## BOARD BUSINESS

### Lawn Mowing - Barbara Pesic

Mowing will occur once per month January (1/9) and February (2/6).

### Tree Trimming – Branches Hanging Over Roadways

Hanson Tree Service will be in the community in January doing tree trimming for the association. Hanson may be able to offer a discount for similar work while in the park. If your tree is hanging over the road it must provide a 15 foot clearance for City of Safety Harbor Sanitation and Fire department vehicles. Hanson Tree Service have the specifications needed to trim these trees or any other tree. For more information call Tom Hanson at 727- 726-7731.

### Handling Grievances

Should you have any problems with the mowing service, please advise Barbara Pesic via phone or email. It is requested that residents not give verbal instructions to the mowing crew. All complaints are to be addressed by the management of the mowing service. Thank you very much for your compliance.

## Board of Directors - Gene Arend

---

On December 1, we bid a farewell to two directors who have completed their terms in office. We extend our gratification for the two years that Jim McBride and Joe Daley have given to our community. They have dedicated many hours in service to our community. New Directors were installed at the annual meeting. They were Ray Jablonski, Andy Philyaw and Gene Arend. The new officers and areas of responsibility can be found inside the first page of the Media. It was noted this is the first time in many years the Board of Directors are all full-time residents. As always, we will appreciate you respecting some free time for all directors. Please limit any calls after 9 PM and before 8 AM to emergency situations. While it might be important to you, if it is not a threat to property or residents, the issue can be best discussed during the day hours. Also reserve Sunday as a day for rest and family. It's likely the only day they have to recharge themselves. We also appreciate your support and recommendations or suggestions. You can contact any director by E-mail using their first name @mybriarcreek.com.

## Next Board Meeting - Gene Arend

---

The next Board meeting will be held Wednesday, January 7th at 7 PM. The agenda for the meeting will be on the bulletin board and online at our Briar Creek website [www.mybriarcreek.com](http://www.mybriarcreek.com). Even if there are no agenda items, the meeting will become a town hall meeting format for our residents who can not attend the morning meetings. Of course, all residents are welcome to have the opportunity to provide constructive suggestions or concerns about the needs of our community. We are looking into a small portable sign to display on the lawn in front of the clubhouse or main entrance, notifying everyone when there is a board meeting. The sign will simply state "Phase I Board Meeting Wednesday (either 10 AM or 7 PM)" and will be displayed as soon as possible but at least by Sunday before the scheduled meeting.

## Inspections – Linda Miller and Pat Arend

---

**W**e are in the process of assembling our teams for the annual inspections of Briar Creek Phase I. We are looking for volunteers to make up our teams of two. We will meet with the teams in advance to review the procedures and expectations. Each team usually is assigned an area to inspect which might take 60 to 90 minutes to complete the inspection. The inspection is broken into two major areas (roughly north and south of Briar Creek Blvd) and conducted the first few months of 2015. The teams perform the inspections at their leisure reporting the results to Linda. Some teams may have time available to be assigned one area while others can do multiple areas. The more volunteers we have allows us to share the responsibility. Please contact Linda or Pat if you have the time to volunteer.

## CPR CLASS, PHASE 2

# PERSON OF THE YEAR

Joe Guizzerotti

Person of the Year 2014

Joe Guizzerotti, affectionately known as "Joe G.," is Briar Creek Phase 1's **"Person of the Year."**

In 1992 Joe and Annie Guizzerotti moved to Briar Creek. As the story goes, the couple came very close to moving into another local mobile home park, but, luckily, fate stepped in and, fortunately, for Phase 1, they settled here.

Joe is the local "Go To" person, from sign posts, water leaks, clubhouse concerns, and all the issues that can arise daily; he has the answer, as well as the willingness to help anyone with any problem. Not only does Joe always lend a helping hand, he does it with a positive attitude. As Sara Lee might say, *"Nobody doesn't like Joe G."* Going out among our residents to get their input on Joe, I was pleasantly surprised to hear the sincerity in each and every remark. Due to space limitations, we can only include the following small sample of the positive comments we received about Joe:

Joe G: "a man for all seasons, a man for all reasons, gives his time and effort to make BC a better place." **David Doran**

Joe ... he was always there to help me whenever I needed help with anything. Always the friendliest smile and very social with all who know him and those who just met him. Thanks, Joe! **Sharon Cann, Phase 2**

The only thing I can think of is whenever Joe and I are on the dance floor together, and we change partners, Joe and I end up together instead of with our partners. We all have a laugh over that 'cause Joe always wants to lead and I will not let him -- lots of fun !!! **Jim Muir**

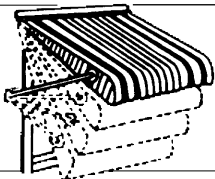

I play Pokeno with Joe each week. It is the most fun when Joe is calling and he say 4 Hafts ( with a Boston accent)! Everyone in the room teases him about this and we imitate him from time to time. Whenever I called him for assistance with lights, keys, etc., he always came – never complained There were very few people here who knew the ins and out of such things in the Clubhouse; and even when he didn't, he worked on it until it was resolved. **Elaine Harsh**

Joe works with Jerry Richter at Joe and Jerry's Cafe before bingo on Tuesday, to make money for bingo needs. Then Joe and Terry are back in the kitchen on Wed. AM at 7:00 to work the kitchen for Wed. Coffee. All summer long he ran the BC store in Dave Doran's absence. Joe also takes care of the Food Pantry, collecting, delivering, etc. What an asset for BC to have Joe! On Sunday night at the Richter's house playing Pokeno, Joe, along with Jerry, keeps the gang amused with their clowning! They keep us laughing the whole night long. **Jean Richter**

