacements. When the metal located over these flat roofs were removed, there were existing issues that needed to be addressed. When getting into commercial roofing projects there are always some unforeseen issues that come up. The front lower flat roof was found to be leaking for some time and had caused some roof decking and mansard decking to be rotted. The rear flat roof (pool side) was found to be in real bad shape whereas the roof has been leaking for some time causing some major damage to the decking and roof supports. Therefore, the board of directors found it necessary to have lower roofs replaced at an added expense to the project. Once the lower roofs are replaced, the metal for the mansards will be ordered and installed.

Reminder from the Board

Don't wait. Now is the time to prepare for Hurricane season!

Overnight Parking in the street is NOT allowed.

Daytime Parking – Please park on ONE SIDE of the street in your area. This will keep our streets open for Emergency Vehicles.

Visitor Parking is at the clubhouse on the side of the shuffleboard courts, (grassy area). Please put the VISITORS PASS in the front windshield. Residents who do not have the pass can contact a board member. Parking in an empty carport is NOT allowed without permission.

STOP at ALL STOP SIGNS, and, our SPEED LIMIT is **15MPH**. Your help is greatly appreciated.

PLEASE remind your visitors this summer of our rules and regulations as far as the Pool, speed limits and parking etc.....You are responsible!!

Condo Board Info

Jean Schmidt

Please check the **Condo Bulletin Board** located between the end of the kitchen hall and the card game area for Notices of Meetings, Agendas, Minutes, Etc. Minutes and other financial reports can be found on the MyBriarCreek.com website (requires you to enter a password for this info, which I am told can be easily done). Don't forget our Suggestion Box! It is checked weekly for your suggestions. Most of them are mentioned in my "Director's Report" at the Condo Meetings with resolutions to the problem or solutions we are working on. During our summer months, now until mid-September, there may be delays in getting your Outside Alteration Requests approved by the Condo Board. They will be processed as soon as possible, but they require at least 4 Board Members to approve and sign - Then I need the President to sign an approval letter for the request. You have one year to complete an approved project and we will be inspecting the progress periodically.

BC II Phone Tree

Marsha Bowlby

The phone tree has been very busy this month.

We have had many postings from Tom Feeley regarding the pool being open or not. He has spent a lot of time keeping us updated almost daily. Thanks Tom.

Art Tavenor has used the phone tree to update the phone directory. Art even gave us the page number to look up the resident for the update. Way to go Art...

We have had updates on the changes for the 4th of July, information on the Sunday Afternoon (2:00) games days at the Clubhouse for whoever shows up.

Crime Prevention Tips from Deputy Jessica Hughey, of the Pinellas County Sheriff's Office.

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC11phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have 148 residents on the phone tree currently.

**A Complete Listing of Resident Services
can be found on the page before your calendar**

BC II Phone Tree/ Bereavement

Judith Holden

The BC II Phone Tree continues to grow and is proving to be very successful. With that in mind, Marsha and I have decided to separate the Phone Tree from Bereavement.

In the future, information for the Phone Tree should be sent to Marsha at 727-724-9406 or BC2phonetree@gmail.com. News of a bereavement should be sent to me, Judith at 727-430-1274 or judith09jeff23@yahoo.com.

Lawn Mowing Service

Bill Russo

On grass cutting day, residents are raking, blowing or piling leaves on the street. These leaves will not be vacuumed up by the lawn company's truck. The leaves must go into trash barrels and put out on Wednesday for pick up. Leaves placed in plastic bags will not be picked up on Wednesday.

Service for June: 7/6 – 7/13 – 7/20 – 7/27

ANIMAL SHELTER

Jay & Sandy Watson

Please don't forget all the rescued animals in need of food. We have coupons available if you want one.

All of God's little critters need to be taken care of. They are so grateful for anything you can do for them.

Don't forget to adopt them too. You will be rewarded with so much love and loyalty! Our little Grayce brings so much joy to our home!

Just leave your donations on the table in front of the shed in our carport.

Thank you!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

STORM FRONT

Wood Storks just standing there
Amidst the thunder and lightning
Nothing seems to bother them
Nothing seems too frightening

Rains come pouring down in torrents
Streets turn into mighty rivers
Winds are blowing, trees are swaying
A mighty punch the storm delivers

Lightning flashes, thunder rolls
Water rushes down the street
Mightily crash the lightning bolts
When their targets at last they meet

Slowly now the storm abates
Not much longer it can last
Until the rains completely stop
And the mighty storm has past

Wood storks waiting patiently
Until the weather subsides
Step by step they walk in tandem
Searching for 'after the storm' delights
