## WORDS FROM THE EDITOR

*By Violet Escobar*

---

One of the biggest and most exciting things that your HOA offers happens every Friday night.

We missed our deadline for including the MENU in last month's Courier as changes were being made to the menu. We hope to have it for you with this month's issue. When you get it, be sure to check out all the awesome options that you now have for your Friday Night Dinner. Be sure to put it in a prominent keep it in your Kitchen to remind you of the many choices and the low prices in store for you every week.

Be aware that our kitchen is only open for 1 hour, from 5:45 p.m. with the last orders taken no later than 6:45 p.m. giving our 'chef' the time he needs to get your orders ready before Bingo starts at 7 p.m.

Remember that if you are not a "bingo" lover (as many of us are), you can still come for dinner to eat with us or carry it out and eat at home.

Look for "Bingo News" later in this issue.

I am always eager to include any items, articles or park news that you might want to have inserted into our newsletter. Just submit any inclusions to me by the 10th of the month.

## HOA NEWS

---

### **FYI: It's time to VOTE for our HOA Officers.**

Nominations for HOA Board Officers will be closed at the February meeting. If you wish to nominate someone for the HOA Board or if you wish to nominate yourself, you **MUST** do that by the Monday, February 4th meeting. After that, nominations will be closed.

We will vote at the March 4th meeting.

## **FMO: FEDERATION OF MANUFACTURED HOME OWNERS OF FLORIDA, INC.**

---

What is the difference between the terms “HOA” and “FMO”?

**HOA:** The **HOA** is the local “governing body” of the community. It is a homeowners' association, created under Chapter 723, Florida Statutes, for the specific purpose of either purchasing the community on behalf of the residents and/or representing the community on behalf of disputes between management and the residents.

**FMO:** The **FMO** is the statewide organization that lobbies for and defends your rights as a mobile/manufactured home owner in Florida. We assist in the training, and offer advice, for the HOA officers and directors in a community. The FMO does not assist with or interfere in the governing of the community. That is left up to the community HOA.

FMO needs your help. If FMO is to continue fighting for your rights and protecting your lifestyle, we must keep our membership numbers high. That is what gives FMO clout with legislators and other government officials.

## **UPCOMING ACTIVITIES & EVENTS**

---

### **VALENTINES DAY DANCE**

Our Annual Valentine's Day Dance will be held this year on Saturday, Feb 9th at 6 p.m. "Contests" will be for the best Finger-food dish and the best dessert. So... if you want to show off your best dishes to be judged, we'd love for you to share them with us.

### **NEW CLUB?**

Stacey Szlosec would like to know if anyone would be interested in joining crochet/knitting club? We could meet in the clubhouse on Tuesday or Wednesday! Let me know if you might be interested! Stacey Szlosec (6TH St.) 727-509-2010

Please watch the Bulletin Board and any notices for announcements of upcoming Activities, Events or notices.

## **ONGOING ACTIVITIES**

---

### **FRIDAY NIGHT SNACK BAR**

The Friday Snack Bar is for everyone! Not just bingo players... EVERYONE!

We are including with this Courier, a MENU that you can put in a visible place somewhere in your kitchen to remind you that you don't have to cook on Friday nights or order out anymore... and you'll be helping your community. The variety is awesome, and the prices are good.

The HOA invites you to come out and have dinner with your friends and neighbors. The Snack Bar is open on Fridays from 5:30 p.m. until 6:45 p.m. We have an extensive menu: Hamburgers, Hot Dogs, Chicken Breast, French Fries, Onion Rings, ice cream and much more. Look over your menu and decide what suites you best.

We offer To-Go ordering within our open-kitchen hours.

We also offer delivery to those who can't get out to be with us. If this is you, just give us a call before 6:30P and we'll deliver to you.

### **BINGO NEWS**

It's not just your average BINGO anymore! We have new games like DERBY BINGO where you can buy your favorite horse and race against 9 others to big winnings every Friday night.

Another game is our SPEEDY BINGO. You have to be on your toes for this one because numbers are called fairly quickly, and no letters are given. But if you are a winner, the pot is always good.

You have to come a few minutes early to play these two games because our regular BINGO starts promptly at 7 p.m.

