## FROM THE PRESIDENT'S DESK

---

**T**hey say that September is the beginning of the fall season. They could have fooled me. I'm not sure about our Northern residents but it is the new normal to see the outside thermometer hit 95 – 97 degrees every day. The afternoon thunder storms cool it off for an hour but it climbs right back up and this time with 100 % humidity. Oh, well that's life in the Caribbean Isles.

I can't stress it enough for you to ready your home and property for the inevitable hurricane season. Have the number of several local hotels written down and make reservations early, you can always cancel. People residing on the beach side of the intercostal are often under mandatory evacuation and they will be looking for hotels also so act fast.

The plans for the clubhouse kitchen update are coming along. We have decided to install stainless a steel counter top in the sink area. This will enable us keep the surfaces clean

*...continued on page 6*

and sanitized. Also, we are looking at different ways to increase storage areas. When all modifications are complete, we will notify the Pinellas County Health Department to come in and inspect our kitchen. Then we can request a permit to serve food to our residents following proper food handling guidelines.

Once again, please follow all guidelines, wear masks, and social distance yourself to reduce the chance of contracting this horrible Covid-19 virus. Apparently, you are doing a good job because as of this writing we have not had any reported cases in our community. Stay safe and we will meet and greet when this is over with.

Ray Sears, President  
Caribbean Isles HOA

Tom "Broccoli" Landers holds the current world record for eating 1 pound of broccoli in 92 seconds. I'm guessing he was just a "regular" guy.

## GOOD TIMES SOCIAL PLANNERS NEWS

---

The Good Times Ladies were tentatively planning on resuming meetings in September to plan the season's events, but no permanent date has been set. Because of Covid-19, we are now waiting for things to open up a bit before we can plan for any events in the clubhouse. Watch Channel 732 and/or your emails and the Media for further news on when we can plan and hold large events in the community. I wish for a Magic Wand to tell me when this all can once again begin. The good news is that the kitchen is going to be remodeled!

## SEPTEMBER GOLF CART POKER RUN

---

Hurray!! We have one event going again with certain restrictions. The popular Golf Cart Poker Run! It is an all outdoor activity wearing a mask. For newcomers with a bicycle or golf cart, it goes like this: On the second Saturday of each month line up your ride in the driveway at the Clubhouse at 10:45. June Salvato will collect \$5.00 for each entry. Seven houses in the Community will have a deck of cards. You will follow the leader to each house, parade style, and receive one card from each deck. Once you return to the Clubhouse driveway you will stay in your cart and June will ask who thinks they have the high poker hand using five of your cards. That winner will receive 60% of the pot. The low hand winner will receive the other 40% of the money. All money goes back to the winners. But wait! There's more! This year we will be doing a \$5.00 50/50 chance for those who want to play. 50% will go to the winning person and the other 50% will be given to the HOA fund to help with future events. The results of the August Poker Run were as follows. Hum and Ardith Ammeter won the high hand with a flush winning \$33.00. Sue Sears won the low hand with a pair of fours winning \$22.00. The next Poker/Bicycle/50/50 Run is Saturday, September 12th at 10:45. We leave the Clubhouse at 11:00 AM. It takes us about ½ hour to do the run. For more information call June Salvato at 727-430-4233.

## LADIES LUNCHEONS

---

We will wait to see how this virus plays out before we decide on future ladies' luncheons. Restaurants are open now with certain restrictions to ensure everyone stays safe. Social distancing would need to be followed and masks worn, following the state's recommendations. We will have a discussion about our luncheons at our next meeting to hear everyone's opinion about attending a luncheon. We want everyone in Caribbean Isles to stay safe and well.

## DANCE COMMITTEE NEWS

---

**W**e are hoping by November that we will be able to resume scheduled shows and dances due to the Coronavirus.

The Dance Committee has scheduled the following shows and dances for the 2020/2021 season here in Caribbean Isles. The cost of the tickets will vary according to how much the entertainers charge us. They should vary somewhere between \$8 and \$10. We have booked some very popular entertainers that we hope all of you will enjoy. Days and Times will vary.

# GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

## September 2020.....

I'm so glad that we here in the Isles don't have to worry about the sports landscape like our high school, college, and professional leagues do. Pro basketball and hockey are operating somewhat out of a "bubble atmosphere" where outsiders are not allowed in. PGA golf and baseball are functioning but under social distancing procedures (somewhat) and with no spectators. High school, college, and pro football are a mess with no one offering a clear-cut plan to function. All of the pundits are not in favor of playing football at all until a breakthrough is made with the virus. No matter what happens, Scoop will be on it and as soon as I find out about it, you'll know about it a month later. When it's news in sports, it's news to me.

