EDITOR'S NOTES

It's May! It's May! Time for Spring cleanup and getting the grounds ready for the season of smelling fresh cut grass!

Well, that's OUR dream in this neighborhood right?

When the HOA Board got together with Tom, the Park Manager before our monthly HOA meeting, we discussed the lawn care. Unfortunately, we have the same company that ended the season last year. He said he has talked with them and will be on top of making sure our lawn is taken care of in a timely manner.

Speaking of lawn care. If you check out our calendar for this month we will be having a "Day of Helping". There was a signup sheet at last months meeting and there will be one at this months meeting as well.

We, as a neighborhood, will be coming together on Saturday, May 13th to help out as many neighbors as we can with their flower beds and weeds. We are only working on the outside of their homes...sweeping, power washing, spraying down the outsides. Even painting the brick faces. We want to help out the neighbors that don't have someone to help them out and/or can't physically do it themselves.

We are a family, a community that is willing to help out each other in a time of need. We hope you hop on board and join us.

We will be meeting at 8:30am at the clubhouse for assignments. Please bring gardening tools, power washers, whatever you can to help make this a success.

We will have chilled bottled water on hand in the fridge at the clubhouse to quench your thirst. When we are finished we will be having a pool party for the participants to cool off and have some pizza and beverages. Maybe a water balloon toss game by the laundry lines!

If anyone wants to donate to the cause it would be much appreciated. We will be using some HOA monies for this as well.

Some items needed:

-White paint
-Paint brushes

-Paint sticks
-cash (for Pizza)

...continued on page 6
...continued on page 6

There will be paper products, trash bags, soda, and water available.

If you are interested in joining us and/or donating something please text me at (585) 943-8135 so we can make sure we have all items covered without an abundance.

We have had some issues in parts of the neighborhood with residents that don't belong here and some other things like theft and break ins to vacant homes. If you see ANYTHING that looks suspicious, that means ANYTHING, call the police! We need to keep our community safe. The more we call the more they patrol our area.

Facebook Page for Crystal Lake Homeowners

We have a Facebook Page now that you can be invited to or ask to join. If you have a Facebook account you can go to "Crystal Lake MHP Homeowners". We would love you keep you informed on what's up in the neighborhood.

You will get info on water shut offs, event reminders. All kinds of info that will bring us closer as a community.

HOUSE KEEPING

I am a very reasonable person, but I am very forward in speaking. If I'm too blunt, I apologize in advance, as sometimes there is no polite way to make a point.

With that being said...

As you know, the pet topic has been a big one. Some of the items discussed at our last meeting were about our pets. When we spoke with the park we brought it to their attention that this problem needs to end and that the perspective is not being followed. Tom stated that we have to have proof. So a suggestion is, to take a picture of and/or video tape anyone not following the pet rules. If you are reported then they will be telling you to remove your pet from the property and if it's not taken care of, you will be served an eviction notice. This goes for pets on a leash at all times. That mean dogs and cats.

Most of our homes have carports. Driving around, there has been a large amount of item being left in carports instead of vehicles. Again, the Rules and Regulations state that a carport is for cars (hence the name). If you are parking your vehicle on the street to make room for something else, it most likely is not allowed on the property (trailers, machines, etc.) Tom has stated that there will be repercussions. Also, closing in your carports is not an option. If it wasn't closed in when purchased your home, and it is now, you will be told to remove it. Also, the items around some of the homes have random things sitting out there (2x4's leaned up against the side of the homes, hoses not wrapped up properly, empty buckets, fallen bricks on the bottom of homes and so on). You get my point. These things need to be removed, repaired, and replaced as soon as possible.

Reminder, we own and are responsible for the upkeep of our homes, our porches, our carports/driveways and our flower beds. The park is responsible for the rest. If you have things laying outside that makes it a challenge for the lawn crew to do their jobs, those things will be thrown away.

The grass looks terrible. The roads are not paved. Those are things we have no control over...YET. We all live close to each other and when we go out back to enjoy our surroundings, looking at these things does not make for an enjoyable home. There are some things we can do to make it look neater. Please pitch in. Remember, it takes a village.

When it comes to the population of Crystal Lake, Tom informed all of us, via Newsletter with our monthly rent. He has mentioned that the property is in the process of removing anyone here that is not supposed to be here.

Strides are being made neighbors!!! It will take time and we as an HOA will stay on top of them until the matter is completely resolved. We will get our neighborhood back!

HOME OWNERS ASSOCIATION UPDATES

We had our monthly HOA meeting on Monday, April 3rd and the turn out was good. We spoke with Tom prior to the meeting and were able to get some of the questions and complaints covered. Some of the items have been posted above in HOUSE KEEPING.

Enclosed in this newsletter you will find a copy of our HOA membership form. If you haven't already done so, I encourage you to fill it out and contact Violet so she can get it from you. If you can't pay the full \$12 for the year, then talk to Violet and she will work out a plan with you. YOUR VOICE COUNTS! We can't do this without you.

We went from 11 members in February to 48 as of the beginning of March!!! We now have 81 as of the time this was written. Which mean we are more than halfway there!!! We only need 34 more to make this work. By the time this reaches each of you we may have our 115!!!! I AM SO EXCITED !!! WE CAN DO IT!!!