*continued on page 10*

Closer to the end of the night, right before the cover-all game, we play PROGRESSIVE BINGO. This is where only a specified number of ‘numbers’ are called. If no one is able to call Bingo during that time, the ‘pot’ rolls over and is added to the next Progressive Bingo the following week. In the past, our pots have grown to many hundreds of dollars and a very happy Bingo(er) has gone home a lot richer.

So, if winning money, hanging out with good friends and sometimes laughing until you cry is the kind of entertainment you want, the CL Clubhouse is your place to be on Friday nights.

## RECIPES

---

### Gnocchi Bake

"A quick and easy blend of gnocchi, sausage, cheese, and your favorite spaghetti sauce baked together for a hearty casserole."

#### Ingredients

- 1 (18 ounce) package frozen or fresh gnocchi
- 1-pound bulk Italian sausage
- 1 (14 ounce) jar spaghetti sauce
- 1 1/2 cups shredded mozzarella cheese

#### Directions

1. Preheat the oven to 350 degrees F (175 degrees C).
2. Bring a large pot of lightly salted water to a boil. Add gnocchi, and cook until tender, 5 to 8 minutes.
3. Meanwhile, crumble the sausage into a skillet over medium-high heat. Cook and stir until evenly browned. Drain grease and stir in the spaghetti sauce. Remove from heat, and carefully mix in the cooked gnocchi and half of the mozzarella cheese. Transfer to a casserole dish. Sprinkle the remaining cheese on top.
4. Bake for 15 to 20 minutes in the preheated oven, until the cheese is melted, and the sauce is bubbly.

## **COMMITTEES**

---

**Committees are being formed to carry out some very important tasks.**

1. Welcome Committee – Our Welcome committee went out last week and visited 5 new residents and gave them packets of information to keep for information and reference. It was fun! We have some very interesting and friendly new people living amongst us and look forward to getting to know them better. I can't wait to do this again.
2. Sunshine Committee – It's not always easy to know who is sick, in the hospital or in rehab

*Continued on page 16*

or who has gone to a nursing home. We would love to have someone who knows “who’s who” in the park or who can find out who might like for others to know what’s going on with them. It would be so nice for someone to send a get-well card or even plan a visit to someone who might feel under the weather and alone or might need someone’s help.

3. Meals-on-Wheels –We have been made aware of several people usually miss out on the awesome meals that are prepared for our potlucks. These friends and neighbors miss out on our events due to poor health or the inability to come to the Clubhouse to join in and share a meal. Our HOA routinely delivers meals to those who cannot be with us.

This small act of kindness makes us feel all warm and fuzzy inside and we love doing it.

If you know of anyone who could use this kindness, please let us know and we’ll immediately add them to our list.

4. Personal Shopper – We know that some of our neighbors don’t or can’t get out for basic things like food, toiletries or cleaning supplies. If shopping is something you like to do, there are ways you can help and get some things for yourself at the same time.
5. **H.O.P.E. (Helping Our People Excel)** is the HOA-sponsored Neighbor’s helping Neighbor’s Committee. Our last day of helping was a great success and some of our most deserving neighbors received some very needed aid. We washed homes, trimmed trees and overgrown bushes, replaced blocks that had fallen around a home, pulled weeds and some other things that I’ve forgotten about and had it all done before noon. We worked, we laughed, we got sweaty and dirty and had a lot of fun doing it. When we were done working, we met back at the clubhouse to cool off and eat lunch.

We are planning on having another day of helping in the Spring but would like to see more volunteers than just the 5 we had the last time. It would be so nice to see more men step up to help us ladies... Ron G. was the only guy to help last time. We need more! With more volunteers, we could help more of our friends clean up their homes (outside) and improve the appearance of our community.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## VOLUNTEERS

---

**V**olunteers spend countless hours working on your behalf; this is why we are always requesting more help. And, this is why we need you.

When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

Volunteers are always needed for all sorts of things! Some things can be done in 5 minutes, some things can be done at home, some things require a little more time and effort, but all things are very important.

The more Volunteers we have to help, the more fun things we will be able to do.

If you've signed up before and were never called, please, let us know, once again who you are! We'll be calling on you!

