BOARD BUSINESS

BOARD NOTES

Jeff Clark, Vice President

1) From the City of Safety Harbor website:

Water Shortage Order Issued for Pinellas

Due to the current drought conditions, the Southwest Florida Water Management District (SWFWMD) issued a modified Phase I Water Shortage Order that includes Pinellas County and other surrounding counties under their jurisdiction. The order goes into effect on May 8, 2017.

The current restrictions for irrigation using potable, well, lake or pond water sources do not change. However, the shortage order serves as a reminder that water resources are becoming limited and water conservation needs to be practiced by all residents. The order requests that all water users reduce wasteful and unnecessary water use and be prepared for more stringent restrictions if drought conditions worsen.

Customers should monitor Pinellas County Utilities' water restrictions website at <http://www.pinellascounty.org/utilities/water-restrict.htm> for up-to-date information, as restrictions can change at any time. The current authorized irrigation schedule using potable, well, lake or pond sources for Utilities customers are as follows:

Addresses ending in an even number (0, 2, 4, 6, 8): Thursday and/or Sunday

Addresses ending in an odd number (1, 3, 5, 7, 9): Wednesday and/or Saturday

Prohibited lawn irrigation hours: 10:00 am – 4:00 pm

For more detailed information about water restrictions, call Customer Service at (727) 464-4000 or visit www.pinellascounty.org/utilities.

2) **Satellite dish installations**

After a discussion with our management company, it was determined that an Architectural Review Request form should be filled out and submitted before you have a satellite dish installed on your property. Dishes are forbidden from being placed on common property, and must be approved as to the installation site on your home or lot. If you're ever in doubt as to any changes to the exterior of your property, there's one simple rule: **CONTACT ME FIRST!** One phone call or e-mail to me now may save you much grief (and dollars!) down the road.

Lawn Mowing Service

Florida Environmental did not provide lawn service on May 5th or May 12th and apparently has gone out of business. We were not notified of this action by Florida Environmental. The services just stopped.

The Board has asked Alexander's Property Maintenance to take over the service immediately with a 90 day temporary service agreement. During the 90 days period, the Board will decide on a permanent vendor for the service.

By the time you read this message, we will be on a weekly schedule with Alexander's for the 90 day period.

Landscaping

New landscaping was installed around the clubhouse and at the store/garage in April. Alexander's Property Maintenance did another beautiful job with the design and the installation. There will be more landscaping in the fall but small in scope. It will include replanting at the

Our semi-annual tree trimming of the palms and other trees in common areas will occur around early July. We also have to remove some trees in the next few weeks.

Grievances / Mowing Service

Please call Barbara Pesic at 727-307-5316 to report any grievances with the mowing service. (If you are leaving a voice message, please include full name, address, and phone number.) Issues are inspected and then reported to the mowing service management for resolution or correction in service. Due to the danger of approaching workers operating equipment, it is requested that you report the problem rather than give instructions directly to the crew. Thanks for your cooperation with these procedures.

SOCIAL COMMITTEE

Already we have noticed our shrinking coffee hour event with so many that have left for the summer season. We will miss you and hope all have a safe trip home and a good summer. In the meantime we are planning to keep the spirit of BC alive with some interesting events for the coming months. Please do not forget, your ideas and thoughts are very important to us, put them in the suggestion box so they can be heard (and don't forget to sign them!). We often hear residents making issues about things that happen or do not happen, it is our responsibility to be part of the solution rather than the problem and we cannot make changes unless we hear from you!

We also have the new embroidered aprons which will also be used for our breakfasts, our annual bazaar and other functions. We are looking good! Dave Doran

BC MART

Dave Doran and Ray Jablonski

We continue to have lots of new stuff each week, check the board outside the building for some specials, we have outdoor patio furniture, allot of great candle decorations, kitchen ware, and pictures...you name it! Check the Briar Creek website under the BC link for coupons. Remember, the store is open to everyone, residents or non-residents, your friends and your enemies. Everything sold helps fund our social events. Please, do not leave stuff in front of the store. If you need some help, just call us.

