Association Contractors

Gene Arend

A discussion and disagreement on the time to engage a contractor for repair or maintenance of Briar Creek Common Elements arose at the Board of Directors meeting on January 6th. Some are of the opinion the Board can engage a contractor within 24 hours to commence on repairs or maintenance. While an individual home owner can obtain service immediately and maybe in some cases in one or two days the Board does not have the ability to operate in that time frame. The Association is a Florida Corporation under Florida statute 718. Prior to accepting a contractor the Association must first receive a Certification of Liability Insurance. This can take several days or more for the contractor's insurance agent to provide the document. Once received the board must meet with a quorum, four or more directors, and agree to accept the contractor and proposal. Florida statute 718 requires a notice be posted 72 hour prior to the meeting. An emergency or special meeting of the board under Roberts Rules of Order page 91 lines 30-31 states *"A special meeting (or called meeting) is a separate session of a society held at a time different from that of any regular meeting, and convened only to consider one or more items of business specified in the call of the meeting. Notice of the time, place, and purpose of the meeting, clearly and specifically describing the subject matter of the motions or items of business to be brought up, must be sent to all members a reasonable number of days in advance."* The board is bound by these conditions therefore engaging a contract or contractor can take in most cases a week or more. It is sometimes more prudent to deal with the current contractor to complete a task and then later consider options for replacement of the contractor when time is at the board's advantage. The board does not have in many cases the luxury of speedy results. Sometimes you must work with what you have and later determine if another contractor is in the best interest of the Association.

Inspections

Gene Arend

The Board of Directors began the Annual property inspections approximately January 11th, South of Briar Creek Boulevard; and, in February, North of Briar Creek Boulevard, Shady Oak, Live Oak, Magnolia and Dogwood. There will be a sign-up sheet on the director's board, or e-mail me at garend@mybriarcreek.com or call 727-725-5844. I will not perform the inspection; however I will supervise the inspections and act as an appeal process, if you disagree with an inspector's opinion. If there is no resolution after the appeal, then you can petition a three-member panel of the Board of Directors who will make a final decision. The inspectors will inspect the entire property with emphasis on curb or street appeal.

Are You Wondering What to do with your Old Hearing Aid?

The Starkey Hearing Foundation donates hearing aids to people internationally. Every year thousands of hearing aids are donated to our recycling program from people looking to help. Those hearing aids can open up the world of sound to someone in need. Many of the hearing aids used on international hearing missions come from the recycling program, making hearing aid donations vital to the success of the Foundation. The journey from donation to the hearing mission field is an absolute labor of love.

To donate your hearing devices, follow the simple steps below to donate your hearing devices and change someone's life today.

1. Place the hearing aid in a crush-proof box, old pill bottle or other secure packaging.
2. Mail to: **Starkey Hearing Foundation, ATTN: Hearing Aid Recycling, 6700**

Washington Avenue South, Eden Prairie, MN 55344

3. Please include your name and address where you would like a donation receipt sent.

For more information about the Starkey Hearing Foundation, contact them at: recycling@starkeyfoundation.org, or call (800) 328-8602

PLEASE Don't Do It!

Feeding wildlife is generally discouraged and, in some cases, *illegal*. In Florida, it is illegal to feed manatees, sand hill cranes, bears, raccoons, foxes, and alligators. Intentionally placing food or garbage, allowing the placement of food or garbage, or offering food or garbage in such a manner that it attracts certain species is not only a public nuisance, but it is prohibited by law.

Feeding certain animal and bird species is prohibited because it can negatively alter feeding behavior in some species and can cause them to become accustomed to people. In other words, feeding wildlife often has a detrimental rather than a helpful effect. Feeding animals may cause some species to concentrate so much on this supplemental feeding that they become a nuisance or a threat to people.

Even though you may think you're doing a favor to wild birds and animals, you are more likely giving them a death sentence. If you're feeding wildlife on a regular basis, please don't. Animals are happier when they forage for their own food. Besides making them self-sufficient, it's much better for their health. A diet of hot dogs, breads, snack foods, etc., are not conducive to healthy wildlife and poor nutrition can spread disease. The animals will thank you! Plus, you won't have to worry about being cited and/or fined by a Florida conservation life officer.