I want nice grass and water pipes that don't burst. I want paved roads that look and are smooth to drive on. How about you? If you do, then you have to join or you will never see these things happen. Believe me. We are not caving into this being something we must settle for. I'm not a person to settle! I go for the whole thing, and so do 80 others, so far. Who's going to be 82 to 115?

At the last HOA meeting we discussed some very important information on where we stand and what steps we will take once we have 2/3 membership. It's getting close people!! Please get on board, your membership will make or break this community...literally. If you want to know more details on what we have up our sleeves once we have our quorum. We hope you can come to the next meeting on Monday, May 1st at 7:00pm and see for yourself what's going on. You never have to come to another meeting if you don't want to because from that point on, once your a member, you will have all the inside dirt from us without having to lift a finger to get the answers.

We will come to you. All you have to do is join and ask.

UPDATE

Posting this again for your convenience

We have come up with a solution to the age old problem of complaints not getting taken care of!! YAY!!!

You will see attached to this Courier a copy of a complaint form that you can detach and use. If there isn't any in the Clubhouse and you need more, please contact Violet and she will make sure you get a copy of one ASAP.

Once you fill out the form please, please, please place it in the HOA DOOR SLOT inside the Clubhouse NOT the OFFICE WALL SLOT. We will make a copy of it and Cliff will hand deliver them to the property manager to make sure he is getting them and we will give them 10 days to respond or take further action. We are done being ignored. The mailbox will be checked once a week for processing and we will keep files of progress.

HERE ARE THE RESPONSIBILITIES OF AN HOA MEMBER

- You will have a right to all HOA information that is not discussed in our Courier. (Meeting minutes and so forth).

- YOUR VOICE is the ONLY way to make a HUGE impact on what we CAN and CANNOT do, when it comes to our rights as home owners in a mobile home community.

- The HOA MUST HAVE 2/3's membership for us to help make the changes we want to make. (ex. Better lawn care, usable washers and dryers, paved streets, water not being turned off for repairs, and MOST IMPORTANTLY rent increases.). This is just a few things we can do. There is much much more!

- We now have a comity of some Board members and HOA members taking this to another level.

WHAT IS 2/3'S?

Answer: We need 115 residents (2/3) in order to act on any concerns we have.

***THE BEST PART OF BEING AN HOA MEMBER ***

- You can have a voice without going to the meetings!
- You can be involved OR not.
- When we have a vote we will come to YOU!
- We will give you basic updates here.
- Anything more detailed, we will send you updates of our progress.
- Membership fee is \$12 a YEAR (\$1 per month) That one cup of coffee a month at McDonald's.

See you around the park!

NEIGHBORHOOD WATCH IS – YOU

We are a neighborhood watch...let's start acting like one. Too much vandalism and loitering going on around here.

Almost everyone has access to a camera and video. Start using them! The more evidence we have to bring to management the better. Also, the police.

Be Alert! Be Responsible! Be a good neighbor! Be safe!

Remember that your neighbors are the people who you can hope will be watching out for you, too. Don't be afraid to make that call to the PPPD if you see something that looks suspicious to you.

Please make note of the **NON-EMERGENCY NUMBER – 727-369-7864.**

Emergencies are always 911.

WELCOME ALL OUR NEWEST RESIDENTS

MONTHLY HOA MEETING – Monday, April 3rd @ 7:00 p.m.

Please join us the first Monday of every month when we hold our HOA meetings. This is a great time for you to find out what's being planned for your entertainment, discuss issues in the park, let us know about any concerns for the Board to take to Management or get answers from past concerns or just meet with your friends and neighbors. We have some new and exciting plans in the making. We'd love to see you there.

BINGO & SNACK BAR – SPONSORED BY YOUR HOA

People tell me all the time that this is one of the highlights of their week. We want you to bring your appetite to the clubhouse on Friday nights and plan to have dinner at the snack bar starting at 6:30 p.m. There's always a good assortment of chips and sodas that are included with your burger or dog or buy them separately. It's a great way to have dinner for \$3.00 or less on a Friday night.

Then Bingo starts at 7p.m. with lots of fun and a great way to bring home some extra cash. If you haven't played in a while, you're in for a surprise. It just gets better and better all the time. If you haven't played it before, don't worry... we love helping you along. For many of us, there's no better way to spend our Friday nights. We hope you'll be there to join in the fun next Friday night.

TEXAS HOLD 'EM

Every Saturday from 1pm – 5pm, guys & gals meet in the Clubhouse for Texas Hold 'em. If the Clubhouse is not available due to a private event or a holiday, Texas Hold 'em will be held on Sunday from 1P-5P.

The group started out small but continues to grow with new players joining in all the time. They want you to know that anyone is welcome and invite you to check 'em out. Be sure to be on time.

DO YOU LIKE TO BOWL?

Would you like to bowl on a team or just for fun? Bowling is fun, inexpensive and good exercise. You can socialize or compete with others. There's a sign-up sheet in the Clubhouse for anyone wanting to get a team started. Let's go bowling!

