SAVE TIME AND MONEY BY CALLING US TODAY TO GET YOUR PROJECT STARTED!

From The Office

By Nancy Haynes, LCAM

Are you returning North?

Please remember to close up your home and prepare it for the summer. Do not forget that the summer months in Florida are our tropical season and weeds and bushes can grow out of control. This is why we ask that you have someone looking after your home as well as your yard and flowerbeds. If the yard is not maintained by someone, we will send out violations any may find it necessary to hire a vendor to either clean the home or clean the yard and weeds etc. We will pass along the charges from the vendor. We appreciate that you remain a caring resident and neighbor and uphold your responsibility. Don't forget to sign out and say "See ya later" to us!

Lawn Pest Control and Fertilizer

Florida Environmental treats our lawns, both common grounds and the yards on the lawn care payment plan, six times a year or every other month. During the winter months we get fertilizer and pest control applications that are granular. There is no harm to your dog after these treatments. During the summer months, a liquid solution is applied and it is suggested that dogs stay off the grass for an hour until that liquid is dry. However, since our humidity is high in the summer, it may take longer. He will be posting signs on corners and sporadically throughout the community, but not at every unit. The 2017 schedule he has given us is only a guide, since it is not written in stone: 4/25, 5/30, 8/8, 10/10 & 12/12.

Additions outside your home

If you plan on doing any additions to your home outside – anything from planting bushes, putting up lattice, a concrete pad, new window or door, changing the color of your home or trim to putting in a screen porch, etc. you will need to pick up an Alteration/Renovation form at the office. If you make a change outside and you don't get authorization, you will be told to remove it or take it down. So please fill out the form and get approval first.

Courtesy

Please remember not to cut through people's yards unless you have permission from them. I, myself, see residents walking through the lots to come to the pool or clubhouse. It is in the rules to not "trespass". You are also not allowed to bring dogs onto the common grounds (no matter how small and cute they are) or ride bikes across the walkways on the common grounds. Remember that all bikes are to be parked at the bike racks and not against a building or pool fences.

The Office Staff wish you all a Blessed Easter!

From The President

By Carol Blair

It looks like spring has returned to Clearwater Cascade with residents painting, putting on siding, and planting fresh flowers in their yards.

Remember though, if you are going to plant a tree, please check with the office regarding the type of tree and where you are going to plant it!

And…before you start your painting or any changes to the exterior of your home, the architectural and grounds committee must approve your changes. The forms are in the office.

We have several projects we will be working on throughout the summer months.

- We are re-covering the chairs in the library and adding some lighting in there as well.
- We are placing new surveillance cameras in the storage area
- We are adding a new emergency 911 phone in the Bocce/Pool Hall area. The emergency phone at the pool area is being replaced.
- We are getting the small pool repaired. It has a leak and some rough surface areas.

The Directories will be in the office April 10th. Please go to the office to pick yours up. We are limited to ONE copy per household, please respect that request.

When at the office you might want to get your 2017 sticker for your ID badges or have your picture taken for a new badge. With so many new people in the park, we feel that you should have our badge with you at all times, especially in the pool or other common area. We have discovered that there have been non-residents using our pool and we would like to stop that practice. So your cooperation is appreciated.

Thank you to Helping hands for their efforts. A successful carport sale brought them over $500.00 for their projects! Thanks to all the volunteers for their hard work and dedication!

You will be seeing a new temporary Park Patrol person. His name is Bart. Best wishes for a speedy recovery are extended to Carroll Trenkamp. He has done fine work over the years. Hurry back!

Speed Kills! "I beg of you" slow down.

We wish the snowbirds a safe trip home; stay healthy and we look forward to seeing you in the fall.

Easter is this month. Don't eat too many chocolate bunnies. Have a blessed Easter.

Until next month

Carol

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583) or visit MortonPlantValveTrial.org.**

Dawn Walkers

Meet this month's Dawn Walkers - Bill Barbara and Betty Owens who live at #384.

Betty likes to walk early in the day so she can get home and get her housework done. She walks with her hand weights and a look of determination. Bill walks for health reasons on the advice of his doctor. Both Bill and Betty walk for the exercise and the simple pleasure of walking. You will often see this couple in the evening out on their bikes too! Can you spell e-n-e-r-g-e-t-i-c! Nice to meet you Bill and Betty!

Bocce News

A Message from Sandy and Elizabeth MacKillop

Hi Everyone

Just wanted to let you all know that I'm coming along pretty well. I can walk a bit now with the help of a cane. I go to Rehab twice a week and the therapists are working more on my left arm that isn't coming along as fast as my leg. I'm feeling strong and trying to keep chipper. Elizabeth is doing well and we're both happy that I'm at home now. Elizabeth's daughter Marion is visiting from Scotland and that is a great treat for us.

We are missing our terrific Florida friends and the sunny weather. Keep well everyone!

Letters To The Editor

A letter received from Lois and Gary Hull…

Congratulations to everyone who was involved in the spectacular Variety show March 10 and 11. It was so entertaining that it was easy to forget that everyone on stage was an amateur! A smooth, professional production of singing and showmanship. We enjoyed every minute of watching so much talent – ALL located in our own Park. Bravo!