BREAKFAST MEMORIES

Gene Arend

We held one more breakfast on May 14th. It was a tribute to those who have passed but were a significant part of the monthly Sunday breakfast in Phase I. Pat & I moved to Briar Creek in 2003 and we had heard there was a group who did a breakfast on Sunday mornings. I like to cook, so we decided to try and rejuvenate the breakfast. As I recall, Frank Scanniello was involved before and he dropped off some old posters and a cash box to help us get started. I looked for some volunteers in the kitchen and Joe Guazzerotti, Bill Sullivan and Bob Tompas reported for duty in February 2004. We sold 210 tickets and served 194 at our first breakfast. Residents must have liked it, because by April 2004 we had sold 240 Tickets and served 219. Our peak came in 2006 when we sold 253 tickets. I recall Bill was always in charge of the scrambled eggs and took pride in his eggs, to the point we had to buy new frying pans for his eggs! Bob was always on the meat station and loved those 'Bob Evans Sausage Patties'. We had a goal of always presenting a nice plate appearance. I recall Bob telling me one of the sausage patties had broken and, being the trooper he was, he volunteered to eat the broken patty! As I recall that seemed to happen about every 20 minutes or so. We retired from Breakfast in 2012, it was time to let someone else step forward and take over. A year or two later someone did, but I recall from time to time seeing Bill & Bob in the kitchen helping out. Bill and Bob have since passed but they have left me with many good memories. Pat and I were once told when we leave this world we never really leave.....we leave a little piece of us behind for others to see in our children and friends. To this day when I scramble an egg I remember Bill, and every time I open a box of 'Bob Evans Sausage Patties' I will remember Bob. So this is not goodbye to old friends, just Auf Wiedersehen (until we meet again).

Shipment has arrived! Come see me and sign the release and a copy of the photo directory is yours to enjoy!

Do you want your email address included in an "Email Directory"? – Betty Chatigny

This particular directory would not be printed for distribution; it would be only sent to you via email. The list of email addresses would be only those residents who agree to have their addresses listed, including this proviso: "This e-mail distribution list is for the personal use of Briar Creek residents only, and cannot be shared or forwarded to anyone whose name is not on this list."

Since this project is only in the planning stage, we'd like to get an idea of how many

Continued on page 14

residents would appreciate the convenience that email offers for current information, crime alerts, local Briar Creek news, upcoming meetings, etc. When the photo directories recently arrived at my house, I wanted to let everyone know they were here. Calling each individual would have taken hours, and I realized how easy it would have been to simply email people for this particular notification. (I did email some people for whom I had an email address.)

If you want your email address included in a future list, this is your opportunity to make your email address available, so getting information to you will be much easier and faster. If not, I understand. From a personal standpoint, I have no problem having others know my email address, since to me, it's sometimes better and easier than a phone number. (Plus, I don't have to get out of the shower to answer my email).

Please let me know by email (bettychatigny@hotmail.com) or phone (727-216-3871) if you want to be part of this valuable communication tool!

Dotty Sullivan, Sue Farrell, and Elaine Harsh

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

- June 1st marks the beginning of hurricane season.

CAUGHT BEING A GOOD NEIGHBOR

Your neighbor is the man who needs you. ~ Elbert Hubbard

- **SUE FARRELL and MARCIA AND NICK MASCHAK** recently provided nourishment for a friend/neighbor after she returned from a hospital stay. Food lovingly sent is nourishment for the heart and the soul. SUE also made a beautiful flower arrangement!
- **SHIRLEY PAYNE** has been dubbed an “earthbound angel” for providing an ear to listen and a shoulder to cry on, being a dog sitter, a homeopathic practitioner and an all-around wonderful person when a friend was sick. Bless you!
- **BETTY CHATIGNY and BETTY MILLER** each hosted a going away social for a neighbor leaving BC permanently! Beautiful sendoff!

