JUNE LAWN MOWING SCHEDULE

The lawn mowing dates for the month of June, 2020 are:

Monday June 1, Monday June 8, Monday June 15, Monday, June 22, Monday June 29.

FROM THE PRESIDENT'S DESK

In these trying times I try to stay positive. It helps with physical as well as mental health. It's all about perspective, "One day or day one, you decide." As we wade through these unprecedented times, there are many things we can be grateful for. Look around you. If you find that you are in need, just reach out. There are friends and neighbors here at the Caribbean Isles that will assist and bring you comfort, but you must ask. Let's take this One Day at a Time, and we will get through this. We have had good results in getting the golf carts registered. Residents have been understanding that the purpose is twofold - first, we can identify carts being used improperly and secondly, you will have information necessary if your cart has been stolen. The next project is the ordering of "Caribbean Isles" shirts. I have found a company in Georgia that has made us a sample shirt with a stitched logo of our community. It is of good quality and in our current color scheme. As soon as we settle down a bit, I will order a batch of these shirts and they will be available at a very reasonable price for all residents. Wear them with pride both around the park and away from the park or wear them to show unity for our sporting teams. Last, but for sure, not least, I want to take a moment to give recognition and thanks to Mark Lind, our Community Manager. He sits behind the scenes steering our community forward in an organized way. He was responsible for setting up a program to contract with Spectrum to get us a great money saving deal. He has coordinated having guest speakers to come in from the Pinellas County Sheriff's Department, along with Fire Rescue and legal Teams to offer advice to our residents. When this current Covid-19 hit, Mark was hard at work coordinating the lock down and eventual implementation of guide lines to gradually open the pool and limited activities. All this and still take care of daily activities, again I say THANKS Mark!! But I'm sure that Mark would also say that none of this would be possible without the help of his team consisting of Sandi, our office assistant, and Dan and Scott, our great maintenance men. So, with all that is going on at this time take time out of your day and say thanks to our Great Team! Remember, "It's a Good Day to have a Good Day." Best of Health to All!!

Caribbean Isles HOA

DID'JA KNOW??

Businesswoman Brownie Wise, who pioneered the concept of Tupperware parties, became the vice-president of the newly formed Tupperware Home Parties in 1951. The company employed saleswomen to demonstrate products in consumer's homes. Wise is credited with transforming a heretofore unsuccessful product (Earl Tupper filed the patent for Tupperware in 1947) into a staple of American Life. And so, the dependency on plastic containers was credited to a woman named "Brownie". I would think she would be credited with naming another product to put into the plastic containers.

2020 HURRICANE SEASON

It's the most wonderful time of the year!! No, not the Christmas season but HURRICANE SEASON! Yes, June 1st marks the beginning of the 2020 Atlantic Hurricane season. Predictions range from 16 storms of which 8 could be major. So we must start making preparations now. All mobile home parks must evacuate so many things need to be done before the storms hit. Block Captains will be around to deliver informational packets on hurricane preparations. In the meantime, follow the guidelines below.

- Start bringing drinking water into your house. Plan for 1 gallon per person per day.
- Avoid shopping when a storm watch is issued. Get it now. Shop for food (Nonperishable items) to last for 3 days is recommended. Avoid stocking up with perishable items.
- Have an evacuation plan in order – if going to a shelter, remember to take important papers, reading material, snacks, any special dietary needs, a folding chair, drinking water and any other needs for personal comfort. If our park sustains damage, you will need to have ID and a copy of a utility bill with you to re-enter the park. If you are staying with a friend, or staying in a motel, take personal papers with you.
- Make sure your car has a full tank of gas. Have cash on hand, small bills. Turn refrigerator to highest cold setting.
- Remember to turn off water, water heater, and store any lawn ornaments, potted plants, and any other lawn items inside where they won't damage other resident's property. Also hanging plants, wind chimes, etc, should be removed.
- Names of places where residents will go to weather out the storm should be given to the office. You may obtain a form or use the one following this article, fill it out, and return it to the office.
- Caribbean Isles has formed a Hurricane Committee and will keep residents informed on cable channel 732, emails, the Caribbean Isles web site (www.caribbeanislesmhp.com), and Facebook. In these times, being prepared for hurricanes must be high priority.

