After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

## BOARD BUSINESS and UPDATES

### From the Desk of

*Jeff Clark, President*

My entire working career has been in retail sales, where we have a universal saying: “No matter what we do, 2-3 percent of our customers will NEVER be satisfied.” The remaining 98% or so are happy, or at least reasonable enough to work with in “wronging the right.” Many times, this occurs when the business properly explains their policies to the customer, allowing both parties to come to a satisfactory solution.

What applies to the retail sales industry also seems to apply here in Briar Creek. You'll find that the vast majority of us are happy “customers,” or good neighbors. Some occasionally stray and break a few of the rules, but once a director explains the “policy,” they understand and the problem is solved. But, coincidentally enough, about 2 percent of our residents refuse to be good neighbors; I can literally count them all on one hand. They couldn't care less what our rules are, because they believe the rules don't apply to them. They're selfish and unreasonable, which inevitably leads to some unhappy experiences for their neighbors.

The Board does its best to deal with this tiny minority, but they're “special handling” requires the cooperation of everyone. If the “2 percent” has a mess in their yard, an overly noisy exhaust on their vehicle, or an illegal tenant, then you should be contacting a Board member. But we're not a police agency, and can't be expected to act as such. If this same

neighbor is disturbing the peace (especially at the pool), breaking local laws or threatening/intimidating other residents, then you need to call the **Pinellas County Sheriff's Office**. In almost every case, use their non-emergency phone number at **727-582-6200**; 9-1-1 is for true emergencies only.

And finally, remember that hurricane season starts June 1st, and lasts through November. While none of us wants to repeat what we went through last September with "Ms. Irma," we still must be prepared to do just that. Take the time to read all the information on our website under "Disaster Management," and look for updates in the local newspapers.

Now is the time to stock up on all the items you might need before and after a hurricane, as well as during an evacuation period. Do you REALLY want to face those crowds at the store, fighting for anything on a shelf, as the hurricane approaches? Stock up now on non-perishables. If you get through hurricane season with no need for them, they'll still be good for everyday use for a long time after. Another option is to donate them to the local food bank.

### **Director/Recording Secretary**

*Connie Holmes*

From the beginning until today...

In the beginning our community began with a purchase of 200-plus acres by a developer. The vision for this beautiful piece of spacious land was the potential to be a community for Retirees from many different locations and backgrounds. This was not to be a tic tac toe type of layout, but winding streets and elevation changes with mature live oak trees to give it the personality we have all come to know and love.

Briar Creek residents are among the best people you will ever meet. We may not always agree, but we can agree to disagree. When our community was established, and paperwork filed April 18, 1977 all homeowners were given the same privileges and responsibilities. In the early years, many of the owners regularly gave of their time and effort to see to the proper maintenance and upkeep of our community.

Today we are blessed to have many who still contribute to the needs of our community and help those who need assistance. But these people are becoming fewer and fewer. You have the choice to be as involved as you want or totally stay to yourself. It is your choice. But when we stay to ourselves, we deprive those around us of our many talents and abilities as well as opportunities to make new friends.

A kind word goes a long way and so does a smile. Do you ever stop to think what Briar Creek would be like if everyone was just like you; participated like you, helped out in the community just like you? It takes all of us to make Briar Creek the community that people want to come and live part-time or full-time. But just as it takes all of us to make it work, this work can be torn down and damaged by only a few.

Our documents say that we operate by a majority rule/vote. Sometimes our ideas/suggestions get approved by the majority and sometimes they do not. This does not mean one

was right and one was wrong, it only means the majority chose another way. I was told just the other day, “Briar Creek has operated under the approved documents for over 40 years and look where that has gotten us, we are the most sought after community in Pinellas County.”

Let’s all think back to the things that brought us to Briar Creek and never take that for granted. Did we buy to enjoy what was already here or did we want to change it to something else? We are 317 parts of the same community. Let’s make it another 40 years of blessing!

### **Director, *Martin Shapiro***

**T**his summer I will be working on renovation projects for the Clubhouse, such as door replacements and interior painting. All suggestions for the Clubhouse from home owners are welcome. Also, let me know if you are in-park over the summer and would like to volunteer to help with minor repairs and/or painting. You can email me at [Martin@MyBriarCreek.com](mailto:Martin@MyBriarCreek.com).

### **Director, *Ray Jablonski***

#### **OUTDOOR WATER USAGE**

**W**atering of lawns should be done with consideration for the whole community as there is only a single water meter that monitors the water usage in both Briar Creek Phase I & II. The water bill reflects the water usage in both communities. When lawns and other outdoor plants are watered, to the point that water is running down the street into the storm drain, this is a waste of a precious natural resource as well as a lack of concern for fellow residents who pay through their monthly condo fee for the water used in the communities.