## Quotable Quotes:

"I don't know much about grammar, but I think kale salad is what they call a 'double negative' " – Jim Gaffigan, stand-up comedian.

## This month's groaner:

After all is said and done, more is said than done.

## Answer to last month's "Where in the World is Scoop":

I wish I could have physically visited this place but the budget wouldn't allow it so I went virtually. Scoop was in beautiful Lake Tahoe on the border of Nevada and California. Scoop "shoutouts" to Sue Sears (Unit 207) and RoxAnn Turner (Unit 209) who guessed correctly where it was.

## This month's Trivia Question:

In the 1930's, what Midwestern city was referred to as "The Paris of the Midwest"?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, when it's news in Caribbean Isles, it's news to me.

## September Daily

---

**N**ational Wildlife Day, Sept. 4. Also celebrated on Feb. 2, National Wildlife Day serves to bring awareness of endangered animals nationally as well as globally.

**Labor Day, Sept. 7.** A day off and a day to pay tribute to working men and women.

**National POW/MIA Recognition Day, Sept. 18.** This honors those who were prisoners of war (POWs) and those who are still missing in action (MIA). It is most associated with those who were POWs during the Vietnam War.

**Rosh Hashanah, Sept. 18–20.** The Jewish New Year and the traditional anniversary of the creation of Adam and Eve, the first man and woman according to the Hebrew Bible, and the inauguration of humanity's role in God's world.

**World Alzheimer's Day, Sept. 21.** An international campaign to raise awareness and challenge the stigma that surrounds dementia.

## The history of Labor Day

---

**L**abor Day is a creation of the labor movement, a yearly celebration of the American worker, and a national tribute to the laborer's contribution to the social and economic achievements of the United States. There is some uncertainty about the origins of Labor Day. Some records show that Peter J. McGuire, general secretary of the Brotherhood of Carpenters and Joiners and a co-founder of the American Federation of Labor, was first to suggest a day to honor those "who from rude nature have delved and carved all the grandeur we behold." Other research suggests that machinist Matthew Maguire, later the secretary of Local 344 of the International Association of Machinists in Paterson, N.J., proposed the holiday in 1882 while serving as secretary of the Central Labor Union in New York.

The first Labor Day holiday was celebrated on Tuesday, Sept. 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. In 1884, the first Monday in September was selected as the official holiday. The first governmental recognition of Labor Day came through municipal ordinances passed in 1885 and 1886. The state of Oregon passed the first law recognizing the Labor Day holiday on Feb. 21, 1887. Four more states—Colorado, Massachusetts, New Jersey, and New York—followed suit that same year. On June 28, 1894, Congress passed an act making the first Monday in September of each year a legal holiday in all the states, the District of Columbia, and all U.S. territories.

## September Monthly

---

**B**aby Safety Month. Parents and caregivers have many responsibilities, but keeping their baby safe and healthy is a No. 1 priority. Whether you are expecting your first baby, adding to your growing family, or are a grandparent, this is an ideal time to put into action some simple steps to keep baby safe.

**National Cholesterol Awareness Month.** September is a good month to get your blood cholesterol checked and take steps to lower it if it's high. It's also a good time to learn about lipid profiles and about food and lifestyle choices that help you reach personal cholesterol goals.

**Prostate Cancer Awareness Month.** Prostate cancer is the second-most common cancer in U.S. men. Learn about prostate cancer to start stepping up against it. The “Step Up for Blue” campaign empowers men to take control of their health and encourages their loved ones to support them.

**National Self-Improvement Month.** Is there something in your life that you want to improve? September is National Self-Improvement Month. Usually there is a list of things people want to change about their lives. Many items on that list are often things over which we have no control. Stop dwelling on them and focus on what you can change—you.

## Weekly

---

**S**uicide Prevention Week, Sept. 6–12. National Suicide Prevention Week is the week surrounding World Suicide Prevention Day, Sept. 10. It's a time to share resources and stories, as well as promote suicide prevention awareness. The week focuses on informing and engaging health professionals and the general public about suicide prevention and warning signs of suicide.

