BOARD BUSINESS and UP DATES

From the Desk of

Jeff Clark, President

Recently, one of our neighbors called me with an “amazing” idea. I won't waste your time or bore you with all the details, but this person insisted that I just HAD to implement this proposal immediately. When I tried to explain that (as a single board member) I didn't have the authority to make such a decision, they accused me of not doing my job and hung up.

You must understand that any one board member cannot arbitrarily change our rules. Only the board, discussing it in public and working together, can make such changes. If one director could make such decisions, we would have:

- Individual board members interpreting (and enforcing) rules differently,
- Decisions made in secret,
- No public input or debate on such a decision, and
- No record of the discussion or the decision.

I'm convinced this is the basis for Florida's Sunshine Law: decisions made by a duly elected board, discussed and voted upon at a public board meeting. When we abide by this law, we have public debate of the topic, along with board members' votes and a written record of the proceedings. So, while you're welcome to ask any board member for their opinion of a rule

...continued on page 6

or by-law, please don't singularly ask us to change any of them on your behalf. That's what board meetings are for.

From the Desk of

Martin Shapiro, Director

You can email me at Martin@MyBriarCreek.com

From the Desk of

Director, Everett Wardell

Please welcome Phase II residents to our pool while the pool/clubhouse at Phase II undergoes repairs and renovations. The project is expected to take about forty-five days. The pool at Phase II will be closed on and off during that time. Phase I pool will be available for all Briar Creek residents of both phases during that time frame. As of now there are no specific dates.

From the Desk of

Director, John Pickering

Please remember to protect your plastic skirting with a brick barrier, and stage flags of some sort around specific areas you do not wish to have mowed or weed whipped.

Weekly lawn mowing is scheduled for SEPTEMBER 7,14,21,28.

IN MEMORIUM

Briar Creek residents extend condolences to the family and friends of Vicki Boyce. Vicki lived at 71 Sugar Bear for a brief time before passing away on July 26. No service was held.

A Tapping Tea Party

Betty Chatigny

July 22, 2018 was an afternoon like no other in Briar Creek.

Summer time slump; so I reasoned it would be the perfect time to try something new at the creek. “Let’s have a tea party!” Let’s invite the “Happy Taps Dancers.”

Needless to say, ticket sales were hot! The Happy Tap Dancers include ladies ranging in age from 85 to 51, are led by Nellie Kellogg pictured here dressed in red. Nellie is the choreographer, costume designer and seamstress for the group’s performances. Of course, the ladies were invited for tea following their amazing dances and costume changes.

The menu included tea, scones, cookies, petit fours, finger sandwiches of assorted shapes and fillings, all of which were made by the wonderful ladies of Briar Creek. The newly painted clubhouse was artfully decorated and transformed into a tea parlor. Some of the guests created their own fascinators and donned afternoon tea dresses.

To add an flair of true elegance to the afternoon, the tea, brewed by our resident tea maker, Dave Doran; refreshments were ‘professionally’ served by a crew of butlers: Jeff Clark, Tommy Superfine-Rivera and Martin Shapiro.

A cup full of thanks to the decorators, set-up, prep, clean-up teams as well as to everyone who graciously loaned their personal tea cups and tea pots adding to the success this inaugural event. That’s right, we will do it again next year... perhaps a slightly modified theme.

(note: Two floral cup/saucer sets from Joe G are still missing. If you have seen them, please return to the clubhouse or to Joe directly)

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

SHUFFLEBOARD

Gene Arend

Our shuffleboard season is on the horizon. We will begin daily practice for those available October 3rd. Members will start practice at 11:30 AM until 1 PM each day Monday Through Friday. This will allow our players from last season to hone their skills for the start of our 18 week season beginning on November 12th on our home courts.

As always our teams are open to all residents of Briar Creek Phase I. If you are a beginner and wish to learn the sport, come see us and our experienced players will introduce you and teach you some beginning skills. The art of the game is best learned through playing the sport. The “B” team is typically the best starting point for new players who are matched against other players based on a win lose average, thus competing with like players with similar skills. The “B” team will play on Mondays when the season begins while the “A” teams is composed of

...continued on page 24

the more experienced players play on Wednesday.