There are water restrictions in place by Pinellas County. Usually this time of the year and other times when rain is in short supply residents required to follow county restrictions concerning the use of water, to ensure that there is a sufficient supply for everyone in the County.

Residents need to follow the restrictions, and if water is running down the street, it indicates that the ground can no longer absorb it and the water should be turned off. It is better to water several times than try to get it done all at once and waste water. I have been called out several times with what residents believe is a water line break only to find that someone’s lawn or plants are being over watered and I have to request them to stop. I ask all residents to show respect for their fellow residents and our precious natural resources and use water responsibly.

### **Director, *John Pickering***

**Weekly lawn mowing is scheduled for JUNE – 1st, 8th, 15th, 22nd, 29th**

## **Director, *Everett Wardell***

Please welcome Phase II residents to our pool while the pool/clubhouse at Phase II undergoes repairs and renovations. The project is expected to take about forty-five days. The pool at Phase II will be closed on and off during that time. Phase I pool will be available for all Briar Creek residents of both phases during that time frame. As of now there are no specific dates.

## **IN MEMORIUM**

## **BC MART**

*Dave Doran/Ray Jablonski*

Wow! With all of the snowbirds flying back for the summer, we received loads of goodies at the Mart to sell. To mention some of the great items; a leather recliner, twin beds, kitchen ware of all kinds, desks, chairs, you name it!

Stop by; buy on Wednesday or Saturday 10 – Noon. Poke around.

## **Other Mart News**

*Jeff Clark*

We're selling off some of the power tools at the garage, and we're starting with the power saws. The table saw is \$20.00, and the radial arm saw is \$50.00. If they aren't sold by June 15th, then they'll be donated to a local charity.

We know this decision will disappoint some, but it's necessary for two reasons:

1. Many of the tools have been disappearing from the garage at a rapid rate, and most of them have not been returned. We could buy new replacements, but should the Board be subsidizing those residents who take them out on "permanent loan"?
2. We've witnessed residents using these power tools in a very unsafe manner. No eye protection, no second adult to supervise (despite the sign on the radial arm saw that's been there for years), letting fingers and limbs get too close to the moving blade. They're also leaving a mess (sawdust and other scraps) to be cleaned up by others.

There's no doubt that the same residents using these tools irresponsibly won't hesitate to call one of the hundreds of "personal-injury" attorneys in this area once they've injured themselves. We can assure you that our liability insurance company will cancel our coverage or dramatically increase our premiums once they find out we've allowed open access to these tools.

For anyone who thinks this action is too extreme, we're open to any alternative, reasonable solutions.

*Georgia Douglas- Social Club President*

**O**n March 2018 when I took over the Presidency BC I Social Club, I was surprised that no one volunteered to be the Head of Entertainment/Chairperson, I willingly agreed to be Chairperson since an established Social Club Committee of volunteers was already in place and ready to start the year's activity & fellowship for our community.

This year once again my plate was filled with DIY projects; a rewarding job of taking great care of our ailing Seniors as a caregiver; and since failure isn't in my vocabulary (two events canceled because of lack of interest & poor ticket sales); I announced I was stepping down as chairperson and therefore nominated Alice Hall to be the new Chairperson.

Alice declined and nominated Betty Chatigny - who agreed only if Kathleen Cory and Elaine Harsh agreed too. As a team these three magnificent ladies will head up the Entertainment for the remainder of the year. Betty took a quick straw vote; many of you offered your support and the willingness to make 2018-2019 another great year.

Thank you, Betty, Kathleen and Elaine for stepping up and becoming BC's Social Club Chairteam, you have my full support and respect.

### ***AN EVENT YOU MAY NOT WANT TO MISS!***

Last December, a group of us went over to the Woodlands Square 20 Theater for a screening of the 1967 film classic, “Guess Who’s coming to Dinner?” Presented by a company known as Fathom Events, they re-master both the film and the soundtrack so that it looks and sounds as it did when it was first shown to the public.

In 2011, Fathom presented “West Side Story” on its 50th anniversary; I was lucky enough to see it. I was AMAZED at what a difference there was between viewing it on that big screen vs. a television set. I’ve enjoyed many of these Fathom presentations, but none has ever compared with “West Side Story.”

As luck would have it, Fathom is presenting “West Side Story” again, on the **24th and 27th of June**. There are two showings each day, at 2:00 and 7:00pm. You can purchase tickets online, or at the Woodlands Square box office. It won 10 Academy Awards, including Best Picture, Director, Music and Writing. If you’re a fan of classic films (and especially of THIS one), then please don’t miss what many consider to be one of the finest musicals of all time.

## **SOCIAL CLUB MEMBERSHIP**

*Pauline Hoad*

**T**hanks to all who purchased 2018/19 Social Club memberships. Unless there are extenuating circumstances there will be no more sales of 2018/19 Social Club memberships. New residents may still purchase memberships by contacting Pauline Hoad (November to March) or Jean Richter (April to October).

