BOARD BUSINESS

Lawn Mowing - Barbara Pesic

Starting in April, mowing will occur weekly (every Friday) through the month of September. Upcoming mow dates are: April 3, 10, 17 and 24, and in the following month: May 1, 8, 15, 22 and 29.

Handling Grievances

Should you have any problems with the mowing service, please advise Barbara Pesic via phone or email. It is requested that residents not give verbal instructions to the mowing crew. All complaints are to be addressed by the management of the mowing service. Thank you very much for your compliance.

Important Things to Remember – Gene Arend

If you are making changes to the exterior of your property, you are required to complete an Architectural Control Form first to obtain approval -- even if those changes are minor, or include changing out Windows or painting your property with a color that exists in the community. And, even though those type of changes have prior board acceptance, it's still necessary to complete the form. I understand there is an element of bureaucracy, but in order for us to maintain consistency with our documents in the event of a legal issue, we need to record and file the document.

If you are selling your property or leasing the property, there is a Sales/Lease Application form required by the association documents. Again, this may seem bureaucratic too, but in order

to maintain an accurate roster and meet the Federal Housing Act that grants us the 55+ community, the form is necessary. We have Linda Miller and Pat Arend available to greet all new residents prior to closing or leasing. Linda & Pat represent the Board of Directors and will sign the Title Transfer Authorization form required by the Title Company prior to closing. Failure to complete the process could delay the closing.

Both forms are available online on the www.mybriarcreek.com or in the bins outside the director's office. Your cooperation will help us maintain the community you all expected when you purchased your home. If you are leasing seasonally with repeat residents and/or prior residents, inform Linda or Pat who can retrieve the original application. This will then expedite the process and update our records.

Board Meeting – Gene Arend

The next board meeting is tentatively scheduled for Wednesday, April 1 at 7 PM. This will allow our residents not available on early Wednesday to come and be a part of the Board Meeting. Remember if you are a resident but not currently an owner, the meetings are open and your opinion is encouraged. The board meeting is, of course, a Corporate Business meeting among the seven (7) directors; however, we encourage all to come and watch. It allows all of the directors an opportunity to meet collectively under the Florida Sunshine Laws. We do on some occasion ask attendees for input. There is always an open session for all at the conclusion of the formal business portion. After this meeting, as summer months approach, the demands change and we may move to an every-other-month schedule. Signs will be posted and the new message center will keep you informed.

Clubhouse Restrooms – Gene Arend

We will soon be formalizing plans and requesting quotes for redoing the two clubhouse restrooms. We already have a pre-approved budget. Our plan is to blend some modest ideas and some modern ideas to improve the restrooms. Although we want a new fresh look with improvements to meet our senior needs, we will remain mindful these are restrooms of convenience.

Hey, Hey, Let's Recycle Today!

On February 18, Solid Waste Program Coordinator Jan Tracey addressed residents at the weekly Wednesday meeting about recycling, especially as it applies to recent changes in the program. As you may be aware, once-a-week trash pickup on Mondays is now the norm for Briar Creek. Yard trash is picked up on Wednesdays and Recyclable products are picked up on Thursdays.

Recent changes include a more detailed description of what can be deposited in Briar Creek's recycle bins. The good news is that every recyclable item can be put in the same container; this is because Pinellas County has an automated separation process, something that will save our residents time and effort. As you can see on the chart below, any plastic item that has code numbers within the triangle (from 1 to 7) can be included in recycle tubs. For more detailed information, see www.pinellascounty.org/recycle or, if you prefer to email, the address is recycle@pinellascounty.org.

VP Social Club and Entertainment Chairperson

Linda Edington

Dear Neighbors: First a little information about me. I have lived in Briar Creek for three months moving most recently from Largo. I grew up in Minnesota and have lived in eight different states. I am single, no children and I have three brothers and three sisters who live in different states. Professionally I was an administrator for colleges. A few of my favorite things are dancing, reading, running, biking, swimming, hiking, laughing, doing house projects, traveling and sewing.

Thank you for your confidence in me to be your VP of the Social Club and Entertainment Chairperson this year. I am excited to partner with David and bring you a fun- filled year of activities. As David has said more than once, we want your suggestions. Tell us, write in the suggestion box, and send us emails.

Several of you have already offered your assistance and I am grateful for that. Be assured, I will be taking you up on that offer and asking others to help as well. The activities here will be successful with more neighbors' contributions. As some of you are aware, Dave is also not here full time in the summer and we invite anyone who wants to co-lead the Wednesday morning meeting to please, please let us know. Remember, let your light shine and share your talent with us.

I have been making calls to confirm monthly talent. I will get you as much information as I can about the performers to make sure you want to come and have fun with the rest of us. You will see some changes intended to make selling tickets and simplifying preparations for each event easier. Remember, the more things change, the more they stay the same. Our plan is the same enjoyment that has been here year after year.

