## From the Executive Board

It's that time of year. The Park is always quiet after the flight of the snowbirds!. Over the summer months while some of the Directors are north, things will continue to soldier on. Monday morning meetings with the CAM will continue with a minimum of two of the full-time resident directors meeting with our CAM and one of the Executive members calling in to participate. Our President will be returning throughout the summer. For now, here's a quick update of what we have been up to on your behalf.

### 2019 Board of Directors Goals

Continued research and Requests for quotations is ongoing with regard to:

- "Swipe card" project
- Road Maintenance
- Tree removals

We have begun Phase II of the Water Project.

### Ongoing Projects

In addition to the projects outlined in last month's newsletter, we have added:

**Maintenance project.** This project is a study to determine if we in fact have enough manpower to accomplish all the maintenance items that need to be done here at Clearwater Cascade in a timely manner. This project team is made up of Donna, Loey, Kage, Steve and Barry.

## FROM THE EDITOR

We have two new Chairpersons for Newsletter distribution. Jim Cudnik and Keith Mosier have taken over for Clarence Bogard. Bogie has been away in Georgia helping out a friend and isn't sure when or if he will be able to take this job on again. I would like to extend my personal thanks to him for all he has done taking care of this over the years. We miss you Bogie!

Did you know that 2019 marks the 25th year that Clearwater Cascade has been Resident Owned! We want to celebrate this landmark year, so if anyone has any ideas or thoughts on ways to do this, please let us know. Fill out an ARF suggestion. You can do this at the office or on-line through our website. [www.clearwatercascade.com](http://www.clearwatercascade.com) , or contact Sherri Bourque and/or April Loomis.

*CCHOA does not endorse any of the vendors advertised in the Chronicle. We are able to produce and distribute this newsletter free of charge due to the advertising that the publisher acquires.*

## From the Office

By Loey Antonucci LCAM

---

Our Second phase of the water project will begin soon where they will be removing and replacing water mains from service to include pipe removal where applicable. Our Maintenance team are working on completing Phase One service lines to all the units. We estimate that portion of the project to be completed in mid-May.

I am receiving several complaints about animals running free throughout the property. If you have a DOG, it must always be on a leash and not permitted to run free or unattended. The resident is responsible for cleaning up the waste and properly disposing of it.

If you should have a CAT and it's outside IT MUST BE ON A LEASH. Please do not let it out to roam, since the same rules apply for both. If these animals continue to run free, we will be forced to call animal control and they will be picked up.

With our hotter days coming fast, we want to remind those using the pools, please make sure that you and your guests always have the appropriate badges with you. Since the weekends are the most active,

I am asking if you wouldn't mind helping me out by being more observant of uninvited people trying to use our facilities. All it takes is nicely approaching someone that might not have a badge and asking if they are staying here as a guest, or maybe they are just a new resident not aware of our rules.

We also don't want to hold the gate open for those without badges or give out our security codes when they are unsuccessful gaining entry.

Just an F.Y.I.... all mobile homes must have a visible sticker on the front windows. Failure to do so could cause you to be fined if an inspector should check our property, which they check periodically. So, if you should have changed out your windows, or lost them, they can be purchased at the Motor Vehicle Department for \$ 3.50, which is much cheaper than what a fine will cost.

For those of you that might be a new owner, or maybe you just need an updated 2019 sticker we have Clearwater Cascade Identification Badges. These badges are made here in the office for all our residents to wear at the pool or at a community function. Please let us know when you can pop in to the office for a quick picture and then once we have eight of them to fill a whole page, we then make your badge and give you a call when they are ready for pick up.

Wishing you all the best,

Loey

NOTE:. We have a **temporary** Maintenance worker on premises, here to fill in for Mike who is currently off on medical leave. We expect to see Mike back very soon.

## COMMITTEE NEWS

### Beautification Committee

By Donna Miller, Chair

Since our last report, work has continued in the Welcome Home sign area. Not only have 2 more grasses been added, but a beautiful bench and torches have also been added. A big shout-out goes to Gaye Karges for the suggestion of putting torches in the new area at the fountain - THANK YOU! Otherwise, there are still some plants to be removed from the fountain area, and this will be completed in the not-too-distant future.

