## CALL & TEXT MESSAGING

---

**O**ur messaging service is working well for most of us but there are still many who have not signed up to receive our messages and reminders.

We use this service to inform you of water issues or other park problems and to remind you of important meeting and events.

We would like to include all residents in this effort to reach you in case of any emergencies that may arise within our community.

If you are not currently receiving these messages, please call, email or text me with your phone # so that we can keep you informed.

## LETTER FROM THE EDITOR

*By Violet Escobar*

---

**A** word about our HOA:

The job of bringing our community together must be a combined effort! Already the labors of our HOA are being recognized by many residents who say they are pleased to see the changes.

We are providing you, our residents, with the kinds of activities and events that you have told us you want to enjoy, but we have only begun.

A partial list of our planned activities for the year is posted on the bulletin board in the Clubhouse. We look forward to meeting with each resident so that we know all your interests and the kinds of things you would like to see in this place that we all call home. Our list grows!

We have a working Negotiating committee that is reaching out to the proper authorities that write our laws and govern our communities within the State.

Right now, we are doing the ground work now to prepare to meet with our Park Owners in the Fall. We are working hard and constantly to improve our living conditions and make living in this beautiful little park the paradise it was always meant to be.

We are regularly meeting and working with management to make sure he (Tom) is aware of our needs and wants. We know that there are things that management can provide to make our community more pleasing for everyone and we are not afraid to ask for them.

We are reaching out to our shut-ins to bring them food and information and are always looking for more ways to include them and all others in our events. Our goal is to MAKE A DIFFERENCE to everyone!

You can help by making us aware of anyone who could benefit from our help... anything we can do to make life easier and more comfortable for those who struggle with everyday tasks and responsibilities.

We are coordinating work crews to help with yard/lot clean-up for those who are unable to

*...continued on page 6*

do these things for themselves. We are always looking for volunteers to help with this effort. This task is, not only good for the resident but improves the appearance of our park... OUR neighborhood.

There are many things that the HOA does that go unnoticed by a lot of residents. The bottom line is they we try and without the effort, nothing happens.

We are better together!

## FMO: FEDERATION OF MANUFACTURED HOME OWNERS OF FLORIDA, INC.

---

**W**hat is the difference between the terms “HOA” and “FMO”?

**HOA:** The **HOA** is the local “governing body” of the community. It is a homeowners’ association, created under Chapter 723, Florida Statutes, for the specific purpose of either purchasing the community on behalf of the residents and/or representing the community on behalf of disputes between management and the residents.

**FMO:** The **FMO** is the statewide organization that lobbies for and defends your rights as a mobile/manufactured home owner in Florida. We assist in the training, and offer advice, for the HOA officers and directors in a community. The FMO does not assist with or interfere in the governing of the community. That is left up to the community HOA.

FMO needs your help. If FMO is to continue fighting for your rights and protecting your lifestyle, we must keep our membership numbers high. That is what gives FMO clout with legislators and other government officials.

### **TOGETHER WE MUST STAND**

*Now more than ever!*

An important meeting of the FMO is scheduled for March 20th. One featured speaker will be Attorney and Retired Judge Dan Perry. Mr. Perry specializes in Mobile Home Laws and will be answering all legal questions that are asked.

This meeting will be held at Sugar Creek Mobile Home Park. The address and directions will be posted on the Bulletin Board in the clubhouse.

## ROUND TABLE DISCUSSIONS

---

Our first Round Table was held on Wednesday, March 7, 2018.

Up-coming events were discussed. It was restated that with more people helping, we could do more fun things.

We decided that it might be more convenient to meet on the weekend.

So, our next Round Table will be scheduled on a weekend day. You can look for it to be posted on our Facebook Group page and on the Bulletin Board.

We feel it is important to get as many ideas and as much input as possible from more people.

Right now, our focus is on the next 4 months. We have 4 big events / activities coming up, so we have a lot of planning to do and no time to waste. We need your ideas and talents to help with the planning and the follow-through to make them a success. There are jobs for little things and big things and every day we hear about amazing talents that some of our residents are wanting to share. Come and share them with us.

After the activities of the summer months begin to slow down, we will be focusing more on our up-coming negotiations with park owners about improvements to our park and rent increases.

We'll be discussing ways to help some of our older or handicapped residents with little things that will make life easier and more fulfilling for them.

We already have a program to help those who can't get out, to be sure they get food and simple necessities. We would like to get your ideas on how to improve this program.

Our agenda also includes things like water testing, Tie Downs and Spring Clean-up throughout the park.

So, you can see why we need YOU to bring an idea to share or a problem to discuss.

We need YOU to help us get more done for everyone by sharing a little bit more of you.

