We are very happy to welcome Sharon and appreciate her assistance handling our common area landscaping.

*RE: PROXIES FOR ANNUAL MEETING - DECEMBER 7, 2015*

---

**Y**ou will be receiving in the mail from Progressive Management your General/Limited Proxy. It is important that all owners submit their Proxy for our Annual Meeting scheduled for 10:00 AM, Monday December 7, 2015. Your completed SIGNED Proxy ensures the Board of Directors will be allowed to conduct business during 2016. Unsigned proxies will not be counted.

Be sure you vote for each issue as explained in the Proxy. A quorum of owners (159 of 317) is required to pass the listed issues. Only one Proxy is valid per property. If you own two properties, submit a proxy for each one. Please show your Unit Number, then date and SIGN your Proxy before submitting. The signature must be any owner on the title. If you change, or have changed the title or mailing address since purchasing, you need to let Progressive Management know.

You must submit your Proxy prior to 10:00 AM on December 7, 2015.

### **There are several ways to submit your Proxy:**

1. Drop in mail slot at Clubhouse Directors Office; or
2. Give to Jo Ann Barr any time, or drop off at 106 Cedar Elm Dr, put in black mail box at back door; or
3. Mail to Progressive Management.

It is recommended that your Proxy be dropped at the Directors Office or given to Jo Ann Barr. Mailing slows the tally process. Early submission insures there are enough proxies received to conduct business during the 2016 year.

If you have any questions or need to know your Unit Number, please call Jo Ann Barr (727-669-3820). Thanks for your help.

### **PLEASE NOTE:**

Extra copies of the Proxy voting page will be available. Progressive Management mails your Proxy to the address they have on record for you.

Dear neighbors our monthly good neighbor stories. I am very pleased to say that one of our neighbors sent me the following story:

I finally remembered to tell you the story of some amazing neighbors. John Wilson is the main one I have discovered who takes my garbage can back to my shed. I suspect other neighbors: Ethel, Bill or Dawn have also taken back my recycle bin and yard waste can from the street to my shed. :) One Sunday afternoon I came home to discover that Dave and Violet Shaughnessy worked for hours clearing away the overgrown foliage by the edge of the ravine over the creek. They gave me a water view for which I am so grateful!!! Debbie

Another neighbor saw a damsel in distress in the rain this week and offered her an umbrella. An act of kindness that was very much appreciated.

Remember the saying, “We get by with a little help from our friends.” What story can you tell about your “wonderful day in the neighborhood?”

We want your suggestions. Tell us, write in the suggestion box, and send emails. My email address is lme@iquest.net

## Event Feedback

---

**B**ob Brown and Bob Tompas were the chefs for our 4th of July gala at the Clubhouse. Hamburgers, cheeseburgers and hot dogs were prepared on the grill, and the tables were filled with delicious side dishes, as well as outstanding desserts, provided by our residents! Crisp watermelon, chilled and sliced, awaited hungry diners, most of whom couldn't wait to partake of the treat.

Jean Richter, Elaine Harsh, Alice Tompas and Terry Henry decorated the tables, which were covered with patriotic tablecloths, added sparkling decorations, and prepared the food service

tables. CDs were provided by Barbara Poss, and Jean Richter performed a short song segment to the amusement of the attendees, especially those of us who were drinking special "senior" drinks.

All in all, it was a fun celebration and reminded us that this 4th of July was the 239th anniversary of the founding of the United States of America. Thanks to everyone who helped with the cleanup, including Jean Richter, Jerry Richter, Linda Miller, and others who pitched in to lend a hand, and, again, we thank our special hostesses, Jean and Elaine!

## NEW MONTHLY FEATURE

---

As you read in last month's issue, August is the first month to "spotlight" a Briar Creek Phase 1 resident.

Our very first **"spotlight celebrity"** is **Phil Houpt!** Phil and his wife, Mary, live at 89 Cedar Elm. They moved here in December 2013, their second time in Briar Creek. Interestingly, Phil and Mary lived in Briar Creek in the past, also on Cedar Elm. Like many others who live in Briar Creek, they discovered our park by simply driving through the area. The first house they bought was at 78 Cedar Elm, and in 2001, the Houpts sold their home to John and Clare Hull, and moved to Arizona. After five or so years in Arizona, even with lots of

exciting pastimes, mountain hiking, walking and sightseeing, they missed their family ties, and decided to move back to Florida.

Phil was born in southern Indiana, in the small town of Farmersburg, population around 350. His parents, like many who lived in that area of the Midwest, worked the land. They grew corn, winter wheat and soybeans.

When Phil was still in early school, the family moved to a suburban area of Indianapolis, to a town called Speedway City. Anyone who is familiar with the Indianapolis 500 races might recognize that name. From his home, Phil could actually hear the roar of racing vehicles during races; in those days, the racing was limited to one a year, but there was activity present year-round, so it doesn't take much imagination to realize what an exciting attraction race cars would have for a young boy.

Phil had two older brothers; all three boys were enthusiastic sportsmen. Baseball, basketball, and football were just three of the high school sports in which they excelled. He also had a sister, who sadly passed away at an early age due to illness.

