"Have you experienced the **Sunset Appliance** Difference? It's all about our Service!"

FROM THE PRESIDENT'S DESK

As the days wind down toward the coming of summer some of our events will be the last ones until next fall. Our seasonal residents will be heading back north in hopes that they may take just a portion of our weather here with them. Good Luck! But all in all it has been a great winter this year. Our events had record numbers of attendees so we must be doing something right.

The HOA was approached by a group of volunteers that were setting up for an evening event, about the weight and bulkiness of our clubhouse tables. They have to be moved and/or taken down to accommodate different events and it is getting increasing difficult for even two men to move these tables. We did some research and found what is described as a "Table Toter". It is just rolled up and under a table and the table is just tipped onto a platform with no lifting involved. It will store up to 7 tables on the Toter and then just roll them away. Returning the tables to the floor is just as easy. We are in the process of getting approval of the Board to purchase one of these for our clubhouse.

The HOA Board met this month and it was decided that we are going to continue on with our Holiday Events on Memorial Day, Fourth of July, and Labor Day so for those residents that stay with us for the summer, these and additional activities will continue. Your help and attendance will gage the success of these social activities in the future. You are the life line of our community and without our resident's participation activities will fizzle out.

In closing I want to wish snowbirds safe travel and hope your time up north is a pleasant one. Upon your return we will again welcome you back and can't wait to hear all your stories of the great Northern Territory.

Ray Sears – HOA President

PINELLAS COUNTY ANIMAL SERVICES – LEASH LAW

Quoting Sec 14-63 (a) – **No dog or cat shall run at large within the county, as defined under this article. Any person who possesses, harbors, keeps, or has control or custody of any dog or cat which is running at large shall be in violation of this article, regardless of the knowledge, intent or culpability**

It was brought to our attention that the on-street parking near the curve of Guadeloupe and Nassau there have been some “near misses” going around the corner. Please be aware of the parking situation and the possible hazards created when you are parking on any of the streets and be cautious going around corners. We all need to be more alert and careful when driving in the community. Please be safe!!! Thank you. - Management

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

April 2017.....

Boy my pencil is literally brimming with sports news this month. Let's do bowling first. Our Caribbean Isles teams are hanging in there with the Niner's, Awesome Foursome, and Beach Bums holding down the middle of the pack.

How is shuffleboard going, you say? Bob Pesta reports the Caribbean Isles shuffle team finished in fifth place in the standings with **168 winning games**. They were edged out of 4th place by only 2 wins. It was very close. Our most improved player was Ray Duford. He had an increase of .193 percentage points over last year. The doubles tournament was played on February 27th. First place was won by Andy Lebo and Gloria Todd, second place was Richard Boivin & Bob Pesta and third place was Ray Duford & Mike Overton. Overall they were satisfied with their progress and with the addition of some new players, could very well move up in the standings next year.

Switching to golf, on February 24, 2017 on the 15th tee at Largo Golf Course, Rosie

...continued on page 18

Farrow (Lot 154) launched her tee shot majestically into the pale blue sky toward the carpet-like green. Like a finely tuned radar command, the ball settled softly on the green and rolled INTO THE CUP!! That was Rosie's first hole-in one. Congratulations Rosie and we hope you have many more before you decide to hang up the sticks.

On Sunday, February 26, 2017, the Golf Committee held their 5th Charity Outing to benefit Wounded Warrior Foundation. The weather was delightful and the golf was splendid. Although final figures are not yet in, a substantial amount of money was raised. There are many thank you's to be spoken. First and foremost, the Committee would like to thank all Caribbean Isles residents, Boca Ciega residents, friends and family for supporting the basket raffles. These raffles provide the bulk of our donation. Once again, all winners were Caribbean Isles residents. Toni Pesta (Lot 342) won the wine basket, Cheryl Meyer (Lot 359) won the liquor basket, and Ed Demps (Lot 176) won the combination wine and liquor basket. Thanks also go to those that contributed bottles for these baskets as we were able to package up 3 of them again this year. Thanks to Dave & Claudia Hartsell for donating place mats for the dinner and also to Ed & Pat Marchant for donating prizes for the special contests. Thanks also go to our pizza providers, Jim & Bonnie for providing another delicious pizza dinner. And finally to all vendors and establishments who contributed prizes for our event. Thanks to our Solicitor General, Dart Williamson (Lot 92), for running around to all these places and getting prizes although he will probably tell you, it's not all that much work, but a lot of culinary pleasure.

Our winners were:

1st Place (Tie) -6 Tom Connely, Bob Loveman, Larry Milobowski, Gary Arrand

Verne King, Rich Curran, Tom Schultz, Dick Panowich

2nd Place (Tie) -4 Al Meyer, Cheryl Meyer, Henry VIII, Tom Matthews

John Johnson, Jim Pietrocarlo, John Lynch, Pat Young

3rd Place (Tie) -2 Bob Hardy, Joan Hardy, Pearl Williamson, Dart Williamson

Dave Olsen, Dave Onley, John Semmler, Ken Bray

Thanks to our Committee for putting on another strong event:

Neal & Sue Alexander, Al & Cheryl Meyer, Elaine & Jerry Eckert, Jim Pietrocarlo, and Dart Williamson. We hope we can count on your support again next year.