Your Social Club membership comes with lots of perks! One of them was the annual picnic in April (free for members). Without a 2018/19 membership the residents would be expected to donate \$5.00 to cover the costs of food and beverages.

If you wish to run for an office in the Social Club or if you wish to vote for anyone running for an office in the Social Club you must also have a current membership. If you participate in any activity at the clubhouse, from cards to line dancing to shuffleboard to table tennis to Bingo to our weekly coffee meeting to other special events, do the right thing and buy a membership to support your Social Club. The cost for a year is \$1.00.

## **BINGO**

*Jean Richter*

**B**ingo is every Tuesday night. Doors open at 5:15 p.m. and games start at 6:00. Bingo is a social game so come and enjoy the evening and also, you may win lots of money! Bingo will be closed for the months of July and August. The last game will be June 26th and will resume on September 4th.

**K**razy Kards has been great fun over the past years. Pauline and Gary Houd hosted and then Elaine Harsh, Mary Houpt and Georgia Douglas took to the task. Now it has come to the time again where a search for Krazy Kard team leadership is underway. Everything you need to know fits into one carrying case. Serious inquiries, or Krazy ones, please contact Betty Chatigny, Elaine Harsh or Kathleen Cory.

Krazy Kards is easy, fun and a crazy way to spend an evening with friends and neighbors.

### **UPDATES AROUND “THE CREEK”**

If you have concerns or questions regarding the check list, Jeff invites you to contact him. Be nice. He will be. The files need to be “closed out.”

Jessica Hughey, our crime/ neighborhood watch representative from the Pinellas Sheriff Department, spoke to the Phase 1 Wednesday morning coffee group on April 25. Briar Creek residents are grateful to have Jessica “on watch” for us as much as Jessica loves doing her job for the community.

## **FREDDIE THE FLAMINGO**

*Dave Doran*

---

**F**reddie hopes that all of the snowbirds remembered to put away anything that could become wind born during the summer storm season.

Make sure that your neighbors know that you are away; give them a phone number so they are able to contact you. BC neighbors are diligent about keeping an eye on each other to assure that we are safe and sound.

Remember that if you have any questions regarding BC Phase 1 Rules and Regulations just ask a sitting board member for clarification; they are happy to help. One question may be all it takes from making a mistake.

For those who are leaving, “fly” safely and see you in the Fall. For those of us who stay, we will be here to keep it all together.

## CAUGHT BEING A GOOD NEIGHBOR

Good neighbors and friends, Robbin Adair, Gloria, Bobby Smith and Alan Lee helped Georgia Douglas paint, climb high ladders, install new light fixtures and remove hardware at her home. Thank y'all for your amazing help.

## VOLUNTEER HIGHLIGHTS

Please remember that Elaine Harsh will always accept old towels, sheets, blankets (no pillows) and pet food for the Humane Society.

Georgia Douglas collects and delivers your clothing that no longer serves you to the shelter for abused persons.

## HURRICANE SEASON IS BACK!

It is one of the few drawbacks of living in perpetual paradise! Hurricane season is June 1st through November 30th every year.

Just a reminder that each time you hit the aisles in the grocery store, think about picking up a couple extra non-perishable items for hurricane or tropical storm power outages. Canned or pouches of tuna, chicken, salmon or peanut butter are great choices. Crackers will keep in the sealed packages to substitute for bread. Baby wipes are good to have on hand as well as waterless hand sanitizer in case our water supply is compromised. Remember bottled water, too! It is also prudent to keep the gas tank in your car topped-off. Have cash on hand, make sure your prescription medicines are up to date, too.

If we get in the habit of collecting a few essentials each time we shop, we won't need to rush to the stores (with those who put off preparations) if we fall under a watch or warning. Having said that, meteorologists are boasting that this season their technology is able to narrow the cone of error; which means the predictions of a path of a storm will be more predictable. However, Mother Nature has a mind of her own and the slightest change in upper or lower winds can shift the path suddenly.

Better to be over prepared and safe than to be caught off guard. Buddy up with friends or neighbors to develop an evacuation plan and exchange contact information if we need to leave. Be safe; not sorry!

**A**s the population decreases we are still alive and active. Please try to make Saturday morning coffee as it will keep you up dated on what's happening. There may be a lot of spur of the moment things happening. Keep yourself updated with the BC tree emails.

Please feel free to make any suggestions. Although summer is a resting period we don't want you to be bored or loose contact with neighbors. There is no rule that says you need 50 people for a get

together.. Our first addition is Sunday afternoon games. Stay for an hour or 3 hours, maybe you just want to come down and check it out. No food or drinks will be served so bring your own.