After high school and college graduation, Phil entered the working world to become a pharmaceutical salesman in the San Francisco area. Unfortunately the company headquarters was completely destroyed during the Northridge earthquake, so Phil moved onward and upward, and took a position with the Grainger Company, a manufacturer of machines and machine parts.

Phil was a single father with three children for a dozen years, well before he and Mary met and married. He focused his efforts on raising his children (similar to circumstances experienced by many single mothers), earned a living, and gave the children a stable, happy home environment in order to start off their adult years. The children flourished under Phil's careful nurturing, and he laughed when he mentioned his children proudly presenting him with his very first "Mother's Day" card. When he got the card, he realized just how much he was appreciated by his kids!

Thirty-plus years ago, Phil met Mary, a single lady with two children, and fell in love. With his three children and her two, they tied the knot and blended their family; a wonderful love story! Mary is a native Floridian, and with Phil having lived in Florida off and on for about 50 years, the Houpts make a great southern couple.

Now in his retirement years, Phil hasn't slowed down too much. He, with Mary's assistance, recharged the Euchre Club with his enthusiastic leadership. Euchre is a game that was a part of his family upbringing which filled many happy evening hours.

Both Phil and his wife volunteer at Mease Countryside Hospital on a regular basis; Phil drives a Care Lift vehicle and Mary acts as his aide, a requirement for all drivers. All in all, Phil has spent about eight (8) years as a hospital volunteer.

Phil is an valuable asset to our community and typifies the kind of person who adds to the pleasure of living in Briar Creek. We salute Phil Hout, our very first "In the Spotlight" celebrity!

## Briar Belles Luncheon

---

On Monday, July 13, 2015, the Briar Belles met at P.F. Chang's Restaurant in the Countryside Mall. Many Briar Creek Phase 1 residents, including guests, attended our luncheon, and it was an enjoyable time to eat, drink and share stories about the Briar Creek happenings, as well as upcoming events, past activities, as well as other subjects.

Joan Bienvenue is the organizer of our luncheons and we enjoy her expertise in selecting eating places that can accommodate a large (and sometimes noisy) group. We do always have fun!

Below are a few pictures taken at our latest outing. If someone has a suggestion for an eating establishment that might be of interest for a future get-together, please give Joan a call. I'm sure she would appreciate your input. And, for the record, keep an eye on the clubhouse bulletin board for the next Briar Belles luncheon schedule.

## Cardio Classes

**C**ardio classes are held every Tuesday at 9:00AM in the Phase 1 clubhouse. If you belong to the Silver Sneakers organization, there is no charge for this exercise class. If not, don't despair; for only \$3 a session, you can join the class. The class is open to both Phase 1 and Phase 2.

Wear a tee-shirt and shorts, all necessary equipment is provided, and the classes are geared toward cardio improvement. None of the exercises are difficult, and with enthusiastic people and invigorating music, the hour of activity seems to fly by. Contact Joan Bienvenue at 724-8561 if you have questions.

Pictured below are three class attendees. As you can see, "exercise can be fun." Humor should be part of our life, since laughter releases endorphins which makes us feel better. As an example, some studies have suggested that laughter can boost the body's immune system, helping to fight off deadly diseases. Other studies have shown that laughter can help reduce inflammatory compounds that lead to inflammation in older adults, which plays an important role in the progression of many deadly diseases, such as arthritis and cancer.

## Betty's Household Hints

**M**aybe it's time to start downsizing and get rid of things you really don't need. Here's a short list for starters:

**Unused hangers.** How many do you have? Maybe a lot more than you need. Take a deep breath and get rid of the ones you don't need. Besides the wire ones (that the dry-cleaners use) usually leave dents in your clothes. Before you get rid of the extras, check with your dry cleaners; maybe they would like them returned.

**Mail you've read.** If it's financial information that you don't need to keep, and you can find it on line, it's time to go. Or if it's a letter from a friend, do you plan to ever read it a second time? Again, take a deep breath, shred the personal information, and put the rest in the recycle bins. And, remember, if you need more than one green recycle bin, you can call Safety Harbor, and the refuse people will personally deliver an extra one to your address.

**Plastic forks, knives and spoons.** It seems with every carryout order, there are clear little bags that contain plastic utensils, napkins, and sometimes condiments, that come with the food. Then, if you're like me, you SAVE those utensils. Hey, maybe you'll need them some day. Well, I never have needed them, and if you're in the same boat as I am, now's the time to toss them.

**Magazines and catalogs.** Oh, they look so pretty. Plus, they have so many wonderful recipes that you are going to try ... some day. I don't want to disillusion you, but usually "some day" never comes. So, bite the bullet, and take your extra magazines and recycle them. If you don't want to get rid of them by discarding them, give some thought to dropping them off at an assisted living facility, rest home, or even your doctor's office.

**Ziploc® and/or Rubbermaid® plastic dishes/bowls/containers with no lids.** Let's face it, we're never going to find the right lid. And, if by chance, we do, then we can't locate the container it fits. Simplify your life and go through your plastic ware and match up the "fits" and "don't fits." Then look at the ones who look so lonely without a mate and toss them in the recycle bin. Believe me, you won't miss them!

