OOPS!! REPORT

The time for the June Co-Op Board Meeting was erroneously listed as 5:00 PM instead of 7:00 PM. All Co-Op Board Meetings start at 7:00 PM. The editor regrets the error. Be sure and consult Channel 96, the Clubhouse Bulletin Board, and your email for the latest changes and announcements.

FROM THE PRESIDENT'S DESK

It is that time of year when we need to stop and remember the true meaning of Independence Day, not the 4th of July. It's turned into a celebration with little remembrance and a lot of party. There is no day more significant than the Fourth of July in which we celebrate the signing of the Declaration of Independence in 1776. That Declaration proclaimed to the world our separation from Great Britain and our emergence as a new sovereign nation as we state as we pledge to our flag, "under God, with liberty and justice for all." Take a moment and think of other nations and what is going on around us. God Bless the USA!

We will be having a celebration of the holiday in the clubhouse on the 4th with the HOA providing traditional Fried Chicken with wonderful home created dishes from our residents. Come early if you wish and take a dip in the pool, because at this time of the year we all know it's hot and what better way to cool off then the pool.

We are looking into having a professional company come in and put up holiday decorations at our entrances this year. Our décor is deteriorating and needs replacement and this might relieve the few who volunteer a break. We will keep you posted. The front gates look great with the new flower beds and additional beds around the clubhouse. Thanks to the Co-Op, with whom we have such a great working relationship. It is gratifying to work together with them.

Enjoy the rest of your summer time and we will be a whole community again sooner than you think. We already miss all you snowbirds.

Best Wishes,

Ray Sears, HOA President

Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

July 2018.....

As we slog through the beginnings of the long, hot summer, I'm just going to wing it as far as sports news goes. As you know our Lightning kind of went to sleep over the last 2 playoff games and wound up losing to the eventual champion Capitals. The Rays are playing exciting, if inconsistent, baseball but seem to be running in place as far as the standings go. The College World Series is always an interesting event to watch to catch a glimpse of future stars. We had another Triple crown winner in Justify. Hopefully we don't start having a winner every 2 or 3 years. It kind of takes away from the excitement.

Speaking of that, I'm not a real fan of bemoaning how things used to be years ago. I just feel that the world has progressed and we have to learn to adapt, no matter how good or bad it is. But then I read an article in the May 21st issue of Sports Illustrated written by Steve Rushin. He wrote about the old TV show, Cheers, and it's venerable bartender, Sam Malone (played by Ted Danson). I remember watching this show every Thursday night and just laughing my head off at the quirky characters the show featured. Sam, Coach, Woody, Norm, Cliff, Carla, Fraser, and Diane continually provided belly laughs for every situation. I remember watching it not because it provided relief from the world's problems, it was just plain funny and enjoyable to watch. So, I guess once in awhile it's OK to remember "how it used to be".

I took a trip to the Wounded Warrior Abilities Ranch, which is the endeavor that our Golf Outing supports. It is located in Pinellas Park and has been struggling to complete their projects due to county government red tape. When I visited it back in February, the land was just that – land. But when I visited it in June and spoke to the founder, Sgt. Mike Delancey, who lost the use of his legs to a sniper in Afghanistan, things have really opened up. Buildings are going up, lakes are being dug, wheelchair tracks are being laid, and headquarters buildings are being established. In fact, our donations are being directed to furnishing the headquarters buildings. While I was there Mike and his assistant were doing drone photos that they intended to put on their Web Site. Their official opening will be September 1st and would like as many people who can, to attend. Details will be on the website. Quotable Quotes

“British golf pro Scott Gregory shot a 92 in the first round of the U.S. Open, the worst round in 16 years. What’s worse is teeing off the next day knowing he needs to shoot 15 under par to have a chance at making the cut.”...Jim Barach, Political Humorist

Answer to last month’s “Where in the World is Scoop”:

Scoop secured an invite to the royal wedding and made the trip to Windsor Castle in jolly old England. Believe me, tea and crumpets is not my idea of a wedding feast. Kudos to Bob McAuliffe (Lot 57) and Sammi Bond (Lot 8) for keeping a stiff upper lip.

This month’s Trivia question:

We all know Yogi Berra was famous for his many malapropisms. What was his real name?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we’ll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, when it’s news in Caribbean Isles, it’s news to me.

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

Reduce arthritis pain without surgery

Arthritis is the leading cause of disability among U.S. adults over 55, in many cases requiring surgery to replace troubled joints. You don't have to resort to joint replacement all at once, though. These simple steps from Dr. Victor Romano, an orthopedist and author of *Finding The Source: Maximizing Your Results—With and Without Orthopaedic Surgery*, can help you deal with arthritis before surgery becomes necessary:

- Wear good shoes with arch supports. Over time, the arches in feet tend to fail. Arch supports can help with the alignment of your feet and improve the alignment of your knees, letting your feet better serve as shock absorbers for the knees.
- Exercise daily. Try at least a 20-minute program that includes stretching, aerobic activity, strength training, and balance.
- Wear a hinged knee brace for better support. You don't have to wear it all the time, but it can help during sports or other strenuous activity.
- Watch your weight. Lower weight decreases the stress on your joints and helps with mobility. Eat nutritious foods and cut your intake of sugar, which can cause inflammation of your arteries and joints.
- Take care of your bones. Calcium, vitamin D, and weight-bearing exercises can reduce arthritis pain and build up your bone density. Should you need replacement surgery, greater bone density will help your artificial joint last longer.