And now for sibling and family news:

Sue and Ray Sears' daughter, Holly, a civics teacher, who we read about last month for her athletic abilities, has added a scholastic honor to her resume. She was voted "Teacher of the Year" for Farnell Middle School in Tampa and now has a chance to be selected Teacher of the Year for all of Hillsborough County Public Schools. Good luck, Holly.

Craig and Jeanne Muncaster's grandson, Daniel, was accepted to West Point. Boot Camp starts in June. Enjoy your free time while you can Daniel. There won't be much of it after June. Good Luck on the first step in your career.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Quotable Quotes:

A report says Americans will bet \$10 Billion on March Madness, with only 3% of that legal. Although most businesses don't mind the illegal activity as it keeps their workers away from Internet porn, online dating and posting all day on Facebook.

– Jim Barach, Political Humorist

Answer to Last Month's Trivia Question:

NBA pro basketball star LeBron James has "The Chosen One" tattooed across his back. This name was given to him by Sports Illustrated while he was still in high school. Scoop "shoutouts" go to Bob McAuliff (Lot 57), Ray Sears (Lot 207), Roxann Turner (Lot 209), & Denise Chittle (Lot 247) for correctly guessing the answer.

This month's "Where in the World is "Scoop"?"

- Started in 1973.
- Going to the dogs.
- Only in Alaska.
- Blizzards here aren't milkshakes.
- You can't eat this mush.

Try 'creative procrastination' to find ideas

Time management experts warn about the dangers of procrastination, but some creativity specialists actually encourage it—as long as you do it right.

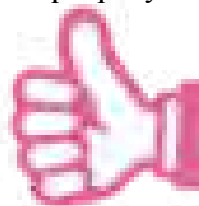

When you're trying to solve a problem or develop something new, don't dive right in. Work on something else while letting your mind work, consciously and unconsciously. Let your ideas mature on their own. Don't be afraid to wait for the last minute. Sometimes the pressure of an imminent deadline can force your mind to generate something exciting and creative that you wouldn't have come up with earlier.

Adjust your outlook for success

Success depends in large part on having the right attitude. You can make an impact with three basic habits:

- Focus on the bright side. Emphasize what you enjoy about your job and the people you work with, and express your enjoyment as much as you can.
- Turn negatives into positives. Don't obsess over obstacles and setbacks. Treat failures as an opportunity to spot mistakes and move forward.
- Move quickly. Don't waste time when you've got a problem to solve or an idea to put into action. A rapid response gets attention and builds excitement.

What goes up . . .

Isaac Newton may have formulated the laws of motion and the theory of gravity, but on the stock market, he was just as fallible as anybody. As reported on the Business Insider website, the famed mathematician owned shares in the South Sea Company, at the time (1720) the hottest stock around. When he got worried that the market was getting out of control, he sold his shares for a 100 percent profit of £7,000.

Smart, right? Unfortunately, a few months later as South Sea's stock continued to skyrocket, Newton went back in and bought up a parcel of stock at a much higher price. He ended up losing £20,000—about \$3 million in today's money. He was so upset that for the rest of his life he insisted no one speak the name "South Sea" in front of him.

Did you know that April is also...

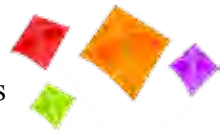

ASPCA Month. The American Society for the Prevention of Cruelty to Animals was the first humane society established in North America, and today it's one of the largest in the world. The ASPCA's mission, as stated by founder Henry Bergh in 1866, is "to provide effective means for the prevention of cruelty to animals throughout the United States."

Global Child Nutrition Month. Sponsored by the Global Child Nutrition Foundation, whose mission is to expand opportunities for the world's children to receive adequate nutrition for learning and help them achieve their potential. "We envision a future where school meals sustainably nourish all children and help them, their families, communities, and nations to thrive," reads its vision statement.

National Autism Awareness Month. Launched by the Autism Society nearly a quarter-century ago, this event is a nationwide effort to promote autism awareness, inclusion and self-determination for all, and assure that each person with autism spectrum disorder is provided the opportunity to achieve the highest possible quality of life.

National Kite Month. Every year in April, kite enthusiasts across North America celebrate the history and the future of the world's favorite pastime by letting their kites fly. April was chosen as National Kite Month because as the first month in spring, it's when most kite fliers are starting to bring their kites out of the closet and prepare for warm weather and summer fun.

National Youth Violence Prevention Week, April 3-7. A campaign to raise awareness and educate students, teachers, school administrators, counselors, school resource officers, school staff, parents, and the public on effective ways to prevent or reduce youth violence.

National Robotics Week, April 8-16. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology affects society, advocate for increased funding for robotics technology research and development, and inspire students of all ages to pursue careers in robotics and other science, technology, engineering, and math-related fields.

Animal Care and Control Appreciation Week, April 9-15. A week of appreciation and recognition for the hard-working men and women who risk their lives and devote huge amounts of personal time and resources while serving the public as well as animals in need.

Money Smart Week, April 22-29. Money Smart Week began as a coordinated effort of the Money Smart Advisory Council, a diverse group of more than 40 Chicago-area organizations working together to promote personal financial literacy.
