## CALL & TEXT MESSAGING

**T**his is a service that we use to inform you of water issues or other park problems and to remind you of important meeting and events. These are things we feel you need to know. We would like to include all residents in this effort to reach you in case of any emergencies that may arise within our community.

## HOA NEWS

---

### MONTHLY HOA MEETING – October 3, 2019

6:15 PM Our evening begins with Coffee & Snacks & time to mingle with our friends.

6:45 PM – HOA Business Meeting and discussions.

If we have scheduled a speaker for that night, you will hear from that speaker at or around 7 p.m.

FMO: FEDERATION OF MANUFACTURED HOMEOWNERS OF FLORIDA, INC.

What is the difference between “HOA” and “FMO”?

HOA: The HOA is the local “governing body” of the community. It is a homeowners’ association, created under Chapter 723, Florida Statutes, for the specific purpose of either purchasing the community on behalf of the residents and/or representing the community on behalf of disputes between management and the residents.

FMO: The FMO is the statewide organization that lobbies for and defends your rights as a mobile/manufactured homeowner in Florida. We assist in the training, and offer advice, for the HOA officers and directors in a community. The FMO does not assist with or interfere in the governing of the community. That is left up to the community HOA.

FMO needs your help. If FMO is to continue fighting for your rights and protecting your lifestyle, we must keep our membership numbers high. That is what gives FMO clout with legislators and other government officials.

**TOGETHER WE MUST STAND**

Now more than ever!

Remember - WORDS MATTER!

FACTS MATTER! Get the facts before you repeat the words!!!

## COMING UP THIS MONTH

---

- Thursday – October 3, HOA Meeting
- Every Saturday – Pool Tournaments at 6pm (after the potluck on the 21st.)

## CRYSTAL LAKE HOA FARMER'S MARKET

---

**W**e are still working on scheduling our first HOA Farmer's Market. We are excited to get this started and will let you know anything as soon as we know.

We hope to have fresh, just-harvested fruits and vegetables for sale. We should have things like potatoes, tomatoes, peppers, corn, onions, beans, watermelon and other fruits & vegetables in season. Our goal is to bring fresh produce to our residents, many of whom find it difficult to shop outside of the park for fresh fruits and vegetables.

## ONGOING ACTIVITIES

---

### FRIDAY NIGHT SNACK BAR

**O**ur menu has changed. It has been decided that a healthier menu would make for better choices.

Due to popular demand, Ron is planning to bring back some of your favorite fried foods and some of your old favorites. Come down and enjoy some of the things you've been missing.

REMEMBER: The Friday Snack Bar is for EVERYONE! Not just bingo players...

The HOA invites you to come out and have dinner with your friends and neighbors. The Snack Bar is open on Fridays from 5:30 p.m. until 6:45 p.m.

**Michael Crotts**  
FL Licensed Independent  
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crotts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crotts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

## BINGO NEWS

---

It's not just your average BINGO anymore! We have new games like DERBY BINGO where you can buy your favorite horse and race against 14 others to big winnings every Friday night.

Another game is our SPEEDY BINGO. You have to be on your toes for this one because numbers are called fairly quickly, and no letters are given. But if you are a winner, the pot is always good.

You have to come a few minutes early to play these two games because our regular BINGO starts promptly at 7 p.m.

Closer to the end of the night, right before the cover-all game, we play PROGRESSIVE BINGO. This is where only a specified number of 'numbers' are called. If no one is able to call Bingo during that time, the 'pot' rolls over and is added to the next Progressive Bingo the following week. In the past, our pots have grown to many hundreds of dollars and a very happy Bingo(er) has gone home a lot richer.

So, if winning money, hanging out with good friends and sometimes laughing until you cry is the kind of entertainment you want, the CL Clubhouse is your place to be on Friday nights.

## PARKING ON THE GRASS.

---

You're house-proud, so you have your friends over all the time. But if you let them park on the lawn (your house, your rules, right?), the vehicles will sink into the yard, compact the soil, and crush the grass.

Crushed grass becomes dead grass; weeds sprout in the dead spots; and soon your dying, weedy, tire-rutted yard starts chipping away at your house pride (and your home value).