REFLECTIONS OF BRIAR CREEK

Linda Eddington

*Then let us, one and all, be contented with our lot;
The June is here this morning, and the sun is shining hot;
Oh! let us fill our hearts up with the glory of the day,
And banish ev'ry doubt and care and sorrow far away.*

James Whitcomb Riley

We can get rid of doubt and sorrow with laughter and improve our health. Dave Doran’s humor and Pat Bourdan’s jokes are highlights during the Wednesday morning social club meeting. Thank you both for making us laugh. Your ability to make us laugh helps us physically and emotionally as neighbors. The sound of our laughter can reduce anxiety, depression, and pain by strengthening our immune system. When we laugh with our friends and neighbors, our brain triggers a positive response and fosters closeness which can enhance our sense of well-being, individually and collectively. Shared laughter promotes good feelings and here in Briar Creek, the more we laugh together the more we keep each other healthy!

BOOK NOOK

Patricia Rivera

Back “in the day,” June meant that school was out and the fun was whatever could be dreamed up. Retirement is similar! The entertainment differs, though. Jacks’ on the front porch; hula hoops up and down the driveway; hop scotch on the side walk; bike rides; Indian caves adventures; endless rounds of Monopoly; Clue. Catching lightening bugs in the evening; mulberry picking in the morning; reading books to feed one’s imagination – mostly we were unsupervised.

Summer reading was completely for fun. No book reports required. The small town where my roots are planted had no library. During the summer, a bookmobile of sorts opened up at the elementary school every two weeks. Most of my seven sisters and I were and are avid readers. Imagine how many books we walked out among us to fuel our curiosity for two week stretches!

Here at ‘the Creek,’ the summer months are hot. HOT! Hot and humid! During the heat of the day or hopefully the rainy days, a book can become anything your heart or sense of adventure needs. The selection in our own Book Nook is diverse and plentiful. Come in and browse, grab a couple of titles, take them home and read at your own pace. No fines, no due dates, just fun. Returned books are dropped in the basket on the floor inside the door.

The Book Nook depends on donated books. If you are donating your no longer wanted books, please put them in or near the return books basket. The dedicated volunteers will sort them and file them in the “New Arrivals” section for thirty days. Check them out if you like, return them to the basket when you finish.

Thank you to each of the volunteers who immerse themselves in the shelves and do what needs to be done. If you are looking for something to fill your available time once, twice or more a month, your interest and love of books/reading is always a welcome addition to the corps of regulars; anyone of which will eagerly introduce you to the process.

Special dates in June include;

- Flag Day on the 14th;
- Father’s Day the 18th;
- and the First Day of Summer on the 21st!

Rainy season in Florida officially begins June 1st; which also is the opening of Hurricane Season. Be prepared! We sure could use some rain – without the categorized storm force winds!

Two Season State

Dry Season. Wet Season. That's it for most of Florida.

Wet season officially begins June 1st and continues through the end of November. Sometimes wet season is also called; 'HURRICANE SEASON.' A good hurricane season is one that spares all occupied land masses of damage and destruction. It has been many years since the Tampa Bay Area has been devastated by hurricane force winds. We can hope and pray that trend continues.

The most seasoned of meteorologists announce their annual predictions and often revise them as the season progresses. The most sophisticated instruments coupled with most experienced forecasters are sometimes no match for the whim of Mother Nature. The path of a storm can shift directions with one small zig or zag of the system. When the area is under a hurricane watch, pay attention to the regular updates. Watch means watch it; upgraded to a Warning, be ready to take action prior to the storm making landfall in the area of concern.

Be prepared. Most local supermarkets have preparedness brochures/guidelines readily available. The information is vital. (Be on the lookout – there may be brochures available soon in the Book Nook.)

- Basically, know what you are going to go; where to go if Briar Creek is in the path of a major storm.
- Fill your car with gas. Have cash on-hand. Buy bottled water – enough for each person for at least three days. Baby wipes, too will become extremely handy. If you choose to stay, fill the bath tub with water ahead of time – use it to flush the toilet. Stock up on non-perishable food items edible without cooking. Add a non-electric can opener to your kitchen. Have supply of medications. Pets need to be provided for as well – stock up on their food, etc. If you plan on riding out the storm in a shelter, make certain it is pet friendly (if you have a pet). Charge cell phones, etc.
- Shelters may expect you to bring pillows, blankets and your own food supply. Be prepared.
- Consolidate all important documents/papers; place them in zip lock bags (to keep dry) take them with you if you evacuate. Use garbage bags to cover/contain/keep other items dry. Maintain contact with family or friends.

