FROM THE PRESIDENT'S DESK

School Days, School Days – This last month the HOA Board Members attended a day long Federation of Manufactured Home Owners of Florida (FMO) training session at Pointe West. We were brought up to date on recent changes in the Florida Statue 723 which governs the rental or leasing of mobile home lots in the State of Florida. Changes and additions happen over time and your HOA board has been updated to provide you with the best knowledge in making decisions affecting our daily lives. I want to thank the Board Members for attending and this is an ongoing training that we will continue to participate in.

I can't remember a winter that the weather has been so great in Florida. The social calendar is full so there is no excuse for residents to stay at home with nothing to do. If you find too many idle days, give me a call and I will find an activity that will keep you busy helping on a committee, social function or participate in one of the mild sport activities here in Caribbean Isles.

Pot Lucks continue in March along with the popular Pancake Breakfast. This last month we had a new high of 116 residents attend the breakfast. The Koffee Klatch also had a large increase in the number of participants so remember this event for March. Is it our residents don't like to cook or is it just plain good food? Bingo has also had an upswing in the number of players though most are from outside of our park. We have added pizza to the items available to bingo players after requests. Food just seems to bring people out along with the chance to win a few bucks.

In closing, I would like to announce that we have been joined on the HOA Board of Directors by Kathleen Dudley who was sworn in to office in February. She has been active for many years on committees, board activities, enrolling new members and ensuring that a quorum has been made at monthly HOA Meetings. Welcome Kathleen!

Ray Sears – HOA President

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

"Have you experienced the Sunset Appliance Difference? It's all about our Service!"

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

March 2017.....

Usually here at Caribbean Isles, the sports atmosphere ramps up during January, February, and March and this year is no exception.

Let's start with Euchre. The players are back at it (See results above) on Thursdays with a high level of competition. This is the only competition where the term "go alone" is a welcome sign.

In Bowling, it looks like the Beach Bums and the Niners are trading places. The Beach Bums, represented by Bob Brun and Ray Duford, and winners of the first half of the season, are now languishing in last place while the Niners, represented by Dick Alexander, Glen Lyday, Kathleen Dudley, and Bob Pesta, are slowly clawing their way to the top. You can't tell this reporter that the calm, calculating demeanor of Kathleen Dudley isn't helping this team. The Awesome Foursome, represented by Wayne and Cheryl Lively are holding down the middle of the pack. Good luck to all those teams

The Caribbean Isles Shuffle Team are also undergoing a Renaissance as they are currently in 4th place, right in the middle of the pack. They are doing much better than last year but that is no surprise as they are fighting to erase their low finish last year. Captain Bob Pesta says congratulations to all the players.

In golf news, the Friday League played their 3rd scramble tournament of the season on Friday, February 10th at Largo Golf Course. A record field of 44 golfers teed off in somewhat cool conditions but enjoyed warmer weather as the afternoon wore on. The winners were:

1st Place: Art Ashcroft, Lauren Ashcroft, Brenda Adamowich, and Ed Demps

2nd Place: Ted Hardy, Dave Onley, Bill Penrod, and Ellen McCauley

3rd Place (Tie): Bob Hardy, Larry Milobowski, Dick Alexander, Pat Marchant
Verne King, Lynda Hardy, Jim Pietrocarlo, Cheryl Meyer

5th Place: (Tie): Neal Alexander, Elaine Eckert, Henry VIII, and Sumner
Israelson

Ray Sears, John Semmler, Bonnie Cash, Joan Hardy

Dart Williamson, John Johnson, Sue Sears, Jerry Lucrezia

In addition, Art Ashcroft won the Closest to the Pin contest.

In sibling news, Ray & Sue Sears' daughter, Holly, ran the Half Marathon (13.1 miles) in Celebration, FL on January 29th this year. She won 1st place in her age group of women, running the distance in 1 hour and 35 minutes. 1400 men and women participated. She has been running half and full marathons (26.2 miles) since moving to Tampa 7 years ago. But the exciting news is when she ran this same race last year, she reached her goal as she qualified for

the Boston Marathon which is April 17, 2017. Congratulations and good luck Holly, we'll be watching for you on TV!!

