BOARD BUSINESS and UP DATES

From the Desk of – John Pickering, President

Welcome to our March Media update. It's so hard to believe that many of our snowbird neighbor & friends are contemplating the need to head back north. Simply put, life in general is endless series of "Seasons", some of which we like better than others.

The upside of leaving Briar Creek for any reason is anticipating our eventual return. Turning off McMullen booth the first time back in Florida after a summer hiatus is a magical experience for many of us for sure. The beautiful trees, winding streets and beautiful well maintained homes just exudes a friendly "Welcome Back !"

That reminds me to thank each of you for cooperating with our tree trimming efforts, your positive response to suggestions documented by our hard working home inspection volunteers, and your constructive participation in our monthly Board meetings. All great examples of how positive Community energy helps enhance our quality of life here in BC.

By now you might be aware of several actions that your BOD has been addressing in a very pro-active fashion. All of the Board members are sensitive human beings, and I for one respond to positive observations from our Community much more eagerly than facing negative verbiage and sour attitudes that some individuals just can't seem to contain. My Grandmother reminded me as a youngster to "Treat others the way you'd like being treated yourself". Sure that sounds cliché, but.....

...continued on page 6

Closing summary for this Media installment: complaints are down, compliments for our Community volunteers is through the roof, our homes have never looked better, BC remains in significant demand by Seniors relocating to FL, social events continue to be well attended (yeah, the green beer helps doesn't it?) and lots of fun, our Social Club is vibrant and much appreciated, neighbors are continually helping neighbors, and laughter echoes through our beautiful clubhouse and pool area.

What a beautiful summary! What's not to like? It's no wonder that we all love living here.

Lawn Maintenance/Trees/Landscaping

John Pickering

Winter here in FL has been chilly for some and downright frigid for others depending upon who you ask. Lawns have begun growing again and we'll continue our bi-weekly visits from our lawn-care service providers during March. Four monthly visits will begin in April.

Dates to keep in mind for March look like **3/8 & 3/22**. Please continue to remove or protect rain downspouts, plastic skirting and personal lawn decorations.

Art Finn our Safety Harbor Arborist payed me a visit the second week of February to answer some questions for me as well as share some advice. Overall Art is very pleased with BC Phase I and how we're managing our trees and decorative foliage. Under his encouragement I have agreed to work with him on determining where in Phase I it makes sense to plant more trees.

We all know how passionate Safety Harbor is about trees in general, but Art's aware that many trees here in our Community are nearing their end of life status and he wants us to begin planting replacements sooner than later. I will be approaching specific homeowners whom Art feels have viable locations for new trees. Again, this represents a win-win for BC Phase I, the city of Safety Harbor and of course the health of the environment. Please stay tuned !

March mowing scheduled dates are **Fridays 8th and 22nd**.

Wednesday mornings (and we hope that your will), please turn off your phone or put it on vibrate; it is not only disrespectful but also distracting to hear phones ring during the meeting. Pauline Hoad, Membership Chairperson

At the December Social Club business meeting an amendment was passed that stated the memberships to the Social Club would be \$1.00 per person and would be available from February 1 to March 31, after which the contribution would be \$5.00 per person.

It is now time to purchase your 2019/20 Social Club membership. Your Social Club membership comes with lots of perks! One of them is the picnic in April (free for members).

If you wish to run for an office in the Social Club you must also have a current membership. If you participate in **any** activity at the clubhouse, from cards ...to line dancing ...to shuffleboard...to table tennis ...to bingo ...to crafts ...to our weekly coffee meeting ...to other special events, do the right thing and buy a membership to support your Social Club.

The cost for a year is \$1.00 February 1 to **March 31** ..that’s right folks, you read that right... **ONE DOLLAR** for a whole year. Join the line up to purchase on Wednesday morning before the price rise.

St. Patrick's Day Celebration

Mary Kay Brown

The annual St Patrick's Day celebration will be held on Sunday, March 17th, 2019. The parade will begin at 4:00 p.m. on conditions that the Fire Department in Safety Harbor is not on a call.

Dress up your car, motorcycle, bicycle, golf cart in green to join our parade! We need Kazoo players, and our line dancers. Parade entrants are asked to assemble at the BC Mart at 3:30 p.m. Bring water to prevent dehydration.

Social Hour will be from the end of the parade to 6:00 p.m.; snacks, green beer and wine will be provided.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

SAVE KRAZY KARDS!

Looking for NEW HOST/HOStESS

Krazy Kards has been great fun over the past years. Pauline and Gary Houd hosted and then Elaine Harsh, Mary Hought and Georgia Douglas took to the task. Now it has come to the time again where a search for Krazy Kard team leadership is underway. Everything you need to know fits into one carrying case. Serious inquiries, or Krazy ones, please contact Betty Chatigny, Elaine Harsh or Kathleen Cory.

