FROM THE PRESIDENT'S DESK

Greetings from my home, same place I was last month and the month before and the one before that. Like you I can't wait for this to pass but I guess it's going to take a vaccine. I hope it gets here before the first hurricane but that's probably not going to happen, so the next thing you need to do is prepare, prepare, prepare. This is much different than other years, I don't think any of us want to depend on a shelter with hundreds of other evacuees. You need to now think of a friend or relative that has a solid home where you can camp out for a few days in the likely event we are evacuated. There are several hotels up and down Ulmerton, East Bay and Gulf to Bay but it's also a possibility that they too have to shut down if Pinellas County is evacuated. In these unsure times it is important that you gather your needed supplies and keep them on hand because you have just witnessed how fast necessary items can disappear off the shelves. With that said, we are slowly trying to return to some sense of normalcy. The Clubhouse has been opened to small gatherings and the pool is open to full

capacity with somewhat limited hours. The pool table is open and small groups may play cards. It might be a good idea to let the office know if you intend to set up a card game so they can let you know if there are other groups scheduled for the same day or evening. Remember, as for now, the clubhouse and pool close at 8:00 PM. We have recently met with general contractors who we have brought in to give us estimates on how to bring our clubhouse kitchen up to county Health Department codes. We are looking to installing a commercial dishwasher, a hand wash sink, a mop bucket dump station and several other upgrades in order to meet Health Department requirements to be able to handle and process food from our kitchen. Also at least one person has to obtain a Certified Food Protection Manager certificate. I took the state course and passed the exam to fulfill this requirement. We hope these upgrades can be done so we can continue cooking for Bingo and other events. Please do everything you can to protect yourself from this terrible virus that has been attacking our country. I am happy to announce, as of this writing, there are no known cases of COVID-19 in the Caribbean Isles. Let's keep it that way.

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

**Don't hesitate when it comes to getting
emergency treatment.**

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

CLUBHOUSE UPDATE

Dear Residents,

There are several exciting updates regarding our Clubhouse you need to know about! Like almost everything else in life right now, there are extra rules and restrictions that apply.

Clubhouse Reopening – As you are probably aware, the clubhouse has reopened for resident use for activities such as cards, billiards, etc. Resident hosting activities must get approval from management prior to hosting activities and these events will be approved on a case by case basis until further notice. The following restrictions will also be in place until further notice:

NO GUESTS – no guests permitted to use the pool, shuffleboard or clubhouse

NO FOOD OR DRINKS – may be served during activities.

LIMITED SEATING – clubhouse occupancy shall not exceed 50

APPROVAL REQUIRED – Resident host will be required to advise manager of their plan to comply with the following:

- Limit participation to residents only
- Maintain CDC social distance guidelines of participants
- Disinfect the area before and after use (supplies will be provided).

Residents who intend to use the clubhouse must call or email the community office at (727) 584-6400 or Caribbean.isles@newbymanagement.com to get approval prior to your gathering.

Golf Cart Parking - Work has been completed to greatly increase golf cart parking! This expansion will provide an organized, safe golf cart parking and walking area. Work on refurbishing and resealing the clubhouse entrance has also been completed.

Community leadership continues to monitor this ongoing health emergency as well as take any and all necessary safety precautions as directed by the authorities. Once we feel we can safely reduce or eliminate restrictions currently in place, we will do so as quickly as possible.

AUGUST LAWN MOWING SCHEDULE

The lawn mowing dates for the month of August, 2020 are:

Monday, August 3, Monday, August 10, Monday, August 17,

Please remember, these dates are subject to change depending on the weather and with management approval. As always, check Spectrum cable Channel 732, your email, or the Clubhouse bulletin board for changes.

DID'JA KNOW??

Not too long ago, most American households subscribed to a newspaper, watched the news on one of three networks, and maybe read a newsmagazine. Which meant most of us got a consensus view of the world each day. As of 2018, however, only 16 per cent of Americans read a printed newspaper. While TV remains a major news source, it is spread over far more stations with vastly different coverage and perspectives. But the biggest change is how our news coverage has shifted online; today about half of Americans get the news from Facebook, the world's largest social media site.

SUNSHINE

Blanche Onley, 584-7372, is our sunshine person for the park. She requests that if your family members, friends, and/or neighbors fall ill, have been hospitalized, sent to rehab, or have passed away, that you let her know so she can let them know we support them as well as yourself, and will keep them in our thoughts and prayers.

Get well cards were sent to:

Cecile Turner-----Passed away

THANKS TO ALL

I would like to thank everyone for their kind expressions of sympathy shown to me after Jerry's passing. Your support at this difficult time is very much appreciated and a great comfort to me and will always be remembered.