This year I, Gene Arend, will step down as co-captain of the “A” team. The Pinellas Big Ten League has nominated me and I have been elected as the league President. So as to avoid any conflict of interest should there be rule changes or team event challenges it is best I pass on the team captain position. Our “B” Team Co-Captains will be Martin Shapiro and Don Hall. Our “A” Team Co-Captains will be Bob Barr and Everett Wardell. I have asked Don Hall to accept a promotion from ECOO (Executive Chief Oratorical Officer) to SECOO (Senior Executive Chief Oratorical Officer) and report the game results each week at the Coffee Social for both the “A” and “B” Teams.

This year we are also considering having the Saturday Shuffleboard team match competition similar to last years with a small change in the format. This will be presented later for an eventual start in Mid-January for 8 consecutive weeks. This is open to all Briar Creek Residents both Phase I & Phase II as this is not a Big Ten League sanctioned event therefore the current league rules allows us to invite all residents of both phases. As last year this is open to residents even if they are not a members of the Shuffleboard league teams.

BOWLING

Gene Arend

Our Bowling begins October 12th for 24 weeks with time off Thanksgiving week and Christmas week and ends April 5th. We bowl every Friday from 12 Noon to no later than 3 PM. This year we are in the need of some new bowlers to complete our league teams. Each year we have issues that prevent bowlers from returning, at least for the next season. We have all the names of the bowlers from last season what we are missing is **You.....**

Our league is open to all and we have some bowlers from other parks who join us. It is a senior league and we bowl more for the social and fun of the game then we do competitively. So your average or skill is nothing that prevents you from bowling with us. The object of the game is to roll a ball down the lanes and sometimes you will make contact with the pins at the other end. If you miss the first time you get another chance, in fact you get at least 2 chances for 10 frames. At the end if you had fun that is all we care about not your score.

If you have never bowled before, come join us anyway, we’ll still have fun. Cost is \$12 each week you bowl. It is our hope you will enjoy it and bowl most of the weeks. We understand, out of town guests (bring them along as pacers or cheer leaders), vacations, or other interruptions so some weeks you may not be able to join us.

Contact Gene Arend or e-mail me at garend@mybriarcreek.com. I will be out of communications from August 23rd to September 11th. But I will read my e-mail when I return and contact you.

FANNY THE FLAMINGO

Dave Doran

Fanny Flamingo: remember....when planning stuff to be done on your property, if in doubt always ask someone on the board, better to be sure than sorry!

Remember, all of what we do as a community is done because of volunteers; without people volunteering we would either not have certain functions or we would have to pay someone. We make it easy, there is a sheet on bulletin board you list your name and phone number and those looking to find some help can call you and make it win/win. Great way to meet people.

Going away? Make sure you call the sheriff's office at (727)582-6177, they will watch the place while you're away! They will want to know appropriate dates that you will be away.

Computer Virus

Gene Arend

When you are surfing the internet have you ever got that annoying screen that says Microsoft has found a virus on your computer and DO NOT TURN OFF YOUR COMPUTER or your computer will melt into a ball of plastic and all your files will be erased.

First there is no virus in your computer. This is a website that has placed a captive website on your computer with no means of escape. They will not let you exit out or close the website. It is an application that loops continually until you are exhausted and with no way out.

Don't turn off your computer, it's not necessary and this is a scam hoping you will call them; after they charge you \$100 or more you are no better off than when you started.

There is a way out with no harm. First, hold down these three keys at the same time, hold down the Ctrl, Alt and Delete key all at the same time (you'll need 3 fingers). A screen will appear that has several options of which "Task Manager" will be one of them. **Click on the "Task Manager"** this will list all the processes and application running on your computer.

The top item or one of the top ones will be Internet Explorer or whatever you are using to surf the internet. Click on that application and then on the bottom right corner will be a button "End Task". Click that once and the internet connection will be stopped and the annoying connection will go away.