2/25/15 Social Club Meeting

At Wednesday's meeting, Pinellas County Deputy Charles Skipper addressed our attendee residents on the various scams, phishing, and unsavory soliciting techniques floating around that traditionally target older citizens -- and how devious (and believable) many of these methods are. The methods all have one goal: to get your money!

Phishing is the attempt to acquire sensitive information such as usernames, passwords, and credit card details (and sometimes, indirectly, money) by masquerading as a trustworthy entity in an electronic communication. In other words, if you receive an email telling you that you've won some sort of lottery, don't believe it! Just delete the email. If someone knocks on your door, telling you they have a deal for you, don't fall for it. They may be "just in the neighborhood today," or "they just sold your neighbor something," or "they have something you can't live without," don't believe them. You have every right to privacy and

...continued on page 14

safety in your own home. Remember, you don't owe an uninvited stranger any undue courtesy. You can tell them to go away.

If you have any concerns about your personal safety, don't hesitate to call a friend or neighbor to come over. If you don't feel comfortable doing that, then call the non-emergency number for the Sheriff's Department (727) 582-6200.

As Deputy Skipper mentioned during his presentation, don't EVER hesitate calling that number. Your safety is one of their biggest concerns. In other words, they care about you!

An Update from Deputy Skipper

Hello, Neighborhood Watch chairpersons, just a notice that there has been at least four burglaries inside the gated communities of East Lake Woodlands since January. These burglaries have taken place during the day time. (Statistically, about 65% of home burglaries occur during the day.) Two of the victims were home with their garage doors open, when items were removed from the garage.

The other two, one of which occurred yesterday, were to unoccupied homes during the day. During one, the burglary happened while the couple were gone for less than 3 hours. The home had a security system, but it was not activated. Both homes had large rear privacy fences and burglars targeted the rear sliders as a point of entry.

Please report suspicious persons or vehicles in your neighborhood. Strangers on bicycles with back packs or suspicious vehicles deserve a second look and your attention. The non-emergency number for suspicious persons is 582-6200. Stay safe.

The cost is \$1.00 per person for the whole year. Social Club memberships should be purchased if you wish to take part in any of the activities that go on at the Clubhouse, such as Wednesday morning coffee, Friday night clubhouse get-together, exercises, use of the Library, art lessons, cards, bingo, shuffleboard, crafts, dances, Friday night get-together and any and all the social activities in Briar Creek. For those of you who don't know, most of the activities at the Clubhouse are subsidized by the Social Club. Let's all get on board and have record sales this year! Who knows ... you may win the \$5.00 weekly draw if you have a membership and a name tag. Good luck!

Wednesday Meetings

Every Wednesday morning, there is a coffee meeting for all Phase 1 residents, (plus their visitors). Coffee and pastries are available for purchase at 8:30AM. The "official" meeting starts at 9:30AM.

Bereavement Flag Policy – Gene Arend

In order to give some organization and uniformity with regards to our community members who have passed away, the Association President, Social Club President, and Bereavement/Sunshine Committee Chair met to formalize a policy. With the installation of the new message center, when Mary Houpt receives notice someone from Briar Creek 1 has passed away, she will list the names of the individuals on the message center board. She will arrange to have the flag lowered to half-mast for three (3) consecutive days. This length of time is considered a reasonable amount of time for the residents of Briar Creek to take notice and recognize who passed away. The dates and other information can be found on the website and/or in the clubhouse. Once the flag is returned to its normal position, the names will be removed from the message center. We also decided that any resident of Briar Creek, either past or present, will receive the same acknowledgement. It was deliberated and agreed that all residents of Briar Creek, past or present, have made contributions to our community and as such merit, a gesture of reflection for those who may have known them.

Thank you

I want to extend my sincere thanks and appreciation for all the cards, calls and other expressions of sympathy that I received on the occasion of Tom's passing. He was a dear and good man, and I miss him.

Sincerely, Joan O'Dell

Library News

Naomi Fiacable/Linda Hayes/Carol Marsella (summer)

For those of you who use the library, you may have noticed a different informal look. Most of the books are sideways on the shelves so the titles, and, in most cases, the authors, are more easily read. The reason we have chosen to do this rather than the library norm is for those who have trouble reading sideways and to provide more space on the present shelving for additional books.

We have moved the hardback NONFICTION books to the bookcase in front of the windows and the shelves have been clearly marked, but we kept the softback NONFICTION in the last bookcase by the door going to the office. We separated the FANTASY genre from the FICTION and gave them a separate location on the back of the center bookcase. These include both hard and soft-back books. These are the Twilight and Harry Potter series as well as others which were mingled among the FICTION. We

also separated the HISTORICAL ROMANCE from the ROMANCE for those who prefer a bit of history in their romantic reading. They are located on the right front of the center bookcase.

