EDITOR'S NOTES

ANSWERS TO YOUR QUESTIONS

As in all successful corporations, we know how important it is to get input from everyone in our company (our community). Now more than ever we all need to be on the same page, after all we are basically reaching for the same goal... that is to spend our retirement years as happily and comfortably as possible. What makes you happy? What do you want to see happen in our park? Are there changes you'd like to see?

We know you have concerns and want answers and as a member of the Home Owners' Association you have every right to ask your questions and to expect reasonable, accurate answers. For this reason, the Board is adopting a new rule of communication.

Beginning in January (2015) we are asking you to put in writing any questions you have regarding HOA concerns or any subjects that you would like to discuss at the following meetings.

You will have until the second Saturday of every month to submit them in writing and signed to the Board to be researched and ready to address at the next meeting. There is a slot

in the HOA room door (in the clubhouse) for this purpose. Your questions or concerns will be researched or discussed between the members of the Board or taken to Management for answers, whichever is appropriate.

In this way you will be provided the most honest, accurate answer to your question or if it is a subject for discussion, the Board will be better prepared with facts.

All this will be done before the next month's meeting and put on the meeting's agenda for discussion.

HOA MEETING

Plan to attend the HOA meeting on Monday, January 5th. New and exciting things are happening in Crystal Lake and we want you to know all about them. Please plan to attend and bring a neighbor. Let's start the new year by filling up the room.

BINGO

We always have so much fun on Friday nights at bingo. With the return of our Northern friends and visitors from sister parks, our room is filling up and so are the "pots". For just a short walk to the clubhouse and a \$5.00 investment per a 10-game packet, you can expect about 2-plus hours of fun with your friends and neighbors.

If you haven't been coming out to bingo you should definitely consider doing so.

Cliff and Belinda ask you to show up by 6:45pm to buy your \$5.00 and \$1.00 tickets. Play begins at 7pm.

Cliff has been our "caller" most nights and does a superb job but if you are interested in helping out by "calling" occasionally, please call Cliff 727-504-7012 so we can give him a break.

LINE DANCING

Put on your dancing shoes (or just wear socks like I do) and dance with Sherry Nelson, Ginny Ohl and many of their dancing friends for a few hours of fun and great exercise. If you show up at 6:30pm Sherry will give you some basic instructions and starting at 7pm all the other dancers join in.

You can always go at your own pace. You can sit one or more out and then get up and go again. It's also fun to watch while you catch your breath. If you like synchronized dancing, this is for you!

So mark you calendars for Line Dancing the 1st and 3rd Wednesday of the month at 6:30pm for instruction (or warm-up) – 7pm to do some serious dancing.

LET'S GO FISHING!

Have you seen some of the fish that come out of our lake? I personally have caught large mouth bass, blue gills, catfish and turtles. In addition, others have also caught tilapia.

We have unofficially designated Thursdays as LETS GO FISHING Day... all day long and into the evening.

If fishing doesn't excite you, come and sit by the lake and watch the ducks, water birds and turtles playing by the shore. Sometimes you can see Otters playing with their babies in the water or Cormorants diving for fish or sitting on the rails on the dock with their wings spread to dry in the sun.

You might even consider spreading a picnic-type lunch or dinner on one of the round mosaic tables located on two corners of the lakeshore. That would be a great place to spend time with your spouse or some of your friends.

In the evenings some of the most beautiful sunsets I've ever seen can be viewed from the benches around the lake or even from the patio by the pool.

If you're out later at night you might even get a glimpse of skimmers flying closely to the water looking for bugs on the glassy surface.

The weather is beautiful. You should get out and enjoy it.

NEIGHBORHOOD WATCH

Submitted by Ricardo Vega

The Neighborhood Watch consists of EVERY resident in our park who wants to feel protected and take a part in making Crystal Lake a safer place to live.

There are many ways in which you can help. Here is a partial list of things you can do:

- Be a **Watch Captain** - Collect information from patrols in your designated area, remind people in your area about meetings and encourage them to attend.
- Be a **Street-Walker** - make a note of anything you see that seems suspicious on your daily walks such as unidentified vehicles (We're looking into getting decals for authorized cars), people walking or biking through looking into carports or walking between houses, etc.
- Be a **Window Watcher** - Be more observant and take a minute or two to make a note of anything you see on your street that just doesn't look right. Save this information for your Watch Captain to deliver to the Coordinator for record-keeping or a necessary action.

So you see there's something for everyone to do to have a part in keeping our park safer.

NOTE:

If you see something suspicious, pick up the phone and call the Pinellas Park Police Department at (727) 541-0758.

KEEPING OUR RESIDENTS SAFE

Vickie, Corky and Richie are working hard to help keep our park safe and free of unwanted vagrants. You can see Vickie and Corky riding their cart and Richie walking through the park at any given time of the day or night watching out for our safety. Their message to you is to keep your vehicles and homes locked at all times and don't leave bikes and other things on your porches and carports without securing them.

When you see them out, be sure to give them a wave and thank them for looking out for us. They're really nice, caring guys always watching out for us.

SAFETY TIPS

Do not give the opportunity to a criminal to blacken your day. Taking steps to look our neighbors, reporting any suspicious activity and practicing some of the following safety tips, we will succeed to have a much safer place to live.

