Library at Crosswinds

Submitted by the Activities Association - Rachel Brabant and Yvette Bélanger

On behalf of the residents of Crosswinds, we would like to thank you for keeping the Library in such excellent order. You're doing an excellent job and it makes it more enjoyable to read when the books and the Library space are so well maintained. Your time and effort are greatly appreciated!

Recycling bin for cans!

Thank you to all the volunteers that crush the cans in Crosswinds. A special thank you to Joe Charron for taking the time to crush the cans during the Summer months. Thank you Art and Tony for taking the cans to the recycling plant. Jim Hope and many other volunteers crush the cans during all the winter months. Thank you so much! Jim asks that you take the tabs off the cans and that you crush the cans before dumping them in the bin. A reminder that this is for aluminum cans only! It isn't a recycling bin for food cans or other products!

Kathy and Rick Hoag,

**We wish to thank you for the donation of the ramp,
which is situated at the Small Clubhouse. Your generosity is
appreciated!**

Crosswinds Yoga: Mondays & Fridays from 9-10am

Yoga is said to be for the purpose of uniting the mind, body, and spirit. This union can be achieved through meditation, but it is necessary to prepare the body for meditation by stretching and building strength. This is the physical practice of yoga.

Many people think that the physical practice of yoga is just stretching. But while stretching is certainly involved, it is really about creating balance in the body through developing both strength and flexibility. This is done through the performance of poses or postures, each of which has specific physical benefits.

A regular yoga practice has been shown to provide a variety of health benefits including preventing heart disease, managing weight, improving balance, relieving pain and easing anxiety.

Anyone can start a yoga practice, even if you don't feel like you are very flexible or very strong. These things will improve the longer you practice.

Deserie Valloreo is a certified yoga instructor and will be teaching gentle, restorative yoga classes Mondays and Fridays from 9-10am in the clubhouse. (\$ 5 per session)

Please arrive 10 minutes prior to class start time and bring a mat if you have one.

Did You Know December is Also...?

National Hot Tea Month. What better time of year to settle down for a nice relaxing cup of hot tea? According to the Tea Association of the U.S.A. Inc., tea's health benefits include antioxidants, which aid in cancer risk reduction, increased blood flow for cardiovascular health, and increased energy expenditure that may help combat obesity.

National Volunteer Blood Donation Month. When you give blood at your community blood center, you can save up to three lives. Blood is always needed—up to 40,000 pints every day. Find your local blood donation center to find out more about how you can help.

Train Your Dog Month. Did you know you can start training your puppy when he or she is just seven weeks old? Dogs, like people, are learning every second of the day. For a truly well-mannered dog, you need to reinforce the positive behaviors. "Use it or lose it!" is a good maxim to follow when teaching your dog. For training tips, go to www.trainyourdogmonth.com.
