THANK YOU.....

Thank you to year-round residents Estelle Kearney and Lillian Migliorini for organizing the summer activity schedule and for hosting many of those activities. The opportunity to gather and socialize was much appreciated by those who are here in Colonial Village during the summer months. Thank you as well to Nadine Crockett who substituted for Betty Green and received shipment of the Monthly Media Magazine as well as the distribution crew Evelyn, Myra, Nadine, and Roger.

BUILDING BETTER BONES (BBB)

Lillian Migliorini will be conducting an exercise class designed to strengthen and maintain bone health. These exercises are simple and they can be extended with the use of ankle and hand weights.

Lillian has received training in this type of exercise class and has generously volunteered her time to work with the residents of Colonial Village. If you are experiencing bone loss or would like to avoid it, join us on Monday and Wednesday afternoons from 1:00 to 1:45. Hand weights are available for your use.

MEXICAN TRAIN DOMNOES

Tuesday afternoons in the Clubhouse you will find a group playing Mexican Train Dominoes. We are always ready to teach you if you don't know how to play. Come and join us at 2:00pm for some fun with Dominoes.

FRIDAY NIGHT BINGO

Friday night at 6:30 is BINGO time!!

For 25 cents per card you can join in the fun and challenge of finding a straight or diagonal line, four corners, a large or small diamond, or a postage stamp! Never played before? We have many experienced players who are more than willing to give you some guidance and we have markers and wands if you don't have your own. Join us for a few hours of inexpensive entertainment.

CARD BINGO

Nov. 2nd was the first event of the winter activities season with a very successful Card Bingo. Residents and guests from Imperial Palms and other parks totaling 26 played this ever popular game. Residents of Colonial Village were on a lucky streak as they won many of the evening's jackpots.

Congratulations to Colonial Village winners: Sue Catellier, Gene Pruitt, Sue Thompson, Vickie Hilgert, Sandy Sanders, Jess McFee, and Erna Thibault.

The next Card Bingo will be on Dec. 7 at 7:00. Bring 12 quarters and join us for a fun evening. A snack will be served during the break.

CHRISTMAS CARDS

If you would like to extend holiday greetings with your friends and neighbors via a Christmas card, Colonial Village has its own self driven delivery system. There will be a box in the Clubhouse to place your CV cards. The deadline for placing your Christmas cards in the box is Dec. 10th. Delivery will take place on Dec. 12th. Merry Christmas everyone!

HOLIDAY ACTIVITY

Our annual **Christmas Pot Luck dinner** will be held on Saturday, December 21st. Please check the Clubhouse bulletin board for time and signup list. We are hoping to have **Christmas caroling** on Christmas Eve. The specifics will be posted on the bulletin board in the Clubhouse.

NEW YEAR'S EVE DANCE

Watch the bulletin board for a signup sheet and details. Advance tickets will be available from Aline (#173).

"...I am so happy with my new windows... I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Monthly Memos

National Drunk and Drugged Driving Prevention Month. Drinking and driving can make the holiday season deadly for drivers, passengers, and pedestrians. National Drunk and Drugged Driving Prevention Month seeks to spotlight the dangers of driving under the influence of alcohol, drugs, or both. According to the National Safety Council, more than 40,000 people died in alcohol-related traffic accidents last year, so this year, stay safe during the holidays.

- **National Safe Toys and Gifts Month.** In recent years, the U.S. Consumer Product Safety Commission (CPSC) has created a robust toy safety system, requiring testing by independent, third-party laboratories around the world, imposing some of the most stringent toy standards in the world, and more. These combined efforts continue to foster the confidence of American families as they prepare to shop for toys this holiday season.
- **National Tie Month.** December is the month to honor the most required yet maligned strip of cloth that's an essential part of business attire—the necktie. Neckties give people the chance to add a little spice to their classy, professional look. A nice necktie speaks volumes about a person's sense of style and even gives people a little look at his or her personality. So this month, give a little extra respect to the people who are professional, classy, and trendy in their favorite ties.

Awareness Week

National Handwashing Awareness Week, Dec. 1–7. Avoid colds and flu during the winter months by following the four principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough into your hands; don't sneeze into your hands; and above all, don't put your fingers into your eyes, nose, or mouth.