Everyone is invited and encouraged to come.

## FISHING TOURNAMENT & FISH FRY –

---

Saturday April 14th.

Plan your day around fishing, fun, food, friends and lots of games.

Registration for fishing 10am (you must register to win a prize)

Fishing starts at 11:00 am

Judging at 2:00 pm

**PRIZES** - Gift cards for:

- Biggest catfish,
- Biggest blue gill

*Continued on page 10*

- Biggest bass

Awards given out at 2:30 pm

Dinner promptly at 6:00 pm

We need lots of volunteers to help clean the fresh fish and other sea food and to prepare it for cooking. We had a fun crew last year. We need them back and more.

If that's not your thing, there are many other ways you can help us to make this a fun day for our community.

Without you, this fun activity will be so much more difficult for those who are working to make this year's Fish Extravaganza the best yet.

See Ron, Kim, Violet or any Board Member to sign up and we'll gladly put you to work.

There'll be games all day so plan to come and make a day of it!

## CASINO CRUISE

---

Saturday April 21, 2018

A bus will arrive in front of the Clubhouse early (we'll give you a time soon) to begin the trip to Cape Canaveral for boarding the Cruise Ship.

You MUST sign up and pay (\$45) before April 13.

The group rate is \$45 per person (\$77 value) which includes boarding, lunch/dinner buffet, \$20 qualifying slot play for the machines and round-trip transportation from Pinellas Park to Port Canaveral and back home. More details will be forthcoming.

Meanwhile, get your friends and neighbors to sign up. We were given a group rate for 30 people. More would be fantastic.

## LOOKING FORWARD

---

Who wants to play cards? Do you like to play board games? The clubhouse is the perfect place to meet up with your friends for some friendly games and a good night out.

Suggestions for tournaments are also being discussed: In addition to the ongoing Pool (Billiards), we'd like to see Corn hole, Bowling, Darts and hopefully soon, Shuffleboard.

Watch for the Round Table meeting to be scheduled soon to talk more about the kinds of things other residents want to do as a group and we'll help to get things started.

## COMMITTEES

---

### **Committees are being formed to carry out some very important tasks.**

1. Welcome Committee – We have prepared a packet of important information and some goodies to take when we greet our new neighbors. Right now, this committee is being staffed by Board members, but we want to share the responsibilities. The only requirements are to be able to smile, have a positive attitude, give some out some information we provide, ask for some information like name, what do they like to do, do they have any special skills they'd like to share, etc. Easy, peasy.
2. Public Relations – Our new PR person, Lynn Geiser, comes with all the right skills to talk to local merchants to solicit donations for our events. We're excited to welcome Lynn's assistance and talents.
3. Sunshine Committee – It's not always easy to know who is sick, in the hospital or in rehab or who has gone to a nursing home. We would love to have someone who knows "who's who" in the park or who can find out who might like for others to know what's going on with them. It would be so nice for someone to send a get-well card or even plan a visit to someone who might feel under the weather and alone or might need someone's help.
4. Meals-on-Wheels – We are aware that some of our neighbors don't have the means to eat well or eat as they should to be healthy. These people usually miss out on the awesome meals that are prepared for our potlucks or events.

The HOA is now cooking extra food & preparing carry-out containers at our potlucks and dinners and delivering them to those not as fortunate or unable to come out to share with us.

We'd like to know if you are aware of anyone in the park who could use a good home-cooked meal occasionally, if so, please let Ron & Kim or any Board member know, and we'll arrange to see that they don't go without food.

5. Personal Shopper – We know that some of our neighbors don't or can't get out for basic things like food, toiletries or cleaning supplies. If shopping is something you like to do, there are ways you can help and get some things for yourself at the same time.
6. **H.O.P.E. (Helping Our People Excel)** is the HOA-sponsored Neighbor's helping Neighbor's Committee. Our last day of helping was a great success and some of our most deserving neighbors received some very needed aid. We washed homes, trimmed trees and overgrown bushes, replaced blocks that had fallen around a home, pulled weeds and

some other things that I've forgotten about and had it all done before noon. We worked, we laughed, we got sweaty and dirty and had a lot of fun doing it. When we were done working, we met back at the clubhouse to cool off and eat lunch.

We are planning on having another day of helping in the Spring but would like to see more volunteers than just the 5 we had the last time. It would be so nice to see more men step up to help us ladies... Ron G. was the only guy to help last time. We need more! With more volunteers, we could help more of our friends clean up their homes (outside) and improve the appearance of our community.