Our volunteers who work in the library, work hard to maintain the library donations that arrive daily. As always, we enter them into the New Books section to the left of the windows where they remain for 30 days. All of the book shelves are clearly marked as they were before. We hope we have made it easier to read the titles of the books you like and will continue enjoying our Briar Creek Phase I Community Library as you have in the past.

We also provide DVD's (movies) and AUDIOBOOKS (both cassette and CD) in the cabinets/bookcase by the Bingo Board in the main area. We have movies for children also. The locations are clearly marked. We are currently accepting DVD and Audiobook donations. When returning or donating new books, DVD's, or Audiobooks, please place them in the basket or, if the basket is full, on the floor beside the basket for the library workers to stamp and put in the proper locations.

Beginners Mah-Jongg Lessons

Sharon Philyaw

Starting on March 8, Pat Arend and Jane Fedelem, two very accomplished Mahjongg players, will be offering free lessons of this ancient Chinese game to all who would like to learn. Men and women are welcome to participate. No partners, just friendly competition and a mind-challenging hour.

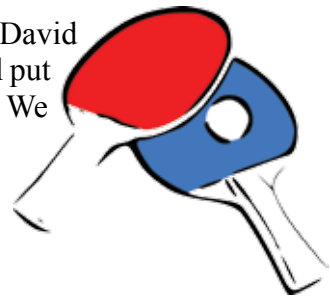

The lessons will be at 11:30 AM on Sundays and, after you feel competent enough to play

with others who have already learned the game, you're welcome to join those who play at 12:30 PM on Sundays or make up your own table of three or four players. Sign-up sheet is on the hallway wall in the Clubhouse so that Pat and Jane can get an idea how many new players would like to participate.

Table Tennis, Anyone?

Any one interested in playing table tennis, please contact: David Hunkins at 727-669-0503. If there is enough interest, we will put in a request to the social club to acquire a table for our use. We may be able to get one at no cost to the club.

APPRECIATION NIGHT

Ann Daley

Appreciation night was a huge success, and I was so happy my family, and friends could be there to enjoy it with us. The programs were done, so professionally, by editor Jean Richter and her reporters. Before the show there was a happy hour with great food provided by Chef Mary Kay McBride and her staff of helpers. Joan Bienvenue choreographed, directed and emceed the play like a true blue Broadway director with some help from a few "back stage hands."

When the curtain went up and the show began, all 27 acts were so wonderful, better than any Broadway play. All the performers were our own Briar Creek friends from Phase 1 and 2. Jerry Richter, our paparazzo, did a great job taking pictures. I would like to thank everyone who helped make this a night I will never forget. Good luck to Dave Doran, all his Officers and Committee Leaders for this coming year.

MESSAGE FROM SOCIAL CLUB PRESIDENT

Dave Doran

As our term begins, we want to thank Ann Daley and all who worked with her during the past year; great job. As President, I asked Linda Edington, who stepped up to do entertainment this year, to also be my Vice President.

Between the two of us, we intend to do the best job we can, bring some fun into the club and will work very hard to empower our community residents to volunteer for a number of different projects and program, because without volunteers, these may no longer exist.

We have put up a "VOLUNTEER" sheet on the bulletin as a start. Add your name and phone number, so if someone is looking for volunteers, they can call you. Or better yet, just ask someone if you can offer help or volunteer in some way. Great way to meet people and have

Briar Creek Store

Dave Doran and Ray Jablonski

Our first full fiscal year is over and we did so good! Not only met a lot of interesting people, but we tried hard to make the store a fun place to shop. Great place to pick up furnishings if you're a new resident; great place to donate stuff that you are either replacing with new, or just getting rid of stuff you no longer want or need. Thanks! Everything we take and sell goes to fund Social Club events for the year.

Always check the BC website: www.mybriarcreek.com and check the BC Mart link. You will be surprised at all the goods shown.

Thanks to Ray Jablonski who has been a great help this year, and also to Joe Guizzerotti, who looks after the store during the summer. Come and visit us soon; hours are posted in the store window!

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

Have You Lost Something?

Did you know there is a "Lost & Found" area in Briar Creek's clubhouse? The cabinet is located in the area opposite the Clubhouse Office door and look for the Lost & Found sign on the white cabinet. Items that have been found by the pool, near the spa, in and around the clubhouse are stored there. At last check, there is a man's wrist watch (faux Rolex), a NYPD man's cap, a pair of swim goggles, as well as many other items in residence.

Take a moment also to check out the bulletin board near the outside door that leads to the shuffleboard area. Small items (earrings, keys, etc.) are clipped to the board that also have been misplaced by their owners.

