FROM THE PRESIDENT'S DESK

As we enter the summer months you find out who are the either brave or foolish people that stay here year-round. We seldom complain about the heat because there is nobody to listen, they have gone north. Those that remain don't listen either because they are cooped up in their air-conditioned homes, away from the blistering sun. But a few brave souls will be out because with all the snowbirds gone it's much quieter around the pool and beach areas. You can get into almost any restaurant without reservations and the sunsets at the beach are fabulous.

This month we will be having our holiday celebrating Memorial Day on Monday May 29th. You are all invited to attend. We will be serving hot dogs and hamburgers off the grill and like Pot Luck, please bring a dish to pass.

I want to take this opportunity to thank the entire Dance Committee for their efforts this season. It was reported that not only did we have a dance each month through their efforts with sale of 50/50 and raffle baskets they were able to turn a profit of \$1032.00. Great work! They have told me that next year's events are already booked and a Hawaiian Luau is in the makings with traditional food to complement the evening.

We now have a full Board of Directors with the addition of Larry Milobowski to the board. He was installed at the April meeting and the next day headed north with the other smart people. We are looking forward to having Larry on board and he has already had initiation at the last Pancake Breakfast.

Don't forget your sunscreen and stay safe!

Ray Sears – HOA President

THANK YOU, MERCI, GRAZIE, DANKA, GRACIAS, ARIGATO

The residents of Caribbean Isles would like to send a sincere and well-deserved "Thank You" to the HOA Pancake Breakfast & Koffee Klatch volunteers. Thank you for all the shopping, cooking, serving, organizing, prep, & cleanup time, and for getting up so early to serve us.

Thank you to: Ray & Sue Sears, Cheryl & Al Meyer, Jeanne Muncaster, Ralph Hoffman, Jean & Sumner Israelson, Kathleen & Leo Dudley, Phyllis Boyd, Tom Turner, Helen & Richard Boivin, Georgiann Leone, Claudia & Dave Hartsell, Larry & Brenda Milobowski, and Debbie Valentino.

Also, a big thank you to Bob & Toni Pesta for the Koffee Klatch.

See you all back in the Fall.

DID'JA KNOW??

To check the quality of an egg, here is a quick tip from the Bob Hardy kitchen. Fill a container with enough water to cover the egg. If the egg stands up, it's good. If the egg lies horizontal, it's bad.

HURRICANE INFORMATION!!!

It's that time of the year to prepare for what we hope will not happen, but we must be ready if it does! All mobile home parks must evacuate, so many things need to be done before the storm.

If going to a shelter, remember to take your medicine in clearly marked bottles, important papers, reading material, snacks, and any special dietary needs, a folding chair, drinking water, and any other needs for comfort.

Remember, a shelter is a lifeboat, not a cruise ship.

Names of places where residents will go to weather out the storm should be given to the office! You may obtain a form, fill it out and return it to the office. Any lawn items, potted

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

GOOD TIMES NEWS

The next Good Times meeting will be held on Wednesday, August 2, 2017 at 10:00 am in the Clubhouse. All ladies from the park are encouraged and invited to come and join this group to help prepare and plan events for our community that all residents will enjoy. Any profits from our events go to the Homeowners Association for the betterment of our community and to support ongoing activities for all.

CI Golf Cart Poker Run was held on March 25th. We had 5 golf carts and 4 bikes participate. After sorting through their 7 cards and picking out 5 with the best hand or lowest pair, we had 2 bike winners in the same family. Brenda Milobowski won \$27 for the highest hand with 2 pair (10's and 9's). Larry Milobowski won \$18 for the low hand with a pair of 2's. Congratulations on winning your very first run.

The next run will be October 14th, the second Saturday at 11:00 AM (be there by 10:45 AM) at the Clubhouse. Cost is \$5.00 per vehicle. Highest hand receives 60% and lowest pair receives 40%.

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

May 2017.....