Staying up late may damage your health

Benjamin Franklin's advice, "Early to bed and early to rise makes a man healthy, wealthy, and wise," turns out to be true—at least the "healthy" part. A British study of genes and health that analyzed surveys of more than 400,000 people found that night owls have a 10 percent higher risk of death over a 6½-year period than early risers, according to an article on the NBC News website.

The negative impact of burning the midnight oil doesn't depend on how much sleep you actually get—both night owls and early risers reported getting the same amount—but on the fact that it throws the body's natural rhythms off track. Also, the study found that people who stay up late tend to eat fattier foods, drink more alcohol, and use recreational drugs. In addition, staying up late at night has been shown to increase depression and mood disorders, especially among people 50 and older.

Did you know that July is also...

National Blueberry Month. This yummy fruit is packed with antioxidants and in season during July. They're great in muffins, pancakes, and pies, or on their own as a low-calorie snack. Head to a farmer's market or you-pick, and take some home today.

National Cell Phone Courtesy Month. For the next 31 days, exercise common sense when it comes to cell phone use. Keep your phone turned off when you're having dinner, taking a yoga class, or at the theater. If you are in a workplace or public setting, move to a more private location if you need to take a call.

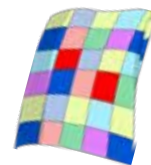

National Recreation and Parks Month. There are 417 parks in the National Park System, as well as a multitude of historic landmarks and places, rivers, trails, and heritage areas. Go to NPS.org and find one for camping, hiking, and exploration.

Social Wellness Month. Now is the time to take stock of your quality of life. Develop daily practices that support your health and well-being. Commit to having loving and supportive relationships with family, friends, and colleagues. Make your home a clean, organized, and peaceful environment.

Everybody Deserves a Massage Week, July 15-21. The third week of July has been designated to promote the benefits of therapeutic massage and bodywork. Find a licensed professional, and book your next appointment.

Quilt Odyssey Week (Pennsylvania), July 19-22. Quilters from across the country will gather to learn techniques from the pros, network, and show off their creations.

International Plastic Bag Free Day, July 3. Only 1 percent of the 100 billion plastic bags Americans consume are recycled during the year. The rest add to the pollution of our planet and threaten all sorts of ecosystems. Let today be the day you become part of the solution to ending the waste.

National Fried Chicken Day, July 6. We will never agree on which fast-food joint does it right, but one thing is certain: Anyone who loves fried chicken will tell you that "momma" makes the best. If you're lucky, she's in the kitchen right now and the cast iron skillet is on the stove.

Simplicity Day, July 12. Celebrated on the birthday of Henry David Thoreau, this day is observed to raise awareness regarding the need for sustainable living. Find ways to live in harmony with your environment and reduce your ecological footprint.

Formula 12

When Dr. Geezer opened his medical clinic across from one of the area's leading hospitals, he put a sign in his window that read: "I'll cure you for \$500 and pay you \$1,000 if I can't."

Dr. Young passed by the clinic on the way to the hospital. Upon reading the sign, he decided to go in, expose Dr. Geezer as a fraud, and earn a bit of pocket change for himself. "What seems to be the problem?" Dr. Geezer asked upon greeting Dr. Young in the exam room. "I've lost my sense of taste," replied Dr. Young. "Nurse," shouted Dr. Geezer. "Bring formula 12 and put three drops on the patient's tongue." No sooner had the nurse administered the first drop of the mystery potion did Dr. Young begin to spit it out.

"That's gasoline!" Dr. Young screamed. "Remarkable! Your sense of taste has returned," said Dr. Geezer. "That will be \$500."

Dr. Young payed Dr. Geezer, but returned a few days later with a plan to get his money back. "Back so soon? What's bothering you this time?" Dr. Geezer asked.

"This time?" Dr. Young raised the question. "Have I been here before today? I wouldn't know. I'm having trouble with my memory." "Memory problems?" Dr. Geezer said as he consulted a little black book.

"Nurse," he shouted, "give patient Young three drops of formula 12 by mouth." "Formula 12! Oh no," Dr. Young shouted. "That's gasoline. I don't want that."

"Seems like your memory is intact," said Dr. Geezer. "That will be \$500." Dr. Young paid his bill and stormed off. A week later he visited the clinic, determined to recoup the money he'd paid out.

"So what seems to be the problem now?" Dr. Geezer asked. "I can't see," replied Dr. Young. "I'm blind, and it's probably from your nurse giving me gasoline. You have to cure me." "Hmm. I don't have a formula for failing eyesight," replied Dr. Geezer.

"Well then, you owe me \$1,000," said Dr. Young. "Pay up and I will be on my way." Dr. Geezer shouted for his nurse to open the safe and bring patient Young the envelope marked: "\$1,000."

"I just have a single bill; I hope that's OK with you?" said Dr. Geezer as the nurse handed Dr. Young the envelope. Dr. Young opened the envelope and found a \$10 bill from inside. "Hey, this is only \$10." "Looks like your blindness has been cured," said Dr. Geezer. "That will be \$500."

The moral of this story: Don't think you can outsmart an old geezer.