Hurricane season peaks around August; look for reminders and updates in the Media throughout the season. Keep in mind that provisions can be purchased a few at a time whenever you shop for groceries. If you don't use them during the season, they can be donated to the local food pantry.

On a personal note; I survived Hurricane Andrew, August 1992. It was the first named storm of the season; pockets of Miami and Miami Dade County were completely devastated. It looked as if bombs had been dropped. Horrible! Many of you may have also survived hurricanes over the years; for me – once is enough. I will be sending the universe good vibes to spare/protect us all from storm surges, hurricanes, cyclones, typhoons.

1. Detectives are encouraging the public to be on alert to a recent scam of suspects posing as employees of the water department. Since April 17th, 2017 detectives have identified at least three cases in Seminole and Reddington Beach. The suspects inform the property owner there is a water leak in the home. After gaining entry, one suspect distracts the victim while the other suspects steal valuables. Two male suspects, 40-50 years old, drive a Dodge Ram pickup.

2. Be alert for four men walking into driveways and looking in the front windshields of cars during the daytime and stating they are will a windshield repair company. No uniforms or marked car (a Cadillac), no paperwork or ID.

3. VACATION CHECKS – The Pinellas County Sheriff’s Office offers house checks while you are away from your home for an extended period of time. To sign up for this service you will need to provide the following information:

- The date you are leaving and the date of your return
- The address for the house check
- The homeowner’s name
- The phone number to reach the homeowner
- The address of your destination
- A phone number and address for a local contact
- Please share whether or not someone else will have access to your home, if you will leave lights or TV on or on a timer, if you have pets on the premises, and if you have lawn maintenance

All residents are encouraged to keep an eye out for unusual behaviors and feel free to ask question, but when you feel that someone is doing something illegal, stop and call 9-1-1. Please do not tip the potential crooks off by telling them you have or are calling the police. Be a good witness and leave the rest to deputies of the Pinellas County Sheriff’s Office. **(727-582-6177)**

PHOTO DIRECTORY

The Photo Directories have arrived. Phase 2 may pick up their directory at any Saturday Morning coffee. Snowbirds may have someone else pick up theirs or your name will be written inside the book and held until you return. If Saturday coffee does not work for you, call Marge Grohskopf (474-7842) and you will be able to pick it up at my home. Thank you for your patience.

Condo Board

Tom Feeley – Vice President

The pool renovations as of May 9 are currently in the final stage of being complete. As approved by the board of directors, a new pool and spa filtering system has been installed with the brick pavers in the pool area having been cleaned & sealed.

The electrical contractor is completing the installation of the exterior pool lighting. Hours of the pool will now be: Adults from 8:00AM to 10:00PM, Children under the age of 18 from 11:00AM to 2:00PM and then again from 5:00PM to 8:00PM. Children are only in the pool area during the posted hours.

Moving forward, the board is in the process of obtaining bids/estimates concerning landscaping in the front of the clubhouse, flowers to be installed in the planters with some planters to be removed, masonry repairs to the cement stucco on the clubhouse and painting of the clubhouse, utility sheds, shuffleboard court, garage/fitness building and storage sheds next to the garage.

The board of directors has hired C.B. Goldsmith, a roofing engineering company that will provide project management for the roofs to be replaced on the clubhouse and garage. As stated C.B. Goldsmith will be the project manager, write the specifications and scope of work for the roof replacements and obtain bids from professional roofing contractors. Once all bids are received, the board of directors will pick on the contractors for the roof replacements. Once approved by the board, the roof replacements will take place sometime in January, February or March 2018.

Lastly, Please do not water your grass between the hours of 8:00AM to 4:00PM on your water day. Watering of the grass during this time is restricted and is a waste, as the water only cools the grass and does not seep into the roots.