When you return to the internet your computer will likely ask you if you want to restore the aborted website, the answer is: **NO**. You should now be safe to surf some more. If you don't have a Virus Protection program installed on your computer I strongly suggest you get one. McAfee one of the popular virus protections will allow you to protect from 3 – 5 devices for one price. Well worth the money. Another Virus protection is Norton. There are several out there, however I prefer McAfee. It protects my desktop and a laptop as well as my daughter's computer who lives in Dunedin.

I didn't say this but some people have been known to purchase McAfee and split the cost with a few neighbors and protect all their computers.

Cut and save the above helpful information...keep it near your computer . just in case!

Non-emergency police requests/reporting is 727-582-6200.

Inspection Procedures

Jeff Clarke

As volunteer inspectors evaluate the condition of your home, they're primary reference is the Annual Inspections* document. This guideline will then be used to fill out the Inspection Form*, if the inspectors should find any deficiencies with your property.

The inspectors will primarily be looking for:

- The overall cleanliness of your home's exterior,
- The condition of your landscaping (lawn, trees, shrubs and flowers),
- Wear and tear on your property,
- Excessive clutter that detracts from your property's appearance, and
- Areas that needed previous work (per last year's Inspection Form).

Once the inspection is completed, you'll receive one of two papers: the white copy of the Inspection Form noting areas that need attention, or the famous "smiley" coupon that tells you everything looks great (and that you're entitled to a free donut and coffee at the Social Club's Wednesday morning coffee hour). If you received the Inspection Form and have completed the necessary work, make sure you've signed it and returned it to the Director's Office within 30 days.

We're fully aware that the 30-day time frame doesn't work for everyone. If- for ANY reason- you can't complete the work within one month, please note it on the Inspection Form and return it to the Director's office as soon as possible. Tell us *why* you need the extra time, and a reasonable estimate of *when* the work will be completed. A re-inspection will then be performed on that new completion date. We have no problem with any resident that feels they need more time, but you *must* communicate this request to us, and keep us informed along the way.

The following is extremely important, and cannot be stressed enough: **EVERY Inspection Form MUST be returned to the Director's Office within 30 days of receipt, whether you have completed the work at that time or not.** I would suggest you keep a copy of the Inspection Form for your own records.

Next month's topic: The appeals process, and the Appeals Committee.

*If you're not familiar with these documents, you can obtain copies by downloading them from the Briar Creek website (under the Forms" tab), or you can write to me and I'll be happy to provide you with printed copies.

Phase II Bingo

Phase II Bingo will tentatively begin again on Monday, November 12, 2018. Marsha Bowlby has turned over the bingo reigns to Gloria and Jake Boettger and Diane Peacey. If you don't play bingo, perhaps you would like to volunteer to help, including to call the games, sell cards, work call backs, or helping with snacks at break time.

We are in the process of setting up the November and December schedule (from up North)! Our tentative bingo dates for those months include Mondays, November 12th, 19th and 26th and December 3rd, 10th, and 17th. Anyone who is willing to help with any of the tasks listed above, please email or call Diane Peacey at dgp296@charter.net or call 413-454-4793.

WE CANNOT CONFIRM THE DATES UNTIL WE HAVE ENOUGH VOLUNTEERS TO RUN THE GAMES!

So, please contact us to volunteer so we can get the Phase II Bingo back up and running! Remember that cards are sold from 5pm to 5:45pm and games start at 6pm. If you don't want to

...continued on page 34

stay for the entire evening, you can come and play the Early Birds... it takes about 20 minutes and its loads of fun!

Hope to see all of you on November 12, 2018 for our new Bingo season!

If you have any questions, you can call Diane Peacey at 413-454-4793 or Gloria Boettger at 727-420-8768. Diane will be working on the volunteer schedule.