Wednesday Meetings

Every Wednesday morning, there is a coffee meeting for all Phase 1 residents, (plus their visitors). Coffee and pastries are available for purchase at 8:30AM. The "official" meeting starts at 9:30AM.

Social Club

Dave Doran

No volunteers for Social Club President or Vice President have come forward, anyone who is interested or may know of someone interested, please call me on my cell at 585-329-3827 or see me at coffee hour.

We are going to plan a Social Club Workshop, date will be announced at coffee hour and posted in the Clubhouse. It will provide us with a venue to listen to ideas, answer questions, and hopefully announce a nomination for President and Vice President. As we change as a community we need to look for new ways of doing allot of things, improving on what we have and introducing new ideas. Please, this will be you chance to speak up. Voting then will be done at the last Social Club meeting for 2015-16 terms in February.

2015 Christmas Party

Betty Chatigny

Our festive December 19th Christmas Party started off with a heart-warming round of holiday songs, people visiting, laughing and sharing snacks. Connie and Dave Holmes were our hosts for the evening, and handled the crowd with skill and finesse. This was the first event that the Holmes duo hosted, and everything went smoothly and efficiently.

The food was arranged for and prepared by Elaine Harsh with assistance by Mary Houpt; Mary Kay McBride provided the chicken sandwiches. There were delicious snacks arranged on each table, as well as on the serving tables.

Billowing iridescent red, green, and silver stripe metallic bows, centered with a flittering red Christmas ornament, and illuminated with tiny twinkling lights, highlighted each red-covered table. The food tables were decorated with green garlands and tiny tea lights. Kathleen Cory was the decorative designer -- assisted by Betty Chatigny and Mary Ann Green.

Entertainment for the evening was provided by Alexander Longrifle and his accompanist. After the Christmas carols were over, Alexander started into the dance component of the celebration, and the floor was filled for the rest of the evening with happy dancers. Door prizes were won by Ray Jablonski, Brenda Maybee, Joe Casola, and Al Bombardier, and our 50/50 drawing winner was Bob Foor, a visitor from Ohio.

At the end of the party, it seemed like magic to wrap up the night because everyone pitched in, cleaned up, straightened up, picked up, and swept up, and before long, the clubhouse was back in pristine condition. Thanks to everyone who helped make our 2015 Christmas such a pleasurable occasion.

2015-16 New Year's Eve Dance

Betty Chatigny

As 2015 was winding down, the party-goers filled up the clubhouse. Decorated in black and gold, there were golden balloons, black table covers trimmed with gold brocade ribbons, horns, tiaras, and hats. DJ Jay Peay's music started right at the stroke of nine and the evening went by with food, dancing, laughter and sharing memories of the past year. Our 50/50 drawing was held prior to midnight, and congratulations to our lucky winner --Lorraine Moore!

As midnight neared, most of our eyes were drawn toward the TV to watch the ball drop down in New York City's Times Square. After a few rounds of *Auld Lang Syne*, the partying wound down, with some reaffirming their New Year's resolutions from dieting to more exercise in the coming new year.

Thanks to everyone who helped with this event, especially our host and hostess couple, Jim and Sis Piro. The decorations were designed, created and implemented by Kathleen Cory, the menu was planned, prepared and replenished throughout the evening by Elaine Harsh, with pre-serving help from Carolyn Jablonski, Mary Houpt and Pat Arend. Again, when the evening concluded, almost everyone in attendance did their share with the clean-up, so things were back to the normal in what seemed like a few minutes. People who helped with the "set up" for the night, as well as the evening "clean up" were Flo Bombardier, Pat Bourdon, Joe Guazzerotti, Don Hall, Ray Jablonski (the balloon guy), Everett Wardell, and Geri Wardell, as well as those not mentioned, who stepped up to lend a helping hand. We appreciate everyone's assistance!

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Buying Social Club Event Tickets?

Tickets for upcoming Social Club Events are offered every Wednesday morning, from 8:00 to 9:15AM. If you don't have cash with you for the events, you can write a check (payable to the Briar Creek Social Club), or you have the option to "reserve" a place for which you can pay the following Wednesday morning.