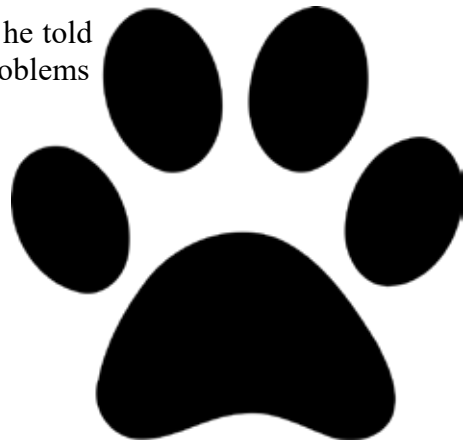

## PET OWNERS & LOVERS

---

**I**'m writing this as a courtesy to people who have expressed to me (as the Editor of this publication). Please help us control the cat population and damage to plants, yards and gardens by following the rules of the park and keeping your cat's inside. Even though they might be spayed or neutered they still use gardens and yards for their toilets, yowl and fight at night and spray a terrible odor when marking their territories.

Also, concerns that I hear about dogs still have to do with people not picking up after their pets (even in their own yards) and not keeping their pets on a leash. Please be mindful that pet urine is very acidic and will kill grass. With Spring coming and people taking more time to clean up and beautify their yards and carports we can all help by taking better care to follow the rules.

I have spoken to Manager Tom about their concerns; he told me that people have also come to him about these same problems and that he is looking into ways to handle these issues.

## PLEASE SLOW DOWN

---

**T**he Speed Limit in our community is 10mph! We have a few residents that consistently violate this policy.

Their lack of regard for the safety of the residents and wild life may lead to a needless tragedy. Many residents have physical handicaps whether it is simply a small problem with mobility or being hearing or visually impaired.

Many of us use our streets to take walks or visit with each other.

Someone could be injured, and it would be a needless tragedy. Please be courteous to everyone, and slow down. There is no reason to use excessive speed inside our community.

## WIN WITH THE VENDORS OF CRYSTAL LAKE PARK

---

**W**hether you need a Plumber, a Vapor barrier or a new roof, the first and best place to look is in the right here in this Media!

Supporting the vendors in the Media keeps the monthly newsletter available and helpful to each homeowner because sooner or later you are going to need a service that is advertised.

In appreciation of your support, you could be eligible to win \$5.00 to \$100! Once a job has been completed at your home, the Vendor will provide you with a Monthly Media contest entry ticket.

All you need to do is fill out the ticket and deposit it in the Media box that is located in the clubhouse. There is a limit of one entry per month.

## STREET LIGHT OUT

---

**W**e want to keep all our residents safe especially walking in the park. If you can provide and address to after dark

If you know of a streetlight that is our or not working properly, you can call Duke Energy at (727) 443-2641 with the number on the pole and/or a nearby address. We need to keep our streets well lighted and safe. You can also use the Duke Energy website to make the report.

## Cave drawing of bull is earliest of its kind

---

**A**rcheologists have discovered the oldest known drawing of an animal on the wall of a cave in Indonesia, according to the U.S. News & World Report website. It's some 40,000 years old, about five feet wide, and it depicts a bull-like creature in a red silhouette.

Along with similar drawings on cave walls in Borneo, the drawing sparks renewed debate about the role of art in ancient times. Similar cave paintings have been found in France and Spain, though they're just 33,500 to 37,000 years old.

Cave dwellers began sketching humans engaged in hunting activities and dancing some 14,000 years ago in both Europe and Asia. The findings raise the possibility that humans migrated from Africa to Europe and then Asia, bringing their artistic sensibilities with them.

## Invasion of the space worms

---

**L**ong-term space travel poses many challenges, but one of the most daunting is the loss of muscle mass in a zero-gravity environment. On a voyage to Mars, for example, space travelers could arrive on the red planet too weak to stand. Now, reports the Popular Science website, thousands of worms headed to the International Space Station (ISS) may help solve the problem.

Scientists plan to study muscle atrophy in the worms and then treat them with a special brand of RNA designed to stop the breakdown of protein and preserve the muscles in their bodies. If all goes according to plan, this could alleviate one danger to astronauts remaining in space for long periods of time.

Science is simply common sense at its best, that is, rigidly accurate in observation, and merciless to fallacy in logic.