Eating more fish may help prevent Alzheimer's

Alzheimer's, a disease that afflicts some 5.1 million Americans, is a type of dementia that affects a person's memory, thinking, and behavior. Although at this point no cure exists, you can take measures to reduce your chances of suffering from this debilitating condition.

New evidence suggests that eating more fish—as long as it's not fried—may help to protect your brain from the shrinkage and decline associated with Alzheimer's. Researchers from the University of Pittsburgh Medical Center tracked the diets of 260 people with normal cognitive function for more than 10 years. Using magnetic resonance imaging (MRI), they measured the brain volume and function of each participant at the beginning of the study, and again at the end. The results: The 163 subjects who ate fish on a weekly basis (the majority consuming it one to four times a week) had a larger orbital frontal cortex and hippocampus (two areas of the brain that are known to shrink in Alzheimer's patients) and better memory function than those who ate less fish.

The researchers determined that the risk for Alzheimer's and mild cognitive impairment was lowered fivefold within the five years following the brain scans. So start eating more fish today.

Follow this 'Golden Rule' to reduce cancer risk

Want to cut your risk of developing cancer? Check the color of your food—particularly your toast and potatoes. Scientists in the United Kingdom say that cooking those two items too long can increase levels of a naturally occurring chemical called acrylamide, which has been linked to cancer in rats.

Acrylamide is formed when starchy foods like potatoes and root vegetables are cooked at over 120 degrees. To reduce it in your foods, follow these guidelines:

- **Cook until golden.** Whether you're making toast, roasting potatoes, or baking vegetables, cook until the food is gold-colored, not brown.
- **Check the instructions.** Follow instructions for baking or frying packaged vegetables like fries or parsnips.
- **Keep raw potatoes fresh.** Don't put them in the refrigerator if you're going to roast or fry them. Colder temperatures can increase acrylamide levels.

Leading by example

Bill Gates, co-founder of Microsoft, has his own private jet now, but he didn't always. On the Business Insider website, former senior vice president Brad Silverberg recalls that in the 1990s, all Microsoft employees were required to travel by commercial airline—in coach, despite the fact that by that time Microsoft was a thriving organization. On one flight from Seattle to New York, Silverberg flew with Gates and some other members of the Windows team:

“And there was Bill, sitting in coach, in a middle seat. It didn't matter to him; he spent the whole flight reading. He wasn't as universally recognized then so it wasn't such an issue for him to fly commercial. It made a big impression on me, a new Microsoft employee, seeing Bill lead by example.”

Different priorities

During a Little League game, one of the batters hit a fly ball to right field that the right fielder made no attempt to catch. After the inning was over, the coach pulled his right fielder aside and asked him why he didn't even try to catch the ball.

“If I had caught that ball,” replied the boy, “I would have killed my new friend.” And with that, he opened up his glove to show the coach a caterpillar he had found in the field.

Remember this story to remind yourself that everyone's priorities are different.

Rules apply to everyone

During the Civil War, Ulysses S. Grant, commander of the Union forces, had to reprimand a guard who had deserted his post. “Orders must be strictly and promptly obeyed always,” Grant told the young soldier.

A week later, the same soldier was told to guard a steamboat loaded with ammunition. His assignment: to make sure that nobody with a lighted pipe or cigar came near the boat. On the guard's first day at his new post, General Grant started walking toward the boat, puffing away on one of his famous cigars.

“Halt!” called the guard. “I have been taught to obey orders strictly and promptly, and my orders are to allow no one to approach this boat with a lighted cigar.”

With a smile at hearing his own words repeated back to him, Grant threw the cigar in the river.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Getting into Heaven

A woman died and found herself at the Pearly Gates. St. Peter approached her with a smile. “To enter, you need only pass a simple spelling test. Can you spell the word ‘love’?”

“L-O-V-E,” the woman replied, and St. Peter stepped aside and allowed her to enter Heaven.

Several years later, St. Peter found her on a cloud and said, “I have a big meeting today with the Boss, and I can’t watch the gates. Would you mind taking my spot?”

The woman agreed. The morning passed uneventfully, and then she looked up and saw her husband approaching. “It’s so nice to see you!” she exclaimed. “How have you been?”

“Just great,” her husband replied. “I married the beautiful young nurse who took care of you while you were sick, and we had three more children. I won the lottery. We lived in a huge mansion. We had matching BMWs. My wife and I were taking our yacht on a second honeymoon cruise when I fell overboard and drowned.” He looked around. “So, how do I get into Heaven?”

“You just have to spell one word.

He smiled. “Great! What word?”

She stared at him. “Kyrgyzstan.”

Feeling the heat

A man in Dublin went in for a serious operation. The surgery took some time and the man was returned to his room to recover. As he came out of the anesthetic he looked around his room and saw that all the shades had been drawn, even though it was early afternoon.

When the surgeon walked into the room to check on his patient, the man asked why all the blinds were pulled down.

“The house across the street is on fire,” the surgeon told him. “I was afraid that if you saw the flames when you woke up you might have concluded that the operation was not a success.”

A SMILE IS A CURVE THAT SETS EVERYTHING STRAIGHT.
