## EDITOR'S NOTES

*Violet Escobar*

---

**W**hat a wonderful time we had at our Meet and Greet! There were so many new faces and names to remember! I saw people that I hadn't seen for a long time. It was great hearing about all that was going on in their lives. I met many new and interesting people who have moved into our park over the last several months and could have spent so much more time just sitting and talking with them all. There were even a couple of dancing girls. Everywhere you looked there were smiling faces.

An awesome spread of turkey for sandwiches, salads, veggie tray, trays of cookies and cakes was prepared by our HOA. There was so much good food: I know I've forgotten to mention a lot of the different things that were there. Everyone seemed to have an enjoyable time.

I'd like to personally thank Cliff, Rosalie and Jackie (and others that I don't even know about) for all the hard work they did planning, shopping and preparing the food. We know that there's a lot of work that goes into such an event to make it run so smoothly. I'm looking forward to the next event. Hope you'll be there, too.

## HOA MEETING

---

**O**ur October meeting is back on schedule this month. I don't know who the planned speaker is for the meeting but I'm sure it will be someone who will bring us more valuable information. Our speaker last month (in case you missed the meeting) gave us a lesson in Hurricane Preparedness. He reminded us of what could happen if we chose not to heed the warning to evacuate if the order was issued. You might want to check with your insurance company to see if you're covered if you're stay behind and need to file a claim.

The meeting starts promptly at 7 p.m. Please grab a friend or neighbor and come down. If you haven't joined HOA yet, you can pay your \$5.00 dues before any HOA meeting. I hope to see you there.

## FMO

---

Be sure to look toward the back section of your Courier for a monthly message from Mr. Bush. It's your opportunity to find out why FMO is so important to us

## YARD SALE

---

**B**y the time you read this, we will have had our Fall Yard Sale. I hope you participated and did well. If all goes well, we will try to do this again in the spring so if you missed out, all is not lost. Start collecting your unwanted items and let's get ready to do it again. Maybe this time we can include a bake sale or a plant sale. It's time to start planning now. Have fun with this.

## RECIPES:

---

### Baked Sweet Potato Fries

#### Ingredients:

- 3 large sweet potatoes
- 2 tablespoons corn meal
- 3 tablespoons olive oil, divided
- 1 tablespoon ground cinnamon
- salt and fresh cracked pepper, to taste

#### Directions:

- Preheat oven to 425 degrees. Line a large cookie sheet with non-stick aluminum foil.
- Peel sweet potatoes and slice into fries. You want fries to be as even in width as possible for even cooking.
- Place sweet potatoes in one of those giant size zip-locks and drizzle in 2 tablespoons olive oil. Shake like crazy to evenly coat. Then sprinkle in the corn meal and shake, shake, shake it!
- Drizzle in the last tablespoon of olive oil, and sprinkle in the cinnamon, salt, and pepper. Again shake it like your life depends on it.
- Lay out the sweet potatoes in a single layer and bake 25-30 minutes, flipping half way through. Serve immediately.

## SPEED LIMIT

---

**T**he speed limit in the park has always been 10 mph. Watch out for dog walkers, bicycles and golf carts especially at intersections and blind corners. Please remind your guests to drive cautiously when in the park also. Let's all try to be safe and injury free.

## RECIPES:

### Crockpot Salisbury Steak Recipe

- 2 lbs. ground beef
- 1 pkg. onion mushroom soup mix (If you can't find it, then onion soup mix will work too.)
- 1/2 cup saltine crackers, crushed
- 1 egg
- 1/4 cup milk
- 2 Tbsp. vegetable oil
- 1/4 cup flour
- 2 (10 oz.) cans cream of mushroom soup
- 1 pkg. brown gravy mix, prepared according to package directions.\*\*

Mix the first 5 ingredients and shape into 8 patties. Pour vegetable oil into frying pan, dredge the patties on both sides with the flour\*. Brown in the hot oil on both sides. Place patties in a Crockpot. They can overlap. Combine soup and mixed gravy. Pour over patties. Cook on low for 4-6 hours until patties are cooked through.

- I just pour the flour onto a plate, lay the patty in it and dredge on each side.
- You could replace the gravy mix with about 1 cup leftover roast gravy.

### Soft Chocolate Chip Cookies

- 2 1/4 cups all-purpose flour
- 1 (3-4 oz.) package instant vanilla pudding mix
- 1 tsp. baking soda
- 1/2 tsp. salt
- 1 cup butter, softened
- 3/4 cup brown sugar
- 1/4 cup white sugar
- 1 egg
- 1 egg yolk
- 1 tsp. vanilla
- 1 1/2 cups semisweet chocolate chips

Preheat oven to 375 degrees. Cream butter and sugars together. Add the eggs and vanilla. Add flour, pudding mix, baking soda and salt.\* Whisk lightly. Then beat in with wet ingredients. Fold in chocolate chips. With spoon or cookie scoop, drop on greased cookie sheets. Bake about 10-12 minutes or until the edges are just set and light brown. The middles will still be puffy. Let cool on a baking sheet a couple of minutes before removing.

- To save time and an extra bowl, I place all the dry ingredients, starting with the flour, on top of the beaten wet ingredients. I take a fork or whisk and lightly fluff the dry ingredients right there in the same bowl. Then I take the mixer and continue beating wet and dry together. I do this often when a recipe says to whisk dry ingredients in a separate bowl.

## KITCHEN TIPS

---

How long should you keep frozen foods?

Whether you're buying meat in bulk or freezing leftovers for later, check out these guidelines to maintain the best taste, texture and freshness.

- Ground Beef – 3-4 months
- Uncooked roasts – 8-12 months
- Uncooked poultry – 9-12 months
- Soups or Stews – 2-3 months
- Casseroles – 2-3 months
- Meatballs or Meatloaf – 2-3 months
- Bread – 1-2 months
- Hot Dogs/Lunch Meat – opened or unopened – 1-2 months
- Bacon/sausage – opened or unopened – 1-2 months
- Ice cream – opened – 1-2 months
- Fresh Vegetables or Fruits – 5-6 months

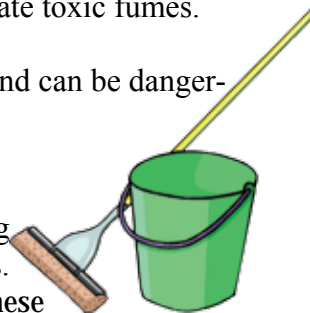

## DON'T EVER MIX THESE CHEMICALS TOGETHER

---

**Y**ou probably have some of these household cleaners under your sink right now. Mixing certain ones together can cause toxic fumes that are very dangerous.

- Bleach with Acid-based toilet bowl cleaner. When mixed they create toxic fumes.
- Bleach and vinegar – together they create a toxic chlorine vapor.
- Bleach with ammonia – lethal vapors which can irritate the eyes and can be dangerous when inhaled.
- Bleach and rubbing alcohol
- Window cleaner and all-purpose cleaner
- Two types of drain cleaner – if one doesn't work don't try using another. Mixing different products can create the chemical chlorine gas.

Here's an example of what can happen if you combine any of these chemicals. My mother was cleaning the garage floor and without realizing it mixed some volatile chemicals. Even though the garage was well ventilated, the fumes were immediate; she lost consciousness and fell to the floor breaking her jaw and eye socket. If a neighbor hadn't come by to visit, we could have lost her that day. It's best to be safe and never combine household cleaners.

## **Water and Swimming Safety**

*From the Red Cross*

---

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming. If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.

**More water safety information is available at [redcross.org](http://redcross.org).**
