GOOD TIMES

If you missed the **Taco Fiesta/Newlywed Game**...you missed a great time! We ate and then enjoyed a fun time watching/playing the game. Thank you Sue Sears for coming up with funny questions and Arthur for hosting. Ed was his usual crazy self and Ron was just as funny. They came in third after many tie breaking questions. GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

November 2015.....

Finally some grandchildren news and it comes from a familiar source. Cross-Country season has started in the Northeast and Hope Pietrocarlo, granddaughter of Jim & Nancy Pietrocarlo (Unit 331) has picked up where she left off in the spring. Hope won the Red Dragon Invitational at Long Point State Park, a difficult course made more hazardous by frequent rain. She finished in a time of 18 minutes, 31 & 81/100 seconds. Hope, a senior at the Track & Field juggernaut Maple Grove High School in New York, will be entering more events this season with an eye toward a college career. We wish her the best.

A Scoop shout-out to Vic Lonsberry, who not only has been taking care of the shuffleboard courts in preparation for the upcoming season, but has agreed to start up the popular Fun Shuffle again this year. It will start on October 13th and continue on Tuesdays at 7:00 PM. It's a fun event and takes place under the lights. If you want to try a different sports activity, give it a try.

This Just In:

The NFL wants the league's players to help fund a proposed new stadium in Los Angeles. To which most people are saying why don't they do it the usual way and just stick the whole cost to the taxpayers?

Quotable Quotes:

"I'm just glad it's over with because I had to pee since the fifth inning" – Lloyd McClendon, Seattle Mariner's manager who was reluctant to change anything during Hisashi Iwakuma's no-hit, 3-0 win over the Orioles on Aug 12th.

...continued on page 14

ANSWER TO LAST MONTH'S WHERE IN THE WORLD IS SCOOP:

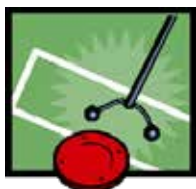

Scoop is at the Pepsi Center in Montreal, Quebec, Canada formerly known as the Montreal Forum, home to the Montreal Canadiens National Hockey League team. It was one of the six original venues of the NHL, the others being Madison Square Garden (NY Rangers), Boston Garden (Boston Bruins), Chicago Stadium (Chicago Black Hawks), Maple Leaf Gardens (Toronto Maple Leafs), and The Olympia (Detroit Red Wings).

THIS MONTH'S TRIVIA QUESTION:

In honor of the start of bowling season in the park, which pin in tenpin bowling is nicknamed "The Widow"?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, you don't have to play a sport good to be a good sport...

SHUFFLEBOARD NEWS

Vic Lonsberry is reviving the Shuffle Fun Night starting on Tuesday, October 13th, 2015 at 7:00 PM. Equipment is provided and no experience is necessary. The fun competition will be under the lights at the shuffleboard courts. Come and join the fun.

The Caribbean Isles Shuffleboard Team will start playing in the Ulmerton League on November 16, 2015 if we have enough players to form our team. We are always looking for new players and even if you haven't played before, we will teach you to play the game. Shuffling is a fun, enjoyable, and healthy pastime where you will meet new friends from the parks we play against. If interested, please call Bob Pesta at 727-586-5645. He will be back in Florida on November 2nd.

GOLF NEWS

The Caribbean Isles Golf League for men & women will begin October 16th at Largo Golf Course. Tee times start at 9:00 AM. Call Cheryl Meyer at 581-0421 for more information.

FALL CLEAN UP

Hopefully the rains have stopped and the extreme heat is gone. Now is the time to clean up the overgrowth around your units, especially in the front flower boxes. Some gutters are full and should be cleaned so water does not seep inside the unit. Units need washing to remove mold. Bushes and trees need trimming. Driveways may need decluttering.

Take pride in your home and respect the community by giving your unit a quick sprucing up.

Thank you,
Co-Op Board of Directors

CARIBBEAN ISLES VARIETY SHOW NEWS

SEEKING PERFORMERS FOR C. I. 4TH VARIETY SHOW

**Show Dates: Sunday, March 20 & Monday Mar. 21, 2016,
7 p.m.**

DON'T MISS THE SHOW INFORMATION MEETING

AT THE CLUBHOUSE FRIDAY, JAN. 8, 2016 10:30 A.M.

If you cannot make this meeting, please come to the first rehearsal, Sun. Jan. 10th at 1:30 p.m. in the clubhouse, although much preferred to attend the Nov. 7 meeting to hear all show info)

TALENT NOT ESSENTIAL - ENTHUSIASM IS!