7. And last, but certainly not least, Manager Tom has offered a "Yard of The Month" prize each month of the year. The winner will be given a sign in their yard for all to see, they will receive a gift card from a local garden center and of course they'll have bragging rights. Maybe we can post a picture of the winning yard on the Bulletin Board in a special "Wall of Fame" place. More details about this will be discussed later.

## YARD OF THE MONTH

---

**C**ongratulations to Stacey Szlosek, Lot 82 on 6th Street, winner of our March Yard of the Month Award. Stacey will receive a \$25 gift card and definite bragging rights.

Tom says there were many in the running and a few that were great but there was clutter around the home. So, you know what needs to be done...

I can hardly wait to see who will be next?

## VOLUNTEERS

---

**V**olunteers spend countless hours working on your behalf; this is why we are always requesting more help. And, this is why we need you.

When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

Volunteers are always needed for all sorts of things! Some things can be done in 5 minutes, some things can be done at home, some things require a little more time and effort, but all things are very important. The more Volunteers we have to help, the more fun things we will be able to do.

If you've signed up before and were never called, Not to Worry! We need you and we will be calling you. Please, let us know, once again who you are!

Right now, I can tell you that we're going to need we someone to help us sell Tickets for the New Year's Eve party, Set-up, Clean-up and people to help Decorations.

## RECIPES

### SALTED CARAMEL-CARROT POKE CAKE

#### Ingredients:

#### Cake

- 1 box Betty Crocker™ Super Moist™ yellow cake mix
- ½ cup water
- ½ cup vegetable oil
- 4 eggs
- 1 ½ teaspoons ground cinnamon
- ½ teaspoon ground nutmeg
- 2 cups finely shredded peeled carrots (5 medium)

#### Filling

- ¾ cup Smucker's® Simple Delight™ Salted Caramel Topping

#### Frosting

- 1 package (8 oz) cream cheese, softened
- ¼ cup butter, softened
- 1 teaspoon vanilla
- 1 ½ cups powdered sugar

#### Decorations

- 2 tablespoons Smucker's® Simple Delight™ Salted Caramel Topping
- Coarse sea salt, if desired

#### Steps:

1. Heat oven to 350°F. Spray bottom and sides of 13x9-inch pan with cooking spray.
2. In large bowl, beat cake mix, water, oil, eggs, cinnamon and nutmeg with electric mixer on medium speed 2 minutes, scraping bowl occasionally. Stir in carrots. Pour into pan.
3. Bake 26 to 33 minutes or until toothpick inserted in center comes out clean. Remove cake from oven to cooling rack. Immediately poke holes using fork over top of cake, wiping fork tines occasionally with paper towel to reduce sticking.
4. While cake is still warm, evenly pour and gently spread ¾ cup caramel sauce over cake, working back and forth to fill holes. Rap pan on counter several times to help caramel sauce flow down holes. Refrigerate 2 hours.
5. When ready to serve, in large bowl, beat cream cheese and softened butter with electric mixer on medium-high speed until smooth. On low speed, beat in vanilla and powdered sugar until frosting is smooth and creamy. Drop frosting by spoonful's; spread evenly on top of cake. Drizzle 2 tablespoons caramel sauce over top.
6. Cut into 4 rows by 3 rows. Sprinkle with sea salt, if desired. Cover and store remaining cake in refrigerator.

## **SLOW COOKER RANCH PORK CHOPS**

### Ingredients:

- 4 to 6 boneless pork chops
- 1 (1-oz) packet Ranch dressing mix (do not make dressing)
- 4 oz cream cheese
- 1 (10.75-oz) can cream of chicken soup
- 3/4 cup chicken broth or white wine
- 1/2-pound cooked angel hair pasta

### Instructions:

Place pork chops in slow cooker. Combine Ranch dressing mix, cream cheese, soup and broth. Pour over pork chops. Cover and cook on LOW for 8-10 hours.

Serve over cooked angel hair pasta.

## **KITCHEN TIPS:**

---

### Make Your Own Yogurt Pops

I love Activia Yogurt, but I never thought of eating it frozen until now. The top of the container is soft, so you can push a popsicle stick through it and pop the whole container in the freezer. After an hour or so you'll have frozen yogurt on a stick. Yum.

### Freeze Herbs in Oil

If you freeze your herbs in olive oil it will prevent them from browning and getting freezer burnt. Not to mention they will always be handy, whether in season or not. Toss the cubes in a pan for sautéing meat and veggies or use them as a sauce for pasta.

### Homemade Fruit & Vegetable Wash

Just 3 Ingredients:

In a small spray bottle mix-

1 Tablespoon Fresh Lemon Juice

1 Tablespoon Baking Soda

1 Cup water

Shake gently to mix (it will fizz just a bit)

# WORDS OF WISEDOM

---

**T**hank God every morning when you get up that you have something to do which must be done, whether you like it or not. Being forced to work, and forced to do your best, will breed in you, temperance, self-control, diligence, strength of will, content, and a hundred other virtues which the idle never know.