Krazy Kards is easy, fun and a crazy way to spend an evening with friends and neighbors. This is the final reminder.....it appears that Krazy Kards will fade from the agenda ...

Dave Doran

As she flies over Briar Creek, Fanny admires all of the sparkling clean properties! By way of thanking everyone, she will not deposit any droppings on your drive way! Fanny conveys her appreciation to each homeowner for taking good care of your dwelling and property and prompt attention to correcting any and all issues and concerns. One of the main secrets to maintaining our great little corner of paradise and property values is the annual inspection process.

What’s Been Going On in the Creek?

There are many ways to volunteer to a worthy cause. Recently, Mike Benoit sat down for a haircut – in front of everyone attending Wednesday morning coffee! With casual clippers wielding the clippers! Mike had his long locks shaved down to his scalp! His decision also raised

\$244.45 for “Joe G’s” food pantry project. Way to go, guys!

COMPUTER TIPS for My BRIAR CREEK.com

Gene Arend

A few tips when using the Briar Creek mybriarcreek.com website. These tips may also be helpful on other sites as well. When you view the website and view various web pages, internet browsers will first download the information you will view, into temporary files on your electronic devices. On your personal computer these files will remain stored in file folders which the average user will have trouble locating. The browser will then display the files on your monitor. You are actually seeing the temporary files stored on your personal computer not the originals on the server website. When viewing the same web page multiple times those same files may not replace those in your internet caching folder. Subsequently you may be viewing old information that may have recently been replaced by the webmaster. If in doubt, while on the web page press the function key “F5” which will manually replace the files. For Mac/Apple: Apple + R or command + R

You will also find on the Briar Creek website we sometimes use necessary forms. Some of these are in an Adobe PDF (portable document format) which you can view. Most computers have the free Adobe software preloaded. A most recent version can be downloaded onto your personal device free by clicking the icon on our website. To complete the form, you can download the form by pointing your mouse pointer at the “click here to download” then pressing your right mouse button, click the “Save Target” and then save the PDF file into any folder on your PC. When you open the PDF on your PC, on the right hand side you will see a list of options. Some of the options requires you to OWN the full Adobe software. One option available on the free version is the “Fill & Sign” option. This will allow you to click on any line or box requiring information and display a text box you can use your keyboard and type in information. You can then either save the PDF form under a different name or on the lower portion of the screen a small icon is displayed which will allow you to print the form. DID YOU EVER WONDER

compilation by Gene Arend

History of Briar Creek by Howard Beeley – Installment 2 of 3

One stipulation Warren Hughes made was no mobile home unit could be painted white. He took our prospectus and made copies and he sent some to Tallahassee. He said he would know within a couple of weeks if they had approved it. He wrote a letter and told them what we wanted. Two weeks later he got an answer back. Good luck to us if we can do it, but they will stick by us. Then we said, “Now what are we going to do?” He said, “we’ll

follow a condominium program. The first thing you have to do is to get yourself a lawyer. Make sure it is someone who has nothing to do with contractors or builders. From there you can get a management company, one that can help you set up a budget. Then you have to find out everything that you have, like lawn service, sewerage, water, and you have to get contracts with all these people. Okay, so we had something to start with now.

The first thing we did was to call lawyers. We asked them if they ever did business with contractors or builders, and they all said sure. We all got a big kick out of telling lawyers we couldn't use them. Finally we got hold of one over in Dunedin. Jim Anderson. He was one of the Sons of a representative on a board that governs rental mobile home park, and he could have no dealings with contractors. We got Jim out of his office. Jim said the first thing you have to do is to get a management company.

We started interviewing management companies. Every one of them said the same thing. "What do you want?" We said, "We want you to tell us what you can do for us." But they kept saying the same thing, over and over. "Well you tell us what you want and maybe we can work with you." Then we found one, Beda Management. They came in and said, "Well, this is what we can do for you." That's what we wanted -- someone who could do something for us. They took things upon themselves. They had a controller who was going to check with City Hall to find out how much water, sewer, garbage pickup went up every year for the last five years in order to help make out a budget. They did all that for us. They got that all set up for us. They had contracts made up for us and everything.

Then we had to get a lawn service. We started fishing around, and finally got a lawn service. Then we had to get the electric company because if we had the electric lights in here, we needed a contract with them. We had contracts with everyone. We had water, sewerage, garbage pickup, fire protection, police protection, electric company.