A THOUGHT FROM CHAPLAIN DAN...

Good morning everyone,
I hope each of you had a fairly restful weekend and returned back to the workplace with some renewed energy and ready for another week of what is becoming a very different time for us as individuals and for this country.

My attention was drawn to this Psalm today and I thought I would share it with you: (The words in parentheses are my thoughts)

I will praise the Lord, who counsels me; (Be careful where you go for direction)

even at night my heart instructs me.

I keep my eyes always on the Lord. (Be careful who you look to in times of trouble)

With him at my right hand, I will not be shaken. Therefore my heart is glad and my tongue rejoices; (Be careful to praise God even in troublesome times)

my body also will rest secure, because you will not abandon me to the realm of the dead, (Be always aware of God's promises) nor will you let your faithful one see decay.

You make known to me the path of life;

you will fill me with joy in your presence,

with eternal pleasures at your right hand. (What really matters is what is ahead for God's children, not the here and now)

...continued on page 14

Psalm 16:7–11

If we aren't careful, we will look for strength and answers in all the wrong places during this challenging time. The only place to find truth that is never "fake news" is by going to God and looking in His Word. Know that during this time God has never lost sight of His creation and a day here on earth never catches Him off guard. Look to Him, trust what He is doing and pray often.

Let me know how you are doing. Let me know how to pray for you!

Chap Dan

ON THE MARK.....

If you are not regularly receiving emails from management, please contact the community office so we can get your email added to the list.

The water is great, come on in! We are excited that we have been able to reopen the community pool for resident use! Of course, like almost everything else in life right now, there are extra rules and restrictions that apply. I have been in contact with a number of communities similar to ours and many cannot open their pool as they are unable to comply with sanitization and social distancing requirements. Please know Caribbean Isles would not be able to reopen our pool without the efforts of volunteers and our staff! Please take a moment to thank those who volunteer and whose efforts make Caribbean Isles a great place to live! I want to commend the residents who have been doing a great job being considerate of others so they may enjoy the pool as well.

Golf Cart Registration. For many years, the number of golf carts owned and operated in the community was so few that the long-standing rule was not been enforced. Recently, the number of golf carts in the community has significantly increased. As a result, the community's leadership (Co-op, HOA & Management) agree this increase necessitates resuming the registration carts owned & operated in the community. Several registration events have already happened. Please be on the look-out for the next opportunity to register your golf cart.

A great place to live! Because of the COVID-19 pandemic and the County and state restrictions, I have been watching Pinellas County Board of Commissioners meetings. These meetings are always very long and the seemingly endless debates over simple decisions can be painful to watch (I bet you can't make it through an entire meeting!). Watching these meetings

has caused me to think about how much better our community works together. The various committees (made up of HOA & Co-op) as well as HOA and Co-op boards all work toward the common goal of improving the community. NOTES FROM PINELLAS COUNTY

A reminder to our residents that the method of water treatment for Pinellas County and its wholesale customers will be temporarily modified between Sunday, May 17, and Friday, June 5. The first of two short term changes from chloramine to chlorine disinfection in 2020 is a routine maintenance measure designed to optimize water quality. The disinfection program is designed to maintain distribution system water quality and minimize the potential for any future problems. There have been NO indications of significant bacteriological contamination problems in the system. The water will continue to meet all federal and state standards for safe drinking water. Customers may notice a slight difference in the taste and/or odor of the water during this temporary change in treatment. WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)

GOOD TIMES SOCIAL PLANNERS NEWS

The Good Times Ladies hope to resume meetings the first Wednesday in September to plan the season's events. Any lady in the Park is invited to attend. If you are new to the Park this year please consider joining our group. Our main focus is to plan and execute social events that all can enjoy for a low cost to you. To name a few events are Dinners, Shows for entertainment, Christmas Events, Golf Cart Poker Runs, Horseraces, Rummage Sales, etc. Good Times ladies volunteer to assist the Chairperson of each event. All money taken in after cost goes to the Homeowners Association who in turn plan events of their own for all residents. Help us plan new events for a fun next season.