Phase 2 will be continuing Bunco throughout the summer months. It will be the 4th Thurs of every month. (June 28, July 26, Aug 23, Sept 27) Dessert is at 6:30 and Bunco begins at 7:00. \$3 for prize money. Please Sign up or call and leave a message for Marge at 533-6603 or Pat Kleen at 712-9180. Once we have 16 people signed up anyone can walk in that night. Bunco will be cancelled if we do not have 16 people signed up prior. Bunco is a simple game to learn. We gladly welcome any new players. Try it you'll like it. Come one come all

## BC II Phone Tree

*Marsha Bowlby*

**T**he Phone Tree, have you signed up? The month of May information was sent out on the following:

1. The Pool hours, when it's opened and when it isn't, due to the work on the clubhouse roof
2. The BC2 Phone Book. When it's being delivered and that updates will be sent out via the phonetree.
3. Summer Activities, there will be a game day each Sunday at 2:00 at the clubhouse during the summer.

If you're not on, think about it. It's the quickest way for us to get information to you.

To sign up for the Phone Tree, send an e-mail to [bc2phonetree@gmail.com](mailto:bc2phonetree@gmail.com) with your name, phone number, address and e-mail and I can get you signed up. We have approximately 145 families on the Phone Tree.

## Travel Club

Karen Johnson & Roz Lucas

---

**K**aren and I have been busy the past few weeks putting together some great trips for the coming year. Here is a little preview of them: in October we will have a day trip to Silver springs state park that will include the famous glass bottom boat ride, a stop at the Russel Stover Candy Factory and lunch at a 5 star restaurant that we have gotten rave reviews about.

In December we will do our Christmas day trip to Bok Tower Gardens. For everyone who has never been there this is a must see! and for all of you who have had the pleasure, it is a great do-over.

January is our cruise on the Symphony of the Seas, the newest, biggest ship on the waters. The balcony cabins are almost sold out so don't wait a day more if you are thinking about joining us. The price for this trip includes all taxes, port charges, travel insurance, and transportation to the port of Miami where the ship will be sailing from. Don't miss this one.

February will find us on the Murder Mystery train for an overnight trip with a stopover at Fisherman's Village. This is a fun place full of great shops and restaurants.

some of us were there last Christmas and we are all looking forward to going back.

March will be a 4 day, 3 night trip to Charleston, S.C.. We will be staying at the beautiful River front Holiday Inn and there are many meals and tours included.

In October of 2019, We will be doing a 5 day cruise to Havana Cuba. One day in Key West and then an overnight in Havana. The price for this is great so if you have been thinking of

*Continued on page 38*

going there this will be a great opportunity. And like all our cruises, all prices include travel insurance and taxes and port charges. However, on this trip you must buy a \$75.00 visa from the cruise line.

The complete information on all these great trips are on our bulletin board in the phase 2 club house or you can call Karen or Roz for all the details. For the cruises, a phone call to Advantage Cruises and Tours will get you signed up and all the information you need. (727-576-4010).

We hope we have provided you with a nice selection of trips to pick from and I am sure we will be adding a few more things as the summer goes on. See you all on the bus!!! or maybe the ships too!!

## Condo Board Info

Jean Schmidt

---

Please check the **Condo Bulletin Board** located between the end of the kitchen hall and the card game area for Notices of Meetings, Agendas, Minutes, Etc. Minutes and other financial reports can be found on the MyBriarCreek.com website (requires you to enter a password for this info, which I am told can be easily done). Don't forget our Suggestion Box! It is checked weekly for your suggestions. Most of them are mentioned in my "Director's Report" at the Condo Meetings with resolutions to the problem or solutions we are working on. During our summer months, now until mid-September, there may be delays in getting your Outside Alteration Requests approved by the Condo Board. They will be processed as soon as possible, but they require at least 4 Board Members to approve and sign - Then I need the President to sign an approval letter for the request. You have one year to complete an approved project and we will be inspecting the progress periodically.

## ANIMAL SHELTER

Jay & Sandy Watson

---

Please don't forget all the rescued animals in need of food. We have coupons available if you want one.

All of God's little critters need to be taken care of. They are so grateful for anything you can do for them.

Don't forget to adopt them too. You will be rewarded with so much love and loyalty! Our little Grayce brings so much joy to our home!

Just leave your donations on the table in front of the shed in our carport.

Thank you!

Jay & Sandy

## Suggestion Box

Jean Schmidt

---

A locked SUGGESTION BOX has been placed in our Clubhouse. It is located near the water cooler in the hall.

Our Board would like to hear your suggestions/ideas for our community.

You do not have to give your name unless you want to.

THANK YOU.

## BINGO

Marsha Bowlby

Gloria and Jake Boettger and Diane Peacey have stepped up to run Bingo this fall. Thanks again for all your help.