We had everything all set up, but the insurance. Now none of us knew anything about insurance either. By now, it was getting close to 1981. It was in the fall that I went to Ed McEvoy and asked him if he could help us. He said, "I'll do the best I can." He went looking around insurance companies, and lo and behold, Ed did it. He found us an insurance company, got the coverage and everything we needed. That was all set. Then Warren called up and wanted to know when we wanted to take over. He said the first week of March. He said I can give you either the 3rd, 4th, 5th or 6th of March. He said, "Pick a date, so I can mark my calendar." I said how about March the 4th -- it comes on a Wednesday. He said "Fine". Of course, that was my birthday. That's why I can always remember the day we took over.

The day came when we took over. Warren was there with his manager on the stage. We had had an election in January, and Dot Ross, Ed McEvoy and Tom Smith went into office. Dot Ross was chairman. We had three on the board and Warren only had two. Our lawyer and their lawyer were also on the stage. Dot Ross and Warren. They were signing papers back and forth and back and forth. In the meantime, the contractors were waiting for it to be official that we owned the park. Finally, everything was set. In the meantime, we were thinking, gee when they

leave we won't have a full board. We took it upon ourselves to get Al Wetzel and Mel Ruwe to step in. They were there and knew what was going on. We briefed them. As soon as Warren and his manager Mike left, these two stepped in. They went in the back room for about five minutes. They came out.

Dot Ross was going to be the Chairman of the Board. Ed McEvoy was going to be the Treasurer, and (I believe) Al Wetzel was the Secretary. Everything went smooth. We were all happy because now WE OWNED THE PLACE' We had our own Board and everything was all set up. When they came back out, they signed all the contracts with these other companies. Everything was fine. We were a Board.

..... LOOK for part 3 in April...

Briar Creek Bugle Phase II – March 2019

(Pete Loranger-Editor Phone 421-2321)

(E-Mail: Pete316@Knology.net)

Board of Directors:

Bill Russo

Lakes and Lawns: Alexander's has set the schedule for lawn mowing for this spring. Lawns will be mowed March 8 and 22. In April they will begin mowing weekly and the grass begins to grow faster. The schedule has Alexander's mowing every Friday in April. This schedule is subject to change depending on the weather. Owners changing their landscaping will increase our lawn service costs, since sometimes the lawn service will need to use their weed whackers rather than the ride on lawn mower. That is why we ask you to fill out the form and check with our lawn committee prior to making any changes.

Clark Woodard

Bocce courts: The court has been recently updated and people are starting to use it. There will be a group meeting every Wednesday at 11 am and all are invited. Please see the separate article if you have any interest in joining. Stop by.

Exercise room: We have had problems with the air conditioners. Currently both air conditioners are working, however you need to be careful to turn the air conditioners on and off, don't change the temperature control. The temperature control is pre-set. We plan to purchase one new air conditioner in the spring.

Parking Area: The grass area near the shuffleboard court is being used at your convenience for overnight parking for guests. We must keep all vehicles off the streets during the night to allow ambulance and fire truck access through the community. It is important before using this

...continued on page 38

area to fill out a guest pass and place it on the dash of your car with the necessary information filled out. The guest passes are hanging on the wall in the clubhouse next to the secretary's office. This is needed so that if vehicles must be moved, the board has the contact information for the vehicle's owner. It is important that all vehicles be moved when the lawn is being mowed.

Mike Lucas

In regards to Service/ Support Animals, Briar Creek Mobile Home Community II, Inc, is committed to ensuring equal access for disabled residents. It is the Association's policy to permit Service and Support Animals as reasonable accommodations within the Community, in accordance with the Fair Housing Act. The Association requests all residents respect the rights of those who require Service or Support Animals.

In addition, for everyone's safety, please observe the 15 MPH speed limit, I continue to see vehicles that seem to be moving faster than 15 MPH. SLOW DOWN!!!! When walking, please do so facing traffic and wear clothing that is very visible. REMEMBER - All renovations and alterations outside your home must first be approved in writing, by the Board of Directors, before any work begins. Should you make an alteration or renovation without written approval, you may be required to remove it. Also, if you do get approval, be sure to follow to the letter what was approved, if you don't, if you alter the approved plan, you may be required to do it over. Please take some time to review our By-law Restrictions, if you can't find yours and need a copy let me know and I'll get them to you. Thank You !!

All recycling materials need to be clean before placing them out for pickup on Thu. The City of Safety Harbor has related that some recycling items are CONTAMINATED. Contaminated/ Unclean items should be put out for pick up with Monday's trash collection. Let's all do our part to ensure that the Recycling program remains intact. Thank You.

Ron Prevost

Home inspections in our community have been completed. We want to thank all the residents who have complied with our requests for clean-up. Several have notified us of scheduled maintenance and we appreciate your cooperation.