The fountain had a visit from its creator, Jeff, who saw that it was ailing and needed a bit of TLC. The

algae was removed, new stones added where the water reservoir bladder was exposed, large boulders

that were loose were made to be secure again, cables re-covered, and the filter was cleaned of debris. All-in-all, the fountain looks beautiful again and is proudly welcoming everyone "Home" again. Thanks, Jeff!

As I am speaking about the fountain, I would like to remind all of the residents and their guests that they are NOT permitted to climb or walk anywhere on the fountain! The "Keep Off

Fountain” signs have been placed back in the area as a safety precaution. Only Beautification Committee personnel are allowed on the fountain! Please understand that we cannot take a chance on anyone being injured by falling on it, and we also do not want damage from people climbing and/or playing on it. This also means not picking up the stones and throwing them into other locations – these stones are strategically placed on the fountain. This is part of our “Welcome Home” – please help us keep it nice!

Work on the rest of the park will continue – as needed, plants will be replaced, weeds pulled, watering at the pools (I still need volunteers to help with this one), and fertilizing. If you can help with watering the plants at one or both of the pools, please let either myself or Sherri Bourque know. Also, if you have an idea of something you would like to see done in the park, please let us know about that too.

## **Safety Committee**

*By Mike Hoit, Chair*

---

### **SAFETY FIRST**

**W**ith spring weather firmly in charge, everyone is out enjoying the great outdoors by bicycle or on foot. To ensure everyone's safety, here are a few reminders about Park rules.

Pedestrians have the right-of-way when walking along and crossing the street. That being said, remember that motor vehicles have the right-of-weight. Mom and Dad were right when they said to always look both ways before crossing the street, don't assume that the drivers are looking out for you. And when crossing the street, cross it, don't wander across on a diagonal. If you walk after dark, carry a light. Lastly, walk on the left side of the street, facing traffic. If the driver of the vehicle coming at you doesn't see you, at least you can get out of the way.

Bicyclists in Florida are subject to the same rules as motor vehicles. Those rules include driving on the right side of the road, stopping at stop signs and yielding the right-of-way. Don't assume that motor vehicles will yield to you because if they don't, you lose. Once again, it's that right-of-weight thing. And make sure that your bicycles have proper lights, reflectors, etc. when riding after dark.

Drivers must be particularly alert in the park, as we have many bicyclists and pedestrians to look out for. Parking is also a consideration and there are a few rules to consider. Parking in the street is OK from 7:00 am to 11:00 pm; no overnight parking is permitted. At no time can a vehicle park within 30 feet of a corner. No vehicle may be parked in a carport or driveway so that any portion protrudes into the street or lawn. The speed limit in the Park is 15 miles per hour.

Let's all look out for each other, follow the rules and enjoy the nice weather!

## More Safety..

*By Steve Barnstorf, Board Liaison*

---

### New Stop Sign

There is now a three way stop at Basin Street and Loyola Ave. I'm told it is helping with some of the speeders on Basin. It's a start!

### Pool Rules

Summer is fast approaching and that brings a much higher volume of guests using the pools. When I say guests, I mean invited guests and uninvited guests. We have no way of knowing who is an invited guest unless they have a guest pass. Please remember that our rules state that guests must have a guest pass. As residents, we are responsible for ensuring that our guests follow the rules and that means, we report to the office, register the guest and get them a guest pass. So, register your guests, don't give out the pool code and don't "let someone in" that doesn't have a pass with them.

That way, we don't have to wonder if someone using the pool "belongs here".

Remember, when guests aren't registered, the guest won't receive a violation letter from the office, but the resident will! Just sayin'.

If you do see someone you suspect is an uninvited guest and they cannot produce a pass, call the office or park patrol. If necessary, call 911 or our Park designated officer, Officer Gatti at 727-244-1715 or 727-369-7864. Uninvited guests are trespassing and will be treated as such.