- **Older Driver Safety Awareness Week, Dec. 2–6.** Older Driver Safety Awareness Week aims to promote understanding of the importance of mobility and transportation to ensuring older adults remain active in the community—shopping, working, or volunteering—with the confidence that transportation will not be the barrier stranding them at home.
- **Kwanzaa, Dec. 26–Jan. 1.** A weeklong celebration observed in the United States as well as other countries with populations of African descendants, Kwanzaa is a holiday that honors African culture in not only the African American community but also in the world African community.

Life it is not just a series of calculations and a sum total of statistics; it's about experience, it's about participation, it is something more complex and more interesting than what is obvious.

International Tea Day, Dec. 15. Enjoy your favorite cup with a friend.

Ugly Christmas Sweater Day, Dec. 20. You know you've got at least one. Grab your least attractive Christmas sweater and show off your lack of good fashion taste.

Christmas, Dec. 25. The highlight of the year to children young and old.

Da Vinci's bridge design would have worked

Leonardo da Vinci is known for such paintings as "Mona Lisa" and "The Last Supper," but he was also a masterful engineer. According to the LiveScience website, in the 16th century he designed what would have been the longest bridge in the world at the time, connecting Constantinople to a nearby area called Galata over the Bosphorus Sea. He was responding to a request for proposals from Sultan Bayezid, the ruler of the Ottoman Empire.

Da Vinci's bridge was never built, but modern researchers from MIT have built a 3D replica of the bridge, using materials and construction equipment that would have been available in the 16th century. They found that da Vinci's design, using only a single arch, would have been structurally sound, thanks to compression that would have held the bridge's stones together. Leonardo was a true Renaissance man.

Find the suspect

A police officer was testing three people who wanted to become detectives on their skills in recognizing a suspect. She showed the first man a picture for five seconds and then turned over. “This is your suspect—how would you recognize him?”

“That’s easy—we’ll catch him fast because he only has one eye!”

The police officer frowned. “That’s because the picture I showed is his side profile.” Annoyed by this ridiculous response, she flashed the picture for five seconds at the second man. “This is your suspect. How would you recognize him?”

The second man smiled. “Ha! He’d be too easy to catch because he only has one ear!”

The officer grew angry “What’s the matter with you two? Only one eye and one ear are showing because it’s a picture of his side profile! Is that the best answer you can come up with?”

Extremely frustrated, she showed the picture to the third man and in a very testy voice asked, “This is your suspect—how would you recognize him? Think hard before giving me another stupid answer.”

The third man looked at the picture intently for a moment. “The suspect wears contact lenses.”

The policeman was surprised. “Wait here for a few minutes while I check his file.” She left the room and went to her office, checked the suspect’s file on his computer, and came back with a beaming smile on her face.

“Wow! I can’t believe it. It’s true! The suspect does, in fact, wear contact lenses. Good work! How were you able to make such an astute observation?”

“That’s easy,” the third man replied. “He can’t wear regular glasses, because he only has one eye and one ear.”

Laughter is wine for the soul—laughter soft, or loud and deep, tinged through with seriousness—the hilarious declaration made by man that life is worth living.

Happy Puppy

Our pets make us happy, or we wouldn't have so many of them. Thirty-three percent of U.S. households have a dog, 11% have a cat, and 14% have both. The 2018 General Social Survey looked at the connection between pets and overall happiness.

The survey found that 36% of dog owners describe themselves as happy, and 18% of cat owners said the same. (Twenty-eight percent who have both a dog and a cat agreed)

Does that mean you'll be a happier person with a dog as opposed to a cat? Not necessarily. The survey found that dog owners are more likely than cat owners to be married and own their own homes, two factors that influence happiness and life satisfaction. Dog owners are more likely to engage in outdoor physical activity, another factor in overall happiness.

Whatever kind of pets you have, enjoy them and they'll bring you lots of happiness.

It's hard to make friends

Here's some sad news: The average American hasn't made a new friend in five years, according to a survey of 2,000 adults by OnePoll, reported on the Sputnik News website. Forty-five percent of respondents said they struggle to make new friends.

Thirty percent said they have trouble finding new friends because they don't like going to bars. About 33% said they're worried everyone already has a well-established circle of friendships, and 29% said their hobbies aren't good for making friends. Twenty-one percent said moving to a new city had made it difficult to forge new connections.

Age may be a factor. A majority of participants felt that making friends was much easier in their early 20s. Most said they had the largest circle of friends at 23. The survey noted that the average U.S. adult has 16 active friendships.

Like dreams, statistics are a form of wish fulfillment.