Kathleen Cory handles our ticket sales and she is usually at the clubhouse on Wednesday mornings around 8:00, sitting near the poolside door, and she will be there until around 9:15AM. Handling the tickets is a responsibility that Kathleen takes seriously. Please keep in mind she also wants to enjoy our Wednesday AM meetings, just as you do, so please be considerate of Kathleen's time.

Please do not approach Kathleen to buy tickets once she is seated at a clubhouse table. When she is at that table, all the tickets, money and other paperwork have been put away, and it is an imposition to ask her to relinquish her leisure time to provide tickets, change, etc., when there has been ample time earlier to purchase your tickets. Thank you for your courtesy.

Table Tennis

Dave Hunkins

1. The recently purchased Table Tennis setup is located in the NW corner of the Clubhouse.
2. Any resident, family or friends are certainly welcome to use this equipment on a first come/first serve basis. Obviously, its use must be scheduled so that it does not interfere with other coinciding events in the Clubhouse. If the noise of play conflicts with other clubhouse activities in the clubhouse, the bi-fold doors can be closed to resolve that issue. The doors divide the clubhouse floor from east and west. When in use, the tennis table should be set up on the west side of the clubhouse.
3. This equipment was quite expensive; we purchased a quality product, so please do not abuse it. If the equipment is used judiciously, it will last a long time and maintain its usefulness. Use of this equipment would follow the same rules that apply, in general, to the swimming pool privileges, etc.
4. Presently, every Wednesday evening at 7:00PM has been planned to have those interested in playing to come and enjoy.
5. Be sure when using this equipment to leave the Hall the way you found it.
6. Most importantly, please be very careful putting up and taking down of this table.
 - a) When putting the table half down, note the **red handle** allows the release of the lock. You **MUST** hold the table from dropping **HARD** and it is quite **HEAVY**.
 - b) When putting the table half vertical to put away, the **red release** is located on the right side end of the table underneath. Again, the table is quite **HEAVY**, so please be very careful. When the table is completely up, push a bit to be sure that it is securely

...continued on page 18

LOCKED.

7. When rolling the table about to position to play, make sure that the two wheels with a locking mechanism is released. Also push the table (not from the TOP, but as low as you can as the table can be TOP HEAVY. "Top heavy" means that it could flip over if one is not careful.
8. The equipment necessary to play is stored near the netted table; i.e., a cover for the folded-up table, as well as four (4) paddles with ping pong balls in a case on the library bookcase right next to the stored table. Please keep in mind the Social Club paid for the equipment, so please handle with care.
9. There is a sign up sheet on the Phase I bulletin board; the sheet is for anyone interested. Keep in mind you do not need to be a good and/or experienced player to participate in this fun activity.
10. If you have questions, call Dave Hunkins at 727-669-0503; or cell 315-244-3976.

Membership Cards

Social Club memberships for the 2016 season are on sale throughout the year. The proceeds help our Social Club, and a membership card is only \$1.00 per person for an entire year! The activities that go on at the Clubhouse, such as Wednesday morning coffee, water aerobics, exercises, art lessons, cards, bingo, shuffleboard, crafts, plus all the other social activities in Briar Creek, are available to you. Naturally, you don't have to have to be a Social Club member to participate in our community activities, but it might be the

right thing to do, especially since being a member means you are eligible to win \$5 every Wednesday. Of course, that's only if your name is drawn, you are present, AND you are wearing your name tag. If you're new to our community and would like a membership card, please contact Kathleen Cory, 727-452-1607.

Cardio Classes

Cardio classes are held every Tuesday at 9:00AM in the Phase 1 clubhouse. If you belong to the **SilverSneakers®** organization, there is no charge for this exercise class. If not, don't despair; for only \$3 a session, you can join the class. The class is open to both Phase 1 and Phase 2.

Wear a tee-shirt and shorts, all necessary equipment is provided, and the classes are geared toward cardio improvement. None of the exercises are difficult, and with enthusiastic people and invigorating music, the hour of activity seems to fly by. Contact Joan Bienvenue at 724-8561 if you have questions.