## BINGO NEWS

*By Pat Smith, Secretary*

---

HEAR YE, HEAR YE...

Welcome to the new and improved CCHOA Tuesday Night Bingo. Your committee met and has some changes coming to improve your chances of winning,

First. . . and most important we have purchased a new Bingo machine. This new machine is a 2015 model with improved visual aids. Now the numbers can be viewed on the TV monitor, as well as on the "number board" above the fire place. We have also introduced our new summer games, "Pull Tab" games, and "BINGO BUCKS". The Bingo Bucks can be redeemed for any item at the Snack Bar. One Bingo Buck purchases one item!

We hope everyone continues to support us throughout the summer as we continue to expand and improve. As always, suggestions are appreciated.

See you Tuesday Nights at 5:00 pm and "HAPPY BINGO'ING!"

## Communication Committee Whispers

By Linda Whalen, Chair

---

**B**y the time you see this I'm on my way or have arrived at my northern home for a somewhat frantic 6 months – frantic only because I need to get used to everything physically at that home and try to remember where I put/keep things. That doesn't mean that I forget or have forgotten everyone and everything that has been so important to me over the years. It just means, I'm not at Clearwater Cascade physically always here in spirit.

Iris in the Office and I will be in communication over the summer so if you have communication issues or requests, please phone me at: (727) 244-4034. If I can't answer leave a message and I will phone you back as soon as possible.

Marilyn Jones is the manager of the Clubhouse bulletin board "Birthdays & Anniversaries" and "Memorials." She asks please do not write on the posted page of Memorial information. If you have someone you would like to see added, please contact Marilyn to make such requests.

We need some volunteers for our new bulletin boards to manage them. The managers are to monitor them for content (no solicitors) and dates so to keep them available for future postings. We need someone in the Clubhouse for the "What's Happening" board, and someone to monitor each of the "Park Classified Ads" boards in the 2 Laundry Buildings.

Also, the "Veterans" bulletin board has a new location in the Clubhouse and we are in need of someone to take that board over and make it a tribute and information site for the veterans in our Park. It can be a team of 2 or 3, or a single volunteer.

Anyone interested in these open volunteer positions, please contact Linda Whalen at (727) 244-4034. You may, but do not have to, join the Communication Committee to volunteer to manage a board.

It is with some disappointment that I must report that the corner nearest all the bulletin boards in the Clubhouse has not been being kept clutter free. The honor system is our only way of keeping the area accessible for residents to read and/or post information, but it seems not everyone is honorable. Please do not leave chairs, stools, tables or anything else in that corner. One arm chair belongs in the very corner only. Thank you for your consideration.

In the next months I won't have much "new" Communication Committee items since we won't be holding meetings. Instead, I'll be restating some of items that I feel important, starting with the new bulletin board guidelines.

Some guidelines to using the new boards are:

- ♦ When possible, keep posting smaller than ½ full sheet of paper.
- ♦ Include your name, Phone Number, and the posting date on each paper.
- ♦ If you're not sure that the post will be welcome, check with the Board Manager first.

Look at the bottom for a green paper with their name on it.

- ♦ When adding to the list of "Birthdays & Anniversaries," of Park Residents, please be sure that it's before the 10th of the month prior to the month of the celebration (i.e. ,

*Continued on page 14*

May birthdays must be on the list before the 10th of April) or they cannot appear in the next monthly Chronicle (newsletter).

- ♦ If you post something, please remove it when possible.
- ♦ Postings will be removed after reasonable time to make room for additional postings.
- ♦ Re post a clean copy of removed items with the new date on it if needed.
- ♦ Thank you in advance, for being a considerate user of this limited space.
- ♦ Please be mindful of keeping the area in the corner nearest the Park Office clear of all clutter. Please, use what you must but then put it away. Thanks in advance.

If you are not now receiving, but would like to receive the Email Blasts of information sent out by our Office Staff with helpful reminders or notices of Park business, please sign up at the Park Office. Also, don't forget you can always read the newsletter on our website at: [www.clearwatercascade.com](http://www.clearwatercascade.com), under the "News/Social" tab.