Charles Kingsley P.D.Mc.

- ❖ A man of words but not deeds is like a garden with no flowers, only weeds.
- ❖ Happiness is a result of a decision to be happy.
- ❖ The early bird may get the worm but it's the second mouse that gets the cheese.

# APRIL ANNIVERSARIES

---

4 – David & Violet Escobar

For birthdays, we would like to know the month and day you were born. (No years, please.)  
For Anniversaries: The Month, Day and if you want to include the year, that would be great.  
Please call, e-mail, text me or see me so that I can get this information from you. Thank you so much for your participation.

# PLEASE SLOW DOWN

---

**T**he Speed Limit in our community is 10mph! We have a few residents that consistently violate this policy.

Their lack of regard for the safety of the residents and wild life may lead to a needless tragedy. Many residents have physical handicaps whether it is simply a small problem with mobility or being hearing or visually impaired.

Many of us use our streets to take walks or visit with each other.

Someone could be injured, and it would be a needless tragedy. Please be courteous to everyone, and slow down. There is no reason to use excessive speed inside our community.

## WIN WITH THE VENDORS OF CRYSTAL LAKE PARK

---

**W**hether you need a Plumber, a Vapor barrier or a new roof, the first and best place to look is in the Media!

Supporting the vendors in the Media keeps the monthly newsletter available and helpful to each homeowner because sooner or later you are going to need a service that is advertised.

In appreciation of your support, you could be eligible to win \$5.00 to \$100! Once a job has been completed at your home, the Vendor will provide you with a Monthly Media contest entry ticket.

All you need to do is fill out the ticket and deposit it in the Media box that is located in the clubhouse. There is a limit of one entry per month.

## STREET LIGHT OUT

---

**W**e want to keep all our residents safe especially walking in the park. If you can provide an address to after dark

If you know of a streetlight that is our or not working properly, you can call Duke Energy at (727) 443-2641 with the number on the pole and/or a nearby address. We need to keep our streets well lighted and safe. You can also use the Duke Energy website to make the report.

## Walk safely in traffic

---

**N**ow that spring is here and walking is more manageable in milder weather, here are some reminders about walking safely along busy streets:

- Stay on the sidewalk and crosswalks. If you can't avoid walking on roads with no crosswalks or sidewalks, walk facing traffic.

- Cross at intersections. Most people are hit by cars when they cross the road at places other than intersections. Make sure you stop at the curb. This signals to drivers that you intend to cross.

- Stay out of the driver's blind spot. Make eye contact with drivers when you cross busy streets.

## Travel trends for 2018

---

If you're looking to get away from it all in 2018, you're not alone. The AARP Travel survey looked at what Baby Boomers and millennials are planning for their vacations this year. Here's some of what the survey found:

- Boomers expect to take four or five trips for leisure this year, and spend about \$6,400 on their travel.
- Seventy-four percent of millennials expect to take work with them.
- Fifty-seven percent of Boomers travel to spend time with family and friends, 49 percent say they travel to relax and rejuvenate, and 47 percent are looking for an escape from everyday life.
- Forty-nine percent of Boomers plan to travel only domestically, with Florida and California the most popular destinations.
- Forty-seven percent plan to travel both domestically and internationally. Top international destinations are the Caribbean/Latin America and Europe.
- Traveling abroad is a “bucket list” item for 22 percent of Boomers.

## Sleep? There's an app for that

---

We use the apps on our smartphones for all sorts of things. One of them is tracking sleep patterns. In a survey of 934 mobile phone users by the NYU School of Medicine, 28 percent of participants reported that they use a health app to monitor how long they sleep, what time they go to bed, and whether they wake in the middle of the night, as well as whether they snore, have breathing problems while asleep or change positions.

Thirty-five percent of men and 20 percent of women reported tracking their sleep, and the average age of sleep trackers was 34. The most popular apps (of 24 named in the survey) were Fitbit (10 percent), Lose It (3.5 percent), and Apple Health (2.6 percent).

## Just 5 percent makes a big difference

---

If you're overweight—like many Americans—you may be intimidated and overwhelmed by the thought of just how many pounds you have to lose in order to get healthy. How much is enough? Twenty pounds? Thirty?

Good news: According to NBC News' Better website, losing just 5 percent of your body weight can have significant health benefits. It can decrease your total body fat, including visceral fat that hugs your organs, as well as liver fat. In addition, it can lower your blood pressure and also increase your insulin sensitivity—all of which can cut your risk of developing type 2 diabetes.
