CARIBBEAN ISLES RESIDENTS!! SPEAKING OF SPORTS...

November 2014...

After a few months of relative inactivity, my sources have given me 3 articles of relative interest. On September 24th, while participating in the new Caribbean Isles combined bowling league (55 & Alive) at Seminole Lanes, Blanche Onley (123) rolled a 215 game and a 516 series. While she admits it wasn't her highest ever, it still put her at the top of the leagues female categories for the time being. If you see Blanche in the park, be sure to give her a hearty "thumb's up". Nice going, Blanche.

On September 26th at Baypointe Golf Club, Elaine Eckert (139) got the closest-to-the pin award on the 18th hole while playing in a threesome with Sue Alexander and Cheryl Meyer.

Reports of how much she won for that shot are a little muddled but my sources tell me that she was spotted at the Village Inn that evening ordering her and Jerry's favorite pie. Mum's the word. On the grandkid's front, Al & Cheryl Meyer's (359) granddaughter Sydney, a freshman goalie on the high school varsity soccer team, in her first ever start threw a goose egg at their opponents. The score was 3-0 for Marathon High School. It was an excellent beginning for her athletic career. Proud grandparents Al & Cheryl can see a sports-bra commercial in her future.

Sign of the times:

Robert Morris University is the first school to offer athletic scholarships for its varsity VIDEO GAME TEAM!!!

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com.

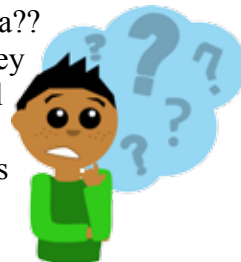

ANSWER TO LAST MONTH'S TRIVIA QUESTION:

QUESTION – When and where did the first roller coaster open in America??

ANSWER – The first roller coaster in America opened in Brooklyn's Coney Island in 1884. Passengers seated sideways in open train cars paid a nickel each to travel a thrilling 6 MPH.

THIS MONTH'S TRIVIA QUESTION – On a bowling theme, what is the maximum weight in pounds of a tenpin bowling ball?

If you think you know the answer to the monthly trivia question, let me know. The first correct answer wins a commemorative "scoop". Call (581-1334) or email (nilerivers@gmail.com).

delicious Greek and American food and have been around since 1982.

- At the time of this writing all but 4 of the tables are sold for our craft/bake sale on Saturday, November 22. It will open at 8AM for the early birds and close at noon. If you would like a table, please call Deb Saylor. Prices are \$5 for 1 table and \$15 for 2 tables next to each other. Set up will be after the pot luck dinner on Friday night. We should be able to begin setting up at 8PM. Clubhouse doors will be locked securing your items at 10PM Friday night. The doors are unlocked Saturday morning at 6AM so set up can continue. Our kitchen will be open selling breakfast sandwiches and other goodies.
- This month is a month of many different types of changes: weather, beginning of arrival of seasonal residents, fall planting, fall cleaning and the holiday season starts. The weather is going to be a little active, cool and hot spells, some thunderstorms. Even though we have had a quiet hurricane season, it officially ends November 30th, we still need to stay aware of our local weather reports. Our friends and neighbors who live here seasonally begin to arrive and the park will be a buzz with all the activity. I know there are several folk who formerly came down for the winter who have sold their homes up north and now will be here year round. We are excited to have these new full timers.
- This was the first summer for us to hold meetings year round and to have summer activities. We hope to offer this from now on. If you have suggestions, please tell me or Barb Cleaver.
- Many of us are adding annuals to our flower beds. Some of us will plant blueberries since they are ready by March or so. I have also heard of some mums and poinsettias living year round and blooming twice a year. I am sure this requires a lot of love and attention. I know it is well worth it since I have friends up north that keep them year round. If your Fall list involves some light yard work and it is a bit much for you to do, call me please. Remember if you need help pulling weeds or planting you can call me so I may add you to our 'honey do' list. We have volunteers to help. We can always use more helpers, male and female. Call to volunteer.

The Good Times Ladies club appreciates all the encouragement, support and participation we have from everyone in the park. If you would like to hold office in our group we will be electing officers and voting in December. Please attend our November and December meetings to make nominations and to vote. If you need someone to nominate you please let me know. I hope everyone has an enjoyable November. Please if you don't want to be alone for Thanksgiving, call me at 421-4137.

Note from the editor:

We have a new publisher as of the October issue. Their format might be a bit different. Chair people and phone numbers will not be on the calendar. Look elsewhere in the newsletter for them.

Romeo breakfasts are every Thursday. Their luncheon is once a month on the same day as the ladies luncheon. Call Hum Ammeter for information, 581-0284.

Call Nancy Guilette regarding the ladies breakfast every Thursday. Her number 586-3742.

