BOARD BUSINESS and UP DATES

From the Desk of – John Pickering, President

Welcome to our May Media update. Many of us sense that summer is upon us as the temps and humidity continue to rise. Hurricane season must be just around the corner as well reminding me of the importance of preparing our property and personal outdoor belongings for the wind & rain that summer always promises us.

Our Open Forum meeting was well attended with 108 interested residents in attendance. I thank you all for sharing your ideas, concerns, suggestions as well as complements for those of us trying to keep Briar Creek such a wonderful community. For me personally, it was a heartwarming reminder of the caliber of people we enjoy as friends and neighbors. Attendees all handled themselves in a mature and respectful manner which I appreciated and thank you for.

The Sugar Bear construction project is well underway. Feedback from the folks at K&M is very positive and they appreciate the continuing cooperation from the affected neighborhood. Leadership overseeing the project is hopeful that an early completion date seems probable.

I want to thank everyone involved in making the Annual Picnic such a smashing success. What a great time again this year.

Your Board is still working very hard trying to wrap up a few lingering items before some of us snowbirds head north for a few months. The community will remain in good hands with

three of our year round members here to help you as required, and the rest of us are only a phone call or mouse click away. I will stay in touch in many ways including a word or two here in the Media.

Bye for now,
John

Lawn Maintenance/Trees/Landscaping

John Pickering

May 1st represents the threshold of transitioning from Alexander's over to TLC Landscaping for our annual lawn care efforts. Let's give the TLC team all the help we can as they get to know our neighborhoods and individual residential parcels. I'm sure we'll sense a learning curve as they tackle our vast canvas of property that we're all so proud of; TLC is a very professional company and they will master each challenge in a confident and friendly manner. Welcome to our world TLC.

Volunteerism remains alive and well here in BC 1 and I appreciate it when any of you step up to help in any way. It's especially gratifying when a new volunteer brings a passionate base of experience to the position. Many of us are aware of Annette Lemieux, 82 Chestnut Drive, and her proverbial "green thumb" every time we pass by the residence she shares with hubby Bob. As of this writing, Annette has embraced a position of support within our Lawn & Landscaping Team as she is now in charge of all of the floral plantings, beautiful beds, replacement tree advice and beautification of all of the common areas throughout Phase 1. Eventually I'd love to introduce her to the TLC landscaping team so she can help maintain or greenspace as well.

Welcome aboard Annette! Your 'green thumb' will undoubtedly generate many wonderful smiles as we enjoy the natural beauty that you'll unselfishly provide BC 1.

Again, great volunteers are a true blessing.

Secretary/Director

Connie Holmes

2019 Pool Resolution The Board of Directors of Briar Creek I had a meeting with our attorney, Ben Rabin; and this resolution is the combined effort our legal counsel and the BC1 BOD. Together, we have reviewed the concerns of our community in reference to the community pool. Historically, since our beginning, there have been children's hours at the BC1 pool. In an attempt to be reasonable to homeowners and guests, there have always been 3 hours each day for 'Adults Only'. As recently as January 2018 we expanded the pool hours by 2 hours each day, opening the pool 2 additional hours making the hours 8 am to 10 pm daily.

Out of these 14 hours each day, only 3 hours have been restricted as ‘Adults Only.’ Briar Creek 1 is an exempt community for 55+ residents. We have always tried to be reasonable in all our restrictions. Since the pool is open 14 hours daily, 11 hours are available for minors with adult supervision and 3 hours are ‘Adult Only’. In an effort to be reasonable to homeowners and guests, the following rules will be effective immediately, upon Board of Directors approval:

Pool hours are 8 a.m. to 10 p.m. (14 hours total)
1 p.m. to 4 p.m. (Adults only)

In an effort to be reasonable we have moved the Adult only hours to 1p.m. to 4 p.m. and are reinstating the holiday hours for Christmas and Easter weeks. The week before and the week following Christmas and Easter, the pool will be open 8 a.m. to 10 p.m. with NO adult only hours. Visiting minors with adult supervision will be entitled to swim anytime during the hours the pool is open. We believe this provides unrestricted swimming during the most common visitor time frame of the year. Effective 4/10/2019

Editor’s note: Pool Rules will be posted poolside soon and are available now on mybriarcreek.com

Director, Pool and Spa

Ralph Vitiello

The annual picnic is over; we all had a great time together! I want to thank each and every volunteer who played a part in organizing another successful event!