It's time to say hello to the long, hot summer and good-bye to the long, hot winter. And as the seasons change and the northerners travel back to their native habitats, it seems only fitting to put a re-cap on the winter sporting activities. Shuffleboard has packed their pucks and sticks until next fall. Bowling has wrapped up with Caribbean Isles participants giving a great account of themselves. The Beach Bums, with Bob Brun and Ray Duford, rallied in the last half of the season to finish a respectable 5th after taking the top spot in the first half. Awesome Foursome with Wayne and Cheryl Lively, probably was the most consistent team after finishing 9th in the second half. The Niners clawed their way up to 11th place after finishing 15th in the first half. In retrospect, the Niners had to deal with injuries and illness and let's hope all that clears up so they can attack next season. The last week of the season saw some significant individual accomplishments as Bob Brun rolled the 3rd high handicap series (665) for the men and cagey veteran Kathleen Dudley fired the 2nd high handicap game (227) and 2nd high handicap series (627) for the women. "Scoop" says congratulations to all the bowlers and good luck next year.

Golf finished out their scramble season with a tournament and banquet on March 31st. Playing under blue skies and abundant sunshine, 36 golfers took over Largo Golf Course. At the end one team prevailed with a score of 4 under par 58. The winners were Verne King, Larry Milobowski, Ed Marchant, and Shirley Merker. Showing how even the teams were, 5 teams tied for second with 1 under par 61's. There was no winner for the lady's closest to the pin award and Ray Sears won the closest to the pin for the men. At the banquet, Chairwoman Cheryl Meyer handed out special prizes and "Scoop" handed out cash prizes. Also recognized were hole-in-one shooters Ed Demps and Rosie Farrow and highest prize money winners Larry Milobowski and Pat Marchant. All in all, a good season, blessed with great weather and high comradery. We are all looking forward to next fall.

Quotable Quotes:

"Adams State has become the first college to sign a woman to a football scholarship. The strange part was when athletic officials gave her a tour of the campus and were stumped when she actually asked where the classrooms were located." - **Jim Barach, Political Humorist**

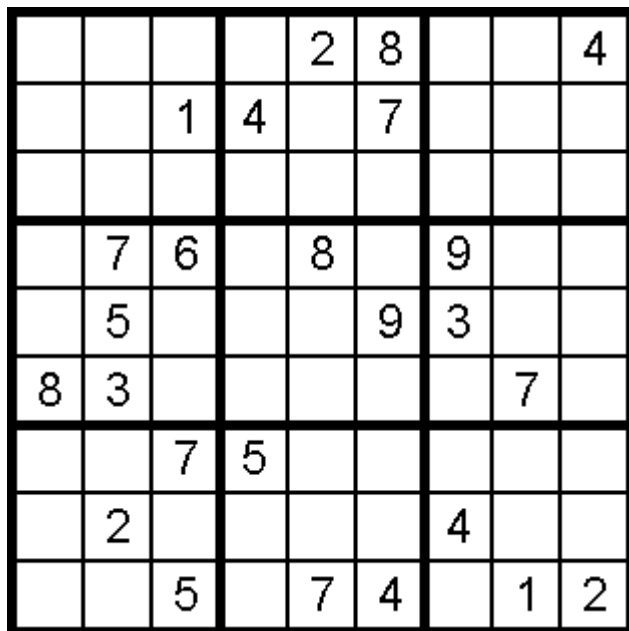

Answer to Last Month's "Where in the World is "Scoop"?"

Scoop took a dog sled ride up to Nome, Alaska where the Iditarod Dog Sled Race is held. The race was first held in 1973 and some of those dogs looked pretty worn out. "Scoop" shout-outs go to Shirley Hanson (158), Sammi Bond (8), Denise Chittle (274), Bob McAuliffe (57), Dale Wilkewitz (214), and Sue Sears (207) who all got together and came up with the answer (just kidding).

This month's Trivia Question:

The first NCAA basketball championship game took place on March 28, 1939 between Oregon and Ohio State, won by Oregon 46-33. What was the name of the venue and on what university's campus was it located?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, you don't have to play a sport good to be a good sport...

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Eating more fish may help prevent Alzheimer's

Alzheimer's, a disease that afflicts some 5.1 million Americans, is a type of dementia that affects a person's memory, thinking, and behavior. Although at this point no cure exists, you can take measures to reduce your chances of suffering from this debilitating condition.

New evidence suggests that eating more fish—as long as it's not fried—may help to protect your brain from the shrinkage and decline associated with Alzheimer's. Researchers from the University of Pittsburgh Medical Center tracked the diets of 260 people with normal cognitive function for more than 10 years. Using magnetic resonance imaging (MRI), they measured the brain volume and function of each participant at the beginning of the study, and again at the end. The results: The 163 subjects who ate fish on a weekly basis (the majority consuming it one to four times a week) had a larger orbital frontal cortex and hippocampus (two areas of the brain that are known to shrink in Alzheimer's patients) and better memory function than those who ate less fish.

