## THE “OOPS” REPORT

---

The May Newsletter contained the following slip-ups:  
Sunday Sundaes will not take place every Sunday, but on scheduled Sundays each month.

“Scoop”’s sports article was improperly spaced with the trivia question being first and the balance of the article appearing two pages later. We apologize for the mix-ups. As always, for the latest information on park events, consult Channel 96 or the Clubhouse Bulletin Board.

## CARIBBEAN ISLES 2016 FIRE SAFETY SEMINAR, 4/19/2016

---

On April 19th a Public Educator, Ms. Summer Mahr, gave a presentation on Safety in the Home and presented information about Fire Safety. Ms. Mahr, spoke about the importance of Smoke Alarms, Carbon Monoxide Alarms, Electrical Appliance Safety, Cooking Safety, Candle Safety, and most important an Escape Plan. Each topic she covered has expanded information on the flyers she presented at the meeting.

She stressed the importance of Smoke Alarms and their function in a manufactured home. One important step is to test the alarm regularly to make sure the battery is good. Largo does have a program that can provide Smoke Alarms to some homeowners based on need. Contact Ms. Mahr, for information at 72-460-3819

The Hurricane Preparedness Event will take place at Largo Public Library--Jenkins Room B on May 26th from 9:00am to 11:30am. The meeting is free and open to the public. Please RSVP at [727-587-6737](tel:727-587-6737).

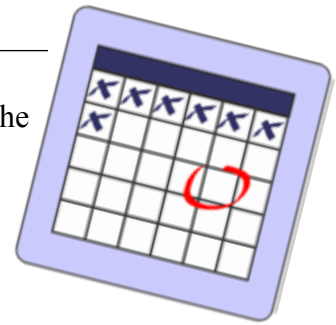

Ms. Mahr, gave a demonstration on the use of the Club House Fire Extinguisher, and suggested an acronym of PASS (P-pull the ring, A-aim the hose, S-squeeze the handle, S-sweep across the base of the fire) when using the extinguisher. She is available to give a free class on the operation of the various types of extinguishers with a hands on technique using a fire simulator.

For additional information go to [www.largo.com/firesafety](http://www.largo.com/firesafety).  
For questions or concerns contact Ms. Mahr-[727-460-3819](tel:727-460-3819).

## CONGRATULATIONS ARE IN ORDER!!

**O**n May 14th, 2016 in Cazenovia, New York, a small town southeast of Syracuse, Cazenovia College conferred upon one of our long time Caribbean Isles residents, Ellie Wilson, the honorary degree of Doctor of Humane Letters. This prestigious honor was presented to Ellie for her tireless efforts in administrating the College Bookstore not only at Cazenovia College but also at Mohawk Valley Community College and finally at Colgate University. Altogether, Ellie served 41 years as a college bookstore leader on a local, regional, and national level.

Ellie's career started without much fanfare. She always wanted to go to college but her parents were farmers and after taking care of the basic necessities, there wasn't much left for formal education. But fortunately for Ellie, she had a friend who knew a couple who wanted to send their daughter to college but she suffered from epilepsy and needed a caretaker. Ellie's friend recommended Ellie to accompany the daughter and the couple agreed. Unfortunately, the daughter had to drop out of college but the couple agreed to support Ellie at the school. Ellie says that those four people changed her entire life.

Ellie has garnered numerous awards during her glorious career. She received the Edward Runser Award from the National Association of College Stores, which is presented to those in the industry who are consistently generous, kind, and charitable. While an employee at Cazenovia College, the students dedicated the 1962 yearbook in her honor. She received the Young Woman of the Year from Cazenovia College in 1966. She has served on numerous boards and held several prestigious positions benefitting all areas of College Bookstores. The college has recognized her passion for the school by establishing the Ellie Wilson Award given to the graduate who displays devotion, loyalty, and service to Cazenovia College.

For her service to institutions both in New York and Florida, her many accomplishments, and for being a great neighbor and resident, we say Thank You, Congratulations, and Welcome to Caribbean Isles, DR. Wilson.

# **GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....**

---

## **June 2016.....**

Things are pretty slow here in the compound, sportswise. It's what we call in journalism a "slow news month". Some golfers are still playing periodically but for the most part, sports activities are pretty much on hold.