A reminder to all residents

Overnight Parking in the street is NOT allowed.

Daytime Parking – please Park on ONE SIDE of the street in your area. This will keep our streets open for Emergency Vehicles.

Visitor Parking is at the clubhouse on the side of the shuffleboard courts, (grassy area). Please put the VISITORS PASS in the front windshield. Residents who do not have the pass can contact a board member. Parking in an empty carport is NOT allowed without permission.

STOP at ALL STOP SIGNS, and, our SPEED LIMIT is **15MPH**. Your help is greatly appreciated.

Bingo

Marsha Bowlby

Bingo is over for the season, it was a very good season. We had lots of players and some nice payouts. Were you one of the lucky winners of the big jackpots?

I gave you a questionnaire again this year to see what games you liked or didn't like. I like to keep the games challenging but not frustrating as well as easy for the caller to handle. The

Continued on page 42

Basket was the least liked game, 1/3 of the players participating in the survey had this as the one they didn't like. So, it will not be on next year's games.

Last month I asked for volunteers to help me and I have had two step up. Mike Schmidt is working with me on the computer and payouts and Ken Kellerman is working with me on the Bingo Machine. Thank you, guys, for stepping up. This way when I'm out of town Bingo can still be played. So please thank these guys for helping, if I didn't have their help there would be some Mondays we wouldn't have Bingo. Which if you're a Bingo player is not good.

Many of you have asked if the dinners are coming back, as of now no one has volunteered to do them. I know we all enjoyed having dinner before Bingo and not having to cook. So hopefully someone will step up to do a simple meal each Monday night.

We will have one summer session this July. So, mark your calendars for

MONDAY, JULY 17TH

Bingo cards will be sold from 5:00 to 5:45 with Bingo starting at 6:00.

There will be a dinner for the cost of \$3.00. The menu has not been fully decided other than Jumbo Hot Dog.... Dinner will be from 4:00 to 5:00.

THIS DINNER WILL BE BY TICKET ONLY

You will not need a ticket to PLAY BINGO.... Only for the dinner.

Watch for the posters for more information, tickets will be sold at Saturday and Wednesday Coffees.

Exercise Classes:

Classes will continue through the summer months. On Tuesday at 9:00 am there will be cardio classes with chair yoga at 10:00. Zumba Gold will be held on Thursday mornings at 10:15 am. (subject to change) Our instructor is Claudia and she invites all residents in both phase I and II to join our group to improve our health and balance. There is no cost for Silver Sneakers members. If you attend both classes on Tuesday and aren't Silver Sneakers members, the cost is \$2.00 per class. The Thursday class is \$3.00.

Helping in the Community

Marge Grohskopf

Please tell us about your volunteer activities. We have wonderful volunteers that serve within Briar Creek, and many who represent us throughout the community. The purpose of this project is not only to thank those who serve, but more important to bring about an awareness of all the possibilities for us to contribute our time and talents in big and small ways. Many of us have hours to spare, that we would like to volunteer, but don't know about these organizations. Contact Marge Grohskopf by email margebw97@gmail.com, note in mailbox, or call 474-7842

Ladies' Luncheon

Carol Smitley

The June 21st Luncheon is scheduled to be held at Daddy's Restaurant, 3682 Tampa Rd, Oldsmar. I think most of us are familiar with Daddy's. This is opened to all Briar Creek ladies and friends. As always we miss our snowbirds, so I am counting on you year-round residents to sign up. For me it always proves to be a relaxing afternoon. Remember it is at 1:00. The sign-up sheet is in the hallway.

An Amazing Day for Larry Henry

Larry Henry, a Korean Conflict, Army Veteran participated in the Honor Flight program on April 25, 2017. This is an amazing program that honors our Veterans for their service and sacrifices on behalf of our great country, by flying them to Washington, D.C. to visit our nation's war memorials. It is a way to recognize these unsung heroes who helped insure the freedoms we enjoy today. Larry was escorted on this trip by his son, Eric Henry.