With the picnic behind us, we now need to focus our attention on the newly revised pool rules. If the new rules are not already posted poolside, they will be in the near future. I urge everyone to read them and understand them; a gentle reminder to all residents that we are NOT the Police. I’m reminding and asking the Community please do not confront each other. We do not want the Pool area to become a boxing ring!

If you witness something that is a blatant infraction of the rules, gather all relevant information including: name, date, and time of the infraction and call me. We will work together and handle the situation by following procedure. Let’s remember that we are a community of adults. We can solve differences peacefully without confrontation. Thank you for your cooperation and consideration.

Director, Architural Control/Annual Inspections

Jeff Clark

Annual Inspections

Inspections are an incredible undertaking, especially with all of the follow-up paperwork that's created this time of year. As I was thinking about the re-inspections I'll be doing throughout the summer, it dawned on me: why not spread the inspections out over the entire year? Frankly, it would be easier on the Inspection Committee if we turn it into a 12-month project. Therefore, I'm asking each resident to let me know which month they would prefer to have their home inspected. Many of you request a delayed inspection anyways (especially for home washing during the "pollen-heavy" months); now you can pick the month you want to do the work, and not have to request that delay every single year. Scheduling your work should also be easier, as we won't be trying to hire help all at the same time.

On most Wednesdays, you'll find Joanne Barr and myself at coffee hour with schedules where you can sign up for your inspection month. We'll be giving priority for January-April to our snowbird residents, as they need to schedule the work during the months they're here. In return for that priority, I will need some "early" snowbirds to schedule their inspections in October, November or December. I'm asking year-round residents to allow us some latitude for scheduling your inspections during the summer months, but that means you'll have 15 to 18 months before your next inspection.

This will be done on a first-come, first-served basis, so please get to coffee hour as soon as possible. Or you may notify me, but you **MUST** select at least two (2) months in which we can do your inspection. PLEASE: I will do this only by email or written notice dropped off at the Director's office (inside the Clubhouse): **NO PHONE CALLS**. Send your monthly choices to: jeff@mybriarcreek.com

Thanking you in advance for your cooperation,

Jeff Clark, Chairperson
Annual Inspection Committee

BC's Annual Picnic was a huge success to say the very least. Mother Nature bestowed some of her best weather for the afternoon filled with marvelous music, great games, delicious food, and fabulous folks. Everyone carried on like they should – kids at heart; it just doesn't get any better! Thanks to all who volunteered and helped put this together; we had a ball!

A Note of Thanks

Our resident leprechaun, **Art Finnegan**, has been organizing the annual St. Patrick Day parade for many, many years. The March 17, 2019 parade was the best ever!

Art sent his words of thanks via Pauline Hoad to a recent Wednesday morning coffee meeting. Pauline graciously read it and typed it (in Art's own words) for submission in this edition. A portion of Art's letter appears below...limited by space available. Art's entire thanks and recapturing of the parade are posted on the bulletin board for your pleasure.

"St. Pat's March 17, 2019 Art Finnegan

To All My Friends and Neighbors and Folks that I wanted to be my friends:

I wanted to do this thanking in person as in the past but I hope y'all (for Georgia) will understand it's hard for me and worse for Aldea in losing a house in New Hampshire and now a house in Briar Creek. We even dislike going back to Cypress Drive when necessary. I guess this will pass with time. But anyway, back to St. Pat's enough of this morbidity.

I was elated with all the perfection of St. Pat's Day as I relate to it;

Started on Saturday when Gary and Mike moved all the wine, canned beer and cups to the hall. Incidentally, in between all the process Ray Jablonski and I were sharing the BC credit card, provided by Gene Arend our treasurer. Thanks Gene.

Next was a meeting on Sunday at noon with Kenny B., Mike's Benoit's truck, Frank V and I to pick up 2 kegs of beer that they then brought to the BC Hall. I proceeded to Publix on McMullen Booth to pick up dry ice and ALL OUT! I had to call East Lake and they had some I brought to BC Hall to Frank V, Kenny B. and Gary H. for their action on tapping. Ray J and Mike B were in the kitchen doing food."

Entire message is posted on bulletin board.

Longtime Briar Creek resident, Maureen Dabeck of 87 Jacaranda, passed away on March 17, 2019. Services have been held.

Resident, Phachong "Dang: Klongkannarn, at 95 Jacaranda Drive, passed away Monday, April 8, 2019.