The researchers determined that the risk for Alzheimer's and mild cognitive impairment was lowered fivefold within the five years following the brain scans. So start eating more fish today.

Follow this 'Golden Rule' to reduce cancer risk

Want to cut your risk of developing cancer? Check the color of your food—particularly your toast and potatoes. Scientists in the United Kingdom say that cooking those two items too long can increase levels of a naturally occurring chemical called acrylamide, which has been linked to cancer in rats.

Acrylamide is formed when starchy foods like potatoes and root vegetables are cooked at over 120 degrees. To reduce it in your foods, follow these guidelines:

- **Cook until golden.** Whether you're making toast, roasting potatoes, or baking vegetables, cook until the food is gold-colored, not brown.
- **Check the instructions.** Follow instructions for baking or frying packaged vegetables like fries or parsnips.
- **Keep raw potatoes fresh.** Don't put them in the refrigerator if you're going to roast or fry them. Colder temperatures can increase acrylamide levels.

Leading by example

Bill Gates, co-founder of Microsoft, has his own private jet now, but he didn't always. On the Business Insider website, former senior vice president Brad Silverberg recalls that in the 1990s, all Microsoft employees were required to travel by commercial airline—in coach, despite the fact that by that time Microsoft was a thriving organization. On one flight from Seattle to New York, Silverberg flew with Gates and some other members of the Windows team:

“And there was Bill, sitting in coach, in a middle seat. It didn't matter to him; he spent the whole flight reading. He wasn't as universally recognized then so it wasn't such an issue for him to fly commercial. It made a big impression on me, a new Microsoft employee, seeing Bill lead by example.”

Different priorities

During a Little League game, one of the batters hit a fly ball to right field that the right fielder made no attempt to catch. After the inning was over, the coach pulled his right fielder aside and asked him why he didn't even try to catch the ball.

“If I had caught that ball,” replied the boy, “I would have killed my new friend.” And with that, he opened up his glove to show the coach a caterpillar he had found in the field.

Remember this story to remind yourself that everyone's priorities are different.

Rules apply to everyone

During the Civil War, Ulysses S. Grant, commander of the Union forces, had to reprimand a guard who had deserted his post. “Orders must be strictly and promptly obeyed always,” Grant told the young soldier.

A week later, the same soldier was told to guard a steamboat loaded with ammunition. His assignment: to make sure that nobody with a lighted pipe or cigar came near the boat. On the guard's first day at his new post, General Grant started walking toward the boat, puffing away on one of his famous cigars.

“Halt!” called the guard. “I have been taught to obey orders strictly and promptly, and my orders are to allow no one to approach this boat with a lighted cigar.”

With a smile at hearing his own words repeated back to him, Grant threw the cigar in the river.

Getting into Heaven

A woman died and found herself at the Pearly Gates. St. Peter approached her with a smile. “To enter, you need only pass a simple spelling test. Can you spell the word ‘love’?”

“L-O-V-E,” the woman replied, and St. Peter stepped aside and allowed her to enter Heaven.

Several years later, St. Peter found her on a cloud and said, “I have a big meeting today with the Boss, and I can’t watch the gates. Would you mind taking my spot?”

The woman agreed. The morning passed uneventfully, and then she looked up and saw her husband approaching. “It’s so nice to see you!” she exclaimed. “How have you been?”

“Just great,” her husband replied. “I married the beautiful young nurse who took care of you while you were sick, and we had three more children. I won the lottery. We lived in a huge mansion. We had matching BMWs. My wife and I were taking our yacht on a second honeymoon cruise when I fell overboard and drowned.” He looked around. “So, how do I get into Heaven?”

“You just have to spell one word.

He smiled. “Great! What word?”

She stared at him. “Kyrgyzstan.”

Feeling the heat

A man in Dublin went in for a serious operation. The surgery took some time and the man was returned to his room to recover. As he came out of the anesthetic he looked around his room and saw that all the shades had been drawn, even though it was early afternoon.

When the surgeon walked into the room to check on his patient, the man asked why all the blinds were pulled down.

“The house across the street is on fire,” the surgeon told him. “I was afraid that if you saw the flames when you woke up you might have concluded that the operation was not a success.”

A SMILE IS A CURVE THAT SETS EVERYTHING STRAIGHT.