Zumba Classes

Zumba classes are held at 11:30AM on Fridays in the Phase 1 clubhouse. Zumba is normally a fairly strenuous exercise; however, Claudia, our instructor, has assured potential attendees that this particular class is geared to the "more mature" participants. The same **SilverSneakers®** conditions apply to this class also. If you are not a **SilverSneakers®** member, the charge for each class is only \$3.00.

Social Club

Jean Schmidt

It is time to think of reasonable ideas to improve Briar Creek II. Purchases, replacements, or other improvement ideas should be on paper and delivered to Jean Schmidt's mail receptacle at 79 Red Fox Run (or if you see her, in person) by February 6th, the day of the Soupathon! Suggestions will be reviewed by the committee and those considered possible will be returned to the suggestor to detail costs and other considerations. When these are completed, and reviewed by the committee, they will be presented at the March 19th meeting to be voted on by card carrying 2016 members of the Briar Creek II Social Club. Thank you!

Briarettes'

Betty Hudd, President (813-817-1774)

Well from the feedback from the ice cream social in January, all had a good time. Lesley Blake and her clown friends really opened my eyes to the joy they bring to those they visit in the community.

Ladies' Luncheon

Hildie Meyer

The Ladies' Luncheon this usually chilly month of February will be held on Feb. 17th, 1 p.m., at one of our favorite places, Ozona Blue, next to the Marina off of Orange Street. Do not yet know if we will be seated inside, or in the well-heated porch area. Both choices were offered to me, and I suggested to the manager that he use his best judgment, using the outside temperature and (wind) as his guide. Please talk about the luncheon to as many new people as you know, because I have the feeling that they would very much like to be included in this kind of Briar Creek activity. Hope to see you there.

Jean Williams

Food Bank

Carol Rodrigues

To the Residents and Friends of Briar Creek:
Thank You So Much for your generous monetary gifts given this Christmas season to benefit the Food Bank in Safety Harbor.

The total donated was \$1585! We filled 10 grocery carts with cases of food and then transferred it all to 5 cars for delivery on Wednesday, December 9, 2015. We gathered cases of soup, cereal, peanut butter, jelly, rice, and canned

fruit, just to name a few of our purchased products. Darlene also brought hats knitted by Briar Creek women for the children and adults. A special thanks to Carol Centamore, June Van Wormer, Jane McKenzie, Darlene Beyer, Marge Grohskopf, Nancy Fogarty and Peggy Raynor for their frugal shopping help.

Volunteers are needed for stocking shelves and giving out food on both Thursday and Friday mornings. Email Peggy at peggysnews@hotmail.com for additional information or to volunteer.

A Note to Our Homeowners

We have many residents who are not here year round. We are asking you to make arrangements for outside maintenance of your home. Weeds grow year round, more-so in the summer months. The residents who are here year full time should not have to look at over grown properties.

We have many seasonal homeowners who already have arrangements in order. Thank you. Your cooperation is greatly appreciated.

Annual Home Inspections

Joan Davis

We will begin our home inspections in February. The inspections will be divided by Briar Creek Blvd into two sections. North of Briar Creek Blvd. will be one section and South of Briar Creek Blvd. will be the other.

We ask you to complete all deficiencies in a timely manner and return form to Joan Davis. This annual inspection is done so that our community maintains its beauty. Your cooperation is greatly appreciated.

Questions and complaints go to me, Joan Davis 726-4829.

The ladies golf group in Briar Creek has more than 20 golfers signed up to participate this winter/spring—please come join us. If you used to golf and would like to try again, or if you are a regular golfer and want to join a casual group, just call or email me.

We will meet at Countryway Golf Course, and will continue to have the flexibility of playing either early morning or early afternoon each Thursday. Please let me know if you would like additional information.

Thanks,
Jane McKenzie

Enjoy a fun golf outing with friends! We plan to golf 18 holes at Countryway Golf Course during the afternoon, and then eat dinner together at Daddy's restaurant. Get the date on your calendar now, and watch for the sign-up sheet in your clubhouse. Sign up individually, as a twosome, or make your own foursome--it will be casual and fun.