Services were held on April 13th.

The Briar Creek family offers sincere condolences to the families for their loss.

Because..... Some have asked about the reasoning for reservations for the Annual Picnic. This event, just as the Appreciation Night that we hold each year, is a free event for all members of the Social Club Phase I. This is the Social Clubs appreciation to its members who support the club during the year by donation for tickets to our events which helps support the treasury of the club and the many times our members volunteer to help make the events possible.

We moved the picnic from Phillippe Park to the clubhouse which more than doubled the attendance. I am sure the addition of entertainment has help bolster the attendance as well. Because it is a free event for members we ask guest or others from Phase II to donate \$5. We also ask you to register your selection of food and drink.

In the beginning not knowing how many would attend we over ordered food and drinks and wasted not only food but money. We tried a simple sign-up sheet but not everyone signed up. So we suffered making our chef make a mid-day run to purchase more food and drink.

The simple solution was to make reservations with tickets and this year issue wristbands, for those who registered. Thus saving money by not wasting or over cooking too much food. It all seemed to make sense to the person who has to do the shopping a few days before the Picnic. No one wants to get in line and hear we are all out. We advertise by voice, e-mail and monthly media information on the event and the registration and even have an online reservation form. Unfortunately there are some who don't hear or see.

Kitchen Supplies

Gene Arend

Terry Bjerne does her best to keep our supplies in the kitchen fully stocked. It is ideal to allow 5 – 7 days for the items to be re-stocked so if you see the supply's dwindling, please do not wait until the last one is used to reorder supplies.

We have placed an inventory list of the items we supply on the refrigerator in the kitchen. Please mark the items you need replenished. Terry typically will check that list once a week however if it is urgent, kindly mark down what is needed take the slip make the contact either by phone or e-mail; bear in mind it still will take several days to replenish. If something is not listed on the sheet and it is a reasonable request that meets the community needs let us know. We will order it or present the request to the Social Club Executive Committee for consideration.

Please help us help you with your needs.

Our final get together before October, 2019, we had Bon Worth show us their selection of clothes; a generous discount was also provided for any purchases. Thanks to all – members, guests and models - for participating and attending our gatherings while contributing to making our time together enjoyable.

If you have any suggestions regarding guest speakers or refreshments for the Fall/Winter schedule, please don't hesitate to call me. 'Till we are together again may you each be healthy, happy and enjoy each day.

Remember that 2019 Hurricane Season is fast approaching. If you are full time residents of Briar Creek, be prepared. Make plan to either evacuate or find a shelter. Keep the gas tank topped off; if you evacuate the area, gas may be difficult to find on your way outta town.

Please look out for your neighbors if they need help during a storm.

From the Nest of Freddy, the Flaming

Dave Doran

Freddy says, “Slow Down.” As I fly over the streets of Briar Creek I see far too many cars speeding through our quiet little village. The speed limits are here for a reason – to keep us safe! “I will be watching you.”

Freddy Flamingo wants to remind everyone; if a tree is removed from your lot, you are required to replace it. There are lots of smaller trees such as the three legged palm which add that “Florida look.” If you need suggestions for your replacement, check with John Pickering, he will be happy to help you make an appropriate selection. Be sure to obtain the approval from the Architecture committee, too.

Briar Creek Annual Picnic

Gene Arend

The picnic each year is always a big success and this year it didn’t disappoint. Each year the numbers have grown. This year we entertained 218 people who signed up. While I am sure there may have been a few who may not have been able to come, it sure seemed like we were bursting at the edges.

So many helpers made it all come together for a successful event; thanks to Al & Donna Hartin, Joann & Bob Barr. A special thanks to Bob, not only did he endure the hot kitchen for 3 hours but the day before he installed our new Ice Maker. Pam O’Neill and Jane Fedelem who served your Hot Dog & Burgers, Joe Daley for taking out the trash. Tony Alves and Dave Doran who coordinated the games, set up our Tents. Ray Jablonski, Kathy Wawrzniak, and Mary Kay Brown who were busy little bees making sure thing got done and cleaned up. If I missed someone I apologize. And I can’t forget my lovely wife who is always by my side supporting and helping with all the preparation, shopping and nurturing me when I collapse on my recliner. They say behind ever good man is a good woman, I am fortunate to have her behind me every step I take.