ONCE AGAIN, LOTS OF FUN STUFF PLANNED! DON'T MISS OUT!

November Is...

Military Family Appreciation Month. Throughout November, military families serving around the world are honored through a variety of observances and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

National Epilepsy Awareness Month. The Epilepsy Foundation estimates that 65 million people around the world, and 2 million in the U.S., have epilepsy—a neurological condition in which disturbances in the electrical activity of the brain cause seizures. National Epilepsy Awareness Month seeks to break down barriers stopping people with epilepsy from reaching their fullest potential.

National Peanut Butter Lover's Month. Celebrate your love of peanut butter this month by sharing these facts with your friends: One 12-ounce jar of peanut butter contains about 540 peanuts; one acre of peanuts can produce enough peanut butter for 30,000 sandwiches; and peanuts contribute more than \$4billion to the U.S. economy every year.

Native American Heritage Month. Beginning as a single day of recognition for the contributions the first Americans have made to the establishment and growth of the U.S., Native American Heritage Month was designated in 1990 by President George H. W. Bush.

Have a nice flight (if you can)

Flying may be the fastest and safest way to travel, but we all have our own preferences and quirks when traveling by air. A survey of more than 1,100 family travelers by ExpertFlyer looked at passenger habits. Their findings included:

- Airline choice. United? American? Southwest? Forty-five percent of participants said that airline mile redemption was a factor in choosing which airline to fly on.
- Storage space. Space is at a premium on most airplanes. Seventy-five percent admitted to “stealing” overhead bin space beyond their authorized allotment.
- Food. In-flight meals aren’t the only option if you’re hungry. More than one-third of passengers said they bring their own food to eat during flight.
- Complaints. Flying can be stressful. The top complaint: A bad seat or a seat not near companions (35 percent), followed by delays (25 percent), and general discomfort (24 percent).
- Worries. Lost luggage is one thing, but 21 percent of survey participants said that terrorism is their biggest concern when traveling with their families. That was followed by getting lost or separated (19 percent) and crime (19 percent).

Who’s drinking all the coffee?

Lots of people depend on coffee to get them through the day. According to figures from Gallup, 64 percent of U.S. adults drink at least one cup a day. Some drink more:

- One cup 26 percent
- Two cups 19 percent
- Three cups 8 percent
- Four or more 11 percent
- None 36 percent

Coffee is somewhat more popular with the older generation, with 74 percent of people 55 or older drinking it daily, a habit shared by just 50 percent of the 18-34 crowd. Women drink a little more than men: Sixty-six percent of women report having one or more cups per day, while 62 percent of men say the same. And Caucasians drink more than African-Americans—67 percent to 59 percent.

Moo! Cows may be smarter than you think

What's the smartest animal you can think of? Dolphins and chimpanzees may spring to mind quickly, but don't neglect one often-overlooked farm animal: the cow.

College students at the University of Sydney (as reported by the Huffington Post) conducted experiments with dairy cows and found that our bovine friends are capable of quickly mastering a maze to find food, and thus may possess better problem-solving skills than previously known.

The cows were tested in a T-shaped maze similar to those used with mice and rats. They learned to follow a sound through the maze to get to their food, with one of them reaching its goals within the first 20 seconds of the test.

The results suggest that cattle farmers could train cows to obey specific sound signals to come in for milking, producing greater efficiency on dairy farms.

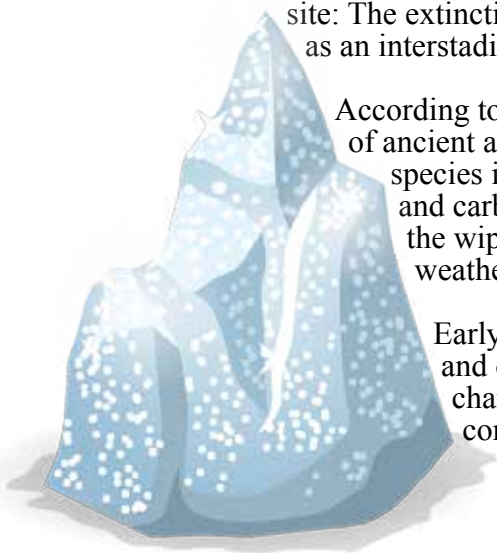

Global warming, not Ice Age, may have killed mammoths

Giant woolly mammoths roamed the Earth until about 11,000 years ago, when they abruptly went extinct. For years, scientists theorized that they were killed by the cold temperatures of the last Ice Age. Now some believe the explanation is just the opposite: The extinction event was caused by a sudden warming event known as an interstadial.

