FROM THE PRESIDENT'S DESK

Where did the time go? Thanksgiving is just around the corner and you know what is just after that. Well, busy hands are happy hands so as the activities pick up, there should be a bunch of happy people hopping around. Just don't mistake them as in need of therapy.

I would like to thank Sumner Israelson for his service on the HOA Board of Directors. He resigned so he could complete other items on his bucket list. Nominations were made at the October board meeting for Directors for 2018. Elections will be held in December and installation in January.

A committee was appointed to meet with the Co-Op to discuss the financial needs that necessitated an increase in Lot rent. We will share information upon completion of these talks. The Co-Op has a committee with HOA input reviewing Park Rules. If there are any changes I will pass along this information.

I have been receiving some comments on the preparation that was done prior to the arrival of Hurricane Irma. Most good but a few suggested some areas where we might be able to improve in our readiness and aftermath. If any of you have comments, please contact me and I will add them to the list of ideas for the future.

On November 17th we will have a Pot Luck dinner. We are going to have poultry but it will be chicken put on by the HOA. Residents are asked to bring traditional Thanksgiving dishes to compliment this meal.

On Sunday, November 12th, we will be issuing tickets to residents for the HOA Holiday Dinner that will be held on Friday, December 1st. As in the past it will be first come, first serve and every household must pick up their own tickets. For those of you that are new or have not attended in the past this is a complete sit down formal dinner that is catered serving tableside sliced roast beef and ham along with all the side dishes traditional for the holidays. You need to only bring yourself, and maybe your voice, for a couple of holiday songs.

Hot Dog & Hamburger Tuesdays will start up in November with the 2nd and 4th Tuesdays of the month. Stop in the clubhouse anytime between 4:30 and 6:00 PM to purchase your delicious grilled meal, eat in or take out. BYOB if desired.

Let's all support the many activities planned for the season.

Happy Thanksgiving

Ray Sears, HOA President

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

DID'JA KNOW??

FALL CLEANUP – 2017

Hopefully the storms have stopped and the extreme heat is gone. Now is the time to clean up the overgrowth around your units, especially in the front flower boxes. Some gutters are full and should be cleaned so water does not seep inside the unit. Units need washing to remove mold. Bushes and trees need trimming. Driveways may need to be de-cluttered. Take pride in your home and respect the community by giving your unit a quick sprucing up.

Thank you,
Co-Op Board of Directors
Newby Management

CARIBBEAN ISLES RESIDENTS – ANGEL TREE - 2017

We will be participating in the Salvation Army's Angel Tree again this year. Look for the tree in the lobby of the Clubhouse. When you take a tag, sign the log sheet, include the TAG number, your name & lot number. Attach the TAG to your gifts. Gifts can be returned to the office, when ready. Do not wrap your gifts. Please purchase ALL the items listed. It's a good idea to "go in" with others to complete the list. Thank you for your participation. Call Elaine Eckert – 727-559-7480 if you have questions.

There is no reward equal to that of doing the most good to the most people in the most need – Evangeling Booth, 1919

Euchre, that grand old card game, will be starting once again on Thursday, November 2, 2017 in the Clubhouse. Starting time will be 7:00 PM. Both new and experienced players are welcome. Be prepared to go "next for my partner" starting in November. For more info, call 559-1783.

TALENT SHOW NEWS!!!

POSSIBLE MARCH, 2018 VARIETY or TALENT SHOW - NEED TO KNOW INTEREST

from Jan Sayer, Producer/Director

Many residents have shown interest for another Variety or Talent Show, so as Producer/Director of the shows, this message is directed to all residents (full-time and seasonal), to determine interest for a show. Dates would be:

Sunday, March 25, 2018 and Monday, March 26th, 2018, both at 7 p.m.

you would have to commit to **BOTH** shows.

The **SHOW INFORMATION MEETING** WILL BE HELD:

SUNDAY, JANUARY 14, 2018 – 1 P.M.,

at which time show content will be revealed, with all music and simple choreography demonstrated, so you can choose what numbers you would like to be in (easy & fun stuff!).

3 rehearsals per week, usually 1-1/2 to 2 hours each: Sundays, 1:30 p.m. (so you can get church and lunch in!), Tuesdays, 6:30 p.m. (to accommodate those who work), and Fridays, 10:30 a.m.

First rehearsal would be Tuesday, January 16th at 6:30 p.m.

Since spring of 2010, our residents have enjoyed 14 mostly sold out shows (either Variety, Christmas or Talent Shows), which have always been very entertaining, comical, and quite professional! - featuring our very own talented residents! However, we have always said 'talent' is NOT essential! – 'enthusiasm' IS! No one is refused!

Since our shows are so much fun, many performers have returned to be in most of them, but we're always searching for **NEW performers!** You can audition with your very own 'personal' act/number, you can just be in the always fun 'group' numbers, or you can do both!