If you're new to Clearwater Cascade, three very useful references for communication and information in our Park are the monthly Newsletter, the Bulletin Boards at the mailboxes and in the clubhouse, and the Park Phone Directory. New directories are available in the office now, so pick yours up if you haven't already.

Stay busy, active and healthy!

## Helping Hands

**O**ur Helping Hands Committee has come to a screeching halt because no one has come forward to act as Chairperson. After some investigation it seems it is widely felt that the HOA Board of Directors should not have an interest in the operation of this neighborhood service.

To that end, since the Charter was never voted on, it has been decided that we will return to the original (don't fix it if it ain't broke) method of operation.

Helping Hands will operate solely on its own. The method of funding will continue to be donations, fundraising and the scrap metal program.

Having said that, we will not be using our Maintenance staff to assist in the collection of scrap metal. Volunteers will have to bring the assorted windows, etc. to the compound, where a spot for storage will be allocated. When the scrap is ready for transfer to the scrap yard, Kage or Tommy will take a helping hands volunteer with them to drop off the scrap. The volunteer will accept the money and give the money and the receipt to the Chair for recording.

The Chair will be given a key to the compound in order to take scrap into the yard.

No reporting to the Board required.

So...now can we find someone to step up and Chair this very important committee. A volunteer list is available to you and the former Chair has advised she (Sherri Bourque) will help get you started and will even help with any fundraising. She cannot Chair as she is a current member of the Board of Directors.

Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

## Neighbor to Neighbor

**N**EIGHBORS-HELPING-NEIGHBORS is a newly formed "branch" of Helping Hands. While Helping Hands gives assistance with major home/household needs, Neighbors-helping-Neighbors intends to give assistance with things like transporting residents in need for groceries (shopping for them), doctor's appointments, help in finding outside assistance facilities, etc. For example, we recently held a fundraising event to assist with some medical expenses. We are currently working on establishing just exactly how we will be able to help within legal boundaries. Please be patient as we lay the foundation. I hope to give better, more complete information in next month's Chronicle along with member names/numbers to contact. In the meanwhile, please call Mary Sherwood at 954-3105 if you have a need we may be able to address.

**When one neighbor helps another, we strengthen our community.**

Dec. 31st, 2019	New Year's Eve Party/Dance

**Please cut-out and put on your refrigerator.**

## PRESIDENT'S NEWSLETTER

Okay, so you blink and the 2018 – 2019 season is over as far as organized activities are concerned. What a great season it was with record attendance for all the events. How nice to see so many of our new residents participating.

A HUGE THANK YOU to all the volunteers and event hosts. It wasn't so bad now was it? And everyone had such a good time. Think about a repeat performance to talking a friend or neighbor into giving it a try.

Posted on the Social Club bulletin boards is a list of planned activities for the 2019 – 2020 season. If the event is in red, that means that it is tentative either because it hasn't been booked or there is no host. As you will see January will be a dance only and March may be a dance only. Hint: we are looking for a host for dinner.

Also, the Halloween Parties are also tentative. Want to give it a try?

Have a Happy. Healthy, Safe Spring and Summer and we will be back in the Chronicle in October.

Don Collins

## Karaoke

---

Looks like another successful Karaoke night! Kudos to those brave singers and to Ken and Phyllis for filling in for Connie and Dan. I love this Park!

## Library News

By Pat Jackson

Had a great turn out with our last Book Talk meeting with all our "up north" neighbors! Will be looking forward to your return and hearing about your summer reading. Speaking of summer reading, now is a great time to visit our library and pick out some books for those hot months when we're stuck inside.

Book Talk meetings will resume in the fall.

## Something New....

---

We have some wonderful conversations in our book talk meetings. At the February meeting while discussing a favorite book of one of our members an idea was born! The book was called "Honoring the Women of North Hastings". It was a compilation of recipes and stories from and about the women who lived in that location. We thought not, why not a book honoring the women of Clearwater Cascade. We welcome all of our residents with stories to tell and recipes to share to join in the fun and submit a family tale or two along with a favorite family recipe.