Board Info

Tom Feeley

The roofing project concerning our clubhouse & garage is still ongoing. As of this writing on August 14 all of the mansard panels have been delivered with some panels having been installed on the structures. We are waiting on the flashing for the mansards as there is an issue with the fabrication. Therefore the project is held up at this time as the flashing is being fabricated. There is one other reason for the delay; the roofing contractor is currently finishing up a school roof in Tarpon Springs. The school project is the priority at this time due to the school year to start. FYI, access to the garage has been restricted. Any resident in need to borrow tools from the garage must call a board member and or the individual listed on the contact list that is located at the garage on the exterior wall by the overhead door.

Recently, some of our residents have had issues with their exterior circuit breaker panel boxes to include the circuit breakers within the box. The boxes were found pulling away from the structure with the breakers within the box old & corroded. The exterior circuit breakers generally are circuits to your Florida room, utility room and to the HVAC unit. Please play it safe and have your exterior electrical box & circuit breakers inspected by a licensed electrical contractor.

With the rainy season upon us, the lawn maintenance contractor might not be here on their scheduled day due to rain on that day and or during the week. During the rainy season, low areas on you property will become saturated. These areas should be flagged off so that the lawn equipment does not cause ruts in those areas when being cut. If you are at home at the time of the grass cutting, just ask the workers to trim the problem areas and or any other area you feel needs attention.

Again, I would like to recommend that all residents check their rain gutters for debris. Rain gutters to include the down spouts that contain debris is an invitation for various crawling insects to nest. If rain water cannot drain out and away from your structure, problems will develop. During the rainy season, concrete, bricks and pavers develop mold. These areas should be power washed as the mold not only takes away the beauty of your home, but is not healthy. Please be a good neighbor and keep you home clean, property free and clear of unnecessary storage & weeds.

Travel Club

Karen Johnson & Roz Lucas

And so it is September.....time to get serious about all the fun things the travel club has planned.

We are doing a trip to Weekie Wachee on September 11th. We will be carpooling up there so if you are willing to drive and have room for another person, please let us know. Also, if you would like to go and cannot drive we will try to fix everyone up. The cost is just \$13.00. Make your checks out to Weekie Wachee and give them to Karen. We will be stopping at Golden Coral for lunch on the way home. We need to leave here at 8:30am to be sure we are at the first show a 10:00. It will be a fun day.

On October 12th Marie, our Travel agent, will be coming to the club house to give you all the information you need to know about the upcoming cruises. Please join us at the clubhouse at 9:30 for the information and for donuts and coffee. If you have signed up for any of the cruises, Panama, Caribbean, or Cuba, you are welcome to come.

October 25th is our day trip to Silver Springs. It is a glass bottom boat ride, the Russel Stover candy factory, and lunch at a beautiful 5 star restaurant in Ocala. \$94.pp is the total price including the gratuities for our tour escort and bus driver. This is an old Florida attraction that has been updated and should not be missed! Get your checks in, made out to Advantage cruises, you can now also, if you prefer, call them with a credit card.

December 13 we will have a day trip to Bok Towers to take in all their beautiful Christmas gardens. \$84pp covers everything including lunch.

There is still time to sign up for the beautiful new Symphony of the Seas cruise from January 19-26th. This is the largest and newest Royal Caribbean ship. We have a lot of people going so it's going to be a fun time! Nassau, St. Thomas and St. Kitts are the ports of call. Call Advantage cruises and sign up. The prices for this cruise as all our cruises, include the taxes, transportation to the port and Travel insurance.

February 20-21 will find us on the Murder Mystery train, overnight in Ft. Meyers and the fisherman's village in Punta Gorda. This is \$279.pp and includes the train, dinner, hotel, and gratuities. The Fisherman's Village is a really nice spot. We were all there 2 years ago for our Christmas trip. Beautiful shops and lots of good restaurants to choose from.

In March we will be going to Charleston from the 18-21. We will be staying at the beautiful Holiday Inn Riverfront. A beautiful Tower on the river that looks out on the water from every angle. They have a lounge and restaurant on the top floor that is not to be missed! We will be going on a dinner cruise, a Plantation tour, a guided city tour and have a lot of free time to explore on our own. Price of \$679pp includes the bus, hotel, the tours, 2 dinners, 3 breakfasts and gratuities on all the above. And as always, it is a fully escorted tour from our pick-up to the drop-off at our club house.