**Half-used makeup and/or nail polish.** I've heard that any makeup that's over a year old should be tossed. I'm not certain of the rationale, but this might be a good time to go through your makeup drawer or storage area and eliminate what cosmetics you don't use any longer. If there's just a dab that you might use, maybe you should tell it adios.

**Extra coffee cups, mugs and drinking glasses.** We've all been recipients of gift-givers on special occasions with a cute coffee mug, or we've picked up one during our travels as a souvenir. If you don't "love" (or use) your drinking items, it might be time for a trip to our Briar Creek store with all those "extras." They do take up cupboard space, and if you don't use them, maybe someone else can!

## Interesting Facts about August

---

✓The birthstones for August are the peridot and the sardonyz. (See below for more information on these birthstones.)

✓The zodiac signs for August are Leo (July 23 - August 22) and Virgo (August 23 - September 22)

✓The birth flowers for August are the gladiolus and the poppy.

✓National Family Fun Month

✓National Peach Month

✓National Golf Month

✓National Picnic Month

***Peridot*** is said to host magical powers and healing properties to protect against nightmares and to bring the wearer power, influence, and a wonderful year. As peridot is a gemstone that forms deep inside the Earth and brought to the surface by volcanoes, in Hawaii, peridot symbolizes the tears of Pele, the goddess of fire and volcanoes.

***Sardonyz*** is a form of onyx and is recognized by its layers of reddish brown and white banding. It was popular with the ancient Greeks and Romans who carried into battle talismans of sardonyz engraved with images of heroes such as Mars or Hercules, believing that this would bring courage and victory.

## Ladies' Luncheon

Hildie Meyer

---

**O**ur Luncheon attendance has been surprisingly above average, considering the approaching summer vacation season, and it would be great to see this same attendance in the next few months.

This month on August 19, we will be going to Poblano Mexican Grill & Bar, located at the intersection of McMullen-Booth and Enterprise Road, Clw. The asterisk on the menu denotes my favorite dish, although there are several others that are absolutely delicious; in fact, most of them are. I might also add that the food is never spicey or "hot". The hot sauce is always on the table, and each person may add (or not) any amount of that she wishes. A subject I have promised to mention: over the last several months, a number of restaurant managers have discussed with me the early arrival of our Ladies group, and have asked me to please request that you not arrive until a time closer to 1 o'clock, our standard reservation hour. They have been very diplomatic and gracious in their request, and welcome our business, while pointing out that they cannot accommodate us if we arrive so early, as the tables are frequently not all set up until almost the last minute. I do hope that we can come to some sort of compromise in this matter. Thanks loads.

### GREY SKIES

Grey is the sky  
With clouds amassing  
Changing shapes  
As they are passing

Trees asway  
With gusts of wind  
Stillness abounds  
As the sun rescinds

Silently egrets  
Flying by  
As I watch  
The evening sky

# CONDO BOARD

---

## **Reminders**

Tree trimming reminder: It is each owner's responsibility to be sure any trees over-hanging the roads are trimmed to a height of 15 feet. Keep in mind, when it rains, the branches hang very low, therefore needing the 15 foot clearance. The FIRE TRUCKS AND GARBAGE TRUCKS require this clearance as well as other tall vehicles. Please check your trees!!!! Thank you.

## **REMINDER TO PET OWNERS**

It has been noted that some pet owners have not been picking up after their pet. Please be advised that it is your responsibility to clean up after your pet. Also, do not walk your pet in the non-pet section. Other regulations are included in your documents....please review them.

Thank you for your cooperation.

## **SPEED LIMIT**

Remember, the speed limit in Phase II is 15 miles per hour , yes this means YOU, GUESTS, VISITORS. This is a serious issue and needs all our attention. New Speed Limit signs are being installed to remind us all. Also, a new stop sign at the corner of Cottagewood and BC Blvd has been installed.

## **REMINDER**

There are Garbage Trucks, Fire Trucks and Ambulances that need to use our streets. DO NOT Park on the opposite side of the street if you see cars parked on the other side of the street. Park on the same side as they are parked. It allows the big trucks to have room to get down the street.

## **ALTERATIONS/RENOVATIONS:**

If you are making changes to the exterior of your property, you are required to complete a Alteration/Renovation Form for approval by the Board of directors. The forms to be completed are outside the Condo Office in the Clubhouse. Please date the form, filling in your name and address and a detailed description of the change. You will also be required to include the name of the Company doing the work and their License number. Submit the completed form to the President of the Board.

DO NOT do any work until the form is approved by the Board and you receive a letter stating the approval. Give yourself enough time for the project as it has to be brought before the Board at the next Board Meeting. Between May and August, there are no Board Meetings, however, the procedure is the same - complete the form and submit to President - four(4) Board Members have to sign off on the form before any work is to begin. Again, give yourself enough time for the change as four(4) members may not be readily available. Once you receive the letter of approval, you may start the work.

Also, be advised, any work requiring a permit from the City/County will not be approved until the permit is attached to the Alteration/Renovation Form. For example, removing trees, pouring concrete to widen driveways or make walkways.