So, here is our first installment....thanks Donna Collins

*continued on page 26*

# My Mother (Anna) Merrill Tait Allen

**April 16, 1917**

*By Donna Allen Collins*

**M**y students at school would call my mother and me pioneers. In their eyes, they were certainly right about my mother at least. She was born in a small Saskatchewan farming community on April 16, 1917. Five years later found her living between Toronto, Ontario and the small farming town of Wroxeter, Ontario. She met my father in high school and they never looked back. She trained as a nurse, married my dad and after the war moved to the mining town of Rouyn, Quebec, where Dad was the accountant. Given a choice of being transferred to Nicaragua or Canada's Land of the Midnight Sun, Yellowknife, NWT, won hands down. So, in 1947 Mom and I followed Dad to Giant Yellowknife Gold Mine. The life of being a pioneer began.

The two biggest pluses at the outset of this adventure were steam-heated homes (to survive the extreme winter temperatures) and indoor plumbing. The challenges- mosquitoes, no baked goods or dairy products, no fresh produce for nine months of the year, no communication with the "outside" except mail or telegrams, ravens taking the clothes pegs and dropping the washing onto the rocks and muskeg and numerous other situations. Now these things were more of an issue to my mother. As a small child and later an adolescent, they were no problem at all, just a matter of the way life was.

As time passed my mother found baking bread weekly was actually relaxing. Making milk from powder wasn't such a big deal and opening cans to prepare meals was a creative opportunity. In the summer months fish was a staple as it was plentiful. Cooked over a campfire after a day's work and a boat trip "up river" was the norm along with the ever-present brown beans. Berries of all kinds were available and since we kids ate more than we brought home our moms took responsibility for the task. Market gardens were to be found in the few places where soil had accumulated between the rocks. Cabbages, carrots, and onions grew extremely large with the long days.

In addition to the daily chores of looking after the needs of the family, mom had to deal with the situations that arose with us kids. In the summer these issues ranged from scrapes, cuts, bug bites, splinters from the pipe boxes, frog eggs that we collected, getting in the way of the workers at the docks, eating vegetables from the neighbours' gardens to name a few. In the winter the biggest problems we caused her was dealing with frostbite and the bumps that came from colliding with the rocks while sliding down the hills in cardboard boxes.

As the years passed and the amenities improved, she will tell you that these were among the best years of her life. The great-grandchildren love to hear her stories and I hope she is around for a while yet to tell them.

And now as an added treat.....a couple of family recipes!

## **Saskatoon Rhubarb Pie**

### **Ingredients**

#### **Filling**

- 4 cups Saskatoon berries
- 2 cups rhubarb (fresh or frozen), chopped
- 1 cup granulated sugar
- ¼ cup all-purpose flour (add 1 Tbsp extra flour if using frozen fruit)

#### **Crust**

- 1 ½ cups all-purpose flour
- ½ cup whole-wheat flour
- ½ tsp salt
- ⅓ cup butter, chilled
- ⅓ cup shortening
- 1 small egg
- ½ tsp white vinegar
- Cold water

### **Directions**

#### **Filling**

1. Filling: In a large bowl, combine all of the ingredients. Set aside until ready to use.

#### **Crust**

1. Crust: Preheat oven to 350°F.
2. In a large bowl, combine flours and salt. Using a pastry cutter or two knives, cut in butter until mixture resembles small peas.
3. Add shortening and stir until chunks of shortening are dispersed throughout. Set aside.
4. In a liquid measuring cup, combine egg and vinegar. Fill measuring cup with cold water until it reaches the 1/2-cup mark. Whisk to combine.
5. Add the wet ingredients to the dry ingredients and, using a pastry cutter, work as little as possible just to combine. Divide mixture in half and form two equal balls (Don't overwork the pastry.)
6. On a flour-dusted work surface, roll out one portion of dough into a circle 11 inches in diameter.
7. Roll out remaining dough into a 10-inch circle. Using a sharp knife, cut some artistic air vents in centre.
8. Pour prepared filling into bottom pie shell. Top with second crust. Trim overhanging dough and crimp edges to seal.
9. Bake in preheated oven for 10 minutes. Reduce heat to 300°F and bake for another 45 to 60 minutes, until filling is thick and bubbly in the middle and crust is golden brown.