And in Grandkid news, Sumner Israelson's (Lot 103) grandson visited the park a while ago. He works for Taylor Made and wanted to golf with Sumner at Largo. Sumner asked Al Meyer if he could borrow his old clubs for his grandson. After using them, the grandson generously offered Al a great deal on a new set of clubs.

Sign of the Times: During these days when public service is tough to find, a foursome of ladies (The Buffalo Girls) on the Friday Caribbean Isles golf league at Largo Golf Course, encountered a confrontation with the food and beverage vendor on the 12th fairway that left them mystified. The vendor stated for the 3rd time the rule that all food and beverages consumed on the course, except water and fruit, must be purchased from them because they are losing money. One of the golfers suggested that a reduction in price of some items would help but the vendor stated that the problem is the coolers and secret spots in the golf bags hiding these items, and if it doesn't stop, the ranger will be asked to check for the items. The ladies went back to their game a little uneasy because one of them had a can of Coke and a sandwich bag of chips which they had finished, but all of them 3 putted the hole. The game was ruined but the bright side was the thought remained of a tall, dark, and handsome ranger frisking them for contraband. Also on the bright side, Largo Golf Course reported that that cart vendor has been let go and a new one hired.

Quotable Quotes:

Patriots owner Robert Kraft joined Japanese Prime Minister Abe and President Trump for dinner last week. Although questions may have to be answered after Kraft was seen giving Abe a present of Tom Brady's Super Bowl jersey. – **Jim Barach, Political Humorist**

Answer to Last Month's Where in the World is 'Scoop'?

Scoop journeyed to Churchill Downs in Lewville, Kentucky, home of the Kentucky Derby, the first jewel in horse racing's Triple Crown. Scoop "Shoutouts" go to Al Meyer (Lot 359), Dale Wilkewicz (Lot 214), Bob McAuliffe (Lot 57) and Denise Chittle (Lot 247). I'll have to start toughening these up.

This month's Trivia Question:

What NBA superstar has "The Chosen One" tattooed across his back and who gave him that name?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, you don't have to play a sport good to be a good sport...

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

Fresh or frozen? The choice is yours

Mom may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

Monthly

American Red Cross Month. For more than a century, the American Red Cross has harnessed the generosity of the American people, mobilizing the nation in the wake of disaster. The American Red Cross and its international partners have served during crises across the United States and around the world. During American Red Cross Month, Americans celebrate the nation’s humanitarian spirit and recommit to providing relief and hope in times of crisis.

Brain Injury Awareness Month. Sponsored by the Brain Injury Association of America, which conducts an awareness campaign each March. The theme for the 2017 campaign is “Not Alone,” providing a platform for educating the public about the incidence of brain injury and the needs of people with brain injuries and those in their families.

Music In Our Schools Month. An annual celebration of music educators, students, and communities nationwide, all promoting the benefits of high-quality music education programs in schools. Music In Our Schools Month began as a single statewide event in New York in 1973 and grew to become a monthlong celebration of school music in 1985.

Women’s History Month. Women’s History Month had its origins as a national celebration in 1981 when Congress requested that the president proclaim the week beginning March 7, 1982, as “Women’s History Week.” Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as “Women’s History Week.” Since 1995, Presidents Clinton, Bush and Obama have issued a series of annual proclamations designating March as “Women’s History Month.”

Weekly

Professional Pet Sitters Week, March 1-7. An annual observance that honors professional pet-care providers, seeking to educate the pet-owning public about the advantages of professional in-home pet care and encourage pet-loving entrepreneurs to explore professional pet sitting as a viable career.

Dental Assistant Recognition Week, March 5-11. Dental assistants are a key part of the dental practice year-round. During Dental Assistants Recognition Week, dentists in the United States and Canada celebrate by honoring their dental assistants for the variety of duties they perform and helping them provide patients with top-quality dental care.

Women in Construction Week, March 6-12. The focus of Women in Construction Week is to highlight women as visible members of the construction industry. The National Association of Women in Construction’s thousands of members across the country raise awareness of the opportunities available for women in construction and emphasize the growing role of women in the industry.