The bottom line is Never Park on the Grass! It's not good for the grass and your vehicle might get towed.

## PET OWNERS & LOVERS

---

I'm writing this as a courtesy to people who have expressed to me (as the Editor of this publication). Please help us control the cat population and damage to plants, yards and gardens by following the rules of the park and keeping your cat's inside. Even though they might be spayed or neutered they still use gardens and yards for their toilets, yowl and fight at night and spray a terrible odor when marking their territories.

Also, concerns that I hear about dogs still have to do with people not picking up after their pets (even in their own yards) and not keeping their pets on a leash. Please be mindful that pet urine is very acidic and will kill grass. With Spring coming and people taking more time to clean up and beautify their yards and carports we can all help by taking better care to follow the rules.

I have spoken to Manager Tom about their concerns; he told me that people have also come to him about these same problems and that he is looking into ways to handle these issues.

## PLEASE SLOW DOWN

---

The Speed Limit in our community is 10mph! We have a few residents that consistently violate this policy.

Their lack of regard for the safety of the residents and wildlife may lead to a needless tragedy. Many residents have physical handicaps whether it is simply a small problem with mobility or being hearing or visually impaired.

Many of us use our streets to take walks or visit with each other.

Someone could be injured, and it would be a needless tragedy. Please be courteous to everyone, and slow down. There is no reason to use excessive speed inside our community.

## WIN WITH THE VENDORS OF CRYSTAL LAKE PARK

---

Whether you need a Plumber, a Vapor barrier or a new roof, the first and best place to look is in the right here in this Media!

Supporting the vendors in the Media keeps the monthly newsletter available and helpful to each homeowner because sooner or later you are going to need a service that is advertised.

In appreciation of your support, you could be eligible to win \$5.00 to \$100! Once a job has been completed at your home, the Vendor will provide you with a Monthly Media contest entry ticket.

All you need to do is fill out the ticket and deposit it in the Media box that is located in the clubhouse. There is a limit of one entry per month.

## Ancient human skulls hint at early European arrival

---

Two skulls unearthed in Greece suggest that Homo sapiens arrived in Europe from Africa much earlier than previously thought. The Sci-News website reports that the partial skulls were discovered decades ago, in 1978, but a recent re-examination allowed scientists to virtually reconstruct them.

One skull, 170,000 years old, belonged to a Neanderthal, but the other is 210,000 years old and appears to be an early modern human. This means that Homo sapiens spread out to Europe some 150,000 years earlier than believed. Scientists speculate that Neanderthals originally displaced Homo sapiens, but over time they died out as more early modern humans made their way to southern Europe.

## Giant squid sighted off New Orleans coast

---

For the first time, a giant squid has been sighted and captured on video in U.S. waters, the *Popular Mechanics* website reports. A research vessel grabbed video of the squid, *Architeuthis dux*, 100 miles from the New Orleans coast. It's only the second footage of a giant squid in the wild; the first was captured on video in 2012 off Japan's Ogasawara archipelago.

The video was taken with a camera called Medusa, designed to resemble bioluminescent prey in the deep sea and attract predators like the giant squid to obtain a close-up look that can be recorded and studied.

## Three myths about creativity

---

People have lots of misconceptions about the nature and practice of being creative. Here are some common myths to ignore (from the Livemint website):

- **Creativity is serendipitous.** Don't wait for the proverbial light bulb to go off inside your head. Enhance your imagination by talking to people, immersing yourself in information, and focusing on the problem you want to solve instead of hoping you'll get an idea out of the blue.

- **Creativity is lonely.** We imagine the painter alone in a studio, or a poet shivering in a chilly garret. You won't get ideas, though, unless you get out into the world and explore. The more perspectives you can get from other people, the more fuel your imagination has.

- **Creativity requires a team.** Organizations rely on R&D teams for creative ideas. Although seeking input from others is useful—even essential—many great ideas come from people who weren't actively seeking solutions at the time. Teamwork is great, but don't ignore ideas from offbeat sources. They may be the most innovative.