We want to again thank all of the volunteer inspectors who willingly gave their time to this cause.

Those of you who did not receive a notice, a big thank you for keeping your property in compliance with our community expectations.

Jean Schmidt

As of February 6, 2019, the Board of Directors has received a total of 10 outside alteration requests. 8 have been approved and are pending. 2 are still under review. I would like to thank submitters for working with me, Clark, and the rest of the Board. We are using a new request

form. It is similar to the old one, but with new information. We try to streamline the approval process for quicker responses to the requests. Briar Creek II is a beautiful neighborhood, let's keep it that way by following the most current Bylaws and Restrictions of our 55+ Deed Restricted Community.

Lawn Mowing Service

Bill Russo

On grass cutting day, residents are raking, blowing or piling leaves on the street. These leaves will not be vacuumed up by the lawn company's truck. The leaves must go into trash barrels and put out on Wednesday for pick up. Leaves placed in plastic bags will not be picked up on Wednesday.

Lawn Mowing for March is scheduled on the 8th and 22nd.

Travel Club

Karen Johnson & Roz Lucas

Happy March everyone! We have some new great things going on to tell you all about but let me start first with our March 9 trip to St. John's River. That trip will be leaving at 7am from our club house and we will have a parking problem because at 8am is our weekly coffee. So we are asking everyone that would have to drive to the clubhouse to please try and carpool or get someone to drop you off there. It will really help an already overcrowded situation. Thank you all so much!

We now have 2 new cruises to tell you about. On Dec. 2-6 we will be cruising on the beautiful Mariner of the Seas with our hosts, Dale and Marie Emmerich who are the owners of Advantage Cruises and Tours. All the information is on our bulletin board and there are plenty of flyers for you to pick up. \$186.00 pp deposit will hold space for you. Just call them and they will take care of you.

Our big trip next Spring will be a transatlantic cruise from Tampa to Barcelona. Our first stop will be a full day in Bermuda and at the end of the trip we will be staying overnight in Barcelona so we can tour this beautiful city. If you have never done a transatlantic before this will be a great opportunity. We will be going on the Rhapsody of the Seas right out of Tampa.

We will be having some more information on some summer fun and will let you all know about that in the next issue of the media. Again, Karen and I cant thank you enough for all your great support! See you all on the bus!

Blood Drive March 22, 2019

June VanWormer

To all of our great regulars and those who still wish to help, we are so appreciative of you all. We are having the final Blood One drive March 22, on a Friday (as usual) at Phase II parking lot. The times are longer now (just notified of this) from 8 AM to 1 PM. The Blood One rules have changed so they are now required to have a 5 hour session. It may help some of our prospective donors who are not able to come early. We did have a good drive in Jan. Hope to do one more this time. They now are wanting 10 units donated instead of 6. I am sure it is due to the longer hours. But we CAN do it. I will see you March 22 at the Phase II parking lot at the Big Red Bus. For more info call June at 726-0130. Those who have donated before are able to sign up on line. Thank you.

Sit, Stitch and Knit

Darlene Beyer

Remember that we meet every Monday @ 1:00pm - 3:00pm.

If you want to learn how to knit or crochet, come on down to Phase II clubhouse and join us. If you already have a project that you are working on, bring it and have the time to finish it. We gather from 1:00 to 3:00pm. A visit will let you see what everyone is working on.

Food Pantry

Joan Davis

On the third Saturday of each month, we collect what you have donated and deliver it to the Food Pantry that week.

We also collect and deliver for Mattie's Kids. Items for Mattie's kids must be individual portions. This is so that the children can pop a top and eat the item. Some examples could be the following: Pudding, Jello, Individual peanut butter, pouches of tuna, canned Vienna sausages, cheese-cracker packets, and individual fruit cups.

Please, **NO CANDY**, this is not good for the children. Also, PLEASE, NO out of date goods.

We collect and deliver year round to both places.

Thank you for your donations.

ANIMAL SHELTER

Jay & Sandy Watson

Please don't forget all the rescued animals in need of food. We have coupons available if you want one.

All of God's little critters need to be taken care of. They are so grateful for anything you can do for them.

Don't forget to adopt them too. You will be rewarded with so much love and loyalty! Our little Grayce brings so much joy to our home!

Just leave your donations on the table in front of the shed in our carport.

Thank you!

BCII PHONE TREE

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 150 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

- 1) Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
- 2) If they are not in that file, please send me you e-mail again so I can check it. Send it to BCIIphonetree@gmail.com.

When a message is sent out on the phone tree and you respond back, that comes to me, the phone tree. If you want to respond to the person who request the e-mail to be sent you need to contact them.