The bulletin board is also used to advertise "for-sale-by-owner" items. There just might be something posted you cannot live without!

Ladies' Luncheon

Hildie Meyer

The Ladies' Luncheon this month will be held on April 15th at 1 p.m.

At the request of several members of our group, we will be going to the nearby Outback Steakhouse, located on Hwy.19 between Curlew and Tampa Roads, in Palm Harbor. Anyone care to share a Bloomin' Onion with me? It's plenty big enough for a few people, and who's counting the calories??

Briarettes'

Carol Smitley - President

Last month was our annual style show. I want to thank Yaeko Parish, Jane Galvin, Helen Ham, Betty Hudd, Carolyn Jablonski and Jean Richter for volunteering to model the clothes from BonWorth. They did a fabulous job even though the program was delayed for a few minutes. Our meeting for April will be our famous Dump Salad.

For those of you not familiar with Dump Salad, Briarettes will supply the lettuce and dressing and those that attend bring their favorite topping to share. The sign-up sheet will be in the hallway in Phase I and II. Some may choose to bring dessert. That would be great. Remember to bring a \$1.00 for 50/50 and if you haven't purchased your membership ticket the cost is \$2.00.

The date is April 7th at 1pm, mark it on your calendar.

This will be our last meeting until October.

Entertainment

Marge Grohskopf

I can't believe it's already time for some of our snowbirds to fly.

We are having a game day Lunch on Sat. April 11, 2015. It's a good time for us to be together just for lunch, games, pool gathering and just plain chatting. We'll have a sandwich type lunch for \$3.00. Exact menu will be posted in the Clubhouse. You're welcome to begin your card games etc. after our coffee hour Lunch will be ready about 1:00.

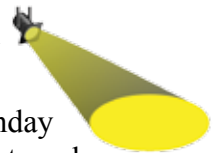

It is time to sign up for "Showtime 2016" Ticket Sales and Reservations now available.

Sun. January 24 will be "Dave and Daphne" a talented musical couple. Sunday February 28 will be the return of Re-Creation. They are the 11 young people that travel the country as volunteers putting on shows in the Veterans Hospitals. Their performances in communities such as ours pay for their traveling expenses. They have a whole new show for 2016.

Make your reservations so you will be able to select your tables. Two shows for \$25.00. Tickets must be paid by Dec. 1 to hold your reservation. Please see Pete at Coffee Hour or call him at 421-2321.

Bunco will be on Thurs. April 23. \$3.00 dessert at 6:30 we begin at 7:00. Bunco will continue through the Summer months, on the 4th Thurs of the month. Remember we need a minimum of 16 people signed up and paid. Less than 16 the event will be cancelled and money returned.

There will be a Mother's Day Dinner on Sat. May 9, Ham, Scalloped Potatoes, Green Beans, Salad, Bread & Butter, Dessert and Coffee. Entertainment to be announced. Ticket donation \$10.00. Thanks to all those who have volunteered to assist with events. The Committee can always use more volunteers. Many hands make for smaller tasks and everyone can enjoy the events.

The Briar Creek II shuffle board team finished the season in second place in the Sterling Shuffle Board League. As Captain of the your team, I am very proud of our team on how they played to try and win each of their individual games and how they presented themselves at the matches. I would like to thank Ellie Prevost & Vivian French for baking cakes for the home games. Thank you to Pete Loranger for your continuous support of the shuffle board club and for preparing the coffee at our home games. The team also says a big thank you to the Briar Creek Social Club and the Briar Creek board of directors for their continuous support. And last but not least the homeowners in Briar Creek II for saving their aluminum cans for the shuffle board club. We all wish all of our friends that are heading North a safe trip and so long till next season.

Monthly For April

ASPCA Month. The American Society for the Prevention of Cruelty to Animals estimates that an animal is abused every 60 seconds. Every April the ASPCA urges the public to “go orange” in support of the fight against animal cruelty. Set aside one day each week to call attention to the problem of cruelty by wearing orange—or go all out and wear orange every day. Find out more at the ASPCA website.

National Kite Month. Celebrate the arrival of spring by going outside and flying a kite. The American Kitefliers Association plans events worldwide in April to promote the wonderful qualities that kite flying has to offer people of all ages and physical ability levels.

Mathematics Awareness Month. Held every April, Mathematics Awareness Month was created in 1986 to increase public understanding of and appreciation for mathematics. Activities are organized on local, state, and regional levels by college and university departments, institutional public information offices, student groups, and related associations and interest groups.

Multiple Birth Awareness Month. The National Association of Mothers of Twins Clubs Inc. is dedicated to supporting families of multiple birth children through education, research, and networking. During April, the organization seeks to raise public awareness of the unique qualities of multiple birth families.