Gratefully,
Elaine Eckert

GOOD-BYE.....HELLO

Our Media carriers will undergo a change beginning with the August delivery. Mike Geary has informed me that he will no longer be delivering the Media. I want to thank Mike for his 7 years of volunteerism and wish him well. Taking over for Mike will be Cindy Johnson. You may have seen Cindy as she is a "walker" and frequent pool visitor. If you see her on her route, please acknowledge and thank her for volunteering. Let me be the first to say thanks, Cindy. If there is anyone else in the community willing to take on a once-a-month exercise routine and meet some new people, let me know. Right now, we have enough carriers but as you saw with Mike, it is always good to have backup. Call me at 581-1334 or drop me an email at nilerivers@gmail.com.

GOOD TIMES SOCIAL PLANNERS NEWS

The Good Times Ladies plan on resuming meetings the first Wednesday in September to begin to plan the season's events. Any lady in the Park is invited to attend. If you are new to the Park this year please consider joining our group. Our main focus is to plan and execute social events that all can enjoy for a low cost to you. These events, for example, are Dinners, Shows for entertainment, Christmas Events, Golf Cart Poker Runs, Horseraces, Rummage Sales, etc. Good Times ladies volunteer to assist the Chairperson of each event. Help us plan new events for a fun next season.

AUGUST GOLF CART POKER RUN

August 8th will be our next Golf Cart Poker Run if COVID-19 cooperates. For questions call June Salvato at 727-430-4233.

LADIES LUNCHEONS

We will wait to see how this virus plays out before we decide on future ladies luncheons. Restaurants are open now with certain restrictions to ensure everyone stays safe. Social distancing would need to be followed and masks worn, following the state's recommendations. We will have a discussion about our luncheons at the September meeting to hear everyone's opinion about attending a luncheon. We want everyone in Caribbean Isles to stay well.

CARIBBEAN ISLES RESIDENTS SHINE AGAIN

Hi, I'm Kate and live at #395. Last week I had an accident on my bike, fell, and broke my hip. The reason I wanted to mention that in this newsletter was because I wanted to express my thankfulness for living in Caribbean Isles.

As I laid there, in front of my home, wondering if I should try and get up, I KNEW that if I just stayed there, the next person that came across me would help. That was the thing that kept me in place. Sure enough in less than 10 minutes, a couple out walking from the other side of the park found me.

We are in the middle of COVID-19 and none of us had masks, but the man got the bike off me and put it out of the way. They didn't have a phone but the next person did. She called 911 and spoke with the dispatcher. The man that moved the bike knocked on the door of my neighbor I pointed to. My neighbor got me a pillow for my head and dusted off the ants that crawled on me. They stayed with me until the ambulance came.

I asked my neighbor to collect my purse and a few other things from my home and she even remembered to get my keys and lock my house. Something I hadn't even thought about. My keys made me look at my car and I said "Oh". My neighbor immediately said, "I will come get you when you're ready to come home, or go with you now if you need me."

To most people who live in this park, this story won't come as a surprise. But it is special and I believe we need to celebrate the kind and caring people we are. It's a social norm we share, but it is no longer a given in this world. I was able to stay calm and get the help I needed because of where I live and because I knew I could depend on those around me.

Since coming home, everyone, and I mean everyone, has offered help. My only wish is that this was true in the rest of the world. Take a moment. Pat yourself on the back. Know that I am so proud and thankful to call Caribbean Isles my home and you my wonderful neighbors. To those special people who stopped to help (sorry I have forgotten your names) and my neighbor Kim - thank you from the bottom of my heart.

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

August 2020.....

In the last couple of months I have developed arthritis in my thumbs, carpal tunnel from leaning on my elbows, now I have TMJ from yawning. I am exaggerating of course, but the truth is the sports landscape is changing every day. All the major sports (MLB, NBA, NFL, PGA) are fully expecting to start up in the next 2 months. The PGA has already backtracked by not allowing any fans for the foreseeable future. The LPGA is supposed to hold a tournament here in Bellair in November but whether fans will be allowed is still in question. Golf is still the only sports activity

going on here in the Isles with males and females playing once a week at different venues.

Quotable Quotes:

“With High Definition TV, everything looks bigger and wider. Kind of like going to your 25th high school reunion”— Jay Leno

This month’s groaner:

I do all my own stunts, but never intentionally.

Answer to last month’s Trivia Question:

The longest game by innings in Major League Baseball was a 1-1 tie in the National League between the Boston Braves and the Brooklyn Robins in 26 innings at Braves Field in Boston on May 1, 1920. The pitchers, each of whom pitched the entire game, were Leon Cadore of the Robins (predecessor of the Dodgers) and Joe Oeschger of the Braves. No one took a gander on this one last month.