Let's start with your home:

- Always **LOCK** and secure your doors when you go to a neighbor's house or even when you are home. Lock all your windows when you go out or retire for the evening, and use secondary locks.
- Use timers on interior lighting and/or radios so your home will always look lived in.
- Use motion sensors or dusk to dawn sensors on exterior lighting.
- Place gifts where they can't be seen from outside.
- Mail items at the Post Office.
- Do not display pictures of purchased items on cardboard in your recycle bin.
- Always **lock** and **secure** your vehicle and remember to remove all valuables from sight including GPS holders. If possible place valuables inside your home.
- Never open your door to strangers.
- If you're going away, stop all services, i.e. newspaper, mail, etc. or ask a trusted neighbor to pick up mail, newspaper, etc. from in front of your home. You can also go online to the **Pinellas Park Police Department** website and request a Vacation House Check.

STREET LIGHT OUT

If you know of a streetlight that is out or not working properly, you can call Duke Energy at (727) 443-2641 with the number on the pole and a nearby address. We need to keep our streets well lighted and safe. You can also use the Duke Energy website to make the report.

VICTORY CASINO CRUISE TRIP

Ricardo Vega

The Casino Cruise trip that was promoted with much enthusiasm took place on Saturday, November 15, 2014 leaving Crystal Lake early in the morning. "Have you experienced the Sunset Appliance Difference? It's all about our Service!"

approximately two hours and twenty minutes with a resting stop in between to buy snacks, stretch and use the restrooms. Once in the Marina Terminal, details were given about the boat trip, games, identification and other important details so everyone could have a wonderful experience. After presenting proper government issued identification everyone got into the cruise and got ready to have the most extraordinary experience.

THE CRUISE: The Cruise, Victory I, is part of Victory Casino Cruises that departed from Port Canaveral. The cruise consisted in 4 decks full of games, food, music and many more things that make a trip an unforgettable one.

MUSIC & DANCING CLUB: For those who like dance and great music, BIG NORM'S CLUB V, is the perfect place to remember those great 80's and 90's music and also to dance at the rhythm of them. Who remembers songs such as "Celebration", "Disco Inferno", "Get Down Tonight" and "Le Freak" to mention some! What a great experience and moments to remember those great times. Janet, from 192, is witness of these because she enjoyed the music and dancing. Another point of interest was Victory Sportbook Lounge, outside of the Fourth Deck where everyone was also having a good time having their favorite drinks and dancing. What an experience!

BUFFET: The buffet was splendid. Chicken, Salmon, Tilapia, Carved meats plus salad that included Shrimp salad, macaroni salads to mention some besides lettuce, tomatoes, onions and those special ingredients that make a perfect salad were part of the menu and not forgetting the delicious desserts such as cheese cakes, peach pies, lemon meringues to mention a few.

GAMES: From Slots machines to Bingo, people had the experience to play their favorite games in different levels. That's what made the people in this trip special; including some of them being winners. Many of the people on this trip played BINGO in a different way: electronic BINGO. Yes. You buy the cards and they are placed in an electronic device that does the job for you. You just have to watch the device doing the marks for you while you hear the calling and watch. Many won prices.

OVERALL: The trip was successful, everyone had a wonderful experience and the adventure on the water was splendid. The waters were quiet so there were no "sea sick" at all in anyone. That's the most wonderful part.

Did you miss this trip? Be alert because there will be another one. So get ready to have some fun and who knows, to win.

FIVE TIPS TO BE HAPPY

Written by Sarie de Jesus

Translated by Margie & Richie Vega

Submitted by Richie Vega

This morning I was sitting on a bench at the mall while waiting for my son who was in a store being interviewed for a job. While waiting, I got very sleepy to the level that I feared falling asleep in front of so many people who were passing through the halls doing their shopping. The tiredness was winning me over, so I started to walk while watching the showcases of the stores at the mall. After a while I started to wonder why was I so tired and remembered that the night before I went to bed very late after having a very laborious day. After a while I started to feel pain in my legs so I realized that my body was sending me a message that I needed to rest. That led me to think of the neglect caused by the daily tolls that are able to steal moments of great happiness. I wanted to enjoy that day a little longer at the mall with my son but my strength would not permit me to.

I have always been convinced that happiness depends on the attitude we take in life. If we are people who seek peace around us, we contribute to our happiness and so on with everything positive that we can provide for it. But on the other hand, certain situations that are like pebbles on the road that can make us stumble and interrupt those moments of happiness. Let me tell you that these stones may have been put there by external forces, others by us. What things can we consider interruptive stones of our joys?

This is a topic that if we go in depth, it would be very long, so I'll leave it a little for another of my conversations and I will touch only five points that I consider very important:

- Respect your hours of sleep. A body that has rested has more vitality to achieve excellent performance in the day, both physical and mental.
- Try a healthy and balanced diet. As a popular saying goes: "We are what we eat." Good nutrition attributes to a better health.
- Avoid hanging around friends that bring negativity into your life.
- Be more organized. Being disorganized in our lives often steals the inner peace.
- Spend time with your family and your loved ones. Nothing like loving and being loved to be happy.

I hope this insight is of great help to you, as it has been for me.