Joe is just the kindest and most helpful person I know. And he even goes out of his way at dances to dance with different ladies that don't have partners to give them a chance to dance a couples dance. I think that is just so sweet. There are not many men that do that enough, and

even though he has a wonderful dancer as a partner, he still does it. What a gentleman, and what a good dancer he is too!! I just find that Joe fills in when or wherever anyone needs him for anything or any event, and he is the busiest person in BC that I know of. He has certainly done so much for our community and also for others for so many years. **Alice Hall**

Both Ray and I find Joe to be a very religious and caring person both in church while ushering and outside, he is always there to lend a helping hand. Joe is one of the first to offer his condolences by sending a Mass card if someone is convalescing. His Christmas card is the first one that we receive each year. Joe is always visible when there is work to be done. He has a great personality and everyone enjoys being around him because he is so uplifting. Hope you get the feeling how we perceive Joe. **Evelyn Costigan and Ray Pillon**

Joe was a regular helper each week at bingo selling the markers, tape, etc. Each week I would jokingly ask him if they were having a sale on anything and he would immediately quote me a price which was higher than normal. He wouldn't even give me a senior discount. This always made for some fun and laughter between us. Joe is a great guy and always pleasant and fun to be around. **Dot Bourdon**

Joe was one of the first people to stop by to welcome us to Briar Creek. **John & Lynda Pickering**

You can find Joe almost anywhere and you never see him without a smile on his face. **Marge Grohskipf, Phase 2**

Always there when you need him; a good friend to have. Joe always rings the bell! He's good people. **Jack Dennis**

He's just a nice person; always has a smile. **Lois Heisdorf, Phase 1**

He's willing to help anybody, any time. **Darlene Beyer, Phase 2**

Very caring and considerate, especially during my cancer treatment. Annette Lemieux

I could call on him anytime for anything. **Peggy Tewelow**

A white-haired sweet talker. Always calls me "darling" in his Boston accent. Marie Thomas

On a Briar Creek bus trip to Savannah, after two very hectic days, Joe and a group of friends, including the two of us, decided to have a quiet dinner. Joe, being the social butterfly he is, squealed about the plan and the "small intimate group of friends" ballooned up to an over-20 person event! **Sharon Philyaw**

Joe is a Marine, just as my husband was. Joe always went to see my husband when he was in the hospital. Once a Marine, always a Marine! **Peach Richardson**

About 9 or 10 years ago we had some visitors from Canada. They were our daughter-in-law and her mother (who is my best friend). We took them to a Briar Creek dance. They were two very attractive, bouncy (yes, there, too) and without escorts for the evening. Everyone knows how Joe G. loves to dance and these two lovely ladies soon found out as well. Joe danced the line dances, the waltzes and the jive with them. They had a great time! They had such a good time that still....to this day....I get asked, "How is Joe – the dancer?" I think we are fortunate to have Mr. Guazzarotti in our community. He is a stellar personality. **Pauline Hoad**

What a guy! He gives 50% to Briar Creek; you know where the other 50% goes. Joe G. is Joe Good! *Jeanne Kmiec*

Those who live in Briar Creek know what a hidden treasure our community is; Briar Creek runs on enthusiasm, sharing, and one other important element -- volunteerism! Joe Guizzerotti is a person who not only understands that ... he lives it. Joe has served on the Board of Directors in the past, he has pitched in to help erect street signs and mail boxes, and now handles coffee every Wednesday morning. Joe handles the charity donations, and he spruced up the collection box with a "ringing bell" and, if you've noticed, instilled a contagious generosity among our residents. During the years Joe's lived here, I would venture to say he's done just about every task that needs to be done, at one time or another.

So as 2015 begins, we are proud to honor our Person of the Year for 2014, Joe Guizzerotti! Thank you, Joe, for everything you have done in the past and for all the good deeds you will do in the future. Congratulations!

# New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

## Annual Bazaar - Dave Doran

The 2014 Bazaar was a great success; we had great weather and so many great people who gave so much of their time to help make this a success. I have put a manila envelope on the bulletin board so people can put suggestions or comments regarding the bazaar. This year we tried some new things and got so many nice comments regarding some of the changes, but maybe many of you saw things we can improve on and think about for next year.

The important thing to remember is that like retail stores, venues like garage sales and bazaars can be affected by all the venues on the web, e-bay, craig's list, amazon, and probably some we have not even heard of. All said and done, between the bazaar and the store whose dollars fund the Social Club, the combination did just about \$5,555, almost a thousand dollars over last year. If what was said holds true, many departments had less goods this year than last; we made more on less and that is a good thing. Just how bazaar was all of this? Thanks from the bottom of my heart for all the help.

Below are a few pictures of the event:

## Thought for the Month

---

It's only when we truly know and understand that we have a limited time on earth - and that we have no way of knowing when our time is up, we will then begin to live each day to the fullest, as if it was the only one we had.

How about we start off this New Year with a meal that we all love, namely the new menu offerings at Olive Garden? We have not been to this restaurant in quite a long while, at least, not as a group, and I hope you look forward to this as much as I do. Let's have a big New Year's turn-out on Wed., January 21st.

Since this article is due before our annual Christmas Party, which is tomorrow, I am hoping for a good attendance. Our speaker for our January 6th meeting will be Carole Ware-McKenzie, from Harmony Home Health, who will speak to us about Home Safety Check fall prevention. (Staying balanced inside and out). One of our members suggested that I contact her. She was very impressed with her. So please plan to attend. I would love to see more of Phase I ladies join us. The sign-up sheet will be in the hallway in Phase I and II. Remember to bring a \$1.00 for 50/50.