**National Waffle Week, Sept. 6–12.** The word “waffle” comes from the Dutch “wafel,” which comes from Middle Dutch “wafele” and stretches as far back as the 13th century. Before that, the French called it “walfre” from the Frankish “wafra,” which meant “honeycomb” or “cake.” No matter what you call it, no one can deny its deliciousness.

**Deaf Dog Awareness Week, Sept. 20–26.** Deaf dogs, like other special needs pets, make wonderful furry family members. Their deafness in no way reduces their potential to bring joy to your life and become a loving companion for your family.

**Banned Books Week, Sept. 27–Oct.3.** An annual event celebrating the freedom to read, Banned Books Week spotlights current and historical attempts to censor books in libraries and schools.

## Craft a story for innovation

**Y**ou have to create a narrative for innovation, according to Michael Margolis on the Your Story website. Margolis, CEO and founder of strategic messaging firm Storied, which specializes in stories of innovation and disruption, has advised clients across 34 industries and 15 countries, including Google, Hulu, and NASA. His advice:

- **Set the context.** Describe the vision you’re working toward. Identify the changes you want to see, and seek out fresh perspectives. Focus on users’ needs. Slow down and avoid complexity. Make your vision compelling.
- **Inject emotion.** Make the customer the hero of your story by describing their desires and dilemmas. Add conflict and suspense. Show the inner and outer characteristics of your heroes and villains to make them real people.
- **Show evidence.** Present the research behind your story—pilot projects, demos, metrics, testimonials and personal stories, and historical precedent. Show how they validate your story and the impact your solution can have.

## Happy marriages spur creativity

A happy marriage leads to greater innovation on the job, according to a study by the Hong Kong Baptist University, reported on Fox Business.

The study analyzed how workers’ personal relationships affect their innovation and creativity. Researchers found a “positive spillover of psychological resources into their work”—and the effect is magnified when employees’ spouses are happy as well. Employees in unhappy relationship experience depleted psychological resources.

One caveat: The researchers found that with people who are already naturally creative, the impact of a happy relationship had less of an effect.

The researchers suggest that employers offer family-friendly policies, such as anniversary leave, relationship counseling services, and work/life balance initiatives.

## A cup of tea

A group of students visited their old university professor. Conversation soon turned into complaints about the stress of work and life. Offering them tea, the professor produced an assortment of cups and mugs—porcelain, glass, crystal, some plain looking, some expensive, some exquisite—telling them to help themselves to hot tea.

When all had a cup in hand, the professor said: “I see you have all chosen the nice-looking expensive cups, leaving behind the plain ones. While it’s normal for you to want only the best, that’s also the source of your stress. What you really wanted was tea, not the cup, but you still went for the best cups, and you’re eyeing each other’s cup! If life is the tea, then jobs, money and status in society are the cups. They are just tools to hold and contain life. Don’t let the cups drive you. Enjoy the tea.”

## Why fight over shadows?

A wealthy man hired a peasant and his camel for a long trip across the desert. The rich man rode the camel as the peasant led it across the sand.

In the hot noonday sun, they stopped for a rest. Because there was no shade but the camel, they began arguing about who had more of a right to sit in its shadow: the peasant who owned it, or the rich man who had rented it to ride.

Their voices grew louder and louder as the argument went on. Finally the camel got frightened and ran away—leaving them stranded in the middle of the desert.

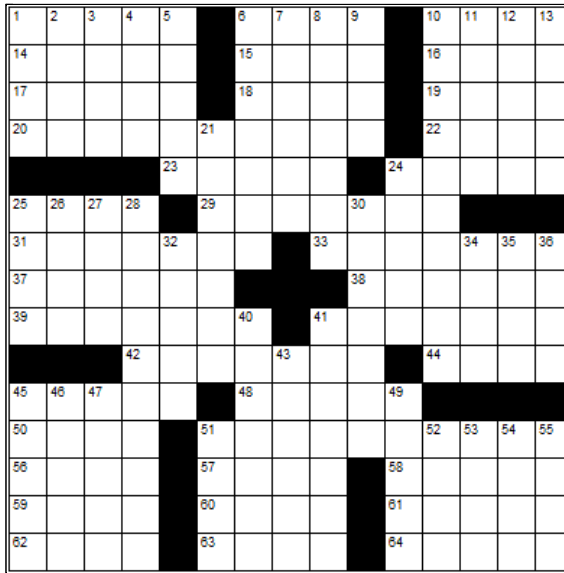

Moral: Don’t let yourself get so determined to be right that you lose what you’re fighting for.