Larry spoke at Saturday Coffee telling what a wonderful experience never to be forgotten. He thanked the friends and neighbors who wrote notes and were part of the 1500 people that welcomed the plane of Veterans home that evening.

Larry has saved many lives over the years with blood donations. About four years ago he received an award from the Blood Bank for having donated 18+gallons of blood over the years. Thank You Larry.

A well-deserved Amazing Day

Thank You Pat Arend, volunteer with CLOTHES TO KIDS

After retiring, I wanted to give back to the community. This Organization, visited my work to ask for donations and I was impressed with the Organization. One day I visited the store to learn more about the organization and volunteer opportunities.

Clothes To Kids was created by two graduates of Clearwater High School. Their idea was to create a "department store" look and feel where families and children would be treated with dignity and respect and receive school clothing free of charge.

I have been working as a volunteer for about six years and enjoy assisting the children, parents, students, grandparents and guardians shop. I have been cross trained in various capacities allowing the flexibility to assist in whatever category is needed on a particular day. This is a rewarding volunteer opportunity and I look forward to being part of the CTK family of volunteers to help a child feel confident and comfortable in a new wardrobe for school. Families are eligible to shop two times per calendar year.

Clothes To Kids has distributed more than 115,000 wardrobes to school children in Pinellas County.

If you are interested in helping donations of clothing that a teen could wear,(check with local grandchildren) men's shirts (with a collar), hats, purses, jewelry, Donations can be taken to the store or Pat will accept donations in plastic bags or boxes, clean and folded, to be left on her lanai.

There are numerous volunteering opportunities at the store located at 1059 North Hercules, Clearwater. Volunteer information can be found on line at LeslieB@ClothesToKids.Org. or calling Leslie Bednarskii (727)441-5050x123

A BIG THANK YOU

from Darlene Beyer

I have to say that the response to the classes and demonstrations that I offered in the last few months to Phase 1 and Phase 2 residents were very well attended. I appreciate all your thank you's and words of appreciation that you gave me. It is always more enjoyable to teach classes when everyone really wants to learn. I hope you had as much fun as I did.

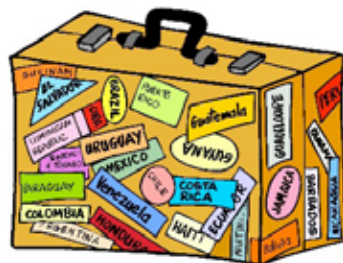

It also is great to get to know all the members of the classes and to see them use and improve their skills each time they take another class. I'm very proud of their accomplishments and beautiful quilts and other items they have made.

I will be back in October and hope I will have new items and techniques to share with all of you. So don't be afraid to attend this next year and be surprised at what you can also make. Just keep your minds open to new things or ideas that you can also share with others when we meet again. Just remember, learning new things and how to make them can give you a wonderful feeling of accomplishment. Have a very enjoyable summer.

Travel Club

Karen Johnson & Roz Lucas

Hi everyone, I want to give you all a little more detail about our trip to Pigeon Forge and Helen, Ga. We will be staying at the lovely Drury Inn in Atlanta on our way up to the Smokies. There we will have a light supper of things like hot dogs, wings, salads, etc. Also everybody gets 3 free drink coupons. We will stay at a fairly new LaQuinta Inn right in the middle of everything in Pigeon Forge in walking distance to shopping, attractions, restaurants. Dinner again, is included on our first evening at a local favorite restaurant. Then we are going to the Smokey Mountain Opry. This too is included in our trip. We spend the next day at Dollywood. Admission to this great theme park is also included! The next day we leave for Helen Ga. This is a typical "German" style town and we will be staying at a brand new hotel. In the evening we will be going to Feshhalle for a great evening of German food and music. The fall foliage should be at its peak and it will be a beautiful trip! Call Roz at 385-3010 or Karen at 686-0161 and sign up while there is still room. We need a \$100 deposit with the balance due in August. The gratuities are also included! The price is \$789pp. You may invite friends and neighbors who do not live in our park but keep in mind this is a trip for seniors only. Hope to hear from you all soon! Next month we will be telling you about the rest of the things we have lined up.