To make reservations for the ladies luncheon, usually the second Tuesday of the month, call the hostess. Look for the hostess in the Good Times article. Please check channel 96. Elaine and I try to coordinate ongoing events in the two places.

Pot luck is November 21st. Sign up in the clubhouse or call Ed at 581-4797. Everyone is welcome. Bring a dish to pass, HOA provides the meat course.

Bowling has started on Wednesdays at Seminole Lanes and Judy Buck is the contact person.

The golfers are getting ready to Tee off, call Bruce Bradstreet for information. 585-4959 or 810-599-80023. Nov. 1st is the first pancake breakfast. Everyone is welcome, 8A – 10AM in the clubhouse. Koffee Klatch is the 8th of November. Toni and Bob Pesta are our hosts, free coffee and donuts from 8 – 9:30AM. Everyone is welcome.

No date has been set for the start of shuffleboard. Watch channel 96 for Details. I don't have a date for the start of Euchre. Watch channel 96 for details or call Carolin Gowland at 559-1783.

Avoiding Seasonal Illness

Fall brings about cooler weather. Riding on the coat tails of seasonal changes are some nasty germs that can cause mild to severe colds and flu in people of all ages. Seniors are especially at risk.

The flu vaccination is highly recommended for seniors to prevent contracting that virus. Even after vaccination some people may get the flu, though symptoms are not as severe as they can be without the vaccine. While there is no vaccination for the common cold, there are ways to decrease your chances of catching colds as well as the flu by educating yourself on prevention methods and practicing due diligence when putting your knowledge to work.

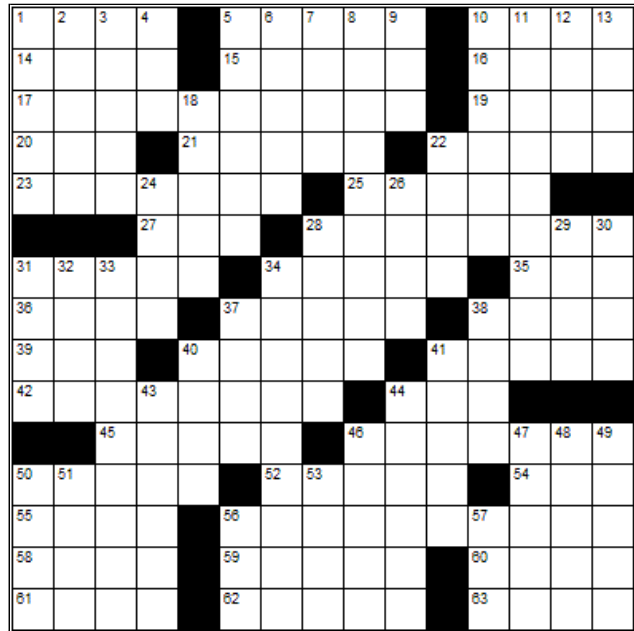

The most important factor in preventing and battling bacteria and viruses is to wash your hands frequently. The Centers for Disease Control advises washing hands for 20 seconds longer than you normally do, with warm, soapy water.

Robots taking our jobs? Maybe not

The robots are coming. Surprisingly, even though they're replacing workers in many areas, they may not be driving down the number of jobs humans do.

A survey of more than 2,000 HR and hiring pros conducted by CareerBuilder and Economic Modeling Specialists found 21 percent of employers overall (and 30 percent of those with more than 500 people in their workforce) had automated at least some jobs. However, 68 percent of the employers said that adopting new technologies had resulted in new positions being added to their organizations, and 35 percent said they had ended up hiring more people. And 35 percent of organizations that replaced workers with machines said they ultimately hired people back because the technology didn't produce the results needed.

Why get a dog?

Better health, for one thing.

A dog can be your best friend—and a benefit to your health as well. Here are some ways owning a dog can keep you hale and hearty in mind as well as body:

- **More exercise.** Just walking the dog gets you out of the house, but most dog owners do more than dash out for a few minutes once or twice a day. You'll take longer walks and get more exercise once you're outside with your pooch.

- **Better mental health.** Studies suggest that pet owners are less likely to suffer from depression and other mental health problems. The affection they get from their pets is one factor, along with the need to focus on their pets' welfare and be more active.

- **Illness prevention.** Dogs may have the ability to smell cancer in your body, detect low blood sugar, sense foods that their owners are allergic to (such as peanuts), and help people through seizures. Some of these talents require specialized training; others may be at least somewhat instinctive.

- **Allergy resistance.** Children growing up in a house with dogs seem less likely to develop allergies later in life. Check with your pediatrician, of course, and research which breeds are best suited for young children before going to your local shelter.