I am not asking for a 'firm' commitment at this point - **just need to know if you think you would be interested in performing, and would attend the Show Information Meeting on January 14, 2018 at 1:00 p.m. To show your interest, please reply to my email address by the date shown at the bottom of this message.** If you would like to perform a 'personal' number, please briefly describe it in your reply.

If you would prefer to '**help out**' - perhaps backstage; with makeup; costumes; sewing; on lights; making hall table centerpieces; decorating and setup on show days, front of house, etc., please reply with your interest, phone & lot number, but please consider performing!

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

November 2017.....

Man, it's much more relaxing writing this article than the last one. I have air and a computer that works. It seems that we are pretty much getting back to normal operations here in the compound. We will surely miss Ruth Hall and "Scoop" wishes her well in her retirement. Here it is November and our northern friends are trickling back in which means our social activities will be ramping up. I hope our Social Center (the Pool) will be able to handle the influx.

In sports, bowling and golf are going strong affording opportunities to get out and meet and greet people. In Bowling, Ray Duford's team continues to roll claiming first place after 6 weeks in the 55 & Alive Bowling League at Seminole Lanes. The Niners (Kathleen Dudley, Bob Pesta, and Glen Lyday) are off to a much better start this season. And our 3rd team has not gotten off the ground yet (Larry Milobowski, Bob Brun, Wayne & Cheryl Lively) mostly because they aren't back yet. But they are looking for a strong 2nd half. The golfers are gearing up for added competition. Shuffleboard should be starting soon.

In professional sports news, baseball's Final Four are the Astros and Yankees in the American League and the Dodgers and Cubbies in the National League. In football – well, let's not go there. In basketball – well, let's not go there either. In hockey, the Lightning are off to a tremendous start and will bear watching. In soccer the Americans missed out on a World Cup berth which cost coach Bruce Arena his job. I wonder who the unlucky guy will be to take over.

Quotable Quotes:

“Yeah, we ran the same plays twice. We were running out of them.” Tim Lester, Western Michigan coach, on his options late in a 71-68 victory over Buffalo, a seven-overtime game that set an FBS record for total points.

Answer to last month’s “Where in the world is Scoop?”:

Scoop took a nostalgic trip up to Yankee Stadium in the Bronx. I loved what they’ve done to the place. Scoop shout-outs to Ray Sears (Lot 207) and Bob McAuliffe (Lot 57) for waxing nostalgic.

This month’s Trivia Question:

During the Reagan Administration in 1986, the Federal Government mandated that this feature be installed on all vehicles manufactured in the US. It remains in place to this day. What was it?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we’ll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, when it’s news in Caribbean Isles, it’s news to me.

One minute a day may lead to stronger bones

Keeping your bones in good shape is vital to your health as you grow older, especially for women. Research reported on the Medical News Today website suggests that women may be able to keep their bones strong by running just one minute a day.

Examining data from more than 2,500 women, researchers found that women who participated in high-intensity, weight-bearing physical activity like running 60-120 seconds a day had 4 percent better bone health than women who took part in less than a minute of physical activity. Women who performed more than two minutes of exercise had 6 percent better bone health.

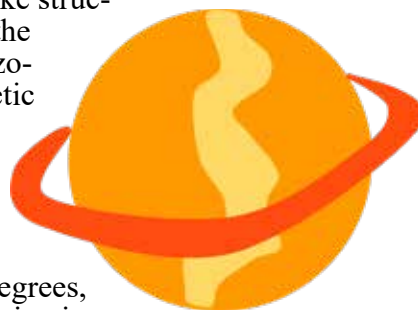

The researchers cautioned, though, that they can't be sure whether high-intensity exercise leads to better bone health, or whether people with better bone health tend to exercise more.

New findings about the solar system intrigue scientists

Our solar system is full of interesting places—maybe not to live or even visit, but locations where life might flourish under the right conditions, or may once have been present. Two recent examples from the Science News website:

• **Life on Titan?** Scientists have discovered that the atmosphere of Saturn's moon Titan contains vinyl cyanide—a molecule that forms membrane-like structures and could support life. Computer simulations suggest the molecule is capable of forming flexible bubbles known as azotosomes, that could serve as an outer shell “protecting” genetic material from biochemical reactions in the moon's frigid methane seas. No one knows whether azotosomes actually exist on Titan, though. A probe would have to check out the seas to detect them.

• **Water on Venus?** With a surface temperature of 460 degrees, Venus is too hot to support water or life as we know it, but scientists speculate it might not always have been so inhospitable. The second planet's slow rotation—116 Earth days for a single Venusian day—might have led to a gradual cloud buildup in its atmosphere some 750 million years ago, bringing surface temperatures down to approximately 15 degrees Celsius—enough for the formation of a shallow ocean. What happened to the oceans, or whether they even existed, isn't clear. Scientists speculate they may have boiled away or been absorbed into the planet's interior.
