BOARD BUSINESS

Lawn Mowing - Barbara Pesic

Starting in April, mowing will occur weekly (every Friday) through the month of September. A reminder regarding the weekly mowing service that starts in April: should weather prevent the completion of a mowing service, mowing will occur on the next scheduled mow date (the following Friday).

Mowing will occur on the following Fridays: March (3/6) and March (3/20), April (4/3, 4/10, 4/17, 4/24).

Handling Grievances

Should you have any problems with the mowing service, please advise Barbara Pesic via phone or email. It is requested that residents not give verbal instructions to the mowing crew. All complaints are to be addressed by the management of the mowing service. Thank you very much for your compliance.

Important Things to Remember – Gene Arend

If you are making changes to the exterior of your property, you are required to complete an Architectural Control Form first to obtain approval -- even if those changes are minor, or include changing out Windows or painting your property with a color that exists in the community. And, even though those type of changes have prior board acceptance, it's still necessary to complete the form. I understand there is an element of bureaucracy, but in order for us to maintain consistency with our documents in the event of a legal issue, we need to record

and file the document.

If you are selling your property or leasing the property, there is a Sales/Lease Application form required by the association documents. Again, this may seem bureaucratic too, but in order to maintain an accurate roster and meet the Federal Housing Act that grants us the 55+ community, the form is necessary. We have Linda Miller and Pat Arend available to greet all new residents prior to closing or leasing. Linda & Pat represent the Board of Directors and will sign the Title Transfer Authorization form required by the Title Company prior to closing. Failure to complete the process could delay the closing.

Both forms are available online on the www.mybriarcreek.com or in the bins outside the director's office. Your cooperation will help us maintain the community you all expected when you purchased your home. If you are leasing seasonally with repeat residents and/or prior residents, inform Linda or Pat who can retrieve the original application. This will then expedite the process and update our records.

Owner's Classified - Briar Creek Webmaster

Do you have an item for sale or services available? The www.mybriarcreek.com website list products Briar Creek owners have for sale, as well as services they can provide. Also this page displays comments, satisfactory and unsatisfactory, on vendors they have hired. This is your ideal source on owner sales and services. If you have something to sell or information on a vendor, contact webmaster@mybriarcreek.com.

Are You Looking To Rent?

If you are planning to lease your property either for the winter season or on an annual basis, then contact webmaster@mybriarcreek.com. I receive several inquiries each month from prospects looking to lease in Briar Creek.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

Changes are Afoot in our Community

A new unit is being constructed on the corner of Cypress Drive and Briar Creek Boulevard. It's always exciting to see Briar Creek being updated, not only with property renovations, but home replacements as well. As you can see from the picture below, people are already gathering to see the ongoing activity. From left to right is Jeanne Kmiec, Madelyn Geigenmiller, and Margaret Hopkins.

A Fish Tale!

Lisa Hall (on right) with her roosterfish.

Pictured is Lisa Hall (Don Hall's daughter-in-law) on the right, along with the first mate on a recent fishing boat trip in Costa Rica. Lisa is holding the tail of a roosterfish that must be at least four feet long! After battling the fish for 1/2 hour before reeling it in, Lisa looks pleased with her catch. Congratulations, Lisa, great job in landing this magnificent 50-lb. fish.

The roosterfish is a game fish found in the warmer waters of the East Pacific from Baja California to Peru. It is distinguished by its "rooster comb" -- seven very long spines of the dorsal fin. Roosterfish can reach over 5 feet in length and over 110 lbs. in weight. The fish is popular as a game

fish, but it is not considered a good eating fish.

Photo Correction

Last month's issue contained a picture taken by Liz Raucci. The two birds in the picture were identified as "storks." In actuality, they were Sandhill Cranes. Thanks, Jody Larson, for catching this error.

This month, on March 18, we will be going to an old stand-by, Tiffany's Restaurant, on Hwy. 19 No. in Palm Harbor, the usual time, 1 p.m. Hope to see you all there.

Carol Smitley - President

I think all of us received some valuable information from Deputy Skipper last month regarding Identity Theft. He warned us about the dangers of using the ATM machine and to be careful using our credit cards. His recommendation- **DO NOT USE** an ATM machine. The March meeting will be our annual style show by BonWorth. We have three volunteers from Phase I and three from Phase II to be our models. The sign-up sheet will be in the hallway in Phase I and II. Also need volunteers to bring dessert. Remember to bring a \$1.00 for 50/50 and if you haven't purchased your membership ticket the cost is \$2.00.

In order to have the style show start at 1:00, we will have our dessert and coffee at 12:30. The meeting is March 3rd, mark it on your calendar.

Travel Club

Billie Ann Berry

Sign up for the Tunica/Memphis trip March 22 thru 28, 2015. Price is \$477 and it is a well planned bus trip. Don't miss out.

Continued on page 29

Also, check out the Cruise from Tampa to Eastern Caribbean January 21, 2016 on Royal Caribbean's Vision of the Seas for 9 nights.

It will be sailing to Key West, Philipsburg, St. Marten, San Juan, Puerto Rico and Labadee, Haiti, starting at \$801 Inside. Sounds like

a good trip , but don't take too long to think about it or it will be gone.

Check the Bulletin Board in the Clubhouse.

We have planned an Ed Fletcher's Early Bird Dinner Theatre for March 14, at 11:00am. The play will be "Caught in the Net" and it's still only \$32.00 for the play and a wonderful Buffet lunch. They now have a full bar so you don't have to bring your own. Sign up now.

For your information, Tuesday, March 24 at 1:00pm there will be a Clubhouse presentation by Jean Dorn of Royal Caribbean to

discuss the upcoming cruises offered by Royal Caribbean. Wine and cheese will be offered. Sign up now. All are welcome.

Can't have these trips without your participation. Any questions or suggestions, contact Billie Ann Berry at 727-797-3116.

Monthly Mingle

Jean Williams

March 19th, is the third Thursday of the month, so it must be MINGLE time!

From 430-6 we enjoy good company and good eats. Bring your favorite sharing dish along with your own beverage, also \$1.00 for a drawing. See you on the 19th.

Shuffleboard

Tom Feeley

As we entered February 2015 the Shuffleboard club is currently in second place in the Sterling league. All members of the club are playing extremely well and if we continue to play well, we could find ourselves in first place by the end of the season. As of the closing date for the media, the club has a total of four more games to be played, two away games in February, two home games and the annual tournament on February 25. Upcoming games in March are the home games, March 4 & March 11. We are planning our annual end of the year get together at Cody's Corner of US 19 & Enterprise Road after the home game on March 11. Thank you all for saving your aluminum cans for the club.