Karen and I would like to ask you that even if you call Advantage directly to make a

Continued on page 38

reservation for anything, PLEASE still sign up at our travel board. That way we know exactly who is going and who we have to contact for anything.

We have a lot more things coming up and we will let you know as we finalize them. So you all have a good month and we will see you ON THE BUS!!,

Weeki Wachee Springs: Weeki Wachee

Sheena Lee

If you have been at Saturday morning coffee in the clubhouse recently, you will have heard our dedicated travel club organizers, Karen and Roz, talk about a trip to see the Weeki Wachee mermaids. The trip is now planned for September 11th and if the following description of the history of the mermaid show peeks your interest, the sign up list is up and waiting for your signature.

(This description was found in the book “Strange But True Florida” by Lynne Hall. *Wacky wonders and strange sights you won't see anywhere else*, one of the books recently donated to the BC2 library. The book was published back in 2005 so there will have been changes.)

Do you believe in mermaids? Yes, Virginia, they do exist. At least they do in Weeki Wachee Springs. Not only do they exist but they also treat visitors to intricate ballet performances daily in the world's only underwater spring theater.

One of Florida's natural wonders, Weeki Wachee Springs is a natural spring that discharges more than 64 million gallons of crystal-clear water daily into the Weeki Wachee River. Because of the proximity to the sea, the spring and river are filled with both fresh and saltwater fishes and sea animals, such as manatee, turtles and otters. And mermaids.

The underwater theater opened in 1947, the brainchild of former Navy frogman Newt Perry. Perry was the first to conceive the idea of “hose breathing,” staying underwater by breathing through an air hose supplied by an air compressor located above water.

Looking for a way to perfect his idea, Perry built a glass-walked theater sixteen feet below the surface of Weeki Wachee Springs, where he staged demonstrations of eating and drinking underwater. He also hired nubile young women to perform underwater ballets and synchronized swimming routines. Somewhere along the way came the idea to dress them as mermaids.

Weeki Wachee became internationally famous for its mermaids and soon tourists began streaming in. The 1960s saw lines of cars packed with tourists waiting to get in and take a gander at these otherworldly creatures. Eight shows a day, and still there were lines. Some of the mermaids are now allowed to interact with the visitors, an attraction popular with little girls and amorous dads.

Weeki Wachee Springs Park is found with the city limits of Weeki Wachee, one of the world's smallest cities. Established in 1966, the city has a population of nine. Its mayor is a former mermaid (Note: these data are as of 2005).

It isn't easy being a mermaid. Not only must the Weeki Wachee mermaids learn complicated underwater ballet moves, but they must also learn to do them holding their breath. And battling the spring's 12mph current.

Prospective mermaids must first audition, and if accepted, undergo rigorous training to learn to breathe from the long air hose and perform ballet moves while holding their breath. More than half of the mermaid trainees wash out before attaining the rank of full mermaid, which involves one year of on-the-job training. The final exam is a killer. It's held at the mouth of the spring, where the current is the strongest. Trainees must hold their breath for two-and-one-half minutes, while changing out of costume under the 72 degree water.

"A Friendly Message"

Ron Prevost, Bill Russo and Clark Woodard

Board members that have been away for all or part of the summer would like to thank those board members and residents that helped keep our community running smoothly throughout the summer months.

Just a reminder, in early October all home owners will receive a document from Progressive Management, it is important that you read and understand the information within. You will be asked for your interest in running for the Condo Board, please consider this carefully, we need home owners to volunteer to be on the Board and also help by volunteering for other positions within the community.

Board meetings are usually held the third Tuesday of the month. It is important that you attend these meetings to show support and get involved in our community.

Alterations

Jean Schmidt, Board Member

Thank you for your patience as we waited for enough Board Members to be here at Briar Creek to have Outside Alteration Requests reviewed and approved. Even volunteers (especially volunteers) need Vacations!!! Our suggestion box is on wall in hall by water fountain....Keep those suggestions coming!!!

Thanks, Jean

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined.