Next year it will likely be a success again. I’m sure the volunteers will be there again. I have enjoyed helping with the picnic over the past 15 years. Organizing and purchasing all the provision for the picnic is simple now I just have to follow my project plan. My body though is now telling me this is my last year and next year I will just sit and enjoy the day. What this means is there is one whole year for someone to step forward take over my project plan and take the torch. I hope that someone will raise their hand and take over the picnic and make it a success. I have a complete project plan for whomever wishes to take the lead. I will be here to consult whoever accepts the joy.

Briar Creek Bugle Phase II – May 2019

(Pete Loranger-Editor Phone 421-2321)

(E-Mail: Pete316@Knology.net)

Board of Directors:

Mike Lucas, President

Some reminders: overnight parking in the street is prohibited. Parking on the grass also is prohibited.

If it is necessary to park in the street during the day, do not park directly across from another vehicle, this is to insure emergency vehicles can pass.

If you have received a ' home inspection ' notice please rectify all noted deficiencies.

If you go out walking during low light times, please wear light colored clothing and carry a flashlight. Walk facing oncoming vehicles.

Do not exceed the phase II speed limit of 15mph. Several vehicles have been observed going way too fast.

In case of emergencies, everyone should have contact information posted somewhere in the home, maybe attached to the fridge.

Make sure all animals are on a leash outside the home, if it cannot be leashed it should be caged. Leaving them tied up outside unattended is not allowed.

Many residents have young visitors throughout the year, who like to use the pool. If you are in the pool when youngsters come to swim during kids hours, please make sure to give them plenty of room to enjoy the short time they have in the pool.

Tom Feeley, Vice President:

The board of directors wishes all of our seasonal residents that are leaving the area and heading back to their home up north a safe travel. For those home owners that are here on a year round basis, now is the time to begin preparing for the upcoming storm season. The retail stores are selling cases of bottled water at a reasonable price so please stock up. Also, check the operation of your flashlights, consider purchasing extra batteries. If you have a gas grill, check and see if the tank is in need of re-filling.

The board is still seeking quotes on the purchase of the clubhouse kitchen cabinets. We are working with some contractors and have received some estimates. As far as the countertop for the kitchen, we can only get a projected cost. This is due to the new floor cabinets not being in place. The contractors will only provide estimated prices until the new cabinets are installed so they can come and take their own measurements & templates. Then with the color and type (quartz or Formica) we select, we then can get a fixed price. The board would like to have the

...continued on page 34

kitchen remodel conducted this summer, during the off season when activities at the clubhouse are minimal.

The weekly Saturday coffee will be on, no change except that there will be a temporary donut & coffee area during the remodeling project. There will no issue with our resident's playing cards and other games at the time of the remodel project.

If you have received a notification from the house inspection committee and or our property management company concerning dirty/mold on bricks, pavers, house in need is washing, debris in rain gutters, please have those issues corrected.

Bill Russo

RV Park: There are very few communities where you can store your boat or recreational vehicle right on the property. In most communities you must pay a rental fee to store your vehicles and boats in a private facility. We are privileged to have an area in our park without additional fees. This area is only for recreational vehicles, boats and trailers. There are no items to be left outside such as motorbikes, tools, ladders, or storage containers. Everyone using this area must abide by the rules. If necessary, the board has the authority to amend the rules as necessary. At the present time, the cost associated with mowing and upkeep is shared by all residents. Please follow all the rules and regulations to avoid future charges.

Our new Lawn Service, TLC, will begin service on Tuesdays in May. Schedule will be posted soon.

Clark Woodard

Exercise room: The equipment has been adjusted and all equipment is running good. If you find any issues, please call me.

Fertilizers: There are certain types of fertilizers that shouldn't be used near the water. If you live on the pond do not use fertilizers which contain phosphorus. When it rains the phosphorus will run into the lakes and promote algae. The algae rob the lake of oxygen which the fish and aquatic life desperately need. If you recall, this is what happened to Dove Pond where we found a large number of dead fish and quite a smell. It takes just 1 pound of phosphorus fertilizer entering a pond to produce 500 pounds of algae. When purchasing fertilizer be careful to get a type that states it is non-phosphorus. Also, if you have a lawn company spray your lawn, be sure to ask them to please use a non-phosphorus fertilizer near the water.