According to research published in the journal *Science*, DNA studies of ancient animals point to the sudden extinction of many large species in past ages. As more DNA from fossils became available, and carbon dating methods improved, scientists discovered that the wipeouts didn't correspond to the rise of glaciers and cold weather, but rather to periods of rapid global warming.

Early humans also contributed to the demise of the mammoths and other large beasts, but the evidence suggests that climate change was a major factor in their extinction—raising concerns about the future of our present environment.

Stay healthy when you travel

Can your hotel room make you sick? Whether you're on vacation or traveling for work, you don't want your accommodations to create health issues. Try these tips to stay healthy wherever you crash:

- Get a smoke-free room. Avoid exposure to leftover smoke and nicotine by requesting a smoke-free floor when you make your reservations, or at least a nonsmoking room.
- Resist the minibar. Decline a minibar key when you check in. You'll be free of temptation to indulge in unhealthy (and expensive) drinks and snacks.
- Ditch the bed cover. Bed covers can be hiding places for bugs and other pests. Store it in a dresser or a corner of your room before going to bed.
- Bring your own disinfectant. Wipe down the phone, TV remote, and other devices with an antibacterial spray or wipe before using them to get rid of any harmful bacteria and germs from previous guests.
- Use fresh cups. Don't drink from reusable glasses and cups. Stick with your own water bottle, or plastic disposable cups wrapped in plastic.

Don't sabotage your diet during the long afternoon

You can eat a healthful breakfast and a nutritious lunch, yet still undercut your efforts to stay fit if you slack off in the afternoon. Watch out for these post-lunchtime habits that can add on extra pounds (from the Health Magazine website):

- Heavy snacks. A mid-afternoon snack can turn into a second lunch if you're not careful. Don't overdo it. Limit your snacking to 150 calories or fewer.
- Avoiding the gym. Schedule time for exercise; don't skip it just because you're busy or tired. Burning calories is important to staying in shape.
- The coffee shop. If you need a dose of caffeine, don't overload on extra sugar and cream, and resist the scones and muffins. Have a cup of coffee or tea at work, or ask a friend to pick up something salubrious for you so you don't face the temptation.
- Workplace celebrations. Birthdays, showers, good-bye parties and the like usually feature treats that can pack on the pounds. Share your good wishes, but don't go overboard on the goodies.

5 Easy Ways to Support Your Community Now

By Elissa Rodrigues, Monthly Media Staff Writer

The last time you needed to replace your air condition filter did you head to Home Depot or swing by your local hardware store? What influenced your choice? Maybe you knew Home Depot would have the right size and you didn't want to risk it with the smaller store, or maybe you thought it would be a better price at the big box store. Maybe you didn't think about it this way, but going to the hardware store would mean not only supporting a small business but also supporting economic growth in your local community. Small businesses contribute to the local economy by hiring local employees, reinvesting their profits back into the community and keeping America's small town spirit alive.

It's heartbreaking to hear of a family-owned store or restaurant closing after 30 years because they just can't compete with the big box stores anymore. Unfortunately in today's economy, it's not uncommon. According to the U.S. Small Business Administration (SBA), over 50% of small businesses fail in the first five years. What can you do to help? Stephen Ulrich, owner of Principal Bay Integrating Marketing (www.bayintegratedmarketing.com), a firm specializing in small business growth, has outlined five ways to support small businesses - and it's easy to do!

1. Look at Value Rather than Cost - Many shoppers immediately see low price and decide to shop at chain stores, however it's important to look at both price and value. Cheap items that need to be replaced frequently aren't a savings in the long run.

2. Visit Farmer's Markets Weekly - Support local chefs, farmers and business owners in one centralized and convenient location. It's fresh, healthy and you can usually taste the difference in the produce!

3. Dine at Local Family Run Restaurants - Make an effort to visit local, family-run restaurants instead of big chains. They use high quality ingredients, usually give larger portions, and support other local businesses that provide produce, breads or meats.

4. Participate in Monthly Small Business Events - These events take place on certain days throughout the year and are designed to bring awareness to small local businesses in town. Do your best to patronize these events and spread the word, so as many people as possible can attend.

5. Recommend Small Businesses to Friends and Family - Due to small advertising budgets, word of mouth is how many small businesses survive. Do your part to encourage businesses by recommending them to friends and family. You may even get rewarded for it!