LADY'S LUNCHEONS

We will wait to see how this virus plays out before we decide on future lady's luncheons. Restaurants have opened now with certain restrictions to ensure everyone stays safe. Hostesses who have signed up for June, July and August and who want to have the luncheon event should contact the ladies who usually attend. Also contact Sue Sears, the Media Representative, and she will email the group.

Group size and Social Distancing would need to be followed, according to the State's recommendations. We want everyone in Caribbean Isles to stay well.

SHOUTOUT

I'd like to say a big "Thank You" to all of our Media carriers who have delivered the Media during this time of uncertainty. Their efforts in sticking to "social distancing" and "contactless delivery" have been outstanding and much appreciated. The Media is delivered free of charge to our park as long as it is delivered to residents by residents. So, no outsourcing allowed. I hope it doesn't happen but there may be a time when one or more of our carriers cannot do their route for whatever reason. We could really use some subs in case that happens. If anyone would like to get some exercise once in awhile along with greeting your neighbors, drop me a line at nilerivers@gmail.com. It only requires 30 to 45 minutes and I deliver the books to your door. I try and sanitize them as best I can without getting them sopping wet with disinfectant. Any questions, give me a call (581-1334). Thanks.

Thank You!

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

June 2020.....

Well I'm starting to get arthritis in my thumbs from twiddling them a little too much. Another month with no sports to report on although the outlook is much brighter with golf starting back up (June 11th), baseball talking about a July 1st restart, and hockey hoping to finish their season in warm weather. And of course, Bucmania is going strong with the addition of "The Gronk" (Rob Gronkowski) to complement Mr. Brady. I don't know if any one of these will come to fruition but at least the sports rumors are taking our minds off COVID-19.

Here in the Isles, sports are starting to revive a little with the re-opening of Largo Golf Course. Some of our residents are taking advantage of the 9-hole special on Friday mornings. But it would be called a "slow news month" except for Sue Sears submitting a sibling report. Her & Ray's granddaughter, Zynniah, has been accepted into the fall semester as a Freshman to Florida State University. She is waiting to hear if she has been accepted into the Flag Color Guard Unit which she did in high school. Because of the virus, she had to send in videos of her performances. She will major her first year in Literature and hopes to be accepted as a sophomore in Movie and TV Production, as you have to be at least a sophomore to major in that area. She will be having her College Orientation this summer on-line. Let's wish her huge success in her studies so maybe she can produce some better shows than those which we have been subjected to during this time. You go, girl!!

Quotable Quotes:

"The Mailman doesn't deliver on Sunday"...Scottie Pippin of the Chicago Bulls to Karl (The Mailman) Malone just before Malone attempted 2 critical free throws in the first game of the 1997 NBA Finals. Malone was so rattled that he missed the free throws and Michael Jordan wound up hitting the winning shot at the buzzer. This "trash talk" was credited with the Bulls going on to win the Championship.

Answer to last month's Trivia Question:

The "Shot Heard 'Round the World" was a game-winning home run by New York Giants outfielder and third baseman Bobby Thomson off Brooklyn Dodgers pitcher Ralph Branca at the Polo Grounds in New York City on October 3, 1951, to win the National League pennant. Thomson's dramatic three-run homer came in the ninth inning of the decisive third game of a three-game playoff for the pennant. The Giants trailed in the game at one time, 4-1.