### **Sign of the times:**

A die-hard Green Bay Packers fan is marrying a woman named Packer AND taking her last name.

### **Quotable Quotes:**

"It was a no-brainer for me" – Dale Earnhardt, Jr explaining the ease but hopefully not the value of his decision to donate his brain to concussion researchers.

### **Answer to last month's trivia question:**

The quote "When the going gets tough, the tough get going" is credited not to me but to Joseph P. Kennedy, father of U.S. President John F. Kennedy and also to Knute Rockne, the legendary coach of the Notre Dame Fighting Irish football team.

### **This month's 'Where in the world is Scoop??'**

Little GTO

A lot of left turns

You see the action once every 45 seconds

Recently renovated with exciting fan amenities

You'll never fall asleep here

It hosts NASCAR's premier event

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at [nilerivers@gmail.com](mailto:nilerivers@gmail.com). And remember, you don't have to play a sport good to be a good sport...

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

# HURRICANE INFORMATION

**I**t's that time of the year to prepare for what we hope will not happen, but we must be ready! All mobile home parks **must evacuate**, so many things need to be done before the storm. If going to a shelter, remember to take your medications in clearly marked bottles; important papers, reading material, snacks, and any special dietary needs, a folding chair, drinking water, and any other needs for comfort. **Remember, a shelter is a lifeboat, not a cruise ship.**

Names of places where residents will go to weather out the storm should be given to the office! You may obtain a form, fill it out, and return it to the office.

Any lawn items, potted plants, and lawn ornaments must be taken inside or tightly secured. Also, hanging plants, wind chimes, & etc. should be removed.

Remember to turn off water, hot water heater, etc.

Caribbean Isles has formed a hurricane committee and will keep residents informed throughout the park on cable channel 96.

## AFTER THE STORM

The Clubhouse may be used for a Recovery Center, if needed, depending on the outcome of the storm damage.

## HURRICANE EVACUATION NOTICE

Drop off form at the office:

Date \_\_\_\_\_ Lot # \_\_\_\_\_

Name(s) \_\_\_\_\_

Evacuation destination \_\_\_\_\_

Phone number of destination \_\_\_\_\_

Cell Phone number \_\_\_\_\_

Good idea to let your family or neighbors know where could be reached.

## Did you know that June is also...

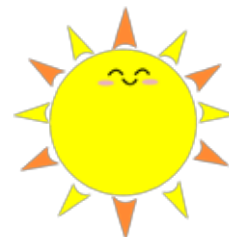

**Adopt a Cat Month.** Thousands of cute cuddly kittens and mellow older cats are waiting in shelters across the country for someone to take them home. Members of the shelter staff are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

**Alzheimer's and Brain Awareness Month.** Around the world 47 million people are living with some form of dementia, and that number is expected to climb to 76 million by 2030. Learn how to maintain your brain's health, and help raise awareness and support of research aimed at treating brain illnesses.

**National Zoo and Aquarium Month.** Explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, and activities for the whole family.

**PTSD Awareness Month.** Post Traumatic Stress Disorder can affect anyone, and its effects are felt throughout every community. The purpose of PTSD Awareness Month is to encourage everyone to raise public awareness of effective treatments and to help all those affected by PTSD.

**Sun Safety Week, June 5-11.** Sponsored by The Sun Safety Alliance, which believes that a focus on skin cancer prevention, education, and awareness will improve public knowledge of the importance of sun safety.

**Men's Health Week, June 13-19.** Celebrated each year during the week leading up to Father's Day to heighten awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

**Superman Week, June 9-12.** An event held in Metropolis, Ill., to celebrate the adventures of the Man of Steel in comics, film, and TV.

**Animals Rights Awareness Week, June 19-25.** An annual event to raise awareness for the care and concern for animals of all varieties and to educate the general public about the humane treatment that all animals deserve whether they're someone's pet, wildlife residents, residents of a zoo, or raised as food sources.

**National Running Day, June 3.** Put on your running shoes and some sunscreen and go out for a run!

**Father's Day, June 19.** Remember your dad—and fathers everywhere—on this special day.