## Bannock

### Ingredients

- 3 cups all-purpose flour
- 1 Tbsp baking powder
- 1 tsp sugar
- 1/2 tsp salt
- 1/4 cup canola or other mild vegetable oil
- 1 cup water
- lard or additional canola oil, for cooking

### Directions

In a large bowl, combine the flour, baking powder, sugar and salt. Make a hollow in the mixture and pour in the oil and water, and mix until a dough is formed. Knead until it's soft and only slightly sticky. Let it sit for about ten minutes, and then roll it out onto a lightly floured baking sheet, pierce the top with a fork in several places and bake at 350F for 20-25 minutes, or until golden brown.

Alternatively, wind the dough onto the end of a stick to cook over an open fire. To make fry bread, pull off pieces a little larger than a golf ball, pat into a circle and poke a hole in the middle. Cook in lard or oil in a heavy skillet set over medium-high heat until golden on both sides.

Tear open and slather with jam, or dunk in soup or chili or stew.

## TOWN HALL UPDATES

---

- Can we turn down music at pool?

*Done*

- Can we have the same Code for Both Pools?

*Done*

- Change time on Pool Sign

*Done*

- Remind garbage trucks to slow down

*Done*

- Zone Maps for Water Project

*When zones are established a map will be distributed.*

- Ferro Gas list of remaining gas tanks in the Park

*We are working on this and when one is available, it will be made available to residents.*

- Draft a letter to County reps regarding canal revitalization project

*We have obtained the contact info on the Project Manager who has offered to attend one evening and explain the project and answer questions. We will arrange for this in the fall.*

- Where are ARF's filed?

*ARF's are scanned into OneSource for access once issue has been resolved. Original documents are destroyed.*

- Do ARF's need to be signed when advising about a property issue?

*All ARF's should be signed. The Board has agreed that in the instance of property violations, signature is not a requirement.*

- When are the meeting minutes distributed?

*Meeting minutes should not be distributed until they are approved. The March minutes will be available after they are approved at the next Board meeting.*

- When are the four pine trees coming down?

*The pine trees came down April 3rd*

**NEXT TOWN HALL - July 25th, 2019**

## ASK MIKE

By Michael Hoit  
Meh4249@gmail.com

---

**Q**uestion: Do we pay for electricity in mailbox buildings?

Reason: When I picked up mail the other day, I could see through my mailbox that the lights were on inside the building. I assume that they stayed on until the next day, at least.

Solution: Install occupant sensing switches that would turn on lights when someone was inside and turn lights off when they leave.

My thought for the day.

Mike

## Funnies

---

80-year old Bessie bursts into the rec room at the retirement home. She holds her clenched fist in the air and announces, "Anyone who can guess what's in my hand can have sex with me tonight!!"

An elderly gentleman in the rear shouts out, "An elephant?"

Bessie thinks a minute and says, "Close enough."

---

A Sunday school teacher was discussing the Ten Commandments with her five- and six-year olds.

After explaining the commandment to 'Honor thy father and thy mother,' she asked, 'Is there a commandment that teaches us how to treat our brothers and sisters?'

Without missing a beat, one little boy answered, 'Thou shall not kill.'

---

A police recruit was asked during the exam,

'What would you do if you had to arrest your own mother?'

He answered, 'Call for backup.'

---

I handed the teller at my bank a withdrawal slip for \$4000.00

I said "May I have large bills, please".

She looked at me and said "I'm sorry sir, all the bills are the same size."

When I got up off the floor, I explained it to her.

# FLORIDA Under Home SOLUTIONS

where budgets and home solutions meet

## AFFORDABLE VAPOR BARRIER

**Have You Looked UNDER Your Home Lately? PROTECT YOUR HOME**

**Fix Small Problems Today Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a **20 Year Transferable Warranty!**

**Call Us for a FREE NO-PRESSURE No-Obligation Estimate**