Social Club

By Don Collins

Greetings everyone,

It is hard to believe that we have come to the end of the 2017 winter season here at Clearwater Cascade. Thanks to the many people who volunteered their time to make it a busy and successful one. Once again DJ Joey, Bandstand, and JJ entertained us in fine fashion. At the top of the entertainment list, however, was our own group of Clearwater Cascade performers in this year's Variety Show. It was definitely an ambitious, creative, and interactive show that certainly lived up to the name Variety. Thanks to special guest John Wayne.

We continue to look for new ideas and our Suggestion Box in the Club House is just waiting for your responses.

If anyone is interested in hosting summer events contact us and we will be happy to discuss it with you.

Have a wonderful summer. Those going north, safe travels. Those staying here, keep cool.
Don

Volunteers

CAN YOU HEAR ME NOW!

Here's yet another shout out for you to VOLUNTEER! Our community does well with the wealth of knowledge that prevails here in Clearwater Cascade. How about sharing your experience and expertise on a committee! Volunteer, volunteer, volunteer!

Sign up in the office. Talk to a Board Member. Drop this Editor a note. THANKS!

Helping Hands

Our Helping Hands crew can only do so much folks. They really need some help in keeping the fund up to where it needs to be. Monetary donations are always welcome. If you're willing to help work on a fundraiser contact anyone on the committee. We are after all…

Variety Show

By April Tantalo

On behalf of Anita and Donna and myself we extend a huge thank you to the terrific cast and crew of this year's Variety show! You guys are all outstanding. Special shout out to Shirley Warren, Ed and Mary Sherwood and, as always, Gerald Daunais. We would not be anywhere without you guys.

Some great "Memories" this year for sure!

Check out the photos on the Clearwater Cascade Facebook Page!

Safety/Neighborhood Watch

By Gary Ryan

Hello Friends. Here it is almost April and some of us will be leaving soon.

For this month I have a few reminders for you.

- Florida laws state that bike riders are to follow the same traffic rules as cars must follow. Stop at stop signs and obey posted speed limits.
- You must have reflective lights on your bike if you are riding after dark. You should wear reflective clothing too if you are out walking your pet in the evening.
- Riders must ride on the side of the road facing traffic. Try to avoid being in the middle of the road please!

Safety News

- We had two accidents involving cars this month. Please be aware of your surroundings!
- An unfortunate incident at the shuffleboard courts brought to light the Emergency Phone at the pool was not in working order. It has been replaced and an additional phone is going to be purchased for the area over at the Bocce court/Shuffleboard court.
- We had about 30 bikes successfully registered by the Pinellas Park Police and if you missed it, we will do it again.
- We will be having another Safety Meeting coming up soon – watch for the posting.

Thank you all for staying safe!

Tap classes continue until the end of April….42nd Street! You don't need any dance experience – just a sense of fun. Try it – you know you want to!

Plaque Mysteries Number Two – Father Bob

Robert Rolander, more commonly known as Father Bob was a resident of Clearwater Cascade for 40 years. When he and Cathy moved here April 1st 1975 they lived on Canal Street and Father Bob used to walk the perimeter of the park every day.

Interestingly, his first career was in "Show Biz". Bob played guitar and keyboard, his partner played clarinet and they travelled about playing nightclubs, lodges etc. Including the Pinellas Park Elk's Club! He loved meeting people and enjoyed this career very much but after about thirty years he was getting older and somewhat disenchanted with the direction of music and even the excitement of Vegas didn't bring the enjoyment he had once felt. His life changed direction and he became a Priest in the Anglican faith.

Lucky for the residents in our park because every Sunday for the next 22 years our clubhouse became St. Luke's chapel with Father Bob giving a sermon. He started in June of 1990 and his last service was March 11, 2012. He then felt it time to stop.

An insight into the man he was is evident in the story of the quarters. You see he still felt the call to entertain and he would often visit nursing homes and other venues, some where people less fortunate than most of us resided. At one such place he would bring a pocketful of quarters to give to the young people for the coke machine. After a time the young people would be lined up at the gate waiting for Father Bob to arrive. He never disappointed them.

He was happily married to Cathryn for 42 years and she shared in his calling, often going with him on those midnight calls for comfort. She joined him on his visits to nursing homes too, often with bracelets she had made to hand out to the ladies.

Father Bob's last sermon was held on March 11, 2015. A great number of people miss him. A great number of people will not forget him. When you see his memorial plaque – tip your hat. For this plaque represents well-deserved thanks and love.

Golf

By Kent Pinkerton

As the golf "season' for the CC golf club officially ended at the March 19th banquet, there is little news to report. This newsletter is the last for this "season" but will appear again next fall in the CC booklet.

The banquet was a fitting end to this "season" with a dinner of good food with good friends. Prizes were awarded for those individuals who placed first in games such as putting and basketball.

Some members are continuing to schedule their own play at Mainlands and various courses around the area. Invitations are extended to anyone that might be interested in joining any of the groups.

Remember: "Your best round of golf will be followed almost immediately by you worst round ever. The probability of the latter increases with the number of people you tell about the former".

Enjoy your summer.
Until next fall…