The prices for the cruise include a night in Vancouver so when we get off the ship we will have plenty of time to sight- see this beautiful city. For everyone tired of cruising the Caribbean, this is the trip to be on. Call Advantage now and take advantage of the low prices before they go up. Ladies' Luncheon

Carol Smitley

The May 15th Luncheon is scheduled to be held at Daddy's Grill, 3682 Tampa Rd. Oldsmar. This is a favorite for many of our residents of Briar Creek. I know that most of our snow birds have headed up north so it is up to our year round ladies to hold down the fort. Phase I and Phase II ladies and guests are always welcomed. The sign-up sheet is in the hallway, Phase II. Reservations will be turned in the Monday before the luncheon. If for some reason you signed up but you can't make it please give Dottie Frederich a call. Remember, it is at 1:00.

Briarettes'

Betty Hudd

With our final get together before Oct. we had Bon Worth show us their selection of clothes with their generous discounts towards any purchases. Our models Nancy Blanchard, June VanWormer, Sharon Cann, Georgia Douglas, Marie Richardson and myself did a fine job adding to our fun and a possible career on the runway. Thanks to all for participating in our gatherings from members, guest to models for making our time together enjoyable. If you have any suggestions on guest speakers to refreshments please don't hesitate to call me. Til we are once again together continue to remain healthy and enjoy life.

BINGO

Gloria Boettger

As our Bingo is coming to end on April 29th for this season, I hope everyone had a great time and got to meet some new people. We will begin again the beginning of November and I look forward to another season bringing you fun games and snacks. I have enjoyed running Bingo this year because of the tremendous help from Marsha Bowlby and Pete Loranger making the transition go smoothly. We had some great volunteers this year, which made my job a lot easier and I sincerely hope they will all be back next season to keep our Bingo night a success.

See you in November!

BCII PHONE TREE

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 150 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

- 1) Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
- 2) If they are not in that file, please send me you e-mail again so I can check it. Send it to BCIIphonetree@gmail.com.

When a message is sent out on the phone tree and you respond back, that comes to me, the phone tree. If you want to respond to the person who requested the e-mail to be sent you need to contact them.

BEREAVEMENT

Judith Holden

Please inform me of the passing of any past or present Residents of Briar Creek II. Until I have official information, I am unable to follow the wishes of the family regarding any services, posting of addresses, name on the outside board, the flag lowering, etc.

Monthly

Better Hearing and Speech Month. The American Speech-Language-Hearing Association uses this month to raise public awareness of communication disorders and the treatments and strategies necessary to overcome them. The 2019 theme is “Communication Across the Lifespan.” To learn more, visit <https://www.asha.org/bhsm/>

Clean Air Month. The quality of the air we breathe affects our general health, well-being, and ability to function daily. Are there hidden toxics lurking in your home, community, or workplace? If so, what can be done about it? Visit the American Lung Association website to learn more and read its annual State of the Air report.

Gardening for Wildlife Month. If you’re planting a garden this year, make sure to include plenty of native flora. Restore the balance of nature by creating a thriving ecosystem that will attract and sustain insects, birds, and other animals. Locate resources and other ideas on the National Wildlife Federation website.

Get Caught Reading Month. Librarians, teachers, and other advocates will take up the charge launched by the Association of American Publishers 30 years ago. Read for pleasure, read for fun, read to your children, and encourage them to read and grow intellectually and linguistically. If you’re going to get caught doing something this month, let it be reading.

Weekly

National Hurricane Preparedness Week, May 11–19. Hurricane season typically runs July through October, but it’s not too early to plan for disaster if you live in an area where these storms are common. Visit the Department of Homeland Security at <https://www.ready.gov/hurricane-toolkit> for safety tips and tools, and bookmark the National Weather service site at <https://www.weather.gov/wrn/hurricanepreparedness> for even more information.

National Women’s Health Week, May 12–18. Women’s health needs change as they age. Visit <https://www.womenshealth.gov/nwhw/to> take a quiz, get your health score, and find out where to focus your efforts to maintain your optimal health.

National Bike to Work Week, May 13–19. Who needs cars, buses, and trains? If you have the wheels and a safe and manageable route to your workplace, pedal it out. It’s great exercise that will get you pumped up at the start of your workday and help you wind down in the evening. It benefits the environment, too. Go to <https://bikeleague.org/> for more information.

National African Violet Week, May 26–June 2. Serious gardeners take note: If you want to learn more about growing, caring for, and showing these beauties, pack your bags and get to Houston, where the African Violet Society of America will host its 73rd annual convention and exhibition. “Violet Fun in the Texas Sun” is the theme for this year’s event.
